Ask a Manager - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

Broken Greek - Pete Paphides 2020

AS READ ON BBC RADIO 4 'BOOK OF THE WEEK' 'Lip-lickingly, dance-around-the-living-room good... A smash hit' Observer 'Unflinching and heartwarming' - Adam Kay 'Tender, clever and as funny as it gets ... a heart-piercing joy' - Lauren Laverne 'An exceptional coming-of-age story [...] Pete Paphides may very well have the biggest heart in Britain' - Marina Hyde 'I ADORE this utterly wonderful coming-of-age memoir. Joyful, clever, and a bit heartbreaking' - Nina Stibbe 'Heartfelt, hilarious and beautifully written, *Broken Greek* is a childhood memoir like no other' - Cathy Newman 'So wonderfully written, such a light touch. Drenched in

sentiment yet not in the least sentimental' - John Niven 'It's brilliant. Sad, really funny and beautifully written ... just fantastic' - Alexis Petridis 'A truly beautiful book' - James O'Brien 'Intoxicating' - Kirsty Wark 'Oh, how I love Pete Paphides and this book' - Daniel Finkelstein 'A balm in these times' David Nicholls 'Fantastic ... Can't recommend it highly enough' Tim Burgess _____ 'Do you sometimes feel like the music you're hearing is explaining your life to you?' When Pete's parents moved from Cyprus to Birmingham in the 1960s in the hope of a better life, they had no money and only a little bit of English. They opened a fish-and-chip shop in Acocks Green. The Great Western Fish Bar is where Pete learned about coin-operated machines, male banter and Britishness. Shy and introverted, Pete stopped speaking from age 4 to 7, and found refuge instead in the bittersweet embrace of pop songs, thanks to Top of the Pops and Dial-A-Disc. From Brotherhood of Man to UB40, from ABBA to The Police, music provided the safety net he needed to protect him from the tensions of his home life. It also helped him navigate his way around the challenges surrounding school, friendships and phobias such as visits to the barber, standing near tall buildings and Rod Hull and Emu. With every passing year, his guilty secret became more horrifying to him: his parents were Greek, but all the things that excited him were British. And the engine of that realisation? 'Sugar Baby Love', 'Don't Go Breaking My Heart', 'Tragedy', 'Silly Games', 'Going Underground', 'Come On Eileen', and every other irresistibly thrilling chart hit blaring out of the chip shop radio. Never have the trials and tribulations of growing up and the human need for a sense of belonging been so heart-breakingly and humorously depicted. *Listen along with Pete's BROKEN GREEK playlist on Spotify!*

The Victoria Climbié Inquiry - Herbert Laming 2003

A Review of the Literature on Sexual Assault Perpetrator Characteristics and Behaviors - Sarah Michal Greathouse 2015

"Sexual assault continues to be a pervasive problem, both for society in general and within the military community. To assist the Air Force in its continued efforts to combat sexual assault within its ranks, we reviewed the existing empirical literature on the characteristics and behaviors of adult perpetrators who commit sexual assault against other adults. Our search was not limited to studies of military populations. While a vast majority of the existing literature has focused on sole male perpetrators who assault female victims, we identified some research on other types of perpetrators, including female sexual assault perpetrators, men who perpetrate assault against other men, and perpetrators who participate in group sexual assault. This body of research indicates that adult perpetrators are diverse in terms of their demographics, background characteristics, and motivations. Moreover, research indicates that sexual assault perpetration is likely influenced by a combination of factors, including an individual's developmental and family history; his or her personality, including attitudes/cognitions; and environmental factors, including peer attitudes and alcohol consumption. The complexity of factors that influence sexual assault perpetration and the multiple pathways that lead to an attack make it difficult to predict whether an individual is prone to commit sexual assault. While predicting sexual assault perpetration is problematic, we identified a number of factors related to perpetration that may be relevant for intervention efforts and offer recommendations for the Air Force"--Publisher's web site.

Effective Learning in Classrooms - Chris Watkins 2007-03-12

`The book is at once accessible, evidence-based, practical and eminently readable...Readers will find in this book a treasury of learners' voices guiding us towards the goal of more effective learning in classrooms' - International Network for School Improvement `This book promotes an ambitious and inspiring conception of meaningful pedagogy and works to applaud those teachers who are determined to reflect upon, enquire into, and then facilitate "effective learning". A coherent and structured case is made for the primacy of "learning" over "work" - Learning & Teaching Update This book addresses an important, and too seldom addressed issue: learning. Not teaching, not performance, not "work": this book really is about learning, what makes learning effective and how it may be promoted in classrooms. The authors take the context of the classroom seriously, not only because of its effects on teachers and pupils, but because classrooms are notorious as contexts which change little. Rather than providing yet more tips, they offer real thinking and evidence based on what we know about how classrooms change. Four major dimensions of promoting effective learning in classrooms are examined in depth: Active Learning; Collaborative Learning; Learner-driven Learning and Learning about Learning. Evidence from practising teachers in the form of case studies and examples, and evidence from international research in the form of useful ideas and frameworks is included.

Parenting Matters - National Academies of Sciences, Engineering, and Medicine 2016-12-21
Decades of research have demonstrated that the parent-child dyad and the environment of the familyâ€"which includes all primary caregiversâ€"are at the foundation of children's

well-being and healthy development. From birth, children are learning and rely on parents and the other caregivers in their lives to protect and care for them. The impact of parents may never be greater than during the earliest years of life, when a child's brain is rapidly developing and when nearly all of her or his experiences are created and shaped by parents and the family environment. Parents help children build and refine their knowledge and skills, charting a trajectory for their health and well-being during childhood and beyond. The experience of parenting also impacts parents themselves. For instance, parenting can enrich and give focus to parents' lives; generate stress or calm; and create any number of emotions, including feelings of happiness, sadness, fulfillment, and anger. Parenting of young children today takes place in the context of significant ongoing developments. These include: a rapidly growing body of science on early childhood, increases in funding for programs and services for families, changing demographics of the U.S. population, and greater diversity of family structure. Additionally, parenting is increasingly being shaped by technology and increased access to information about parenting. Parenting Matters identifies parenting knowledge, attitudes, and practices associated with positive developmental outcomes in children ages 0-8; universal/preventive and targeted strategies used in a variety of settings that have been effective with parents of young children and that support the identified knowledge, attitudes, and practices; and barriers to and facilitators for parents' use of practices that lead to healthy child outcomes as well as their participation in effective programs and services. This report makes recommendations directed at an array of stakeholders, for promoting the wide-scale adoption of effective programs and services for parents and on areas that warrant further research to inform policy and practice. It is meant to serve as a roadmap for the future of parenting policy, research, and practice in the United States.

Your Magnetic Heart - Ruediger Schache 2014

Most people have the same fundamental yearnings and questions inside of them. Our most common desire by far is to love and to be loved, yet for so many people, love -- in its many forms -- poses the most difficult challenge of all. Your Magnetic Heart reveals the nature of the mysterious force of charisma and attraction which is present in us all and which determines the course of our relationships and our lives. Here, life coach and author Rudiger Schache introduces the spiritual and psychological concept of the "heart magnet" and how it can guide readers to find their true life path. This is explained in ten essential secrets which emphasize self-reflection. The description of each secret is accompanied by practical advice, real-life case histories, and spiritual insights from seers and thinkers. Those who embrace these concepts can develop a new consciousness and improve their inner clarity, outer relationships, and fortune. By attuning to the force of their heart magnet, readers can attract the people and events for which they have been longing into their lives.

Young and Damned and Fair - Gareth Russell
2017-04-04

England July 1540: it is one of the hottest summers on record and the court of Henry VIII is embroiled, once again, in political scandal. Anne Cleves is out. Thomas Cromwell is to be executed and, in the countryside, an aristocratic teenager named Catherine Howard prepares to become fifth wife to the increasingly unpredictable monarch... In the five centuries since her death, Catherine Howard has been dismissed as 'a wanton', 'inconsequential' or a naive victim of her ambitious family, but the story of her rise and fall offers not only a terrifying and compelling story of an attractive, vivacious young woman thrown onto the shores of history thanks to a king's infatuation, but an intense portrait of Tudor monarchy in microcosm: how royal favour was won, granted, exercised, displayed, celebrated and, at last, betrayed and lost. The story of Catherine Howard is both a very dark fairy tale and a gripping political scandal.

Sex, Lies and Someone Else's Picture -

Victoria Howard 2012-04-28

Victoria Howard is the author of the relationship book called *Why Women Love Bad Boys*, which has been translated and is now sold in over 15 countries. She has penned her own column called, *Dear Victoria*, and hosted a radio talk show called *Beauty and the Shrink*. Victoria was a model, dancer, horse trainer, co-owned automobile dealerships and has developed real estate. In 2000, Victoria invented the first spiritual fragrance for men and women after spending three days in Australia with an Aboriginal Tribe. In 2008, she started an organization for women to help them re-gain their self-esteem and empower them. From this endeavor, the group grew in numbers and women throughout the nation wanted to join. In 2010, Victoria met Allan Jay Friedman, an award winning Producer-Write- Composer and Lyricist; together they founded the nations new movement for men and women, called *The Butterfly Movement*. Although its goal is to reach equality on all levels, it is also to re-unite men with women through love and co-independence. In the meetings, the members are taught *The Butterfly Effect: The 11 Step Program*, which teaches them how to be who they already are. Ms. Howard once represented her state in the Mrs. USA Pageant. She has appeared on *Fox & Friends*, *The Sally Jesse Raphael Show*, *Good Day L.A.*, *Good Morning Sacramento*; and is called *The Relationship Guru*, by the media.

'A masterpiece... I would urge you to read - and re-read ' *Daily Telegraph* **Winner of the Man Booker Prize for Fiction 2011** Tony Webster and his clique first met Adrian Finn at school. Sex-hungry and book-hungry, they would navigate the girl-less sixth form together, trading in affectations, in-jokes, rumour and wit. Maybe Adrian was a little more serious than the others, certainly more intelligent, but they all

swore to stay friends for life. Now Tony is retired. He's had a career and a single marriage, a calm divorce. He's certainly never tried to hurt anybody. Memory, though, is imperfect. It can always throw up surprises, as a lawyer's letter is about to prove. Now a major film

A Lady of the West - Linda Howard 2011-08-09

New York Times bestselling author Linda Howard sets a tale of power, suspense, and passion in the savage New Mexico Territory. Only true love could redeem.... Victoria Waverly, noble daughter of the war-ruined South, is sold in marriage to a ruthless rancher. Honor and pride help her endure life as a wife in name only but nothing can quench her forbidden desire for hired gunman Jake Roper. His gaze is hard, but tenderness he can't hide promises to unveil to Victoria the mysteries of love. Only true love can destroy.... Jake curses his burning need for Victoria, for he wants nothing to stand in the way of his drive to reclaim Sarratt's Kingdom -- the ranch that is his legacy and obsession. But ancient wrongs and blazing passions will bind together the aristocratic beauty and the powerful cowboy. In a bloody land war, they will fight for Jake's birthright...and seize at all costs the love that is their destiny.

Historical Painting Techniques, Materials, and Studio Practice - Arie Wallert 1995-08-24

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises

and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

Walking to Hollywood - Will Self 2012-08-03
Walking to Hollywood is a dazzling triptych - obsessive, satirical, elegiac - in which Will Self burrows down through the intersections of time, place and psyche to explore some of our deepest fears and anxieties with characteristic fearlessness and jagged humour. 'Very Little' is ostensibly the account of a curative journey to Canada and the USA, but in fact the record of a nematode's progress, as the worm of obsession - with scale and packing and the 'stuff' of our lives - bores through a mind in extremis. 'Walking to Hollywood' is an extreme satire on celebrity, in which the narrator believes that everyone he meets is played by a famous actor, and that only he can solve the mystery of who murdered the movies. 'Spurn Head' leads Self to a tormented sojourn with a madman whose house is sliding over the edge of a cliff, to a game of checkers with Death, and finally to an encounter with one of Swift's immortal Struldbruggs and a march through a tear in time itself. In *Walking to Hollywood* Will Self pushes memoir to the limits of invention.

THE LOUDER THAN WAR #1 BOOK OF THE YEAR A ROUGH TRADE, THE TIMES, MOJO, UNCUT, THE HERALD BOOK OF THE YEAR
This is not a book about a rock band. This is not even a book about Mark E Smith. This is a book about The Fall group - or more precisely, their world. 'To 50,000 Fall Fans: please buy this inspired & inspiring, profound & provocative, beautiful & bonkers Book of Revelations.' DAVID PEACE 'Mind blowing . . . there is so much to enjoy in this brilliant book.' TIM BURGESS 'A container sized treasure trove . . . I strongly advise you to buy it.' MAXINE PEAKE 'The most wonderful, unashamedly intellectual, pretentious, ridiculous, exciting hymn to this incredible group.' ANDY MILLER, BACKLISTED
Over a prolific forty-year career, the Fall created a world that was influential, idiosyncratic and fiercely original - and defied simple categorisation. Their frontman and lyricist Mark E. Smith spun opaque tales that resisted conventional understanding; the Fall's worldview was an education in its own right. Who wouldn't want to be armed with a working knowledge of M. R. James, shipping-dock procedures, contemporary dance, Manchester City and Can? The group inspired and shaped the lives of those who listened to and tried to make sense of their work. Bringing together previously unseen artwork, rare ephemera and handwritten material, alongside essays by a slate of fans, EXCAVATE! is a vivid, definitive record - an illumination of the dark corners of the Fall's wonderful and frightening world.
