

Sex And The Confessional

A Dirty Confession - Blue Amber Rose 2015

Confessional Politics - Irene Gammel 1999

The premise of *Confessional Politics* is that in this confessional age, "telling all is in." From a unique variety of perspectives and angles, the essays in this collection explore the association of confession with femininity; they examine its function as a gender-specific discourse as they probe its many feminized genres and subgenres. *Confessional Politics* investigates the creative and strategic ways in which women shape the telling of their sexual stories in order to resist and negotiate the confessional practices designed to position them in conventional sexual frameworks. Investigating the confessional politics of traditional forms of social life writing (including erotic diaries, journals, letters, and confessional fiction), this book significantly expands its focus beyond conventional forms to include practices affecting mass readerships and audiences. The collection addresses provocative general topics: talk shows, sexual harassment, sexual abuse, sexuality, self-help books, and cross-dressing, as well as expressive works such as contemporary Canadian women's poetry, lesbian fiction, performance art, Anne Frank's recently released complete diary, and memoirs.

Whore of New York - Liara Roux 2021-10-12

Why would someone ever voluntarily become a sex worker? Liara Roux writes about the salacious details leading up to her decision to become a career sex worker, and the unexpected truths she learned while working in the industry. Liara Roux is accustomed to being mislabelled and misunderstood. As a child, Liara's inquisitive, instinctive, and rebellious nature was frequently problematized in a world designed around the requirements of their neurotypical, cis, heterosexual male colleagues. Coming of age in an oppressively restrictive home, they shuffled tarot and explored self portraiture to rationalise the injustice of chronic pain, toxic lovers, and the cruel silence of divinity. Critiquing capitalism's

mechanisms of exploitation, the conservatism of Western medicine, and the politics surrounding sex work, *Whore of New York: Confessions of a Sinful Woman* is a candid study of artistic awakening, and both spiritual and sexual growth after abuse, seen through the eyes of a proud outsider.

Craigslist Confessional - Helena Dea Bala 2020-07-07

"Touching." —The New York Times For fans of *Humans of New York* and *PostSecret*, a collection of raw, urgent, and heartfelt stories, shared anonymously. Helena Dea Bala was an exhausted and isolated DC lobbyist, suffocating under the weight of her student loan debt, when she decided to split her lunch with a man who often panhandled near her office. They chatted effortlessly as they ate; there were no half-truths or white lies, and no fear of judgment. Helena felt connected and unburdened in a way she hadn't in years. Inspired, she posted an ad on Craigslist promising to listen, anonymously and for free, to whatever the speaker felt he or she couldn't tell anyone else. Emails from people desperate to connect flooded her inbox, and she listened. Within months, Helena quit her job, deferred her loans, and dove into listening full time. The forty first-person confessions in this book are vivid, intimate, and real; they range from devastating traumas, to lost loves, to reflections on hard choices. Some accounts are quotidian, like that of one increasingly estranged husband: "I want to feel that we're not just roommates—that we're not just waiting for the kids to grow up so that we can move on." Others are deeply disconcerting, like that of a sex addict employed by a religious organization and several are heartening, like that of a mother who dares to hope that her daughter, born with life-threatening heart defects, will one day walk down the aisle: "Sometimes you need to have the audacity to believe that it will all be okay, that it is okay to have the same kinds of dreams as everyone else." In its complex portrayal of the common human experience, *Craigslist Confessional* challenges us to explore the depths of our vulnerability and expand the borders of our empathy.

Secret Selves - Oliver S. Buckton 2000-11-09

Focusing on the representation of same-sex desire in Victorian autobiographical writing, Oliver Buckton offers significant new readings of works by some of the most influential figures in late-nineteenth-century literature and culture. Combining original research, careful historical analysis, and contemporary theories of autobiography, gender, and sexual identity, he provides nuanced studies of confessional narratives by Edward Carpenter, John Henry Newman, John Addington Symonds, Oscar Wilde, and, in an epilogue, E. M. Forster. By examining the "confessional" elements of these writings, Buckton brings "secrecy" into focus as a central and productive component of autobiographical discourse. He challenges the conventional view of secrecy as the suppression of information, instead using the term to suggest an oscillation between authorial self-disclosure and silence or reserve—a strategy for arousing the reader's interest and establishing a relation based on shared knowledge while deferring or displacing the revelation of potentially incriminating and scandalous desires. Though their disclosures of same-sex desire jeopardized the cultural privilege granted these writers by Victorian codes of authorship and masculinity, their use of secrecy, Buckton shows, allowed them to protect themselves from Victorian stigma and to challenge prevailing constructions of sexual identity. Okay, quite a few really. Fine, here goes! Confession #1: I'm a sex columnist. Hold on, that's not really the confession. You see, I'm sort of a virgin...sex columnist. Confession #2: I'm kind of in love with Bridget's older brother, Oliver. No, I was. No, I am. Wait, was? Am? Crap. Confession #3: I've been avoiding Oliver for four years. Or I was until today, because he just moved in. Yes, you read that correctly. He's my new roommate. Sex and the New Medieval Literature of Confession, 1150-1300 - Pierre J. Payer 2009

This volume rounds out an important trilogy of studies by Pierre Payer on the topic of sex in the ecclesiastical thought and writings of the middle ages that began with *Sex and the Penitentials: The Development of a Sexual Code, 550-1150* (1984) and continued with *The Bridling of Desire: Views of Sex in the Later Middle Ages* (1993). In every way the equal of the two magisterial studies that preceded it, this third volume examines the treatment of sex in the 'new' literature of penance and confession. Composed by canon lawyers and by theologians for the instruction of priests, it is one of the most popular genres of writing of the later middle ages, although it remains largely unknown and underutilized as a historical source. Pierre Payer guides readers through this varied and heterogenous corpus with great patience and erudition. His analysis ranges over the origin and development of the idea of lechery as one of the capital sins and the distinction between natural and unnatural acts, and explores the moral consequences of sexual behaviour even within marriage, providing us much insight into the act, and art, of confession and the intimate relationship between priest and penitent that underlies it.

Secret Sex Confessions - D. D. Jensen 2015-04-19

The *Secret Sex Confessions* book series is a compilation of first person confessions of dirty sex secrets that the story teller experienced... and now describes - in their own words. *Secret Sex Confessions 1* (Role Reversal) is a husband's account of how his wife made him switch roles with her - wanting him to experience the other side of things - so he would see how it feels to completely surrender all control to someone - becoming nothing more than a sex slave; forced to do anything she tells him to do - only to learn that his wife has quite an eccentric taste when it comes to role reversal sex - a taste that includes the need to bend him over and feed him her long strap on from behind - but not before making him go to the adult sex toy store so that she can watch him pick out the one that she's going to use on him - with only one requirement... it's got to be a big one! *Secret Sex Confessions 2* (She Wants to Lick Me) is a woman's account of how she and her husband had to move in with her husband's friend and his wife due to financial struggles... and her confession of how she seduced the wife while their husband's were at work. The Art of Love, Sex & Illegitimate Baby Making: My Parenting Confessional - Jenn White 2019-01-28

I was born in the '70s. Raised in the '80s. Had kids in the '90s. And I empty nested in the '00s. Growing up in my childhood home was hard, making babies was easy, and raising great kids was challenging. I met my husband, Greg, in 1991. I was 17 and he was 23. Naturally, we were arrogant, carefree, and madly in love with each other given our young age. Somewhere in those late nights, and definitely before marriage, everything changed when we made a baby. Turns out, contraceptives only work when you use them. We entered parenthood determined to leave behind the traditional, broken family cycles we were raised in. Our definition of those cycles have been called delusional by some and perceived as rejection by others. The 'fuck offs' and 'fuck you's' in those relationships, always the real deal. I started my family in what some call sin. When my life's choices looked irresponsible to others, they were the most defining moments of my damn life. Three kids in and failing as many times as I succeeded, I reinvented those broken cycles and instead created the most tender, raw, and messy experiences of real life. The lessons learned along the way became the insight I used to raise myself and my family. Now, 26 years later, we're young empty nesters and more in love than the day we met. My kids are now in their twenties and are out in the world living a good life that I hope like hell we prepared them for. *The Art Of Love, Sex & Illegitimate Baby Making: My Parenting Confessional* is a throwback to those early days. A collection of short stories revealing how I made my way through young marriage and unconventional parenting, these are my personal stories and how I remember them. Some names have been changed and a lot of crap left out, but the memories and actions shared are the real-life experiences that have shaped me and remain as the true character and foundation of this book series. If you're reading this and are offended, it's none of my business what you think of me, so please have a nice day. Parenthood ain't for wimps.

Confessional Subjects - Susan David Bernstein 2000-11-09

Susan Bernstein examines the gendered power relationships embedded in confessional literature of the Victorian period. Exploring this dynamic in Charlotte Brontë's *Villette*, Mary Elizabeth Braddon's *Lady Audley's Secret*, George Eliot's *Daniel Deronda*, and Thomas Hardy's *Tess of the d'Urbervilles*, she argues that although women's disclosures to male confessors repeatedly depict wrongdoing committed against them, they themselves are viewed as the transgressors. Bernstein emphasizes the secularization of confession, but she also places these narratives within the context of the anti-Catholic tract literature of the time. Based on cultural criticism, poststructuralism, and feminist theory, Bernstein's analysis constitutes a reassessment of Freud's and Foucault's theories of confession. In addition, her study of the anti-Catholic propaganda of the mid-nineteenth century and its portrayal of confession provides historical

background to the meaning of domestic confessions in the literature of the second half of the century. Originally published in 1997. Sexuality in the Confessional - Stephen Haliczer 1996-01-25

In *Sexuality in the Confessional: A Sacrament Profaned*, Stephen Haliczer places the current debate on sex, celibacy, and the Catholic Church in a historical context by drawing upon a wealth of actual case studies and trial evidence to document how, from 1530 to 1819, sexual transgression attended the heightened significance of the Sacrament of Penance. Attempting to reassert its moral and social control over the

faithful, the Counter-Reformation Church underscored the importance of communion and confession. Priests were asked to be both exemplars of celibacy and "doctors of souls," and the Spanish Inquisition was there to punish transgressors. Haliczer relates the stories of these priests as well as their penitents, using the evidence left by Inquisition trials to vividly depict sexual misconduct, during and after confession, and the punishments wayward priests were forced to undergo. In the process, he sheds new light on the Church of the period, the repressed lives of priests, and the lives of their congregations; coming to a conclusion as startling as it is timely. Based on an exhaustive investigation of Inquisition cases involving soliciting confessors as well as numerous confessors' manuals and other works, *Sexuality in the Confessional* makes a significant contribution to the history of sexuality, women's history, and the sociology of religion.
