*Netflix and the Re-invention of Television* -  
Mareike Jenner

**Gender and Law** - Katharine T. Bartlett  
2022-12-14

Buy a new version of this textbook and receive access to the Connected eBook on CasebookConnect, including: lifetime access to the online ebook with highlight, annotation, and search capabilities, plus an outline tool and other helpful resources. Connected eBooks provide what you need most to be successful in your law school classes. *Gender and Law: Theory, Doctrine, Commentary, Ninth Edition* is organized around theoretical frameworks, showing different conceptualizations of equality and justice and their impact on concrete legal problems. The text provides complete, up-to-date coverage of conventional “women and the law” issues, including employment law and affirmative action, reproductive rights, LGBTQ issues, domestic violence, rape, pornography,

international women’s rights, and global trafficking. Showing the complex ways in which gender permeates the law, the text also explores the gender aspects of subject matters less commonly associated with gender, such as property, ethics, contracts, sports, and civil procedure. Throughout, the materials allow an emphasis on alternative approaches and how these approaches make a difference. Excerpted legal cases, statutes, and law review articles form an ongoing dialogue within the book to stimulate thought and discussion, and almost 250 provocative “putting theory into practice” problems challenge students to think deeply about current gender law issues. Highlights of the 9th Edition: This edition is both faithful to its original design—teaching through theoretical frameworks rather than by subject area—and cutting edge. The authors have spared no detail in covering the latest developments in this fast-changing field of study while tying them together into a cohesive whole. *Dobbs v. Jackson*

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-03-16

Women’s Health Organization, a restructuring of the materials on reproductive rights, and greater attention to the reproductive justice movement and the intersectional issues raised by every issue involving reproductive health. Updated and more sustained attention to gender identity and nonbinary identities, including *Bostock v. Clayton County*, new material on transgender athlete bans, and a new section on sex-segregation and sex-differentiation within coed spaces (including *Peltier v. Charter Day School, Inc.* on sex-specific dress codes). Materials raising questions and critique about the intersection of race and gender, including historical materials that highlight the relationship between women’s suffrage advocates and abolitionists and excerpts from newer scholars. Coverage of the impact of the Covid-19 crisis and its exacerbation of gender issues at work and in the home. Updated equal pay materials, revised to highlight new developments in Equal Pay Act litigation,

including *Rizo v. Yovino* on the use of prior salary as a “factor other than sex.” Revised materials on the criminal law of rape that include material from the proposed amendment to the Model Penal Code as well as coverage of the racial stereotypes sometimes reflected in the wrongful accusation and conviction of Black men. Professors and students will benefit from: Dozens of new Putting Theory into Practice problems An updated teacher’s manual with audio and video clips from films, documentaries, news programs, and television and radio series on the book’s main substantive topics. For new teachers, the teacher’s manual is an essential resource; for more experienced teachers, the book is structured in a way that gives them lots of options for how and what to cover in the course depending on the number of credit hours and the professor’s own sense of what should be taught

**Voices From the Wreckage: Young Adult**

**Voices in the #MeToo Movement** - Kimberly

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-03-16  
by guest*

Karshner 2023-04-18

'Voices From the Wreckage: Young Adult Voices in the #MeToo Movement' is an edited collection by Kimberly Greenfield Karshner (Lorain County Community College). This collection focuses on situating young adult voices in the #MeToo movement, and into American culture and identity. Children's and young adult literature is an area of study that has rapidly evolved in the past ten years, bringing previously silenced voices to light. This is especially true for YA LGBTQ+ voices, and also for young narrators who are not only discovering, celebrating, and coming to terms with their identities, but also dealing with assaults on their identities. This collection will build on what writers like Laurie Halse Anderson have begun, first with her groundbreaking book on sexual assault, 'Speak', published in 1999, and more currently, her follow-up book, 'Shout' (2019). These authors continue what Anderson started, exploring texts from the perspectives of YA male and female

voices, Native American and international perspectives, and LGBTQ+ character representation. Chapters investigate various literary forms such as graphic novels, memoirs, and novels, and cover topics such as sexual desire, consent, trauma, and survivorship. The literature featured in this volume will assure young people that they can tell their stories and that they will be heard. 'Voices From the Wreckage' will be a valuable tool for anyone who teaches Young Adult Literature, or for those who are avid readers and fans of the genre. The authors in this collection are starting and continuing very important conversations on the topic of sexual abuse and trauma, a conversation necessary for the intended audiences of these books, and for adult readers and teachers who are facilitating the emotions connected to these topics.

*Animals in Narrative Film and Television* - Karin Beeler 2022-10-15

This book explores fictional representations of

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-03-16  
by guest

animals in animated and live-action film and television and examines the way these representations intersect with culture, race, gender, class, disability, and health issues. Contributors analyze the narrative functions of familiar animals as well as fantastic and hybrid creatures.

Television by Stream - Christina Adamou  
2023-05-22

Online television streaming has radically changed the ways in which programs are produced, disseminated and watched. While the market is largely globalized with some platforms streaming in multiple countries, audiences are fragmented, due to a large number of choices and often solitary viewing. However, streaming gives new life to old series and innovates conventions in genre, narrative and characterization. This edited collection is dedicated to the study of the streaming platforms and the future of television. It includes a plethora of carefully organized and similarly

structured chapters in order to provide in-depth yet easily accessible readings of major changes in television. Enriching a growing body of literature on the future of television, essays thoroughly assess the effects new television media have on institutions, audiences and content.

*Investigating Stranger Things* - Tracey Mollet  
2021-05-18

This edited collection explores the narrative, genre, nostalgia and fandoms of the phenomenally successful Netflix original series, *Stranger Things*. The book brings together scholars in the fields of media, humanities, communications and cultural studies to consider the various ways in which the Duffer Brothers' show both challenges and confirms pre-conceived notions of cult media. Through its three sections on texts, contexts and receptions, the collection examines all aspects of the series' presence in popular culture, engaging in debates surrounding cult horror, teen drama, fan

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-03-16  
by guest

practices, and contemporary anxieties in the era of Trump. Its chapters seek to address relatively neglected areas of scholarship in the realm of cult media, such as set design, fashion, and the immersive Secret Cinema Experience. These discussions also serve to demonstrate how cult texts are facilitated by the new age of television, where notions of medium specificity are fundamentally transformed and streaming platforms open up shows to extensive analysis in the now mainstream world of cult entertainment. Television Show Trends, 2016-2020 - Yvonne D. Leach 2023-11-20

What do Euphoria, Normal People, Atlanta, Ramy, Vida, I May Destroy You, Stranger Things, and Lovecraft Country have in common? In the 2016-2020 time period they were created, these TV shows exemplified one (or more) of four noteworthy trends: authenticity, diversity, sexual candor, and retrospection. This is the first book to examine live action, fictional television shows produced within a five-year period through the

lens of the trends that they epitomize. For each show, the following is discussed: the significance of the platform and the format; the intentions of the creators and showrunners; pertinent background information; similar shows and precedents; the storytelling approach; the cinematic form; and finally, how the show is emblematic of that particular trend. Since trends have the possibility of becoming part of the mainstream, they are important to identify as they emerge, especially for viewers who have a keen interest in narrative television shows.

**Mediating Sexual Citizenship** - Anita Brady  
2017-07-06

Mediating Sexual Citizenship considers how the neoliberal imperatives of adaptation, improvement and transformation that inform the shifting artistic and industrial landscape of television are increasingly indexed to performed disruptions in the norms of sexuality and gender. Drawing on examples from a range of television genres (quality drama, reality television, talk

*Downloaded from*  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-03-16  
by guest

shows, sitcoms) and outlets (network, cable, subscription video on demand), the analysis in this book demonstrates how, as one of the most dominant cultural technologies, television plays a critical role in the production, maintenance and potential reconfiguring of the social organisation of embodiment, be it within gender identities, kinship structures or the categorisation of sexual desire. It suggests that, in order to understand television's role in producing gendered and sexual citizenship, we must pay critical attention to the significant shifts in how television is produced, broadcast and consumed.

*Happy Single Mother* - Sarah Thompson

2023-02-25

Being a single mother wasn't always part of the plan. The fear of it kept me and my family in a situation that wasn't good for any of us. I never thought it could be the life change we all needed. Yes, it can be exhausting, lonely, and financially tough. But it can also be empowering

and joyful, in ways you might never have imagined. At first, I felt like a big failure. And how was I supposed to feed and clothe my children, keep a roof over our heads, and work wearing something other than pyjamas, while also remembering to at least once a week drink a glass of water? But as I began to let go of other people's expectations, I started to enjoy the freedom of being a single parent: I was liberated, empowered and able to be the authentic mother I wanted to be. In this book, I share my own experience of single motherhood, alongside insights from fellow solo parents, child psychologists and other experts, providing reassurance and tips to help you: Raise resilient, emotionally intelligent children Manage your money Navigate the world of dating Forge meaningful friendships Discover the untold joys of the single-mother life From one single mother to another, this book celebrates solo parenting and tackles the issues that we face daily, offering a fresh perspective and practical advice

*Downloaded from*

for anyone who has ever felt the weight of disappointment and guilt at their single parent status, declared themselves a failure or worried about their children's 'outcomes.' I hope reading about my experiences will help you feel excited and proud to be a single mother. 'Full of real advice, hopeful and uplifting, Sarah Thompson is the friend every single mother needs in her life.' Emma Bunton 'Refreshing... I related so much... it felt like I was being seen... empowering. I found myself laughing out loud quite often while reading it.' Goodreads reviewer 'As a single mother it's so wonderful to feel validated and know you're not alone. There is hope in this journey. Enjoyable and helpful read!' Goodreads reviewer 'A really good read... interesting, informative, entertaining... a well-researched and intriguing book that was exactly what I needed.' Goodreads reviewer 'I really enjoyed this... I'm a single mum and it's great to know there are others out there feeling the same way... reminded me to appreciate the good that

has come from being a single mother. I highly recommend this.' Goodreads reviewer  
**Female Faith Practices** - Nicola Slee  
2023-08-01

This book explores female faith practices, drawing on qualitative research to consider how women navigate and create spiritual and religious practices. The chapters cover Christian, Muslim, Jewish and Buddhist contexts as well as newer spiritual movements. The contributors examine prayer and ritual practices and familial, educational and ritual spaces and relationships in a variety of cultural settings. The volume reflects on the ways in which women subvert traditional or patriarchal religious practices and spaces, both problematising and expanding existing notions of 'religious practice'. It also touches on research itself as a form of spiritual and academic practice, considering ways in which women challenge androcentric modes of research as well as ways in which the subject of research - in this case,

*Downloaded from*  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-03-16  
by guest

female faith - may challenge the researcher's convictions and practice. Blending case studies with empirical research, this book will be an outstanding resource to theologians and researchers interested in Practical Theology, Gender Studies, Sociology of Religion and Anthropology.

Cat Person - Kristen Roupenian 2018-05-03  
She thought, brightly, This is the worst life decision I have ever made! And she marvelled at herself for a while, at the mystery of this person who'd just done this bizarre, inexplicable thing. Margot meets Robert. They exchange numbers. They text, flirt and eventually have sex - the type of sex you attempt to forget. How could one date go so wrong? Everything that takes place in Cat Person happens to countless people every day. But Cat Person is not an everyday story. In less than a week, Kristen Roupenian's New Yorker debut became the most read and shared short story in their website's history. This is the bad date that went viral. This is the conversation

we're all having. This gift edition contains photographs by celebrated photographer Elinor Carucci, who was commissioned by the New Yorker to capture the image that accompanied Kristen Roupenian's Cat Person when it appeared in the magazine. You Know You Want This, Kristen Roupenian's debut collection, will be published in February 2019.

**The Bible, Sexuality, and Culture** - Brian Neil Peterson 2021-05-26

We are living in a rapidly changing culture. Since the 1960s, the changes in our sexual ethics have become increasingly problematic. How are people--especially Evangelicals and other conservative Christians--supposed to respond? Does the Bible address these seismic changes? How is a believer supposed to raise a family in the cultural chaos of the twenty-first century? If you have asked any of these questions before, then this book is for you. Peterson argues forcefully that the changes in our culture are a direct result of a postmodern

*Downloaded from*  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-03-16  
by guest

and post-Christian cultural rejection of the mandates established by God in the opening two chapters of Genesis. The reason Western culture is imploding morally is directly connected to the Enemy's undoing of each of the Genesis mandates established by God for human and cultural flourishing. With Western culture's rejection or undoing of every one of God's mandates in Genesis, is there any hope for the survival of once-thriving Judeo-Christian cultures? Peterson tackles these and many other issues in a forthright and unreserved manner. This book is not for the faint of heart. It is a call for a return to cultural sanity rooted in the fear of God and his Word.

[LoveSex and Relationships](#) - Cabby Laffy

2023-06-05

LoveSex and Relationships introduces a pleasure-focused rather than reproductive model of sex, exploring how our brains, minds, bodies and emotions interact to create our experience of sexuality. This book challenges the cultural

commodification of sex and sexuality, and it encourages the reader to experience 'being sexual' rather than 'doing sex' or 'looking sexy'. This is crucial to our development of sexual self-esteem, particularly in the digital era of pornography, dating and hookup apps. Bringing the material of the first edition up to date, chapters include anatomical diagrams and social commentary with a focus on trauma and Polyvagal Theory. Diversity and cultural changes are also addressed, including a more expansive understanding of gender identity, and greater awareness of the impact of power and rank in sexual relationships. Lastly, each chapter features a new partnered exercise alongside every solo exercise from the first edition. The book's accessible language makes it a valuable resource for sex and relationship therapists and trainees, general mental health and sex/relationship professionals, and clients themselves.

**The Routledge Companion to Gender,**

*Downloaded from*  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-03-16  
*by guest*

**Sexuality and Culture** - Emma Rees

2022-09-02

The Routledge Companion to Gender, Sexuality, and Culture is an intersectional, diverse, and comprehensive collection essential for students and researchers examining the intersection of sexuality and culture. The book seeks to reflect established theories while anticipating future developments within gender, sexuality, and cultural studies. A range of international contributors, including leaders in their field, provide insights into dominant and marginalised subjects. Comprising over 30 chapters, the volume is comprised into five thematic parts: Identifying, Embodying, Making, Doing, and Resisting. Topics explored include homonormativity, poetry, video games, menstruation, fatness, disability, sex toys, sex work, BDSM, dating apps, body modifications, and politics and activism. This is an important and unique collection aimed at scholars, researchers, activists, and practitioners across

cultural studies, gender studies and sociology.

**Directing Desire** - Kari Barclay 2023-10-25

Directing Desire explores the rise of consent-based and trauma-informed approaches to staging sexually and sensually charged scenes for theater in the contemporary U.S., known as intimacy choreography. From 2015 to 2020, intimacy choreography transformed from a grassroots movement in experimental and regional theaters into a best practice accepted in Hollywood and on Broadway. Today, intimacy choreographers have become a veritable "intimacy industry" in the cultural sphere, sparking attention from Rolling Stone to The New York Times to the sketch comedy series Saturday Night Live. This book analyzes the forces that have led to intimacy choreography's meteoric rise and asks what implications the field has for theater practice more broadly. Building a theoretical framework for intimacy directing, Directing Desire also strives to reorient the conversation in the field so that

Downloaded from

by guest

artists understand not only best practices in consent but also intersectional frameworks that expand and rework consent.

**When the Secular Becomes Sacred** - Ernest J. Zarra 2021-07

From educational philosophy to classroom practices, this book exposes and analyzes tactical intersections between secular humanism and religious self-worship.

**Very Special Episodes** - Jonathan Cohn 2021-08-13

Very Special Episodes explores various examples of the "very special episode" to chart the history of American television and its self-identified status as an arbiter of culture. Through the study of this unique television format, this anthology traces the history of television's engagement with many of the most important political, aesthetic, economic, and social movements that continue to challenge our society today.

**The Forgotten Victims of Sexual Violence in**

**Film, Television and New Media** - Stephanie Patrick 2022-05-09

This edited collection provides an intersectional and transnational exploration of representations of sexual violence and rape within films, television shows, and digital media in the contemporary context of the #MeToo and #TimesUp movements. Drawing upon sociology, gender studies, cultural studies, media studies, and Black feminist studies, chapters focus on women and texts at the margins of mainstream culture's depictions of sexual violence. The editors and contributors examine the dominant narrative of the thin, cisgender, heterosexual white female victim, and the ways in which social and cultural conversations around race and gender impact and are impacted by depictions of sexual violence in media. This book will be of interest to scholars and students in sociology, gender studies, and media studies, particularly those interested in the intersectionality of race and gender. Chapter 1 is

*Black Women and Social Justice Education* - Stephanie Y. Evans 2019-02-01

Focuses on Black women's experiences and expertise in order to advance educational philosophy and provide practical tools for social justice pedagogy. *Black Women and Social Justice Education* explores Black women's experiences and expertise in teaching and learning about justice in a range of formal and informal educational settings. Linking historical accounts with groundbreaking contributions by new and rising leaders in the field, it examines, evaluates, establishes, and reinforces Black women's commitment to social justice in education at all levels. Authors offer resource guides, personal reflections, bibliographies, and best practices for broad use and reference in communities, schools, universities, and nonprofit organizations. Collectively, their work promises

to further enrich social justice education (SJE) a critical pedagogy that combines intersectionality and human rights perspectives and to deepen our understanding of the impact of SJE innovations on the humanities, social sciences, higher education, school development, and the broader professional world. This volume expands discussions of academic institutions and the communities they were built to serve. This is an exciting and engaging text that provides invaluable insights and strategies used by Black women as they engage in their justice work. These strategies will be helpful for diversity trainers, social justice educators, administrators, and anyone interested in resisting oppression and furthering social justice goals in higher education. Sabrina Ross, coeditor of *Beyond Retention: Cultivating Spaces of Equity, Justice, and Fairness for Women of Color in U.S. Higher Education* Uplifting, powerful, and inspirational. Tara L. Parker, coauthor of *The State of Developmental Education: Higher*

Education and Public Policy Priorities  
*The Palgrave Handbook of Screenwriting  
Studies* - Rosamund Davies 2023-07-27

This book provides an overview of the growing field of screenwriting research and is essential reading for both those new to the field and established screenwriting scholars. It covers topics and concepts central to the study of screenwriting and the screenplay in relation to film, television, web series, animation, games and other interactive media, and includes a

range of approaches, from theoretical perspectives to in-depth case studies. 44 scholars from around the globe demonstrate the range and depths of this new and expanding area of study. As the chapters of this Handbook demonstrate, shifting the focus from the finished film to the process of screenwriting and the text of the screenplay facilitates valuable new insights. This Handbook is the first of its kind, an indispensable compendium for both academics and practitioners.
