**Night Beach** - Kirsty Eagar 2012-04-26

Imagine there is someone you like so much that just thinking about them leaves you desperate and reckless. You crave them in a way that's not rational, not right, and you're becoming somebody you don't recognise, and certainly don't respect, but you don't even care. And this person you like is unattainable. Except for one thing . . . He lives downstairs. Abbie has three obsessions. Art. The ocean. And Kane. But since Kane's been back, he's changed. There's a darkness shadowing him that only Abbie can see. And it wants her in its world. A Gothic story about the very dark things that feed the creative process, from the winner of the 2010 Victorian Premier's Literary Award for young adult fiction. There are images in this novel that take my breath away, dialogue that I envy and one of the most achingly real protagonists I've come across for a long while.' Melina Marchetta

A Drink Before The War - Dennis Lehane 2011-06-30

Patrick Kenzie and Angela Gennaro are tough private investigators who know the blue-collar neighbourhoods and ghettos of Boston's Dorchester section as only natives can. Working out of an old church belfry, Kenzie and Gennaro take on a seemingly simple assignment for a prominent politician: to uncover the whereabouts of Jenna Angeline, a black cleaning woman who has allegedly stolen confidential Statehouse documents. But finding Jenna proves easy compared to staying alive. The investigation escalates, uncovering a web of corruption extending from bombed-out ghetto streets to the highest levels of state government. With slick, hip dialogue and a lyrical narrative pocked by explosions of violence, *A Drink Before the War* confronts a city in which institutionalized bigotry and corruption are often the norm, and the true nature of 'racial incidents' is rarely clear. Dennis Lehane's remarkable debut is at once a pulsating crime thriller and a mirror of our world, one in which the worst human horrors are found closest to home, and the most vicious obscenities are committed in the name of love.

**Just For Now** - Abbi Glines 2012-10-30

An insatiable attraction heats to the boiling point in this steamy book set in the shore town of Sea Breeze from the author of the white-hot *The*

*Vincent Boys*. Preston is one bad boy. And Amanda has harbored a crush on him for forever. When she finally makes her move on him, it does not end well. But still, she can't resist him. Especially now that he seems to be pursuing her, too. No one wants them to be together. Not Amanda's brother Marcus, who is on the verge of his marriage to Low, and definitely not any of Preston's buddies. They know way too much about Preston's dark side. Even Preston realizes he's not good enough for someone like her. But Amanda believes there is more to Preston than his bad boy persona, and she is determined to unearth what he's hiding behind his seductive blue eyes—secrets that could explain his actions. Secrets Amanda might not be able to forgive. Yet the dangerous attraction persists...and neither Preston nor Amanda is going to deny it.

**Girls' Night Out** - Liz Fenton 2018

For estranged friends Ashley, Natalie, and Lauren, it's time to heal the old wounds between them. Where better to repair those severed ties than on a getaway to the beautiful paradise of Tulum, Mexico? But even after they're reunited, no one is being completely honest about the past or the secrets they're hiding. When Ashley disappears on their girls' night out, Natalie and Lauren have to try to piece together their hazy memories to figure out what could have happened to her, while also reconciling their feelings of guilt over their last moments together.

Naughty Cocktales - Mike Hunt 2011-06-16

There are cocktails, and then there are cocktales, and when you combine the two things happen! Years ago when "double entendre" drinks like *Sex on the Beach* were invented many good times were had by those who were able to take the "innocent" act of ordering a drink and use it to steer the conversation in a particular direction... but these outrageously named cocktails have since become somewhat commonplace and have lost some of their old mojo. Enter *Naughty Cocktales*, which combines risqué names, suggestive comments and erotic photos into a surefire conversation starter for your next party, boy's night out, girls' night out, bridal shower, bachelor party or whatnot. For that matter, why not carry a copy down to your favorite local watering hole? There are so many way to order. Say, "I'd like a *Ménage à Trois*" or "Would you like a *Screaming*

Multiple Orgasm on the Beach," look at the photos, and read the captions... you get the idea. In the right hands, this little book of drink recipes is the ultimate conversation starter. What really sets it apart from other mixology compilations is each recipe is accompanied by a pertinent and tastefully erotic photo which will be sure to get the juices flowing, along with a short "tale" to kick start the conversation. If you can't break the ice with the opposite sex using this book, you have big problems!

*The Case for Marriage* - Linda Waite 2002-03-05

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. *The Case for Marriage* is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical." --

William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- *The Wall Street Journal* [www.broadwaybooks.com](http://www.broadwaybooks.com)

**Faker** - Sarah Echavarre Smith 2019-10-08

One of Bustle's Most Anticipated Fall Releases Debut author Sarah Smith nails this fun and sexy rom-com where two office foes hammer out their differences to build a love that will last.... Emmie Echavarre is a professional faker. She has to be to survive as one of the few female employees at Nuts & Bolts, a power tool company staffed predominantly by gruff, burly men. From nine to five, Monday through Friday, she's tough as nails--the complete opposite of her easy-going real self. One thing she doesn't have to fake? Her disdain for coworker Tate Rasmussen. Tate has been hostile to her since the day they met. Emmie's friendly greetings and repeated attempts to get to know him failed to garner anything more than scowls and terse one-word answers. Too bad she can't stop staring at his Thor-like biceps... When Emmie and Tate are forced to work together on a charity construction project, things get...heated. Emmie's beginning to see that beneath Tate's chiseled exterior lies a soft heart, but it will take more than a few kind words to erase the past and convince her that what they have is real.

*Yes, Daddy* - Jonathan Parks-Ramage 2021

A propulsive, scorching modern gothic, *Yes, Daddy* follows an ambitious young man who is lured by an older, successful playwright into a dizzying world of wealth and an idyllic Hamptons home where things take a nightmarish turn.

**Blackout** - Sarah Hepola 2015-06-23

'Extraordinary... Writing with warmth and wit' Independent 'It's such a savage thing to lose your memory, but the crazy thing is, it doesn't hurt one bit. A blackout doesn't sting, or stab, or leave a scar when it robs you. Close your eyes and open them again. That's what a blackout feels like.' For Sarah Hepola, alcohol was 'the gasoline of all adventure'. She spent her evenings at cocktail parties and dark bars where she proudly stayed till last call. Drinking felt like freedom, part of her birthright as an enlightened twenty-first-century woman. But there was a price. She often

blacked out, waking up with a blank space where four hours should be. Mornings became detective work on her own life. What did I say last night? How did I meet that guy? Publicly, she covered her shame with self-deprecating jokes, and her career flourished, but as the blackouts accumulated, she could no longer avoid a sinking truth. The fuel she thought she needed was draining her spirit instead. **THE NEW YORK TIMES BESTSELLER** *A* memoir of unblinking honesty and poignant, laugh-out-loud humour, **BLACKOUT** is the story of a woman stumbling into a new adventure-the sober life she never wanted. Shining a light into her blackouts, she discovers the person she buried, as well as the confidence, intimacy, and creativity she once believed came only from a bottle. Her tale will resonate with anyone who has been forced to reinvent themselves or struggled in the face of necessary change. It's about giving up the thing you cherish most-but getting yourself back in return. A raw, vivid and ultimately uplifting memoir of addiction and recovery for anyone who is looking to find their way.

[Ask a Manager](#) - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F\*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy

seas of office life.

**The Encyclopedia of New York** - The Editors of New York Magazine 2020-10-20

The must-have guide to pop culture, history, and world-changing ideas that started in New York City, from the magazine at the center of it all. Since its founding in 1624, New York City has been a place that creates things. What began as a trading post for beaver pelts soon transformed into a hub of technological, social, and cultural innovation—but beyond fostering literal inventions like the elevator (inside Cooper Union in 1853), Q-tips (by Polish immigrant Leo Gerstenzang in 1923), General Tso's chicken (reimagined for American tastes in the 1970s by one of its Hunanese creators), the singles bar (1965 on the Upper East Side), and Scrabble (1931 in Jackson Heights), the city has given birth to or perfected idioms, forms, and ways of thinking that have changed the world, from Abstract Expressionism to Broadway, baseball to hip-hop, news blogs to neoconservatism to the concept of “downtown.” Those creations and more are all collected in *The Encyclopedia of New York*, an A-to-Z compendium of unexpected origin stories, hidden histories, and useful guides to the greatest city in the world, compiled by the editors of *New York Magazine* (a city invention itself, since 1968) and featuring contributions from Rebecca Traister, Jerry Saltz, Frank Rich, Jonathan Chait, Rhonda Garelick, Kathryn VanArendonk, Christopher Bonanos, and more. Here you will find something fascinating and uniquely New York on every page: a history of the city's skyline, accompanied by a tour guide's list of the best things about every observation deck; the development of positive thinking and punk music; appreciations of seltzer and alternate-side-of-the-street parking; the oddest object to be found at Ripley's Believe It or Not!; musical theater next to muckracking and mugging; and the unbelievable revelation that English muffins were created on...West Twentieth Street. Whether you are a lifelong resident, a curious newcomer, or an armchair traveler, this is the guidebook you'll need, straight from the people who know New York best.

[I Love Jesus, But I Want to Die](#) - Sarah J. Robinson 2021-05-11

A compassionate, shame-free guide for your darkest days “A one-of-a-

kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

**A Field Guide to Internet Boyfriends** - Esther Zuckerman 2020-11-10

*Pantry Cocktails* - Katherine Cobbs 2021-05-25

"A collection of 80 to 85 inventive, flavorful cocktails (and some nibbles) created by using everyday basics like the condiments, jams, pickles, and sauces cluttering up your cupboard and fridge"--

*Visualising Facebook* - Daniel Miller 2017-03-07

Since the growth of social media, human communication has become much more visual. This book presents a scholarly analysis of the images people post on a regular basis to Facebook. By including hundreds of examples, readers can see for themselves the differences between postings from a village north of London, and those from a small town in Trinidad. Why do women respond so differently to becoming a mother in England from the way they do in Trinidad? How are values such as carnival and suburbia expressed visually? Based on an examination of over 20,000 images, the authors argue that phenomena such as selfies and memes must be analysed in their local context. The book aims to highlight the importance of visual images today in patrolling and controlling the moral values of populations, and explores the changing role of photography from that of recording and representation, to that of communication, where an image not only documents an experience but also enhances it, making the moment itself more exciting.

*The Swap* - Robyn Harding 2020-06-23

In this riveting tale that “will keep you on your toes until the very end” (*HelloGiggles*), two couples embark on a toxic relationship after a night of sexual shenanigans, unaware of the manipulative teenager with an explosive secret at the center of it all—from the USA TODAY bestselling author of *The Party*. Low Morrison is not your average teen. You could blame her hippie parents or her dreary, isolated hometown on an island in the Pacific Northwest. But whatever the reason, Low just doesn’t fit in—and neither does Freya, an ethereal beauty and once-famous social media influencer who now owns the local pottery studio. After signing up

for a class, Low quickly falls under Freya's spell. And Freya, buoyed by Low's adoration, is compelled to share her darkest secrets and deepest desires. Finally, both feel a sense of belonging...that is, until Jamie walks through the studio door. Desperate for a baby, she and her husband have moved to the island hoping that the healthy environment will result in a pregnancy. Freya and Jamie become fast friends, as do their husbands, leaving Low alone once again. Then one night, after a boozy dinner party, Freya suggests swapping partners. It should have been a harmless fling between consenting adults, one night of debauchery that they would put behind them, but instead, it upends their lives. And provides Low the perfect opportunity to unleash her growing resentment. An "explosive, sexy, and completely absorbing" (Kate Moretti, New York Times bestselling author) thriller, *The Swap* is perfect for fans of Megan Miranda and Lisa Jewell.

**New York Magazine** - 1993-06-14

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

*Sober Curious* - Ruby Warrington 2018-12-31

Would life be better without alcohol? It's the nagging question more and more of us are finding harder to ignore, whether we have a "problem" with alcohol or not. After all, we yoga. We green juice. We meditate. We self-care. And yet, come the end of a long work day, the start of a weekend, an awkward social situation, we drink. One glass of wine turns into two turns into a bottle. In the face of how we care for ourselves otherwise, it's hard to avoid how alcohol really makes us feel... terrible. How different would our lives be if we stopped drinking on autopilot? If we stopped drinking altogether? Really different, it turns out. Really

better. Frank, funny, and always judgment free, *Sober Curious* is a bold guide to choosing to live hangover-free, from Ruby Warrington, one of the leading voices of the new sobriety movement. Drawing on research, expert interviews, and personal narrative, *Sober Curious* is a radical take down of the myths that keep so many of us drinking. Inspiring, timely, and blame free, *Sober Curious* is both conversation starter and handbook—essential reading that empowers readers to transform their relationship with alcohol, so we can lead our most fulfilling lives.

**No Longer Human** - 1958

A young man describes his torment as he struggles to reconcile the diverse influences of Western culture and the traditions of his own Japanese heritage.

**A Stranger on the Beach** - Michele Campbell 2019-07-23

Parade's "10 Books Written by Women We Can't Wait to Read in 2019" | She Reads' "Most Anticipated Thrillers of Summer 2019" | Pure Wow's "The Best Beach Reads of Summer 2019" | CrimeReads' "The Most Anticipated Crime Books of Summer" From bestselling author Michele Campbell comes *A Stranger on the Beach*, an edge-of-your seat story of passion and intrigue that will keep you guessing until the very end. Caroline Stark's beach house was supposed to be her crowning achievement: a lavish, expensive space to showcase what she thought was her perfect family. But after a very public fight with her husband, she realizes things may not be as perfect as they seem: her husband is lying to her, the money is disappearing, and there's a stranger on the beach outside her house. As Caroline's marriage and her carefully constructed lifestyle begin to collapse around her, she turns to Aidan, the stranger, for comfort...and revenge. After a brief and desperate fling that means nothing to Caroline and everything to him, Aidan's infatuation with Caroline, her family, and her house becomes more and more destructive. But who is manipulating whom in this deadly game of obsession and control? Who will take the blame when someone ends up dead...and what is Caroline hiding?
