

Sex And Violence Fiction Young Adult

The Way I Used to Be - Amber Smith 2022-12-29

THE TIKTOK SENSATION THAT EVERYONE IS TALKING ABOUT 'After finishing this book, my heart was pounding and I couldn't find words big enough to describe how brilliant, beautiful, and powerful it is.' L.E. Flynn, author of *All Eyes On Her* All Eden wants is to rewind the clock. To live that day again. She would do everything differently. Not laugh at his jokes or ignore the way he was looking at her that night. And she would definitely lock her bedroom door. But Eden can't turn back time. So she buries the truth, along with the girl she used to be. She pretends she doesn't need friends, doesn't need love, doesn't need justice. But as her world unravels, one thing becomes clear: the only person who can save Eden ... is Eden.

Contemporary Children's and Young Adult Literature - Charlotte Beyer 2021-11-01

This book explores contemporary children's and young adult novels writing back to history and oppression. Divided into three distinct yet interconnected parts, this thematic study analyses selected novels from across the globe, drawing on current critical debates to investigate how these narratives raise vital questions about identity, power and language. Examinations of children's and young adult novels from Britain, Ireland, Sweden, the USA, Australia, and New Zealand offer fresh readings of established texts, and provide important critical perspectives on lesser-known works. The book also examines the use of genre in children's and young adult literature, including crime fiction, dystopia, coming-of-age, and historical fiction. Addressing vital social justice themes in contemporary children's and young adult novels, such as human trafficking, postcolonialism, disaster, trauma, and gender and race inequality, the book presents a critically informed analysis of these

compelling literary works and their engagement with social and cultural debates.

Ready to Stay Hidden for a Long, Long Time - Kymberly Drapcho 2018
Public discussion of male sexual assault is minimal. Young adult literature featuring male victims is similarly under-acknowledged and under-represented. This thesis analyzes the portrayal of male victims of sexual violence within six young adult novels. As the novels act in conversation with one another, each work presents a different but relevant depiction of the costs of toxic masculinity in the aftermath of sexual violence, as evidenced by the victims coping mechanisms and ongoing trauma. Oftentimes, these literary portrayals reflect real-life stigmas that impact adolescent male victims. As the novels discussed in this paper demonstrate, these stigmas vary depending on a variety of characteristics, including sex/gender of the perpetrator, the victims relationship with his offender, and the age difference between victim and perpetrator.

DIY MFA - Gabriela Pereira 2016-07-08

Get the Knowledge Without the College! You are a writer. You dream of sharing your words with the world, and you're willing to put in the hard work to achieve success. You may have even considered earning your MFA, but for whatever reason--tuition costs, the time commitment, or other responsibilities--you've never been able to do it. Or maybe you've been looking for a self-guided approach so you don't have to go back to school. This book is for you. DIY MFA is the do-it-yourself alternative to a Master of Fine Arts in creative writing. By combining the three main components of a traditional MFA--writing, reading, and community--it teaches you how to craft compelling stories, engage your readers, and publish your work. Inside you'll learn how to:

- Set customized goals for

writing and learning. • Generate ideas on demand. • Outline your book from beginning to end. • Breathe life into your characters. • Master point of view, voice, dialogue, and more. • Read with a "writer's eye" to emulate the techniques of others. • Network like a pro, get the most out of writing workshops, and submit your work successfully. Writing belongs to everyone--not only those who earn a degree. With DIY MFA, you can take charge of your writing, produce high-quality work, get published, and build a writing career.

Sex And Violence - Carrie Mesrobian 2014-01-31

Sex has always come without consequences for seventeen-year-old Evan. Until he hooks up with the wrong girl and finds himself in the wrong place at very much the wrong time. After an assault that leaves Evan scarred inside and out, he and his father retreat to the family cabin in rural Minnesota, which, ironically, turns out to be the one place where Evan can't escape other people. Including himself. It may also offer him his best shot at making sense of his life again.

[Luckiest Girl Alive](#) - Jessica Knoll 2015-09-08

"In a riveting debut novel that reads like Prep meets Gone Girl, a young woman is determined to create the perfect life--husband, home, and career--until a violent incident from her past threatens to unravel everything and expose her most shocking secret of all. Twenty-eight-year-old New Yorker Ani FaNelli seems to have it all: she's a rising star at The Women's Magazine, impossibly fit, perfectly groomed, and about to marry Luke Harrison, a handsome blueblood. But behind that veneer of perfection lies a vulnerability that Ani holds close and buries deep--a very violent and public trauma from her past that has left her constantly trying to reinvent herself. And only she knows how far she would go to keep her secrets safe. When a documentary producer invites Ani to tell her side of the chilling incident that took place when she was a teenager at the prestigious Bradley School, she hopes it will be an opportunity for public vindication. Armed with the trappings of success--expensive clothes, high-powered byline, a massive engagement ring--she is determined to silence the whispers of suspicion and blame from her past, and prove once and for all how far she's come since Bradley. She'll even

let them film her lavish wedding on Nantucket, the final step in her transformation. But perfection doesn't come without cost. As the wedding and filming converge, Ani's meticulously crafted facade begins to buckle and crack--until an explosive revelation offers her a final chance at redemption, even as it rocks her picture-perfect world. Equal parts glitz and darkness, and with a singular voice and twisting plot, Luckiest Girl Alive reads like Sex & the City--if Carrie Bradshaw had a closet full of skeletons instead of shoes. In Ani FaNelli, Jessica Knoll has created a complex and vulnerable heroine who you'll be rooting for to the very last page"--

The Social Attitudes and Values Implicit in Teenage Fiction Provided in Public Libraries: a Consideration of Sex, Violence and Racism in Literature for the Young Adult - Hilary Mushti Faiers 1990

Sex Without Consent - Shireen J Jejeebhoy 2013-07-04

The pressing need to break the silence on non-consensual sex among young people - an issue shrouded by denial, underreporting and stigma - is self-evident. Despite the growing body of research regarding young people's sexual behaviours, the study of coercive sexual experiences has generally been overlooked by both researchers and national programmes. Available evidence has been scattered and unrepresentative and despite this evidence, non-consensual sex among young people is perceived to be a rare occurrence. This volume dispels any such misconception. It presents a disturbing picture of non-consensual sex among girls as well as boys, and among married as well as unmarried young women in a variety of settings. This volume documents, moreover, the expanse of non-consensual experiences that young people face - from unwanted touch to forced penetrative sex and gang rape. Although the focus is on young females, the volume also sheds light on the experience of young males as both victims and perpetrators. This pioneering volume highlights key factors placing young people at risk, whilst outlining the significant distinctive health and social implications they face. Sex Without Consent also documents the unsupportive - and sometimes abusive or negligent - roles of

families, teachers, health care providers and law enforcement agents, outlines promising efforts intended to prevent non-consensual sex or support survivors, and argues for profound changes in norms and values that tolerate or encourage non-consensual sex. The editors, based at the Population Council (New Delhi), the World Health Organization (Geneva), and Family Health International (Virginia) argue compellingly for a radical review and reform of existing programmes designed to prevent this kind of abuse and to support young survivors of sexual trauma in the developing world. Addressing the magnitude, determinants and consequences of sex without consent, this volume provides evidence-based directions for programming.

Reclaiming the Night-Time Economy - Bianca Fileborn 2016-11-03

This book explores young adults' experiences and understandings of sexualised violence within licensed venues. Although anecdotally common, unwanted sexual attention in pubs and clubs has been the focus of relatively little criminological analysis. This text provides the first exploration of how and why unwanted sexual attention occurs in licensed venues. Using wide-ranging research from over two hundred participants, Fileborn argues that what 'counts' as unwanted sexual attention is highly context-dependent and situated within a complex assemblage of a venue's culture, environment, and community. Dealing with issues such as the roles gender, sexuality, space, and social belonging play in shaping young adults' experiences, this book recounts how young people make sense of unwanted sexual attention within a culturally complex, alcohol-fuelled, and sexually-charged environment. A thorough and thought-provoking text, this book will be of particular interest to scholars of criminology, sociology, and political science.

Sawkill Girls - Claire Legrand 2018-10-02

"Reader, hang on for dear life. Sawkill Girls is a wild, gorgeous, and rich coming-of-age story about complicity, female camaraderie, and power."

—Sarah Gailey, author of *River of Teeth* "An eerie, atmospheric assertion of female strength." —Mindy McGinnis, author of *The Female of the Species*

FIVE STARRED REVIEWS NAMED ONE OF YALSA'S 2019 BEST FICTION FOR YOUNG ADULTS A BRAM STOKER AWARD NOMINEE A

LAMBDA LITERARY AWARD NOMINEE From the New York Times bestselling author of *Furyborn* comes a breathtaking and spine-tingling novel about three teenage girls who face off against an insidious monster that preys upon young women. Perfect for fans of Victoria Schwab and *Stranger Things*. Who are the Sawkill Girls? Marion: The newbie. Awkward and plain, steady and dependable. Weighed down by tragedy and hungry for love she's sure she'll never find. Zoey: The pariah. Luckless and lonely, hurting but hiding it. Aching with grief and dreaming of vanished girls. Maybe she's broken—or maybe everyone else is. Val: The queen bee. Gorgeous and privileged, ruthless and regal. Words like silk and eyes like knives; a heart made of secrets and a mouth full of lies. Their stories come together on the island of Sawkill Rock, where gleaming horses graze in rolling pastures and cold waves crash against black cliffs. Where kids whisper the legend of an insidious monster at parties and around campfires. Where girls have been disappearing for decades, stolen away by a ravenous evil no one has dared to fight...until now.

How Pornography Harms - John D. Foubert Ph.D. 2016-11-18

Pornography is menacing people, relationships, and society, and this book has the research and stories to prove it. John D. Foubert, Ph.D., an interdisciplinary scholar who has studied sexual violence since 1993, shares the life stories of more than twenty people directly affected by pornography. He also interviews scholars and explains how pornography affects our brains. In examining the many ways pornography is devouring the God-given sexual health of the Internet generation, he highlights its connection to sexual violence and how it ruins lives. He also focuses on who makes pornography and their motives, recent trends in pornography, and how pornography is changing the way people have sex. Perhaps most importantly, he explains what we can do to confront pornography in our own lives, the lives of our loved ones, and in society. Whether you are a teen, young adult, a parent, pastor, scholar, or you are just curious about what pornography does to people, your conscience will be shocked and your points of view deeply challenged by what Foubert has uncovered about the reality of today's pornography.

Sex and Violence in Hollywood - Ray Garton 2016-09-29

Adam Julian, son of a Hollywood screenwriter, has a life many would kill for . . . and some would kill to keep. He is tangled in a web of forced sex, coerced into robbery, and it is only a short step to killing as a choice. At the center of the book is a sensational murder trial, which oddly resembles the O. J. Simpson case. The cast features an abrasive, starstruck female judge, blundering prosecuting attorneys, a nerdy defendant who reserves his right to silence, and Rona Horowitz, a pint-size ball of fire of a defense lawyer. The defendant may be guilty, but energetic Rona tries one outrageous legal stunt after another in order to exonerate her client. Drenched in the glamour and the sleaze of highline and lowlife Hollywood, this satirical and entertaining look at the criminal justice system, turned inside out and upside down by showbiz at its best and worst, is a panorama of crime, corruption, and violence delivered with grim authenticity and hilarious awfulness.

Inexcusable - Chris Lynch 2008-06-20

"I am a good guy. Good guys don't do bad things. Good guys understand that no means no, and so I could not have done this because I understand." Keir Sarafian knows many things about himself. He is a talented football player, a loyal friend, a devoted son and brother. Most of all, he is a good guy. And yet the love of his life thinks otherwise. Gigi says Keir has done something awful. Something unforgivable. Keir doesn't understand. He loves Gigi. He would never do anything to hurt her. So Keir carefully recounts the events leading up to that one fateful night, in order to uncover the truth. Clearly, there has been a mistake. But what has happened is, indeed, something inexcusable.

Sex & Violence, Death & Silence - Gordon Burn 2019-07-04

'The Pop artists were among the first to understand the desire of consumers to change their lives through the purchase of clean, manufactured commodities. YBA, on the other hand, was more interested in the dirt that accrues beneath the laminate surface of shiny things. Their special perception was that cheap language and cheap materials didn't have to equal cheap thinking. The trick was to tell it in a jaunty, unportentious, off-hand, unliterary - anti-literary - way. And then there

were the drugs.' Spanning nearly 35 years, Sex & Violence, Death & Silence is a collection of the best of Gordon Burn's writing on art. Focusing on two principle generations - the Royal College pop art of Hockney and his contemporaries, and the YBA sensations of the 1990s - it explores how these artists rose to prominence with their friends and contemporaries, and what happened next. Burn's work is fast becoming a kind of chronicle. Its factuality always connects with the broader poetic rhythms of cultural life. Displaying all his customary insight and empathy, his writing adds up to much more than a collection of pieces on art: superbly evocative and engaging, it offers a pathway through two of the most important and vibrant periods in recent art history, and is another compelling and ruminative look at our culture.

Sexuality in Literature for Children and Young Adults - Paul Venzo 2021-06-08

Expanding outward from previous scholarship on gender, queerness, and heteronormativity in children's literature, this book offers fresh insights into representations of sex and sexuality in texts for young people. In this collection, new and established scholars examine how fiction and non-fiction writing, picture books, film and television and graphic novels position young people in relation to ideologies around sexuality, sexual identity, and embodiment. This book questions how such texts communicate a sense of what is possible, impossible, taboo, or encouraged in terms of being sexual and sexual being. Each chapter is motivated by a set of important questions: How are representations of sex and sexuality depicted in texts for young people? How do these representations affect and shape the kinds of sexualities offered as models to young readers? And to what extent is sexual diversity acknowledged and represented across different narrative and aesthetic modes? This work brings together a diverse range of conceptual and theoretical approaches that are framed by the idea of sexual becoming: the manner in which texts for young people invite their readers to assess and potentially adopt ways of thinking and being in terms of sex and sexuality.

Speak: The Graphic Novel - Laurie Halse Anderson 2018-02-06

The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

In Times Of Violence ~ Young Adult Edition - Karina Kantas
2018-07-29

n Times of Violence MC Romance Young Adult Edition Jade had been sheltered most of her life. Living in an isolated village with only sex and drugs to entertain. Her mother is an alcoholic and her father doesn't give a damn. Her only way out is to beg her Aunt to allow her to stay as a guest in their London house. Jade meets fate head on in the form of Marcus, president of the Tyrants MC. She finally finds a family that loves and respects her and they are not BLOOD. Nothing comes easy to Jade and she is forced to fight to keep her title and status. Then just when life starts to go right, one-night changes everything.

Perfectly Good White Boy - Carrie Mesrobian 2014-10-01

"You never know where we'll end up. There's so much possibility in life, you know?" Hallie said. Sean Norwhalt can read between the lines. He knows Hallie's just dumped him. He was a perfectly good summer boyfriend, but now she's off to college, and he's still got another year to go. Her pep talk about futures and "possibilities" isn't exactly comforting. Sean's pretty sure he's seen his future and its "possibilities," and they all look DISPOSABLE. Like the crappy rental his family moved into when his dad left. Like all the unwanted filthy old clothes he stuffs into the rag baler at his thrift-store job. Like everything good he's ever known. The only hopeful possibilities in Sean's life are the Marine Corps, where no

one expected he'd go, and Neecie Albertson, whom he never expected to care about. Carrie Mesrobian follows her critically acclaimed debut, *Sex & Violence*, with another powerful and wrenching portrait of a teenage boy on the precipice of the new American future.

Youth and Sexuality in the Twentieth-Century United States - John C. Spurlock 2015-07-16

When did the sexual revolution happen? Most Americans would probably say the 1960s. In reality, young couples were changing the rules of public and private life for decades before. By the early years of the twentieth century, teenagers were increasingly free of adult supervision, and taking control of their sexuality in many ways. Dating, going steady, necking, petting, and cohabiting all provoked adult hand-wringing and advice, most of it ignored. By the time the media began announcing the arrival of a 'sexual revolution,' it had been going on for half a century. *Youth and Sexuality in the Twentieth-Century United States* tells this story with fascinating revelations from both personal writings and scientific sex research. John C. Spurlock follows the major changes in the sex lives of American youth across the entire century, considering how dramatic revolutions in the culture of sex affected not only heterosexual relationships, but also gay and lesbian youth, and same-sex friendships. The dark side of sex is also covered, with discussion of the painful realities of sexual violence and coercion in the lives of many young people. Full of details from first-person accounts, this lively and accessible history is essential for anyone interested in American youth and sexuality.

Slice of Cherry - Dia Reeves 2011-01-04

"Brutally beautiful — not like anything else you'll read this year, or any other." - Cassandra Clare, #1 New York Times bestselling author of *Clockwork Angel* Kit and Fancy Cordelle are sisters of the best kind: best friends, best confidantes, and best accomplices. The daughters of the infamous Bonesaw Killer, Kit and Fancy are used to feeling like outsiders, and that's just the way they like it. But in Portero, where the weird and wild run rampant, the Cordelle sisters are hardly the oddest or most dangerous creatures around. It's no surprise when Kit and Fancy

start to give in to their deepest desire—the desire to kill. What starts as a fascination with slicing open and stitching up quickly spirals into a gratifying murder spree. Of course, the sisters aren't killing just anyone,

only the people who truly deserve it. But the girls have learned from the mistakes of their father, and know that a shred of evidence could get them caught. So when Fancy stumbles upon a mysterious and invisible doorway to another world, she opens a door to endless possibilities....
