Queer in the Choir Room - Michelle Parke 2014-10-21

These new essays examine the many ways that issues of gender and sexuality intersect with other identities and practices—including race, religion, disability, music and education--on the Fox hit program Glee. With gender and sexuality concerns at the crux, the authors tackle such specific aspects of the show as the coming out narrative, Glee fandom and fan fiction, representation of sex education, and the intersection of Broadway music and queerness. The aim of these essays is to open up a dialogue about Glee--which is often dismissed by critics and fans alike--and to reveal how scholars are critically engaging with the show around

issues of gender and sexuality.

Amber Spyglass - Philip Pullman 2019-01-11

The third volume in Philip Pullman's incredible HIS DARK MATERIALS trilogy. First published in 2000, and acclaimed as a modern masterpiece, it won the UK's top awards for children's literature. "We're going to the land of the dead and we're going to come back." Will and Lyra, whose fates are bound together by powers beyond their own worlds, have been violently separated. But they must find each other, for ahead of them lies the greatest war that has ever been--and a journey to a dark place from which no one has ever

returned...

The Joy of Consent - Manon Garcia 2023

In the #MeToo age, US debate over licit sex has split into two camps: one insists that consent solves the problem of sexual coercion, while the other equates sexual pleasure with the patriarchal erotics of silence and mystery. Manon Garcia rejects both positions, arguing that consent is a faulty legal threshold but essential to the joy of good sex.

Everything I Know About Love - Dolly Alderton 2018-02-01

THE SUNDAY TIMES BESTSELLER & MAJOR BBC ONE TV SERIES 'The book we will thrust into our friends' hands. Alderton feels like a best friend and your older sister all rolled into one and her pages wrap around you like a warm hug' Evening Standard 'Alderton is Nora Ephron for the millennial generation' Elizabeth Day Award-winning journalist Dolly Alderton survived her twenties (just about) and in Everything I Know About Love, she gives an unflinching account of the bad dates and squalid flat-shares, the heartaches and humiliations, and most importantly, the unbreakable female friendships that helped her to hold it all together. Glittering with wit, heart and humour, this is a book to press into the hands of every woman who has ever been there or is about to find themselves taking that first step towards the rest of their lives. 'Steeped in furiously funny accounts of one-night stands, ill-advised late-night taxi journeys up the M1, grubby flat-shares and the beauty of female friendships, as Alderton joyfully booze-cruises her way through her twenties' Metro 'Deeply funny, sometimes shocking, and admirably open-hearted and optimistic' Daily Telegraph 'A sensitive, astute and funny account of growing up millennial' Observer 'Alderton proves a razor-sharp observer of the shifting dynamics of long term female friendship' Mail on Sunday 'It's so full of life and laughs - I gobbled up this book. Alderton has built something beautiful and true out of many fragments of daftness' Amy Liptrot *Winner of Autobiography of the Year at the National Book Awards 2018* *A Waterstones Paperback of the Year 2019* *A Sunday Times paperback of the year 2019* *Selected for Stylist's The Decade's 15 Best Books by Remarkable Women* A Sunday Times bestseller, September 2022

Masters of Sex - Thomas Maier 2013-07-02

Now a New Showtime Original Series Showtime's dramatic series Masters of Sex, starring Michael Sheen and Lizzy Caplan, is based on this real-life story of sex researchers William Masters and Virginia Johnson. Before Sex and the City and Viagra™, America relied on Masters and Johnson to teach us everything we needed to know about what goes on in the bedroom. Convincing hundreds of men and women to shed their clothes and copulate, the pair were the nation's top experts on love and intimacy. Highlighting interviews with the notoriously private Masters and the ambitious Johnson, critically acclaimed biographer Thomas Maier shows how this unusual team changed the way we all thought about, talked about, and engaged in sex while they simultaneously tried to make sense of their own relationship. Entertaining, revealing, and beautifully told, Masters of Sex sheds light on the eternal mysteries of desire, intimacy, and the American psyche.

Pride and Progress: Making Schools LGBT+ Inclusive Spaces - Adam Brett 2023-05-12

Pride & Progress began as a podcast created to amplify the voices of LGBT+ educators and allies. This book builds upon the podcast's success to create an essential guide for teachers and educators who want to make their educational spaces LGBT+ inclusive. The book combines academic theory and the lived experiences of our guests to explore ten key themes. Each chapter explores one of these themes, providing the knowledge, language and strategies that schools need to make their educational spaces inclusive for all.

Hedwig and the Angry Inch - Stephen Trask 2003

Tells the story of transsexual rocker Hedwig Schmidt, an East German immigrant whose sex change operation has been botched and who finds herself living in a trailer park in Kansas.

Conversations with Friends - Sally Rooney 2017-05-25

FROM THE AUTHOR OF NORMAL PEOPLE** NOW ON BBC THREE AND IPLAYER **WINNER OF THE SUNDAY TIMES / PFD YOUNG WRITER OF THE YEAR SHORTLISTED FOR THE DYLAN THOMAS PRIZE 2018 SHORTLISTED FOR THE KERRY GROUP IRISH NOVEL OF THE YEAR 2018 SHORTLISTED FOR THE RATHBONES FOLIO PRIZE 2018 LONGLISTED FOR THE DESMOND ELLIOTT PRIZE 2018 A SUNDAY TIMES, OBSERVER AND TELEGRAPH BOOK OF THE YEAR Frances is twenty-one years old, cool-headed

and observant. A student in Dublin and an aspiring writer, at night she performs spoken word with her best friend Bobbi, who used to be her girlfriend. When they are interviewed and then befriended by Melissa, a well-known journalist who is married to Nick, an actor, they enter a world of beautiful houses, raucous dinner parties and holidays in Provence, beginning a complex ménage-à-quatre. But when Frances and Nick get unexpectedly closer, the sharply witty and emotion-averse Frances is forced to honestly confront her own vulnerabilities for the first time.

Otis Redding - Jonathan Gould 2017-05-16

The long-awaited, definitive biography of The King of Soul, timed to coincide with the 50th anniversary of Redding's iconic performance at the 1967 Monterey Pop Festival. Otis Redding remains an immortal presence in the canon of American music on the strength of such classic hits as "(Sittin' on) The Dock of the Bay," "I've Been Loving You Too Long," "Try a Little Tenderness," and "Respect," a song he wrote and recorded before Aretha Franklin made it her own. As the architect of the distinctly southern, gospel-inflected style of rhythm & blues associated with Stax Records in Memphis, Redding made music that has long served as the gold standard of 1960s soul. Yet an aura of myth and mystery has always surrounded his life, which was tragically cut short at the height of his career by a plane crash in December 1967. In Otis Redding: An Unfinished Life, Jonathan Gould finally does justice to Redding's incomparable musical artistry, drawing on exhaustive research, the cooperation of the Redding family, and previously unavailable sources of information to present the first comprehensive portrait of the singer's background, his upbringing, and his professional career. In chronicling the story of Redding's life and music, Gould also presents a social history of the time and place from which they emerged. His book never lets us forget that the boundaries between black and white in popular music were becoming porous during the years when racial tensions were reaching a height throughout the United States. His indelible portrait of Redding and the mass acceptance of soul music in the 1960s is both a revealing look at a brilliant artist and a provocative exploration of the tangled history of race and music in America that resonates strongly with the present day.

Doing It - Hannah Witton 2017-04-06

Book of the Year at the Summer in the City Awards 2017 Sexting. Virginity. Consent. The Big O ... Let's face it, doing it can be tricky. I don't know anyone (including myself) who has sex all figured out. So I've written a book full of honest, hilarious (and sometimes awkward) anecdotes, confessions and revelations. And because none of us have all the answers, I've invited some friends and fellow YouTubers to talk about their sexuality, too. My book is for everyone, no matter what gender you identify as or who you fancy. We talk about doing it safely. Doing it joyfully. Doing it when you're ready. Not doing it. Basically, doing it the way you want, when you want. So. Let's do this ... ----- Doing It candidly and openly explores topics like masturbation, slut-shaming, pornography and consent, as well as how to maintain healthy relationships in a digital age.

An Introduction to Television Studies - Jonathan Bignell 2022-12-21

This comprehensive textbook, now substantially updated for its fourth edition, provides students with a framework for understanding the key concepts and main approaches to Television Studies, including audiences, representation, industry and global television, as well as the analytical study of individual programmes. This new edition reflects the significant changes the television industry is undergoing in the streaming era with an explosion of new content and providers, whilst also identifying how many existing practices have endured. The book includes a glossary of key terms, with each chapter suggesting further reading. New and updated material includes: Chapters on style and form, narrative, industry, and representation and identity Case studies on Bon Appétit's YouTube channel, Insecure, British youth television, ABC and Disney+, fixed-rig observational documentary, streaming platforms' use of data to shape audience experience, Chewing Gum, Korean drama and The Marvelous Mrs Maisel Sections on medical drama, YouTube creators, Skam and scripted format sales, the global spread of streaming platforms, prestige TV and period drama With individual chapters addressing television style and form, narrative, histories, industries, genres and formats, realities, production, audiences, representation and identity, and quality, this book is essential reading for both students and scholars of Television Studies.

Sex Education: The Road Trip - Katy Birchall 2021-09-28

The only official Sex Education novel. When the screen binge is over, return to the world of Moordale with a brand-new story featuring the show's most popular characters. Maeve gets an unexpected call from her brother Sean. It's no surprise to her that he is in trouble again. But she's the only family he's got, so she must saddle up and ride to the rescue. Or at least, scrounge a lift from Aimee and drive there. . . . Otis and Eric insist they can help, and Maeve's mission becomes a summer holiday road trip. Sean's been partying with a group of decadent rich kids who have no accused him of a crime. The evidence against him is pretty damning. Trying to clear his name, Maeve and friends integrate themselves into the rich kids' circle--it's time to go undercover. Thanks to Eric's dance floor moves, Aimee's easy charm, and Otis's ability to offer good advice, they get to know the group. And they soon discover that Sean is not the only one with a motive for getting even with beautiful party girl Tabitha. This standalone YA/crossover story has everything fans love about the show: favorite characters with real emotional depth, no-holds-barred honesty about teenage relationships, brilliant humor, and a great new storyline, plus a compelling whodunit at its heart.

[How to Fail: Everything I've Ever Learned From Things Going Wrong](#) - Elizabeth Day 2019-04-04

Inspired by her hugely popular podcast, How To Fail is Elizabeth Day's brilliantly funny, painfully honest and insightful celebration of things going wrong.

Mr. Monk in Outer Space - Lee Goldberg 2008-06-03

At a convention for the cult science fiction show Beyond Earth, Adrian Monk meets fans as obsessive-compulsive as he is. Though he's not preoccupied with the program, Monk can understand the phenomenon. Who wouldn't want to live in an imaginary world? But there may be a killer in the Beyond Earth community: Someone in a starship uniform has gunned down the show's legendary creator. Could a fan be that furious at him for selling out to Hollywood? Or is more going on behind the scenes? Luckily, Monk's agoraphobic brother, Ambrose, is an expert on the TV series, and together they'll search the earth and beyond for the murderer. That is, if Ambrose can bring himself to leave the house. A new story starring Adrian Monk by Edgar® Award-nominated screenwriter Lee Goldberg. It's compulsive, page-turning fun. "Even if you aren't familiar with the TV series Monk, this book is too funny to not be read."—The Weekly Journal

Writers' & Artists' Yearbook 2024 - Bloomsbury Publishing 2023-07-20

'WAYB remains an indispensable companion for anyone seriously committed to the profession of author, whether full-time or part-time; and as always it is particularly valued by those who are setting out hopefully on that vocational path.' - David Lodge Revised and updated annually, this bestselling guide includes over 3,500 industry contacts across 12 sections and 80 plus articles from writers across all forms and genres, including award-winning novelists, poets, screenwriters and bloggers. The Yearbook provides up-to-date advice, practical information and inspiration for writers at every stage of their writing and publishing journey. If you want to find a literary or illustration agent or publisher, would like to self-publish or crowdfund your creative idea then this Yearbook will help you. As well as sections on publishers and agents, newspapers and magazines, illustration and photography, theatre and screen, there is a wealth of detail on the legal and financial aspects of being a writer or illustrator. Additional articles, free advice, events information and editorial services at www.writersandartists.co.uk

The Hormone Diaries - Hannah Witton 2019-06-13

An honest, funny and feminist take on living with your period (and hormones!), by the award-winning sex education and body positivity champion, and author of Doing It!, Hannah Witton. When it comes to periods,

we're often expected to cope with it quietly. But our periods and our hormones affect every area of our lives - so I am done with scuttling to the toilet with a tampon up my sleeve. It's clear that I'm not the only one aching to be more open about this. When I reached out to the online community, I received an outpouring of raw, real and hilarious stories about what we go through simply for having a uterus. From first periods to first coils, pimples to hot-water bottles and PCOS to endometriosis, The Hormone Diaries is your essential companion on the hormone rollercoaster. Filled with Hannah's insights, fascinating research and those priceless crowdsourced stories, it's the reassuring hug we all need. At least 50 per cent of the world has to deal with this stuff - it's time we started talking about it.

Genius on Television - Ashley Lynn Carlson 2015-07-11

Whether it's Sherlock Holmes solving crimes or Sheldon and Leonard geeking out over sci-fi, geniuses are central figures on many of television's most popular series. They are often enigmatic, displaying superhuman intellect while struggling with mundane aspects of daily life. This collection of new essays explores why TV geniuses fascinate us and how they shape our perceptions of what it means to be highly intelligent. Examining series like Criminal Minds, The Big Bang Theory, Bones, Elementary, Fringe, House, The Mentalist, Monk, Sherlock, Leverage and others, scholars from a variety of disciplines discuss how television both reflects and informs our cultural understanding of genius.

[Strong Black Girls](#) - Danielle Apugo 2020-12-11

"Strong Black Girls lays bare the harm Black women and girls are expected to overcome in order to receive an education in America. It captures the routinely muffled voices and experiences of these students through storytelling, essays, letters, and poetry. The authors make clear that the strength of Black women and girls should not merely be defined as the ability to survive racism, abuse, and violence. Readers will also see resistance and resilience emerge through the central themes that shape these reflective, coming-of-age narratives. Each chapter is punctuated by discussion questions that extend the conversation around the everyday realities of navigating K-12 schools, such as sexuality, intergenerational influence, self-love, anger, leadership, aesthetic trauma (hair and body image), erasure, rejection, and unfiltered Black girlhood. Strong Black Girls is essential reading for everyone tasked with teaching, mentoring, programming, and policymaking for Black females in all public institutions. Book Features: [A spotlight on the invisible barriers impacting Black girls' educational trajectories.]A survey of the intersectional notions of strength and Black femininity within the context of K-12 schooling.]Narrative therapy through unpacking system stories of oppression and triumph.]Insights for building skills and tools to make substantial and lasting change in schools"--

[Encyclopedia of AIDS](#) - Raymond A. Smith 1998-08-27

The Encyclopedia of AIDS covers all major aspects of the first 15 years of the AIDS epidemic, including the breakthroughs in treatment announced at the International AIDS Conference in July 1996.

Internet Comedy Television Series, 1997-2015 - Vincent Terrace 2016-01-29

Created around the world and available only on the web, Internet "television" series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The fourth in a series covering Internet TV, this book takes a comprehensive look at 1,121 comedy series produced exclusively for online audiences. Alphabetical entries provide websites, dates, casts, credits, episode lists and storylines.
