Hours Workout It's been a tough week-all but officially broken up with your girlfriend, and a shoulder injury driving you crazy. Ever wondered what happens in the gym after closing time? You're about to find out. Episode 5 - Roommate Audition The hunt for a new place to live is starting to make you feel desperate; ten apartments in the last couple of days, all dumps. Erotic Mentoring Janice Hocker Rushing 2016-06-16 They're everywhere in the academy: young, bright women mentored by older scholars, usually men, who attempt to mold them into their own masculine ideals. Janice Hocker Rushing's study of over 200 women and their life transformations is the subject of this eloquent book. Using the tropes of mythology and Jungian psychology, the author characterizes the many paths these women's academic lives take: as Muse for a faltering older scholar, as Mistress or wife, as the dutiful academic daughter. Their resistance to this power differential also takes many forms: as a Veiled Woman, silent in public but active in private, or the Siren, using her sexuality to beat the system. Ultimately, Rushing arrives at the myth of Eros and Psyche, where women's self understanding and personal development turns her erotic

This book examines the current scholarship and looks towards future directions across the field. The volume is divided into fourteen thematic chapters, which are split into two chronological sections 1500 - 1750 and 1750 to present day. Focusing on the history of sexuality and the body in the West but also interactions with a broader globe, these thematic chapters survey the major areas of debate and discussion. Girl-girl love and fat membered men await in a seedy tale of sex with a tail. ***** Bunny Sex #2: Robot Sex. Mixi is in real trouble. such punishment. What are Mixi and the sexy professor going to do? From lab to lavatory, Mixi is going to get it in a no-holes barred sex session that will leave her stretched in every way imaginable! ***** Bunny Sex #3: Dick Girl. Mixi has a penis. Normally, that wouldn't be a problem, but BEING A GIRL, an extra unwanted appendage can cause problems. Thankfully, the professor, her lusty robot and a helpful friend of the family step in to help her fix the problem with the only cure: copious amounts of sex! There's no need for a band-aid when an orgasm will do the trick twice as well. Come explore the madness with Mixi! ***** Bunny Sex #4: Naughty Bunny. Famous people need sex too. Mixi is on the prowl and her prey is close. However, her partner in the hunt - the big breasted sex maniac Mindy - has sold their bodies for VIP tickets. Hence, it is going to be more challenging than Mixi thinks to get to the five man band she desires. This is the story of one bunny's quest to fulfill her wet dreams. Come join in the orgy inside! ***** Additional Story? There is now a additional story available on Kindle - Bunny Sex #5: Famous Bunny. It is not available in this collection as it a side story that occurs after the main events and conclusion in Bunny Sex #4: Naughty Bunny. Stories 1 to 4 are the complete series with Famous Bunny being extra content available as a single story download for those that want more Mixi after reading this collection. ***** Note: This is paranormal erotica; however, it is not bestiality. All bunnies, dogs, horses, snakes, foxes, robots (yes, robots), cats and others engage in intercourse in human form - although they do have tails and ears. Additionally, 'real' humans (like you and me) do not exist in this world - except for a little running joke starting in book 2. Enjoy! ***** This e-book contains the first story in the Sex Party series. This promo story is 2,500 words in length.

cosmology link “new Animism” with Khoisan Studies, providing valuable insights for Khoisan Studies and San culture, but also for anthropological theory, relational ontology, folklorists, historians, literary critics and art historians. Building from the examinations of San myth and contemporary culture in Volume I, Volume II considers the experiential implications of a cosmology in which ontological mutability—ambiguity and inconstancy—hold sway. As he considers how people experience ontological mutability and deal with profound identity issues mentally and affectively, Guenther explores three primary areas: general receptiveness to ontological ambiguity; the impact of the experience of transformation (both virtual/vicarious and actual/direct); and the intersection of the mythic, spirit world with reality. Through a comparative consideration of animistic cosmology amongst the San, Bantu-speakers and the Inuit of Canada’s eastern Arctic, alongside a discussion of animistic currents in Western humanities and ethology, Guenther clearly paints the relative strengths and weaknesses of New Animism discourse, particularly in relation to San ontology and cosmology, but with overarching relevance.

2. Chloe's Kisses A Tale of Lesbian Awakening by Callie Amaranth I hadn't seen my old roommate in about a year, and since we were pretty loose with each other in the past, I didn't mind her seeing me naked. She'd changed over the last year, though. It wasn't just her friend naked like she'd seem me a thousand times before. Instead, I became her object of desire, and before I really knew what was happening, she shed her clothes and I ended up in the middle of my very first lesbian experience!

3. John Gets Rough (And I Get Reluctant) A Rough Sex Erotica Story by Stephanie Hughs After dating John for a few months, I finally got the release I'd been waiting for. It was a purely erotic fantasy I thought only existed in fiction, a rough, reluctant, delightful extravaganza! I thought our first time would be sweet, romantic, and really sexy. Well... one out of three ain't bad.

4. Sex with a Stranger in Rome A College Girl Erotica Story by Sheryl Molina Janice is excited about her trip to Rome to study abroad, but she wishes all of her friends weren't so damned flighty, just chasing after Italian boys for one night stands. For her, Rome is all about history and culture, and

she's just not interested in the kind of casual sex all of her friends seem to desire. At least, she isn't until she meets a handsome stranger on the streets of Rome. She's not sure how it happens, but before long, she's in the middle of a scorching stranger sex encounter, and she's never been more terrified...or turned on! 5. Thomas Warms Me Up A New Adult Erotica Story by Andrea Atkins It got to be too difficult to warm up for my daily run in my little room, so one day I decided to warm up in the living room. My landlord was there, and evidently he enjoyed watching me stretch by grabbing my ankles. Before I really understood what was happening, he had my shorts and my panties down and then came the most intense sex of my young life. It was amazing. There I was, a young college girl, and I was preparing for my run by sleeping with a man twenty years older than me! I wonder what my track coach would've said.

READ AN EXCERPT "Who do we have here?" the black youth growls softly. All three roam their eyes over my protuberant nipples and the lines of my tight skirt. "A freshman in need of initiation." Devlin grins, squeezing my right buttock underneath the slithery material of my skirt. "Her name is Gina but I prefer to call her Gia. Gia, meet Thomas . . ." The goateed man nods, smiling lasciviously. " . . . Santos . . . and Grady." Thomas scoots into the far end of his berth while Santos and Grady continue to lounge on the other side, grinning. "Surely you don't need an invitation." Thomas pats the empty seat beside him. Devlin motions at me to sit. My pulse hammers my throat as I slide my buttocks across the hard seat. Devlin gets in after me. I'm hemmed in by Thomas on my right and Devlin on the other. The beads of my clit clamp click softly like miniature castanets. "That's not how you sit, freshman." Devlin's voice is suddenly hard. He makes me raise my buttocks. Then he lifts the back of my skirt and makes me sit down again. This time, my entire ass

and pussy are in contact with the torn and dirty seat. A particularly sharp edge of a peeling hole, sprouting old and yellowed foam, digs into the skin of my anus. "Open your legs," Devlin commands. I hasten to obey. The grins on the faces of the youths spread wider. Thomas grabs my right thigh as it brushes against him. "Put it right here, baby," he whispers. He vaults my right leg across his lap so that it is hooked around his left knee. His hand rests on the soft underside of my right thigh. "So smooth," he murmurs, stroking my silky, milk-white skin, "so virginal." A shudder ripples through me. Devlin repeats this with my left leg, so that I'm spread-eagled in the middle between them. The berth is placed a fair distance from the table, so that whatever wares I'm displaying can be clearly seen by Santos and Grady from across. The overhead lamp is yellow and stark. The light throws my mount into relief. My pussy - soaking in its own juices - is once again exposed . . . to three strangers this time, not just Devlin.

Sex in Antiquity Mark Masterson 2018-02-05 Looking at sex and sexuality from a variety of historical, sociological and theoretical perspectives, as represented in a variety of media, *Sex in Antiquity* represents a vibrant picture of the discipline of ancient gender and sexuality studies, showcasing the work of leading international scholars as well as that of emerging talents and new voices. Sexuality and gender in the ancient world is an area of research that has grown quickly with often sudden shifts in focus and theoretical standpoints. This volume contextualises these shifts while putting in place new ideas and avenues of exploration that further develop this lively field or set of disciplines. This broad study also includes studies of gender and sexuality in the Ancient Near East which not only provide rich consideration of

those areas but also provide a comparative perspective not often found in such collections. *Sex in Antiquity* is a major contribution to the field of ancient gender and sexuality studies.

Erotic Justice Marvin Mahan Ellison 1996-01-01 Ethicist Marvin Ellison compellingly argues that current crises in family, personal life, and sexuality are related to our culture's prevailing attitudes about human sexuality. He proposes a liberating Christian ethic of erotic justice that goes beyond the prevailing patriarchal paradigm.

Art in the Era of Alexander the Great Ada Cohen 2010-08-30 In her pursuit of metaphorical, transhistorical imagery, representing men as predators and women as their victims over the centuries, Cohen (Dartmouth) lays out a vast network of interpretive associations that have neither cultural nor chronological limits. Developing her analysis of three late-fourth-century BCE Macedonian monumental themes--the abduction of Helen, the lion hunt, and war--Cohen puts them into a context of large significance through her creation of an ingenious, erudite, and extended repertory of analogous images, accompanied by well-selected exempla. Her proposed network traces patterns established by anthropological perspectives of masculinity and its association with aggressive violence and by principles of feminist ideology, partly derived from Judith Butler. The book's introduction and many subsequent methodological digressions set out the conceptual lines of her approach, as do paradigmatic chapter headings, e.g., "War as Hunt: Hunt as War?" "Rape as Hunt: Hunt as Rape?" and "Rape as War: War as Rape?" Provocative indeed, her categories of enduring imagery challenge traditional views of ancient art in ways both beneficial and problematic, viz., her remark "Ovid, the premier Freudian thinker of the Roman World." Whether modern conceptions of sexuality and the struggles of contrasting genders pertain to antiquity remains as an acknowledged issue. Summing Up: Recommended. lips - and what he would perceive of me when he sees how wet I
am. From a drawer, Dean Whitehouse removes a long contraption
made from metal and tiny chains. It's shaped in a Y. All three of
its ends flare into crocodile-like clamps. "See these?" He
demonstrates how tight the clamps are - like clothespins - by
clicking them softly. I begin to tremble. He places two clamps on
both my protruding nipples. Unlike the ones that Devlin has
clipped me with before, the blunted teeth on these ones bite down

on my skin so that it actually hurts. I whimper. "Now, now, surely you're not a soft girl. You'll be able to take a little pain." He moves the third crocodile clamp to my pussy. He regards my terrified face as, with his huge thumb and index finger, he seizes my moist clit. "Please, sir, no!" I cry. The clamp snares almost the entire flesh of my sensitive hood and nips down on it firmly. Tears of pain flood my eyes. A stinging sensation of deep, intimate pain immediately flares in my clitoris. My trapped nipples and clit are now connected to one another by the Y filigree chain. Dean Whitehouse grabs my chin. "Do not call me 'sir'. From now on, you'll refer to me as 'teacher', understand?" He makes me nod. "Yes, teacher." "Good. Now I want you to stand up on the table with your legs apart." Uncurling my knees, I attempt to straighten myself. The chains of the clamps become taut, pulling my nipples downward and lifting my clit painfully. "Now pinch both your earlobes with your fingers. I want you to pull yourself down by the ears into a squat. Then stand up again. Do this fifty times." The tears are running down my cheeks. Fifty times! Surely he does not mean to humiliate me thus! I seize my earlobes and pull myself down, bending my legs at the knees. "Count," Dean Whitehouse commands me. "One." As I descend into a squat, the tension of the clamps on my nipples and clit lessens. But when I raise myself again, the tautness returns, and my intimate parts are once again cruelly tugged together. My embarrassment is extreme.

online ethnography among a community of Israeli sex consumers operating online. It elucidates the economics of demand in the field of sexual consumption, and highlights how the rise of the thriving online communities of sex consumers can function as a platform on which power relations between men themselves are publicly displayed and are constantly challenged. Israeli Masculinity, Sex Work, and Consumerism: Heteronormativity and Sexual Repertoires will be suitable for researchers in Gender and Sexuality Studies, Sociology, Anthropology and Criminology.

Ethno-erotic Economies George Paul Meiu 2017-10-10 In Ethno-Erotic Economies, anthropologist George Paul Meiu looks at how fantasies of sexual difference create what we think of as "ethnicity" in a globalized world. Meiu draws back the curtain on a fascinating case of sexual tourism in Coastal Kenya in which young men deploy stereotypes of African warriors to establish transactional sexual relationships with foreign women. Meiu's deep familiarity with Samburu culture allowed him to explore the long-term effects of the sex trade on things like intimate affiliations, kinship, ritual, gender, and age in rural Kenya. What happens to communities when wealth becomes concentrated in the hands of its young men? How do these men seek to convert fast money into traditional, lasting forms of prestige to become "elders" and thus secure higher moral and social standing? And, crucially, how do others not privy to the sexual encounters themselves understand the circulation of new money? Meiu's exceptional skills as an ethnographer yield riveting testimonies from all quarters of Samburu society, resulting in a compelling look at how intimacy and ethnicity come together to shape the pathways of global and local trade in the postcolonial world.

Sex, Crime and Morality Sharon Hayes 2012-08-21 Over the last few decades, there has been a marked increase in media and debate surrounding a specific group of offences in modern Democratic nations which bear the brunt of the label 'crimes against morality'. Included within this group are offences related to prostitution and pornography, homosexuality and incest and child sexual abuse. This book examines the nexus between sex, crime and morality from a theoretical perspective. This is the first academic text to offer an examination and analysis of the philosophical underpinnings of sex-related crimes and social

attitudes towards them and the historical, anthropological and moral reasons for differentiating these crimes in contemporary western culture. The book is divided into three sections corresponding to three theoretical frameworks: Part 1 examines the moral temporality of sex and taboo as a foundation for legislation governing sex crimes Part 2 focuses on the geography of sex and deviance, specifically notions of public morality and the public private divide Part 3 examines the moral economy of sex and harm, including the social construction of harm. Sex, Crime and Morality will be key reading for students of criminology, criminal justice, gender studies and ethics, and will also be of interest to justice professionals.

Erotic Attunement Cristina L. H. Traina 2011-12-01 Heightened awareness of the problem of sexual abuse has led to deep anxiety over adults touching children—in nearly any context. Though our society has moved toward increasingly strict enforcement of this taboo, studies have shown that young children need regular human contact, and the benefits of breastfeeding have been widely extolled. Exploring the complicated history of love, desire, gender, sexuality, parenthood, and inequality, *Erotic Attunement* probes the disquieting issue of how we can draw a clear line between natural affection toward children and perverse exploitation of them. Cristina L. H. Traina demonstrates that we cannot determine what is wrong about sexual abuse without first understanding what is good about appropriate sensual affection. Pondering topics such as the importance of touch in nurturing children, the psychology of abuse and victimhood, and recent ideologies of motherhood, she argues that we must expand our philosophical and theological language of physical love and make a distinction between sexual love and erotic love. Taking on theological and ethical arguments over the question of sexuality between unequals, she arrives at the provocative conclusion that it can be destructive to completely bar eroticism from these relationships.

creatures have come through gates from the underworld over the millennia. The supernatural creatures are forever stepping over the line and killing innocent humans. She won't have a shortage of rogues to hunt down. During her quest to gain a job doing what she loves best, Saige witnesses a vampire murdering a human. She follows her target to a nightclub for supernatural beings where he thinks he'll be safe. The brand-new bounty hunter won't let anyone stop her from fulfilling her destiny. Not even a mob of angry monsters can slow her down for long. Unfortunately, Saige's plans go awry and her target isn't who he seems to be. His boss is a sexy weredragon who won't be pleased if she turns his minion to ash. The dragon offers her a deal, but first she needs to prove herself to him. Accepting his bargain will be the first step in achieving her dreams, but it will throw her life into turmoil that she couldn't possibly foresee. Conflux: Saige Sterling has been working as a bounty hunter for her weredragon boss for six months now. Drake Gilden is a sexy enigma that she isn't sure she'll ever be able to figure out. They have undeniable chemistry, but she's so far beneath him in the supernatural hierarchy that she knows he's out of her league. When Saige and Ruen, her reluctant vampire partner, came back from the first realm of the underworld, they didn't return alone. Saige now has a new roommate. Aurora is still learning about the new dimension she's been drawn to. Her powers have the habit of leaking out onto Saige. It's something she's going to have to learn how to control, before it drives the bounty hunter crazy. Stealing one of the mysterious scroll fragments from the rulers of the underworld should have been enough to stop the coming apocalypse. Lord Gilden is determined to have them all in his grasp. He sends the unlikely trio to the second realm in search of the next piece of the enchantment. With Saige's mixed genes, she has no idea if she'll be the same type of monster that she was in the first realm, or if she'll turn into something completely different. Vortex: Saige is still adjusting to having a sex demon for a roommate, but it's

getting easier now that Aurora has her own bed to sleep in. She wished her strange relationship with Drake Gilden would run as smoothly. Unfortunately, it just keeps getting more complicated. For the first time, all of Lord Gilden's bounty hunters will be called on to work together on a job. Saige will finally get to see why he hired the two puny humans who are on their team. She will also get a chance to shine and show them exactly why the weredragon hired her. Saige's fame as a bounty hunter is growing with each new mission she accomplishes. Few in the supernatural community in Nexus are aware that she has a secret task in the underworld. So far, the huntress, her vampire sidekick and best friend have retrieved two fragments of a magical scroll. The monsters and beasts are becoming more dangerous with each realm they visit. So are the guardians who are guarding the spells.

Slave's Freedom THE ALICE BDSM SERIES: Alice: Opening my Legs at your Wedding, Alice: Slave at the Farm, Alice: Slave at the Marketplace (NEW!) READ AN EXCERPT He is standing very close to me, so close that if I take one step forward, I would slam against his chest. His arm muscles are magnificently contoured and his bronzed skin is silky smooth and tight. I wonder how he would look like oiled. I can smell the sweet scent of his aftershave, mingled with sweat. Goose bumps gather on the backs of my thighs. He seizes my right wrist and holds it up. "Would you do everything I tell you to?" "Yes, master." His grasp on my flesh is tight. I feel tears springing to my eyes. "Good," he says. My knees are starting to buckle. He jerks his sculptured chin to the direction of the bidet. "Now go over there and squat on the rim." He lets go of me as abruptly as he has seized me. I almost fall backward, but regain my balance in time. My thumping heart is in my throat. It would not do to appear graceless in front of Max Devlin. I trot to the bidet, studying the bewildering array of taps and nozzles circling its perimeter and dotting the generous bowl. It is complex, I decide, more torture instrument than sanitary device. The rim is fairly wide with the seat down; through it would be precarious to balance upon it on my heels. Devlin rasps, "What are you waiting for, freshman?" Warmth floods my cheeks as I climb onto the bidet. It is easier to sit upon it first, my bare buttocks circling its oval aperture, and then to gingerly hoist my slipper-shod feet onto its broad seat. I'm terrified of appearing clumsy. Devlin never takes his eyes off my crotch, revealed now and then - I'm sure - by the betraying hem of my short, short dress. A flush suffuses my breasts and spreads all the way down to my belly. I finally face him - eyes downcast and cheeks aflame - in my squatting position. My legs are wide apart. My dress has ridden up my thighs to reveal the shaven area between them. My wet pussy lips are finally exposed to Devlin's hot gaze. My slender nub throbs and quivers in cool air of the bathroom. The moist hole of my vulva gapes above the deep basin of the bidet, and just

Sex Tourism in Africa Wanjohi Kibicho 2016-04-01 Illustrated by in-depth empirical research from Kenya - one of the most popular country destinations in Africa for sex tourism - this book gathers much-needed statistics and data, and then critically examines the features of tourism and the sex trade, contextualizing this in relation to tourism development. It addresses the conditions which generate this 'social problem' and, while not taking a potentially problematic moralistic stance it questions whether this trade is exploitative in nature, particularly in cases of child sex tourism. It then critically evaluates the current policies in place to regulate the sex tourism industry and provides suggestions for future direction.

The Hunt in Ancient Greece Judith M. Barringer 2003-04-01 Hunting and its imagery continued to play a significant role in archaic and classical Greece long after hunting had ceased being a necessity for survival in everyday life. Drawing on vase paintings, sculpture, inscriptions, and other literary evidence, Judith Barringer reexamines the theme of the hunt and shows how the tradition it depicts helped maintain the dominance of the ruling social groups. Along with athletics and battle, hunting was a defining activity of the masculine aristocracy and was crucial to the efforts of the Athenian elite to control the social agenda, even as their political power declined. The Hunt in Ancient Greece examines descriptions of hunting in initiation rituals as well as the ideals of masculinity and adulthood such rites of passage promoted. Barringer argues that depictions of the hunt in literature and art also served as striking metaphors for the intricacies of courtship, shedding light on sexuality and gender roles. Through an exploration of various representations of the hunt, Barringer provides extraordinary insight into Athenian society.

Erotic Politics Susan Zimmerman 2005-08-15
Identifying the stage as a primary site for erotic display, these essays take eroticism in Renaissance culture as a paradigm for issues of sexuality and identity in early modern culture. Contributors examine how the Renaissance stage functioned as a decoder for erotic experience, both reinforcing and subverting expected sexual behaviour. They argue that the dynamics of theatrical eroticism served to deconstruct gender definitions, leaving conventional categories of sexuality blurred, confused - or absent. In seeking to reposition the conventions and subversions of gender and desire in terms of one another, these essays open up an attractive and distinctive perspective in cultural debate.
