**Crónicas de Moriarty** - Daniel Rodríguez Rivero

*Indigenous African Popular Music, Volume 2* - Abiodun Salawu  
2022-06-14

This volume examines how African indigenous popular music is deployed in democracy, politics and for social crusades by African artists. Exploring the role of indigenous African popular music in environmental health communication and gender empowerment, it subsequently focuses on how the music portrays the African future, its use by African youths, and how it is affected by advanced broadcast technologies and the digital media. Indigenous African popular music has long been under-appreciated in communication scholarship. However, understanding the nature and philosophies of indigenous African popular music reveals an untapped diversity which can only be unraveled by the knowledge of myriad cultural backgrounds from which its genres originate. With a particular focus on scholarship from Nigeria, Zimbabwe and South Africa, this volume explores how, during the colonial period and post-independence dispensation, indigenous African music genres and their artists were mainstreamed in order to tackle emerging issues, to sensitise Africans about the affairs of their respective nations and to warn African leaders who have failed and are failing African citizenry about the plight of the people. At the same time, indigenous African popular music genres have served as a beacon to the teeming African youths to express their dreams, frustrations about their environments and to represent themselves. This volume explores how, through the advent of new media technologies, indigenous African popular musicians have been working relentlessly for indigenous production, becoming champions of good governance, marginalised population, and

repositories of indigenous cultural traditions and cosmologies.

*Popular World Music* - Andrew Shahriari 2017-08-25

*Popular World Music, Second Edition* introduces students to popular music genres and artists from around the world. Andrew Shahriari discusses international music styles familiar to most students—Reggae, Salsa, K-Pop, and more—with a comprehensive listening-oriented introduction to mainstream musical culture. Each chapter focuses on specific music styles and their associated geographic origin, as well as best-known representative artists, such as Bob Marley, Carmen Miranda, ABBA, and Ladysmith Black Mambazo. The text assumes no prior musical knowledge and emphasizes listening as a pathway to learning about music and culture. The subject matter fulfills core, general education requirements found today in the university curriculum. The salient musical and cultural features associated with each example are discussed in detail to increase appreciation of the music, its history, and meaning to its primary audience. NEW to this edition Updates to content to reflect recent developments in resources and popular music trends. Contributing authors in additional areas, including Folk Metal, Chinese Ethnic Minority Rock, and Trinidadian Steel Drum and Soca. "Artist Spotlight" sections highlighting important artists, such as Mary J. Blige, Bob Marley, Tito Puente, Enya, Umm Kulthum and more. "Ad-lib Afterthought" sections and "Questions to Consider" to prompt further discussion of each chapter. Lots of new photos! Updated and additional website materials for students and instructors.

*Fiesta de diez pesos: Music and Gay Identity in Special Period Cuba* - Moshe Morad 2016-04-15

The 'Special Period' in Cuba was an extended era of economic depression starting in the early 1990s, characterized by the collapse of

revolutionary values and social norms, and a way of life conducted by improvised solutions for survival, including hustling and sex-work. During this time there developed a thriving, though constantly harassed and destabilized, clandestine gay scene (known as the 'ambiente'). In the course of eight visits between 1995 and 2007, the last dozen years of Fidel Castro's reign, Moshe Morad became absorbed in Havana's gay scene, where he created a wide social network, attended numerous secret gatherings-from clandestine parties to religious rituals-and observed patterns of behavior and communication. He discovered the role of music in this scene as a marker of identity, a source of queer codifications and identifications, a medium of interaction, an outlet for emotion and a way to escape from a reality of scarcity, oppression and despair. Morad identified and conducted his research in different types of 'musical space,' from illegal clandestine parties held in changing locations, to ballet halls, drag-show bars, private living-rooms and kitchens and santería religious ceremonies. In this important study, the first on the subject, he argues that music plays a central role in providing the physical, emotional, and conceptual spaces which constitute this scene and in the formation of a new hybrid 'gay identity' in Special-Period Cuba.

**Consent** - Sophie Franklin 2023-11-10

Consent: Legacies, Representations, and Frameworks for the Future examines the conceptualisation of 'consent' across various historical periods, cultures, and disciplines to offer an expansive, pluralistic vision for future articulations of consent as it circulates throughout contemporary life in sexual encounters, medical contexts, and media representations. This volume is distinctive in its diverse conceptual scope and commitment to cross-disciplinary dialogue, accommodating perspectives on consent that are contextually sensitive and culturally diverse. The chapters examine a range of topics, from socio-cultural engagements with consent in Latin American music, feminist movements in Pakistan, and BDSM in Poland, to theoretical and pedagogical ones exploring alternative possibilities for framing and understanding consent through intersectional approaches and institutional curricula. Consent:

Legacies, Representations, and Frameworks for the Future is of value to researchers, practitioners, undergraduate and postgraduate students, and general readers interested in histories, representations, and future possibilities of consent in its many manifestations. The Introduction and Afterword of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution (CC-BY) 4.0 license.

An English Library - F. Seymour Smith 1950

Spain - Andrew Whittaker 2008

\* Provides a deeper, long-term understanding of the nation and its people  
 \* Designed to supplement the "usual suspect" guide books A guidebook can show you where to go, a phrasebook what to say when you get there. Only Speak the Culture: Spain will lead you to the nation's soul. Spain boasts a rich and sometimes misunderstood culture, itself infused with the influences of other great and distant civilizations. Spanish life, language and culture in its widest sense is a major force of growing influence. How many outside it understand its origins and significance? Through exploring the people, the movements and the lifestyles that have shaped the Spanish experience, you will come to an intimate understanding of Spain and the Spanish. There are many travel guides and manuals on living in Spain. Speak the Culture: Spain is different: a superbly designed, informed and entertaining insight into Spanish life and culture and who the Spanish really are. For new residents, business travelers, holidaymakers, students and lovers of Spain everywhere, Speak the Culture: Spain is an engaging companion and guide to an enviably rich civilization at the heart of Europe. Excerpt "As you might expect Spain's traditional vernacular architecture isn't easily pigeonholed; regionalism generates marked variation. Available building materials and, more significantly, climate have always dictated how people build their houses or outbuildings. The Spaniards' approach to living arrangements is more easily summed up. They're nothing if not sociable; while northern Europeans anxiously section off their own plot of terra firma, in Spain they seem to enjoy living on top of each other,

clustered in apartments and houses around the plaza mayor. It's not like they're short of space either--a population density of around 85 per sq km is one of the lowest in Europe."

*The Fader* - 2003

**Routledge Revivals: History Workshop Series** - Various Authors

2022-07-30

First published between 1975 and 1991, this set reissues 13 volumes that originally appeared as part of the History Workshop Series. This series of books, which grew out of the journal of the same name, advocated 'history from below' and examined numerous, often social, issues from the perspectives of ordinary people. In the words of founder Raphael Samuel, the aim was to turn historical research and writing into 'a collaborative enterprise', via public gatherings outside of a traditional academic setting, that could be used to support activism and social justice as well as informing politics. Some of the topics examined in the set include: mineral workers, rural radicalism, and the lives and occupations of villagers in the nineteenth century; working class association; the development of left-wing workers theatre and the changing attitudes to mass culture across the twentieth century; the changing fortunes of the East End at the turn of the century; the position of women from the nineteenth century to the present; the miners' strike of 1984-5; the social and political images of late-twentieth century London; and a three volume analysis of the myriad facets of English patriotism. This set will be of interest to students of history, sociology, gender and politics.

**Sextalk, Power and Revolution** - Mary Elizabeth Orlicki 2000

**The English Catalogue of Books** - 1885

**Why We Curse** - Timothy Jay 2000

The Neuro-Psycho-Social Theory of Speech draws together information about cursing from different disciplines and unites them to explain and describe the psychological, neurological, cultural and linguistic factors

that underlie this phenomenon.

*Transnational Hallyu* - Dal Yong Jin 2021-06-29

While the influence of Western, Anglophone popular culture has continued in the global cultural market, the Korean cultural industry has substantially developed and globally exported its various cultural products, such as television programs, pop music, video games and films. The global circulation of Korean popular culture is known as the Korean wave, or Hallyu. Given its empirical scope and theoretical contributions, this book will be highly appealing to any scholar or student interested in media globalization and contemporary Asia popular culture. These chapters present the evolution of Hallyu as a transnational process and addresses two distinctive aspects of the recent Hallyu phenomenon - digital technology integration and global reach. This book will be the first monograph to comprehensively and comparatively examine the translational flows of Hallyu through extensive field studies conducted in the US, Canada, Chile, Spain and Germany.

*Millennial Cervantes* - Bruce R. Burningham 2020-06-01

Millennial Cervantes explores some of the most important recent trends in Cervantes scholarship in the twenty-first century. It brings together leading Cervantes scholars of the United States in order to showcase their cutting-edge work within a cultural studies frame that encompasses everything from ekphrasis to philosophy, from sexuality to Cold War political satire, and from the culinary arts to the digital humanities. Millennial Cervantes is divided into three sets of essays--conceptually organized around thematic and methodological lines that move outward in a series of concentric circles. The first group, focused on the concept of "Cervantes in his original contexts," features essays that bring new insights to these texts within the primary context of early modern Iberian culture. The second group, focused on the concept of "Cervantes in comparative contexts," features essays that examine Cervantes's works in conjunction with those of the English-speaking world, both seventeenth- and twentieth-century. The third group, focused on the concept of "Cervantes in wider cultural contexts," examines Cervantes's works--principally Don Quixote--as points of departure for other cultural

products and wider intellectual debates. This collection articulates the state of Cervantes studies in the first two decades of the new millennium as we move further into a century that promises both unimagined technological advances and the concomitant cultural changes that will naturally adhere to this new technology, whatever it may be.

**THE INDIAN LISTENER** - All India Radio (AIR), New Delhi 1944-09-07  
The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22 August, 1937 onwards, it was published by All India Radio, New Delhi. In 1950, it was turned into a weekly journal. Later, The Indian Listener became "Akashvani" in January 5, 1958. It was made a fortnightly again on July 1, 1983. It used to serve the listener as a Bradshaw of broadcasting, and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. NAME OF THE JOURNAL: The Indian Listener LANGUAGE OF THE JOURNAL: English DATE, MONTH & YEAR OF PUBLICATION: 07-09-1944 PERIODICITY OF THE JOURNAL: Fortnightly NUMBER OF PAGES: 89 VOLUME NUMBER: Vol. IX, No. 18 BROADCAST PROGRAMME SCHEDULE PUBLISHED (PAGE NOS): 25-84 ARTICLE: 1. The Beginning of the End 2. Foundations of Freedom AUTHOR: 1. Sahebzada Mahmuduzzafar 2. Sir Malcolm Darling KEYWORDS: 1. Aryan German race, Hitler, German Reich, Napoleon 2. **Ethnomusicology** - Jennifer C. Post 2013-09-05

Ethnomusicology: A Contemporary Reader is designed to supplement a textbook for an introductory course in ethnomusicology. It offers a cross section of the best new writing in the field from the last 15-20 years. Many instructors supplement textbook readings and listening assignments with scholarly articles that provide more in-depth

information on geographic regions and topics and introduce issues that can facilitate class or small group discussion. These sources serve other purposes as well: they exemplify research technique and format and serve as models for the use of academic language, and collectively they can also illustrate the range of ethnographic method and analytical style in the discipline of ethnomusicology. Ethnomusicology: A Contemporary Reader serves as a basic introduction to the best writing in the field for students, professors, and music professionals. It is perfect for both introductory and upper level courses in world music.

**Story of the Eye** - Georges Bataille 2013-09-26

Bataille's first novel, published under the pseudonym 'Lord Auch', is still his most notorious work. In this explicit pornographic fantasy, the young male narrator and his lovers Simone and Marcelle embark on a sexual quest involving sadism, torture, orgies, madness and defilement, culminating in a final act of transgression. Shocking and sacrilegious, Story of the Eye is the fullest expression of Bataille's obsession with the closeness of sex, violence and death. Yet it is also hallucinogenic in its power, and is one of the erotic classics of the twentieth century.

**The Routledge Companion to Gender, Sex and Latin American Culture** - Frederick Luis Aldama 2018-05-24

The Routledge Companion to Gender, Sex and Latin American Culture is the first comprehensive volume to explore the intersections between gender, sexuality, and the creation, consumption, and interpretation of popular culture in the Americas. The chapters seek to enrich our understanding of the role of pop culture in the everyday lives of its creators and consumers, primarily in the 20th and 21st centuries. They reveal how popular culture expresses the historical, social, cultural, and political commonalities that have shaped the lives of peoples that make up the Americas, and also highlight how pop culture can conform to and solidify existing social hierarchies, whilst on other occasions contest and resist the status quo. Front and center in this collection are issues of gender and sexuality, making visible the ways in which subjects who inhabit intersectional identities (sex, gender, race, class) are "othered", as well as demonstrating how these same subjects can, and do, use pop-

cultural phenomena in self-affirmative and progressively transformative ways. Topics covered in this volume include TV, film, pop and performance art, hip-hop, dance, slam poetry, gender-fluid religious ritual, theater, stand-up comedy, graffiti, videogames, photography, graphic arts, sports spectacles, comic books, sci-fi and other genre novels, lotería card games, news, web, and digital media.

What They Didn't Teach You in Spanish Class - Juan Caballero

2022-11-15

Chilling with an ice-cold cerveza at a beach bar... Dancing at CDMX's hottest salsa club... Screaming your head off at the Copa America... Drop the textbook formality and chat with the locals in Latin America's everyday language. What's up? Que tal?; What a hottie! Que cuerazo!; Let's pound these shots. Traguemonos estos traguitos.; That ref sucks. Es una mierda ese arbitro/a.; I'm craving all-you-can-eat tacos. Me antoja un poco de taquiza libre.; Do you wanna hook up? Quieres ligar?

**Obscene Pedagogies** - Carissa M. Harris 2018-12-15

As anyone who has read Chaucer's Canterbury Tales knows, Middle English literature is rife with sexually explicit language and situations. Less canonical works can be even more brazen in describing illicit acts of

sexual activity and sexual violence. Such scenes and language were not, however, included exclusively for titillation. In *Obscene Pedagogies*, Carissa M. Harris argues instead for obscenity's usefulness in sexual education. She investigates the relationship between obscenity, gender, and pedagogy in Middle English and Middle Scots literary texts from 1300 to 1580 to show how sexually explicit and defiantly vulgar speech taught readers and listeners about sexual behavior and consent. Through innovative close readings of literary texts including erotic lyrics, single-woman's songs, debate poems between men and women, Scottish insult poetry battles, and *The Canterbury Tales*, Harris demonstrates how through its transgressive charge and galvanizing shock value, obscenity taught audiences about gender, sex, pleasure, and power in ways both positive and harmful. She focuses in particular on understudied female-voiced lyrics and gendered debate poems, many of which have their origin in oral culture, and includes teaching-ready editions of fourteen largely unknown anonymous lyrics in women's voices. Harris's own voice, proudly witty and sharply polemical, inspires the reader to address these medieval texts with an eye on contemporary issues of gender, violence, and misogyny.
