

# Sex And The Sacred Gay Identity And Spiritual Growth

**New Religions and Spiritualities** - Stephen Hunt 2017-03-02

Since the 1960s a fresh wave of new religions and what has come to be termed 'spiritualities' have been evident on a global scale. This volume in The Library of Essays on Sexuality and Religion focuses on these 'new' religions and their often contentious attitudes towards human sexuality. Part 1, through previously-published articles, provides instances of affirming orientations of the 'new' religions towards sexuality. This entails scrutinising examples of innovative religion from a historical perspective, as well as those of a more contemporary nature. Part 2 examines, with pertinent illustrations, the controversial character of 'new' religions in their 'cultist' forms and matters of sexual control and abuse. Part 3 considers sexuality as articulated through paganism, the occult and esotericism in the postmodern setting. Part 4 examines both hetero- and non-hetero- expressions of sexuality through the so-called 'New Spiritualities', Quasi-religions and the more 'hidden' forms of religiosity.

**Spirituality Research Studies in Higher Education** - Terence Hicks 2016-04-04

Spirituality Research Studies in Higher Education offers two uniquely designed sections that showcase a group of talented scholars from major research institutions. This edited volume by Terence Hicks provides the reader with topics such as spiritual aspects of the grieving college students, spirituality and sexual identity among Lesbian and Gay students, spirituality driven strategies among first-generation students, the role of spirituality in home-based education, and counseling and spiritual support among women.

**From Sin to Amazing Grace** - Patrick S. Cheng 2012-03

Throughout the history of Christianity, lesbian, gay, bisexual and transgender (“LGBT” or “queer”) people have been condemned as unrepentant sinners who are in dire need of God’s saving grace. As a result of this condemnation, LGBT people have been subjected to great spiritual, emotional and physical abuse and violence. This issue takes on a particular urgency in light of the ongoing harassment and bullying of LGBT young people by their classmates. Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws. Rather Cheng proposes a Christological model based upon the theologies of Irenaeus, Bonaventure and Barth, in which sin and grace are defined in terms of what God has done for us in Jesus Christ. This book serves as a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the context of the 21st century.

**Gays and Grays** - Donal Godfrey 2008-04

This book tells the story of a unique Catholic Parish, Most Holy Redeemer Parish in San Francisco. The story tells how the original parishioners (the gray) accepted the new gay community, especially in response to the AIDS epidemic.

**The World's Religions** - Arvind Sharma 2010-10-01

This wide-ranging reader combines some of the best and most valuable contemporary perspectives from leading and significant writers, teachers, and thinkers who together address critical challenges and opportunities for the world's religions in a post 9/11 world. Edited by Arvind Sharma and organized by topic, the essays in this reader consider broad questions such as, What influence does religion have on contemporary life? The thematic arrangement of topics includes diverse religious perspectives on: war, terror, peace, human rights, pluralism, diversity, gender, spirituality, the interreligious dialogue, international diplomacy and globalization.

**LGBTQ America Today: P-Z** - John Charles Hawley 2009

Hundreds of alphabetically arranged biographical and topical entries survey the current state of lesbian, gay, bisexual, transgender, and queer American culture.

Exploring Sexuality and Spirituality - 2020-10-20

Exploring Spirituality and Sexuality: An Introduction to an Interdisciplinary Field is a collection of scholarly

essays which focuses on the multiple interrelations of spirituality and sexuality, including such facets as intimate relationships, inner cultivation, gender empowerment, gender empowerment, sex education, eroticism, and ecstasy embodiments.

**Sex and the Sacred** - Daniel A Helminiak 2012-12-06

A down-to-earth look at the spiritual power of sex Sex and the Sacred examines the spiritual dimension of human sexuality in a way that is free of religious affiliation but still open to traditional religion and belief in God. Dr. Daniel Helminiak, author of the best-selling What the Bible Really Says about Homosexuality, looks at the relationship between sexuality and spirituality, first, from a humanistic perspective and, then, a more familiar Christian point of view. In particular, he encourages LGBTI people to reclaim their spiritual heritage without apology. This unique book emphasizes spiritual commitment as an essential facet of LGBTI/queer consciousness and addresses such burning themes as coming out, the importance of self-acceptance, gay marriage, gay bashing, and the ethics of gay sex. Sex and the Sacred combines a psychological approach to spirituality with common sense and compassion, inspiring a break from moralistic religion and an understanding of what true spirituality means. The book applies this understanding to Christian topics such as the Bible, Fundamentalism, and the future of Christianity, and shows how coming out was an issue for Jesus, how homosexual experience relates to the Christian Trinity, and how Western Civilization became so sex-negative. Sex and the Sacred presents in the end a radical vision of Christianity open to all people. Religious leaders of all denominations, educators, counselors, members of the gay/lesbian/bisexual/transgender community, non-religious spiritual seekers, and anyone interested in the relationship between spirituality and sexuality will find this book enlightening and uplifting. Sex and the Sacred examines: the spiritual drive that is built into human sexuality the standard religious arguments against gay marriage a sustained argument that Biblical Fundamentalism is not Christian spiritual lessons from the AIDS epidemic the right and wrong of sex—queer and otherwise homosexuality in Catholic teaching and practice sexual ethics without religion a vision for a renewed Christianity within a global community

I Came Here Seeking a Person - Glenn, William D. 2023-06-07

This book is a contemporary account of a spiritual journey by a sober, gay, ex-Jesuit clinician and community leader writing at the complicated intersection of faith, psychology, sexuality, culture, and exponential social change. The book’s themes are both “of the moment” and universal; they are difficult, and yet hopeful.

Identity Envy Wanting to Be Who We're Not - Jim Tushinski 2014-05-01

Gay men and lesbians present humorous and hard-hitting accounts of the need to belong . . . somewhere Why would a lesbian raised in a Jewish home have a sudden desire to be a tough-talking Catholic girl? And why would a gay man travel to Ireland in a desperate attempt to escape his “hillbilly” roots? Identity Envy—Wanting to Be Who We’re Not explores the connections gay men and lesbians have to religions, races, ethnicities, classes, families of origin, and genders not their own. This unique anthology takes both humorous and serious looks at the identities of others as queer writers explore their own identity envies in personal essays, memoirs, and other creative nonfiction. Gay men, lesbians, bisexuals, transgendered, intersex, and other sexual minorities often feel marginalized by mainstream culture and have a need to belong somewhere, to claim a group as their own. This surprising book presents stories of identity envy that are humorous and hard-hitting, poignant and provocative, written with energy, wit, and candor by many of your favorite writers-and some exciting newcomers. Identity Envy—Wanting to Be Who We’re Not includes: Gerard Wozek’s King Fu-infused “Chasing the Grasshopper” Max Pierce’s fantasy of being a “Child Star” that helped him through a troubled family life Lori Horvitz’s “Shiksa in my Living Room” D. Travers Scott's “EuroTex” Perry Brass's “A Serene Invisibility: Turning Myself into a Christian Girl” Jim Tushinski’s ode to

Lost in Space, “The Perfect Space Family” Al Cho’s unlikely identification with Laura Ingalls Wilder characters, “Farmer Boy” Irish-American John Gilgun wishes he could be one of those “Italian-American Boys” Joan Annsfire rejects her Jewish heritage to become Catholic schoolgirl Corinne O'Donnell in “The Promise of Redemption” Andrew Ramer’s “Tales of a Male Lesbian” city slicker Mike McGinty’s life with the cattle folk, “You Picked a Fine Time to Leave Me, Helen” and much more! Identity Envy—Wanting to Be Who We’re Not is a must-read for anyone who appreciates good writing—especially gay and lesbian readers who know what it’s like to wish you were someone else.

**Eleanor H. Porter's Pollyanna** - Roxanne Harde 2014-11-06

Appearing first as a weekly serial in The Christian Herald, Eleanor H. Porter’s Pollyanna was first published in book form in 1913. This popular story of an impoverished orphan girl who travels from America’s western frontier to live with her wealthy maternal Aunt Polly in the fictional east coast town of Beldingsville went through forty-seven printings in seven years and remains in print today in its original version, as well as in various translations and adaptations. The story’s enduring appeal lies in Pollyanna’s sunny personality and in her glad game, her playful attempt to accentuate the positive in every situation. In celebration of its centenary, this collection of thirteen original essays examines a wide variety of the novel’s themes and concerns, as well as adaptations in film, manga, and translation. In this edited collection on Pollyanna, internationally respected and emerging scholars of children’s literature consider Porter’s work from modern critical perspectives. Contributors focus primarily on the novel itself but also examine Porter’s sequel, Pollyanna Grows Up, and the various film versions and translations of the novel. With backgrounds in children’s literature, cultural and film studies, philosophy, and religious studies, these scholars extend critical thinking about Porter’s work beyond the thematic readings that have dominated previous scholarship. In doing so, the authors approach the novel from theoretical perspectives that examine what happens when Pollyanna engages with the world around her—her community and the natural environment—exposing the implicit philosophical, religious, and nationalist ideologies of the era in which Pollyanna was written. The final section is devoted to studies of adaptations of Porter’s protagonist.

*New Directions in Sex Therapy* - Peggy J. Kleinplatz 2012

*New Directions in Sex Therapy, Second Edition*, focuses on cutting-edge, therapy paradigms as alternatives to conventional clinical strategies. It expands the definition of our field and is intended for anyone who deals with sexual issues and concerns in therapy- clinicians of every kind, novices and advanced practitioners-rather than only those who define themselves as sex therapists.

*Delivering Culturally Competent Nursing Care* - Gloria Kersey-Matusiak 2013

Print+CourseSmart

**A Theology of Gay and Lesbian Inclusion** - Donald G Hanway 2012-12-06

Encourage the Church to address the gift of human sexuality—how to view it, how to deal with it, and how it relates to spirituality A Theology of Gay and Lesbian Inclusion: Love Letters to the Church challenges traditional church teachings that brand homosexuality as immoral, using pertinent scripture from the central Gospel to promote a full acceptance of gay and lesbian Christians. This powerful book questions the assumption that gay Christians are morally inferior, presenting testimony from gay men and lesbians about prejudice they’ve experienced at the hands of the Church—and its straight members. Written as a series of ten letters, the book addresses the strengths and weaknesses of the church and appeals for a new understanding and commitment to the acceptance of its gay members. From the author: The purpose of this book is to equip you, Christian warrior of the Gospel of peace, to stand against those who use the Bible to resist change—even that change of which our Lord would approve. In one sense, there is nothing revolutionary about this book. It is a book that respects tradition—but only up to a point: that point where tradition has to change, to give way to what the Holy Spirit is showing us in our day of the mind of Christ. And this is not revolutionary, because tradition has had to change before; it is a developing truth, born of the corporate experience of the children of God, and open to our claiming the exercise of our God-given gift of reason. A Theology of Gay and Lesbian Inclusion includes a series of letters that progress from establishing the purpose and credibility of the author, to developing grounding in Scripture and experience, to appealing to the reader to act as an ally of gay and lesbian Christians. The letters include: “Dear Christian Believer,” which aims for the “bull’s-eye” of the reader’s faith “Dear Sexual Being,” which offers a

fresh look at a sensitive topic “Dear Confused Church Member,” which discusses what gay people are “really” like “Dear Concerned Church Member,” which discusses what gay people really want “Dear Bible Explorer,” which discusses what the Bible really says “Dear Person Trying to Do the Right Thing,” from “being” to “doing” and much more A Theology of Gay and Lesbian Inclusion provides a friendly and informal Biblical rationale for alternatives to traditional church teachings, encouraging the acceptance of gay and lesbian people as fully moral and fully Christian.

**Ebook: Understanding Human Sexuality** - Hyde; DeLamater 2016-04-16

Ebook: Understanding Human Sexuality

**An Existentialist Theory of the Human Spirit (Volume 1)** - Shlomo Giora Shoham 2020-07-22

This first volume examines how sexual mores and behavior, religious dogma and practice, and artistic creativity and authenticity have influenced, and been influenced by, the existentialist thought of Kierkegaard, Heidegger, Sartre, Nietzsche, Husserl and Buber, and the writings of Camus, Dostoevsky, Beckett, Kafka and Shestov. It compares the author’s personality theory with those of Freud, Jung, Fairbairn, Karl Abraham and Melanie Klein, and Buddhist, Gnostic, Christian and Muslim mysticism with Jewish Kabbalah. It explains society’s harsh treatment of Carlo Gesualdo, Vincent van Gogh and Antonin Artaud, and analyzes the existentialist approach to existence, absurdity, human dialogue, and suicide. It will appeal to students and professionals in fields as diverse as philosophy, psychology, sociology, anthropology, religion, law, music, art, drama, literature and biology.

**Ministry Among God’s Queer Folk, Second Edition** - Bernard Schlager 2019-01-21

This practical pastoral care handbook, written by two self-described queer people of faith, covers the basic skills that religious caregivers and ministry students need in order to be effective, enlightened, and supportive pastoral care providers to LGBTQ persons in congregational and other community settings. Authors Schlager and Kundtz distinguish pastoral care from pastoral counseling: while the latter is reserved for those with special training in the practice of therapy, the former can be developed by ministers and lay people with sufficient education and practice. This book requires of the reader no previous experience with LGBTQ communities and treats the following topics: the definition and functions of pastoral care; effective care in challenging times; coming out of the closet; creating communities of care; and caring for a wide variety of LGBTQ relationships. The authors provide case studies throughout the book to ground and illustrate their theology of pastoral care.

*Intersectionality, Sexuality and Psychological Therapies* - Roshan das Nair 2012-04-23

This book explores the diversity in lesbian, gay, and bisexual lives, with the aim of opening up therapists’ understanding of this diversity so that they can work in an ethical, supportive and non-discriminatory way with these individuals. Offers a comprehensive look at diversity within LGB populations, including the interactions between different areas of social difference using contemporary approaches Focuses on the practitioner, illustrating concepts with vignettes and case studies for implementing practical applications Emphasizes gender balance, fully exploring both male and female perspectives on each topic Encompasses different perspectives, including critical health psychology, discursive psychology, intersectionality, critical and cultural theory, and post-colonial discourse, while remaining accessible to all

*Radical Love* - Patrick S. Cheng 2011-03-01

The first introductory textbook on the subject of queer theology. Contextual theologies have developed from a number of perspectives - including feminist theology, black theology, womanist theology, Latin American liberation theology, and Asian American theology - and a wide variety of academic and general introductions exist to examine each one. However, Radical Love is the first introductory textbook on the subject of queer theology. In this lucid and compelling introduction, Cheng provides a historical survey of how queer theology has developed from the 1950s to today and then explicates the themes of queer theology using the ecumenical creeds as a general framework. Topics include revelation, God, Trinity, creation, Jesus Christ, atonement, sin, grace, Holy Spirit, church, sacraments, and last things, as seen through the lenses of LGBT theologians.

**Two Spirit People** - Lester B Brown 2014-01-02

Two Spirit People is the first-ever look at social science research exploration into the lives of American Indian lesbian women and gay men. Editor Lester B. Brown posits six gender styles in traditional American

Indian culture: men and women, not-men and not-women (persons of one biological sex assuming the identity of the opposite sex in some form), and gays and lesbians. He brings together chapters that emphasize American Indian spirituality, present new perspectives, and provide readers with a beginning understanding of the place of lesbian, gay, and bisexual Indians within American Indian culture and within American society. This beginning will help you understand these unique people and the special challenges and multiple prejudices they face. Traditionally, American Indian cultures showed great respect and honor for alternative gender styles, since these were believed to be part of the sacred web of life. If the Great Spirit chose to create alternative sexualities or gender roles, who was bold enough to oppose such power? If one's spiritual quest revealed one's identity to be that of not-woman, not-man, gay, or lesbian, who should defy their calling? The interpretation of contemporary American Indian religions that gay American Indians retain sacred rights within Indian cultures, and that they can share this gift with others, have implications for therapy, identity formation, social movements, and general human relations. Social workers and other human service professionals, American Indian studies students, sociologists, anthropologists, and lesbian

and gay scholars will find Two Spirit People enlightening and a significant contribution to the development of professional interventions for oppressed groups that is ethnically and culturally sensitive. Only by understanding the belief systems from which these oppressed groups come will you begin to really help them achieve positive change. You will become better equipped to specifically help gay and lesbian American Indians as you gain insight into: American Indian alternative gender styles social service issues for American Indian lesbians and gay men American Indian not-men and not-women and their choosing ceremonies American Indian lesbian and gay identity development American Indian lesbian and gay literature AIDS and American Indians Two Spirit People helps you see that family and community acceptance of lesbians and gays is possible. The families of American Indian lesbians and gays do not usually abandon them, thus helping them face a generally unaccepting American milieu. Looking to this book and the American Indian perspective of alternative sexuality/gender styles, American society as a whole can begin to take a new approach to the treatment and understanding of other groups traditionally held to the "outside" of American mainstream society.
