The Kings & Queens of Hollywood Comedy - Terry Rowan 2017

**Preventing Palestine** - Seth Anziska 2020-03-24

For seventy years Israel has existed as a state, and for forty years it has honored a peace treaty with Egypt that is widely viewed as a triumph of U.S. diplomacy in the Middle East. Yet the Palestinians - the would-be beneficiaries of a vision for a comprehensive regional settlement that led to the Camp David Accords in 1978 - remain stateless to this day. How and why Palestinian statelessness persists are the central questions of Seth Anziska's groundbreaking book, which explores the complex legacy of the agreement brokered by President Jimmy Carter. Based on newly declassified international sources, *Preventing Palestine* charts the emergence of the Middle East peace process, including the establishment of a separate track to deal with the issue of Palestine. At the very start of this process, Anziska argues, Egyptian-Israeli peace came at the expense of the sovereignty of the Palestinians, whose aspirations for a homeland alongside Israel faced crippling challenges. With the introduction of the idea of restrictive autonomy, Israeli settlement expansion, and Israel's 1982 invasion of Lebanon, the chances for Palestinian statehood narrowed even further. The first Intifada in 1987 and the end of the Cold War brought new opportunities for a Palestinian state, but many players, refusing to see Palestinians as a nation or a people, continued to steer international diplomacy away from their cause.

The Misbegotten Son - Jack Olsen 2020-05-28

Little Artie Shawcross bullied classmates, insulted teachers, started fires, tortured animals, and roved the woods of New York's hardscrabble North Country with imaginary friends, talking in a high squawk. He also scored top grades, excelled in sports and shared his money and toys with the children who ridiculed him. From the second grade on, he was subjected to psychiatric examination, regularly confounding the experts. Years later, while serving in Vietnam, Arthur John Shawcross wrote bloodcurdling letters about his battlefield ordeals, then returned to Watertown to commit a string of arsons and burglaries. He served two years in prison, was paroled to his respectable parents - and murdered a boy and a girl. Back in the penitentiary, he proved as enigmatic as ever. Some counselors saw him as a Frankenstein monster, beyond hope, irredeemable. To others he was a troubled young man who could be saved. No two psychiatrists seemed to agree. Shawcross served fifteen years, then conned a parole board into an early release. He settled in Binghamton, but angry citizens learned of his bloody history and ran him out of town. After two smaller communities turned him away, desperate parole authorities finally smuggled the child-killer into Rochester in the dead of night - neglecting to alert the local police. Soon the corpses started turning up, locked in winter ice, covered by reeds in swamps, floating in streams. The homicidal pedophile had changed his M.O., this time murdering diminutive women. As the body count grew, Rochester streets swarmed with police, and still the serial killer managed to snare his tenth victim, then his eleventh. Amazon.com Accounts of more famous serial killers like Ted Bundy or Jeffrey Dahmer may have ghoulish entertainment value, but I agree with writer Darcy O'Brien that this meticulously factual study of child sex-murderer Arthur Shawcross "comes closer to capturing the psychology of a serial killer than anything else I've ever read." The strength of this book (semi-finalist for a 1994 Edgar Award) comes first from the quality of the materials--including first-person interviews with the killer's wives, girlfriends, co-workers, police officers, therapists, and even a prostitute who "played dead" for Shawcross--and second, from Olsen's ability to weave the information into a highly readable story that reveals, above all, the ineffectiveness of our system of rehabilitation and parole. From Publishers Weekly An experienced and skilled writer, Olsen ( *Predator* ) proves himself equal to the formidable task of studying serial killer Arthur Shawcross. Born in 1945 in upstate New York, Shawcross was perceived as different even in childhood (his classmates dubbed him "Oddie," and elementary school officials called for mental health evaluations). In the early '70s he murdered two children and was sentenced to up to 25 years in prison; he served less than 15 years before he was paroled in 1987. He was difficult to place--townspeople drove him out as soon as his past became known. After three such episodes, parole officials sent him surreptitiously to

Rochester, N.Y., where he killed at least 11 prostitutes. He was arrested in 1990 and eventually sentenced to 250 years in prison. During the trial, he claimed that he had been physically and sexually abused by his mother (untrue, the authorities concluded) and that he had committed horrible atrocities in Vietnam (probably untrue). He did not fit the classic pattern of the sociopath, nor did he seem either schizophrenic or paranoid. It remained for psychiatrist Richard Kraus to hypothesize that physiology was the basis for Shawcross's behavior--he diagnosed Shawcross as suffering from a metabolic ailment known as pyroluria and an abnormal genetic constitution. Told by Olsen with contributions from others affected by Shawcross's crimes, the story is a triumph of true-crime writing.

FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

Roger Ebert's Movie Yearbook 2010 - Roger Ebert 2009-11-09

Roger Ebert's Movie Yearbook 2010 is the ultimate source for movies, movie reviews, and much more. For nearly 25 years, Roger Ebert's annual collection has been recognized as the preeminent source for full-length critical movie reviews, and his 2010 yearbook does not disappoint. The yearbook includes every review Ebert has written from January 2007 to July 2009. It also includes interviews, essays, tributes, and all-new questions and answers from his Questions for the Movie Answer Man columns. Fans get a bonus feature, too, with new entries to Ebert's Little Movie Glossary. This is the must-have go-to guide for movie fanatics.

*A Suitable Boy* - Vikram Seth 1994

*Sex Drive* - Andy Behrens 2008-10-16

Now a major motion picture! Ian-s best friend, Lance, has a knack for finding both. Unfortunately Ian-s too nice to get close to either. He-s never kissed a girl-or even had a chance-until he meets the perfect girl online. Now only a 935-mile road trip lies between Ian and something that he-s been thinking about roughly every eleven seconds since puberty hit. There-s also the small problem of the Creature, Ian-s ancient yellow Oldsmobile, and its impending collapse on the side of the road. As if that weren-t enough, Lance and gal pal Felicia crash the ride for what seems to be the sole purpose of taunting Ian. With all these obstacles in the way, will Ian-s drive bring him any closer to what he wants?

*Psychotherapists on Film, 1899-1999* - John Flowers 2004-04-08

How long have psychotherapists been depicted in films? Nearly as long as there have been films—or psychotherapists, for that matter. This isn't surprising if one considers that the Freudian revolution in psychology and the invention of motion pictures occurred at about the same time.

What may be surprising is the sheer number of times that psychotherapists, in their many guises, have shown up in the movies and how their depiction has reflected changing social attitudes about psychotherapy over the last century. This comprehensive worldwide filmography examines over 5000 movies. Films in which mental health professionals appear, or in which others act in that capacity, are listed alphabetically. A preface explains the criteria for a film's inclusion, and a lengthy introduction and guide to the filmography explores the changing social attitudes mirrored by the movies. Appendices list the titles by decade; alternate titles for many films; recent releases; and qualifying adult films.

**The Private Protectors Series Box Set Two** - Adrienne Giordano 2022-06-02

A Just Deception The Private Protectors Series, Book 4 Former Navy

SEAL Peter Jessup is no hero. Too many friends, his brothers-in-arms, have died on the job, and Peter couldn't save them. When the emotional fallout interferes with his work, his boss sends him away for company-mandated R&R. Peter knows it's not a vacation, it's an order: Go home. Find a hot girl. Get your head straight. Two of those things should be easy. Until the hot girl becomes his next assignment... Isabelle DeRosa is no damsel in distress. A criminal attorney and Krav Maga expert, she can bring a man to his knees with a glare—or a well-placed kick. It's Isabelle's crippling fear of her cousin that sets off warning bells for Peter. When Kendrick is murdered, Isabelle becomes the police's prime suspect. She turns to Peter for help, but finds more than comfort in his arms. Isabelle sparks his protective instincts and fuels his every fantasy. But she's not the only one with secrets. Their investigation into Kendrick's killer leads them to a cult-like compound and into dangerous territory. And despite Isabelle's efforts to push him away, Peter will fight to keep her safe...and make her his. Relentless Pursuit The Private Protectors Series, Book 5 For former Army Ranger Billy Tripp, high-stakes international ops are just another day at the office. So why is his boss at Taylor Security busting his chops with a rinky-dink assignment? One dumb mistake and—bam—Billy's playing rent-a-cop at a Miami hot spot while providing security detail for some fancy necklace. Piece. Of. Cake. Except the job comes with one major distraction: the killer curves of the woman in charge. Hotel heiress Kristen Dante thrives on work and has little time for play. Or men like Billy—sexy, impulsive, and too charming for his own good. Kristen may be a boss in the boardroom, but her confidence in the bedroom is no match for Billy's swagger. This guy is a heartbreak waiting to happen. Better to let him finish his job and be on his way. Too bad Billy never backs down from a challenge. Beneath Kristen's insecurities, he sees a spark of desire even she can't deny. And her heart isn't the only thing in danger. When half a million dollars' worth of cars are stolen from the hotel, Kristen needs Billy's skills to catch a thief. But the investigation reveals a threat far more sinister than car theft...and that threat could cost them both their lives. Opposing Forces The Private Protectors Series, Book 6 She's the one temptation he didn't plan for. Jack Lynx has a strategy for just about everything, a talent that makes him well-suited to his V.P. job at Taylor Security. It's also why he's waiting at least one year after kicking his post-surgery painkiller habit to even look at a woman. Unfortunately, fellow yoga enthusiast Jillian Murdoch needs him to install a security system at her home, and that's a problem because he wants to look at her. He wants to do much more than that. Lynx's cravings for Jillian don't simply jeopardize his priorities—they threaten to become his worst addiction yet. He's the risk she's willing to take. Jillian is on the fast-track to her dream career in upper management at her pharmaceutical company... until a late-night office trip reveals a suspicious delivery with no paperwork. After a break-in at her home, she approaches the first person she thinks can help—Jack Lynx, the guy with a killer smile from yoga class who also happens to specialize in protection. Soon, she's in a situation she swore she'd never repeat: fighting her burning attraction to trouble—and losing. But Jillian needs to trust Jack more than ever. Thanks to discovering that one stray shipment, it isn't just her career that's in danger anymore...

**Spinegrinder** - Clive Davies 2015-03-06

First came video and more recently high definition home entertainment, through to the internet with its streaming videos and not strictly legal peer-to-peer capabilities. With so many sources available, today's fan of horror and exploitation movies isn't necessarily educated on paths well-trodden — Universal classics, 1950s monster movies, Hammer — as once they were. They may not even be born and bred on DAWN OF THE DEAD. In fact, anyone with a bit of technical savvy (quickly becoming second nature for the born-clicking generation) may be viewing MYSTICS IN BALI and S.S. EXPERIMENT CAMP long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento. In this world, H.G. Lewis, so-called "godfather of gore," carries the same stripes as Alfred Hitchcock, "master of suspense." SPINEGRINDER is one man's ambitious, exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema, of a sort that most critics won't care to write about. One opinion; 8,000 reviews (or thereabouts).

**Roger Ebert's Movie Yearbook 2006** - Roger Ebert 2005-11

Now fully updated, this annual yearbook includes every review Ebert had written from January 2007 to July 2009. It also includes interviews, essays, tributes, and all-new questions and answers from his Questions for the Movie Answer Man columns.

**The Negro Motorist Green Book** - Victor H. Green

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we

are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

**All the Way** - Andy Behrens 2007-05-17

Hoping to have sex for the first time with a girl he has met on the Internet, seventeen-year-old Ian drives with his two best friends from Illinois to South Carolina.
