Ultraverse Roleplaying

System - Bruce Adams

2018-01-23

Ultraverse is a fast-paced system designed to create superheroic, fantasy, science fiction and countless other types of adventures for players. Each player assumes their own role as a character in each campaign that the Gamemaster (GM) creates. Ultraverse is designed to emulate the fictional powers and abilities found in the pages of four-color comic books. Polyhedral dice such as d20, d12, d10, d8, d6 and d4 are required for play in Ultraverse. Hexagonal or Square maps are useful but not required for playing. I have tried to make the system easy to understand, fast-paced, and simple for players to get started. I am proud to have created Ultraverse and hope the readers have fun gaming!
SPIN - 2008-01

From the concert stage to the dressing room, from the recording studio to the digital realm, *SPIN* surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of *SPIN* pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, *SPIN* is your monthly VIP pass to all that rocks.

Dirty Blvd. - Aidan Levy

2015-10-01

Addicted To Noise - Michael Goldberg 2022-11-01

Addicted to Noise collects the best interviews, profiles, and essays Michael Goldberg has written during his forty-plus years as a journalist. From

combative interviews with Frank Zappa and Tom Waits to essays on how Jack Kerouac influenced Bob Dylan and the lasting importance of San Francisco's first punk rock club, Goldberg, as novelist Dana Spiotta wrote, "shows us how consequential music can be." Contained within these pages: interviews with Sleater-Kinney, Sonic Youth, Patti Smith, Lou Reed, Flipper, John Fogerty, Neil Young, and Rick James, along with profiles of Robbie Robertson, John Lee Hooker, James Brown, the Clash, Prince, Michael Jackson, the Flamin' Groovies, Ramblin' Jack Elliott, X, Laurie Anderson, Stevie Wonder, George Clinton, Devo, San Francisco punks Crime, and more. Plus short takes on Muddy Waters, Townes Van Zandt, Captain Beefheart, Professor Longhair, and others. As Greil Marcus writes in the Foreword, "You can feel the atmosphere: someone has walked into a room with a pencil in his hand—as the words go in perhaps the first song about a music critic, not

counting Chuck Berry's aside about the writers at the rhythm reviews—and suddenly people are relaxed . . . He isn't after your secrets. He doesn't want to ruin your career to make his. He doesn't care what you think you need to hide. He actually is interested in why and how you make your music and what you think of it. So people open up, very quickly, and, very quickly, as a reader, you're not reading something you've read before."

I Slept with Joey Ramone - Mickey Leigh 2011-01-11

"A powerful story of punk-rock inspiration and a great rock bio" (Rolling Stone), now in paperback. When the Ramones recorded their debut album in 1976, it heralded the true birth of punk rock. Unforgettable front man Joey Ramone gave voice to the disaffected youth of the seventies and eighties, and the band influenced the counterculture for decades to come. With honesty, humor, and grace, Joey's brother, Mickey Leigh, shares a fascinating, intimate look at the turbulent life of one of America's greatest—and

on 2020-09-11 by guest

unlikely—music icons. While the music lives on for new generations to discover, *I Slept with Joey Ramone* is the enduring portrait of a man who struggled to find his voice and of the brother who loved him.

The Year of Ice - Brian Malloy
2007-04-01

Brian Malloy's acclaimed debut novel set in Minneapolis in the late 70's, *The Year of Ice* is the story of a painfully revealing year that threatens to shatter the tenuous bonds between a father and his teenage son. It is 1978 in the Twin Cities, and Kevin Doyle, a high school senior, is a marginal student in love with keggers, rock and roll, and--unbeknownst to anyone else--a boy in his class with thick eyelashes and a bad attitude. His mother Eileen died two years earlier when her car plunged into the icy waters of the Mississippi River, and since then Kevin's relationship with his father Patrick has become increasingly distant. As lonely women vie for his father's attention, Kevin discovers Patrick's own closely guarded

secret: he had planned to abandon his family for another woman. More disturbingly, his mother's death may well have been a suicide, not an accident. Complicating the family dynamic is the constant meddling of Kevin's outspoken Aunt Nora--who will never forgive Patrick for Eileen's death--along with Patrick's inability to stay single for very long. His loyalties divided between his father and his aunt, between his internal reality and his public persona, Kevin is forced to accept his gay identity and reevaluate his notions of family and love as painful truths emerge about both.

'77 Sulphate Strip - Barry Cain
2012-09-11

An eyewitness account of 1977 by one of the only journalists allowed full access to the bands. This is the true story of punk - how it really felt and what happened - and how John Lydon, Hugh Cornwell, and Rat Scabies feel now about what they said and did back then.

A Work of Art - Micayla Lally
2017

Downloaded from
legacy.opendemocracy.net
on 2020-09-11 by guest

After their break-up--and different ways of dealing with it--Julene and Samson eventually find their way back to each other, but when she finds out what he did to keep himself busy while they were apart, she wonders: Can she trust him again?

Lipstick Traces - Greil Marcus
2009-11-30

This is a secret history of modern times, told by way of what conventional history tries to exclude. Lipstick Traces tells a story as disruptive and compelling as the century itself.

Sex Pistols - Peter Smith
2018-11-15

The Sex Pistols simply, and seemingly effortlessly, blew away all that had come before them, setting an entirely new bar for rock acts that followed in their wake. Peter Smith explores the impact the band had on the launching of the punk movement as well as its embodiment of 1970s' disenfranchised youth and tense political climate.

Anna Sui - Andrew Bolton
2013-05-07

Anna Sui's trendsetting rock-and-roll looks have made her one of this decade's top five fashion icons (Time). Here, in the first book to cover the entire scope of Sui's twenty-year career, fans get rare access to the designer's creative process. This richly visual retrospective celebrates her influence, from her first show that snared the support of supermodels Naomi Campbell, Linda Evangelista, Christy Turlington, and Kate Moss to the role she's played in making the babydoll dress one of fashion's most iconic silhouettes. With more than 400 photographs from legendary photographers, this exquisite tome with a shimmering foil-stamped cover is essential for all fashionistas.

The Hard Times - Matt Saincome 2019

A sharp, comedic send-up of punk and hardcore culture, from the creators of the popular and critically-lauded satire site The Hard Times.net.

Tinker Tales Untold - Allan Lowson 2009-10-27

Downloaded from
legacy.opendemocracy.net
on 2020-09-11 by guest

'Tinker Tales Untold' is a collection of previously unpublished stories celebrating magic and motorcycles. Tinker is the son of an absentee Irish gypsy dad and a Scottish mum, raised poor and hitting the streets after her death in his early teens. Becoming a trader in old iron ponies, he falls in with Magic John and survives a sorcerer's apprenticeship to that gutter mage (as described in the previous collection, 'Tinker Tales'). Now he frequents a pub in Faerhame, tangles with ghosts, demi-gods, and demons... life isn't easy for a biker dabbling in magic.

Kate Bush and Hounds of Love

- Dr Ron Moy 2013-01-28

Kate Bush is widely respected as one of the most unique solo female performers to have ever emerged in the field of popular music. She has achieved that rare combination of great commercial success and critical acclaim, with *Hounds of Love* considered widely to be her masterpiece. The album regularly features in 'best album' lists, and in the 2004 Observer poll was the highest

placed work by a solo female artist. The album allows the author, Ron Moy, the critical opportunity to explore a wide range of issues relating to technology, production, authorship, grain of the voice, iconography, critical and commercial impact, collaboration, gender, sexuality, narrative, and social and cultural context.

Necessary Evil and the Greater Good - Adam Ingle
2014-06-24

For best friends Mestoph and Leviticus the end of the world can't come fast enough. Mestoph is a demon and troublemaker for Hell Industries, while Leviticus is an angel and cubicle jockey for Heaven, Inc. They might be unlikely friends, but they have something in common - they both hate their jobs.

Unfortunately for them The End is nowhere in sight. The two take matters into their own hands when they come up with a scheme to get themselves kicked out of the Afterlife without spending an eternity in Purgatory. Their misadventure

Downloaded from
legacy.opendemocracy.net
on 2020-09-11 by guest

will take them from the tiny town of Truth or Consequences, NM to the highlands of Iceland as they cross paths and pantheons with Neo-Vikings, Greek and Norse Gods, and a Scottish terrier named Sir Reginald Pollywog Newcastle III.

The Guide to Historic Costume
- Karen Baclawski 1995

This is essentially a guide to items of historical dress in British Museum collections. However since there is more surviving historical costume in this country than anywhere else in the world, it doubles as a dictionary of costume, providing information on where to find a specific garment.

Lessons from the Land of Pork Scratchings - Greg Gutfeld
2009-08-06

Greg Gutfeld was a high-achieving New Yorker in therapy when he was posted to the UK to take up the position of editor of Maxim magazine. Once settled in London he had something of a cultural epiphany. Service and transport were poor and slow, food was soggy and came in

tiny portions and the beer was warm. The British, he decided, viewed the world through a prism of dreariness but, despite this, they seemed to be more cheerful than his fellow countrymen, who expected to be happy on demand. After two years in the UK, Gutfeld was 12 kilos heavier but a lot more content. The key to his newfound contentment lay in adopting the British attitude to life: having diminished expectations reaps its own rewards. His hilarious observations on British culture, rituals and peculiarities at all levels of society are an illuminating insight into the land of pubs and curry, where everyone is called 'mate' and people with pimples and greasy hair can get on primetime TV.
WLA - 2009

Shake Some Action - Stuart Coupe
2023-08-08

For over four decades, Stuart Coupe has been at the heart of the Australian music scene, experiencing the giddy highs, crushing lows and everything in between that comes along

Downloaded from
legacy.opendemocracy.net
on 2020-09-11 by guest

with a life lived in the creative fast lane. When he wasn't writing a weekly music column in the Sun-Herald or contributing to the likes of RAM and dozens of other publications, he was manager of Hoodoo Gurus and Paul Kelly. When he wasn't trekking to Paris to interview Springsteen or consuming way too much cocaine before interviewing Bob Dylan, he was writing books about the burgeoning New Wave music movement, a biography of Michael Gudinski or collaborating with Tex Perkins. When he wasn't organising tours and publicity for a string of overseas acts, including Gary Glitter, Harry Dean Stanton, The Cramps and The Clash, he was establishing ground-breaking indie record labels, or dialling into a generation as the music critic for Dolly (or infuriating them by labelling Duran Duran 'Yawn Yawn'). Sometimes, he was doing most of the above all at once. Always at full throttle. Always with an unwavering belief in the artist in the art, in

the next album, the next set, the next project, the next big thing. Shake Some Action tells the story of Coupe's remarkable life as a music obsessive, one that started in Launceston, Tasmania, but would take him around the world and back, and into the orbit of some of the greatest artists of our time. It's a book about fandom and burning to find the perfect words to pass that love on to others - and the myriad adventures, misadventures and personal costs that come with staying true. Get ready to kick out the jams!

[The International Who's Who in Popular Music 2002](#) - Andy Gregory 2002

TheInternational Who's Who in Popular Music 2002offers comprehensive biographical information covering the leading names on all aspects of popular music. It brings together the prominent names in pop music as well as the many emerging personalities in the industry, providing full biographical details on pop, rock, folk, jazz, dance, world
