

# Sexual Labyrinth

**Melville's Evermoving Dawn** - John Bryant  
1997

This collection of analytical essays is the result of several conferences throughout 1991, the centenary of Herman Melville's death. They survey the past and present of Melville Studies and suggest directions for the future.

"The Common Labyrinth of Love" - Ivan Pantić  
1998

Chaucer's Sexual Poetics - Carolyn Dinshaw  
1989

Through an analysis of the poems Chaucer's *Unto Adam, His Owne Sciveyn, Troilus and Criseyde, the Legend of Good Women, the Man of Law's Tale, the Wife of Bath's Tale* and its Prologue, the Clerk's Tale, and the Pardoner's Tale, Carolyn Dinshaw offers a provocative argument on medieval sexual constructs and Chaucer's role in shaping them. Operating under the assumption that people read and write certain ways based upon society's demands, Dinshaw examines gender identity and the effects of a patriarchal society. The focal point of Dinshaw's argument is the idea that the literary text can be seen as the female body while any literary activities upon the text are decidedly male. Through a series of six provocative essays, Dinshaw argues that Chaucer was not only aware that gender is a social construction, but that he self-consciously worked to oppose the dominance of masculinity that a patriarchal society places on texts by creating works in which gender identity and hierarchy were more fluid.

**The Enigma of Gogol** - Richard Peace  
2009-04-30

Peace argues that Gogol's ambiguous humanist position stems from the cultural impact of Romanticism.

*Interaction of Sexual Behavior and Hormone Gene Expression in the Labyrinthine Fish Blue Gourami (Trichogaster trichopterus) during Reproduction* - Gad Degani 2022-01-17  
The blue gourami (*Trichogaster trichopterus*)

belong to the Anabantidae family, which are ray-finned fish in the order Anabantiformes; they are commonly called labyrinth fish. The 16 known genera contain about 80 species, distributed throughout most of southern Asia, India, and central Africa.

**Lady in the Labyrinth** - William Shullenberger  
2008

The book's study of Milton's identification with his female hero, and his advocacy of women's ethical, sexual, and political autonomy, gives a jolt to ongoing debates about Milton and feminism"--Book jacket

**The Labyrinth of Sex** - M S 2021-02-02

Finding the path to inner peace when sex and their interpretations is the primary powerhouse in life is endless. This book ranges from homosexual and heterosexual, bisexual preferences, while transgressing rules by crossdressing, to a drive towards transsexuals. The primal circle that relates to sex is immense in its possibilities. A person can identify themselves in a range of sexual choices. A mute side of impulses dwells one and most people, if not all, when society rules come into play. Men and women tend to walk the wild side of sex in a moment of life. Find then your own position in a myriad of sex variations by reading this book and transporting yourself to raw sexual circumstances without prejudice, vexation or morals involved.

**Loving Sex** - Nitya Lacroix 2000

Sometimes modern relationships seem like a labyrinth of confusion and anxiety as well as hope and passion. *Loving Sex* encourages us to explore every aspect of our partnerships so that we can fully, confidently and responsibly embrace and explore our sensual and sexual lives to ensure lasting happiness.

**The God of the Labyrinth** - Colin Wilson 2013  
'He writes a clear, light prose, and he makes his interests, however bizarre, seem important.' - Punch  
'One of the more earnest and interesting writers of his generation.' - The Guardian  
'He has the kind of story-telling power which could

charm the birds off the trees.' - The Journal (Newcastle upon Tyne) Gerard Sorme has been hired by a New York publisher to edit a book on Esmond Donnelly, notorious 18th-century Irish rake, friend of Rousseau, Boswell and Horace Walpole, and author of a bawdy work on the deflowering of virgins. Sorme's quest for information on Donnelly takes him to the home of a pyromaniac and flagellant in Baton Rouge, the labyrinthine corridors of the British Museum, and a remote castle in Ireland. As he digs deeper into the mystery of Donnelly, Sorme uncovers a tale of intrigue, conspiracy, and murder involving a secret society, the Sect of the Phoenix, that dates back to medieval times. But the Sect still exists, and Sorme's researches have not gone unnoticed by powerful men who have their own reasons for wanting the truth about Esmond Donnelly to remain hidden. . . . The God of the Labyrinth (1970), the third book of Wilson's 'Gerard Sorme trilogy', is a novel in the mode of Jorge Luis Borges that explores two of Wilson's major interests - philosophy and sex - in the form of a thrilling literary mystery. This edition, the first in more than 30 years, includes a new introduction by Gary Lachman and the original afterword by the author, in which he discusses the role of sex in literature and defends his work against charges of pornography.

Language and Sexuality - Deborah Cameron  
2003-03-06

This lively and accessible textbook provides a clear introduction to the relationship between language and sexuality.

*The Labyrinth of Shakespeare's Sonnets* - Martin Green 1974

The Mythology of Sex - Sarah Denning 1996

A study examining the way in which sexual attitudes and behaviour reflect the underlying values of the time. It embraces cultural attitudes from ancient civilizations to the present day and looks at a range of topical issues and concerns, including prevailing attitudes towards masculine and feminine values.

The Jewish Persona in the European Imagination - Leonid Livak 2010-09-10

This book proposes that the idea of the Jews in European cultures has little to do with actual Jews, but rather is derived from the conception

of Jews as Christianity's paradigmatic Other, eternally reenacting their morally ambiguous New Testament role as the Christ-bearing and -killing chosen people of God. Through new readings of canonical Russian literary texts by Gogol, Turgenev, Chekhov, Babel, and others, the author argues that these European writers—Christian, secular, and Jewish—based their representation of Jews on the Christian exegetical tradition of anti-Judaism. Indeed, Livak disputes the classification of some Jewish writers as belonging to "Jewish literature," arguing that such an approach obscures these writers' debt to European literary traditions and their ambivalence about their Jewishness. This work seeks to move the study of Russian literature, and Russian-Jewish literature in particular, down a new path. It will stir up controversy around Christian-Jewish cultural interaction; the representation of otherness in European arts and folklore; modern Jewish experience; and Russian literature and culture.

**The Ridiculous Jew** - Gary Rosenshield  
2008-09-25

This book is a study devoted to exploring the use of a Russian version of the Jewish stereotype (the ridiculous Jew) in the works of three of the greatest writers of the nineteenth century. Rosenshield does not attempt to expose the stereotype—which was self-consciously and unashamedly employed. Rather, he examines how stereotypes are used to further the very different artistic, cultural, and ideological agendas of each writer. What distinguishes this book from others is that it explores the problems that arise when an ethnic stereotype is so fully incorporated into a work of art that it takes on a life of its own, often undermining the intentions of its author as well as many of the defining elements of the stereotype itself. With each of these writers, the Jewish stereotype precipitates a literary transformation, taking their work into an uncomfortable space for the author and a challenging one for readers.

**The Labyrinth Of Love** - Chelsea Wakefield  
2021-07-01

Why is love so difficult? Is there such a thing as a soulmate? Why can't I find someone to love me just the way I am? Why does the person I gave my heart to in the early days now feel so distant or even dangerous? When love goes bad, is there

a way to turn things around? If we lost each other along the way, can we find each other again? In the wake of betrayal, can trust ever be rebuilt? In this helpful and enlightening book, expert couples therapist, Dr. Chelsea Wakefield, explains why couples who begin with such hopeful expectations become disenchanting, withdraw into self-protection or become entangled in unresolvable conflicts. She provides step by step guidance out of these shadowlands, and teaches six essential "love capacities" any couple can develop that will open the path to a soulful, enduring relationship.

**The Sexual Labyrinth of Nikolai Gogol -**

Simon Karlinsky 1976

Through careful textual readings of Gogol's most famous works, Karlinsky argues that Gogol's homosexual orientation-which Gogol himself could not accept or forgive in himself-may provide the missing key to the riddle of Gogol's personality. "A brilliant new biography that will long be prized for its illuminating psychological insights into Gogol's actions, its informative readings of his fiction and drama, and its own stylistic grace and vivacity."-Edmund White, Washington Post Book World

**The Labyrinth of Shakespeare's Sonnets; an**

**Examination of Sexual Elements in Shakespeare's Language, by Martin Green -**

Martin Green 1974

Sexual Labyrinth - A. Reyes 1995-12-22

*By Authors Possessed* - Adam Weiner 1998

*By Authors Possessed* examines the development of the demonic in key Russian novels from the last two centuries. Defining the demonic novel as one that takes as its theme an evil presence incarnated in the protagonists and attributed to the Judeo-Christian Devil, Adam Weiner investigates the way the content of such a book can compromise the moral integrity of its narration and its sense of authorship. Weiner contends that the theme of demonism increasingly infects the narrative point of view from Gogol's *Dead Souls* to Dostoevsky's *The Devils* and Bely's *Petersburg*, until Nabokov exorcised the demonic novel through his fiction and his criticism. Starting from the premise that artistic creation has always been enshrouded in a haze of moral dilemma and religious doubt, Weiner's study of the demonic novel is an attempt to illuminate the potential ethical perils and aesthetic gains of great art.
