**A Christian Guide to Sexual Counseling** - Mary Ann Mayo 2003-01-17

Sexual counseling is not a task that pastors and general Christian counselors usually consider theirs. If one is to venture into the field, he or she must have a solid foundation of reliable information - both physiological and psychological - and confidence that caring intervention will make a difference. This book has been written to provide reliable information and also building a basis of confidence for Christian counselors. 'A Christian Guide to Sexual Counseling' offers counselors procedures for helping couples with sexual problems by first exploring the ambivalent messages that church and culture have conveyed about sexuality. Because the primary sex organ of both the male and the female is the mind, attitudes and concepts must be scrutinized, weighed, and approved or disapproved. As the author so forcefully maintains, sexual counseling will always be trying to repair distortions if sound sex education does not become a priority for the church. Many contemporary Christians are wary of sex therapy because of the notoriety of charlatans and pop sex psychologists. But faddish theories do not comprise the basis for the mainstream of sex therapy. There are sound biological and psychological bases for sexual counseling. And Christian spirituality is not - or should not be - disjoined from treatment of sexual problems. So Mayo brings body, mind, and spirit together in her assessment of the common problems and the appropriate treatments. The book includes discussions of the following areas: -- attitudes of the church toward sexuality -- the responsibility of Christian leaders to offer positive teaching -- normal sexual functioning -- common sexual problems in a marriage -- the role and possible outcomes of sexual counseling -- female problems -- male problems -- special concerns for singles -- premarital education

*The Complete Christian Guide to Understanding Homosexuality* - Joe Dallas 2010-07-01

One of the hot-button issues of our day is fully addressed in this comprehensive new resource on homosexuality. This well-researched and highly readable guide is the perfect go-to manual for families, church workers, counselors, pastors, civic leaders, schools, and those

who themselves struggle with same-sex attraction. Readers will find the answers to these and many more important questions: What is homosexuality? Is the tendency for homosexuality genetic? How should the church respond? What's the proper response when a relative or friend announces they're gay? What are the legal and civic ramifications of homosexuality? Should homosexuals serve openly in the military? What about gay marriage and adoption? Authoritative authors Joe Dallas (*Desires in Conflict, When Homosexuality Hits Home*) and Dr. Nancy Heche (*The Truth Comes Out*) tackle the hard questions about same-sex attraction in this helpful volume.

**Sexuality and the Counseling Pastor** - Herbert W. Stroup

*Pastoral Responses to Sexual Issues* - William V. Arnold 1993-01-01

This excellent book offers help to pastors and other caring Christians who must act as "triage officers" on the front lines of congregational and community life and who believe in and want to explore the importance of sexual issues in ministry. William Arnold believes that our sexuality is a defining element for understanding who we are and who God is. For a pastor to work with people in a helpful and redemptive manner, this powerful force must be faced with courage and care. However, the pastor must be aware that attempts to care can be damaging if there is not an openness to learning more about the multiple forces at work in our sexuality. The pastor's awareness must be physiological, psychological, and theological. William Arnold stresses self-awareness as the key to dealing with sexual issues and advises the pastor not to rely strictly on intellectual information.

**Before the Fall** - Nils Friberg 1998

Church and theological seminary leaders have long desired a guidebook to help them orient candidates for ministry to the issue of sexuality and ministry. This is that book. Nils Friberg and Mark Laaser lay out the major problems and guidelines for solutions.

*Broken Windows of the Soul* - Arnold R. Fleagle, DMin 2011-05-31

*Broken Windows of the Soul: The "Broken Windows Theory"* suggests that a community can reduce crime and maintain social order when small

problems are fixed promptly. Alternatively, minor vandalism (such as broken windows) left unrepaired, sends the message that no one cares—inviting more serious crimes. Fleagle and Lichi have applied this theory to the problem of sexual temptation and moral failure. Broken Windows of the Soul reveals the destructive nature of infidelity, sexual perversion and pornography and its effect on the culture and the church. Unless the cracks are quickly repaired, more "broken windows of the soul" are soon to follow. Fleagle and Lichi teach the regular practice of spiritual disciplines to transform the heart and experience deep character change. Each chapter includes questions for individual or group study.

The Long Journey Home - Andrew J. Schmutzer 2011-10-01

Maybe the only thing new about sexual abuse is quality discussion from several professions (psychology, theology, and pastoral care). Here are the insights of over two dozen psychologists, theologians, and those in pastoral care, all targeting the issue of sexual abuse. Designed as a resource for Christian educators, therapists, pastors, social workers, group leaders, and survivors, The Long Journey Home combines current research in mental health with rich theological reflection, global concern with fervent pastoral wisdom for the local faith community. Whether you are a counselor, professor, pastor, or spouse of a survivor, you hold in your hand a fresh resource of information and advocacy for those suffering from the devastating effects of sexual abuse and rape. The breadth of material, biblical insight, discussion questions, and helpful resources gathered here just may be the tool of a generation.

**Examining the Impact of Trauma** - Bradley D. Grammer 2016-06-16

Through twenty-five years of walking alongside those in conflict with their sexuality, Brad has come to understand what is at the heart of same-sex attraction: trauma. Little is understood about the concept of trauma and only recently has the method of trauma-informed care come to the forefront of helping others. People often react negatively to the concept of trauma being at the heart of any kind of gender identity or sexual confusion. Christians also struggle to understand and provide loving help to those who have sought to overcome attractions they do not desire. Believers need to be equipped with a deeper understanding of the

foundations of same-sex attraction, whether they face these desires themselves or have loved ones for whom they care. An integral part of helping those with same-sex attraction is learning what we all have in common in experiences with trauma and our reactions to it. Brad draws from his own story, as well as his ministry experience, to add to the discussion in hopes of filling in the gaps that remain unfilled on the issue of same-sex attraction.

Sex in the Parish - Karen Lebacqz 1991-01-01

Karen Lebacqz and Ronald Barton examine the gift of sexuality in relation to the parish and the dynamics of sexual desire and temptation. Included in this book are the experiences of a pastor who did not set appropriate limits; explanations of how the pastoral role affects sexual contact between pastor and parishioner; suggestions for a framework of ethical analysis; an examination of questions for women in ministry, single pastors, and pastors who are gay, lesbian, or bisexual; and a review of ethical issues related to persons who carry responsibilities for the structures of ministerial practice.

**Clinical Handbook of Pastoral Counseling** - Robert J. Wicks 1993

Building on the groundbreaking original work with the same title, these articles focus on current issues, such as certain life stages, special populations, the devalued and abused, the addicted and special issues of the 1990's.

**Professional Sexual Ethics** - Patricia Beattie Jung 2013-12-01

Sexual health is an essential part of maintaining professional relationships in ministry. Focusing on implications for the practice of ministry, this book engages all dimensions of theological education and academic disciplines. Each chapter includes an analysis of common ministry situations, discussion questions, practical guidelines, and resources for further study. The volume is ideal for use in courses on professional ethics for ministry, advanced leadership training, and continuing education for clergy.

**Ministry & Sexuality** - G. Lloyd Rediger 1990

*Sanctified Sexuality* - Sandra Glahn 2020-09-22

Expert biblical and practical advice for handling today's most challenging sexual issues. Although modern culture constantly changes its views on sexuality, God's design for sexuality remains the same. Bringing together twenty-five expert contributors in relevant fields of study, Gary Barnes and Sandra Glahn address the most important and controversial areas of sexuality that Christians face today. From a scriptural perspective and with an irenic tone, the contributors address issues such as:

- The theology of the human body
- Male and female in the Genesis creation accounts
- Abortion
- Celibacy
- Sexuality in marriage
- Contraception
- Infertility
- Cohabitation
- Divorce and remarriage
- Same-sex attraction
- Gender dysphoria

An ideal handbook for pastors, counselors, instructors, and students, *Sanctified Sexuality* provides solid answers and prudent advice for the many questions Christians encounter on a daily basis.

**Pastoral Care and Counseling in Sexual Diversity** - Richard L Dayringer 2014-01-27

Learn to reach out to these hidden Christians! Offering a wide variety of points of view from the welcoming to the traditional, *Pastoral Care and Counseling in Sexual Diversity* addresses one of the crucial issues facing the church in these shifting times. Pastors of all Christian churches, whatever their denomination or theology, are likely to be faced with pastoral care or counseling of someone who is lesbian, gay, bisexual, or transgendered. This valuable compendium examines various ways you can meet the spiritual and psychological needs of these members of your congregation. *Pastoral Care and Counseling in Sexual Diversity* addresses the basic problems of sexual diversity, including definitions of sexual orientations and issues of human development. It offers wise guidance for offering pastoral care and counseling, and it provides tested solutions for the problems counselors face in dealing with these individuals. *Pastoral Care and Counseling in Sexual Diversity* offers thought-provoking points of view on a wide range of issues, including: changes in attitudes toward homosexuality among mental health professionals the limits of confidentiality sexual diversity in the black church a developmental model for effective treatment of male

homosexuality pastoral care and the formation of sexual identity Biblical perspectives on homosexuality counseling lesbians AIDS ministries and grief counseling *Pastoral Care and Counseling in Sexual Diversity* is an essential resource for pastors, pastoral counselors, and therapists dealing with these vexing issues facing the Christian church in the new millennium.

*God, You, & Sex* - David White 2019-09-30

In this important and engaging biblical teaching on sexuality, David White helps readers develop a Scripture-based perspective that goes beyond the typical message to just wait for marriage.

**Counseling on Sexual Issues** - Andrew J. Weaver 2005

Responding to individuals who have sexual concerns is one of the most difficult and complex situations that today's pastors face. Clergy need accurate and practical information on sexual matters that concern those who come to them seeking pastoral counsel.

*Pastoral Care and Counseling in Sexual Diversity* - Richard L Dayringer 2014-01-27

Learn to reach out to these hidden Christians! Offering a wide variety of points of view from the welcoming to the traditional, *Pastoral Care and Counseling in Sexual Diversity* addresses one of the crucial issues facing the church in these shifting times. church a developmental model for effective treatment of male homosexuality pastoral care and the formation of sexual identity Biblical perspectives on homosexuality counseling lesbians AIDS ministries and grief counseling Pastoral Care and Counseling in Sexual Diversity is an essential resource for pastors, pastoral counselors, and therapists dealing with these vexing issues facing the Christian church in the new millennium.

*Sexuality and Sex Therapy* - Mark A. Yarhouse 2014-03-07

The field of human sexuality is one of ever-increasing complexity, particularly for Christian therapists and psychologists seeking to be faithful to Scripture, informed by science and sensitive to culture. In *Sexuality and Sex Therapy*, Mark Yarhouse and Erica Tan offer a survey and appraisal of this field from a Christian perspective, which grounds sex therapy in the biblical affirmation of physicality and the redemptive purposes of human life. Integrating the latest research within a Christian worldview, the authors explore sexual dysfunctions as well as various clinical issues and treatments. Not only have Yarhouse and Tan written a standard resource for Christian therapists and counselors, but they also challenge the church to talk more honestly and openly about the blessing of human sexuality. Christian Association for Psychological Studies (CAPS) Books explore how Christianity relates to mental health and behavioral sciences including psychology, counseling, social work, and

marriage and family therapy in order to equip Christian clinicians to support the well-being of their clients.

*Sexual Misconduct in Counseling and Ministry* - Peter T. Mosgofian MA 2009-05-01

Sexual misconduct by ministers and other Christian professionals has reached epidemic proportions. One major church insurer has handled over 1,200 cases in the past eight years, many involving child sexual abuse, often with multiple victims. How should the church respond when Christian counselors cross sexual boundaries? What should be done when the "healer" wounds? What is the church's responsibility both to misbehaving professionals and to their victims? Combining their extensive counseling experience and legal expertise, the authors of this volume offer a well-written, practical book loaded with the thorny issues of sexual exploitation by religious professionals. Here is tested wisdom that can help. oA recovery strategy for victims oProactive ways to safeguard against improper sexual behavior oScreening and early intervention strategies oRestoring fallen ministers and church leaders oDealing with homosexual misbehavior, seductive clients, recovered memories, and false allegations oAssessing legal consequences of your policies The wise counsel in this timely book can help us find remedies for a growing problem that threatens the Christian church.
