*This Uncontainable Feeling of Freedom* Christian Broecking

2021-06-08 Irène Schweizer: jazz pianist, activist, icon. Left-winged, lesbian, autonomous. The path of a young woman from the northern Swiss province leads further and further into experimental music: from London jazz club Ronnie Scott's and the Zurich Africana Club to the avantgarde-stages in Wuppertal, Berlin, Willisau, Chicago and New York, and from concerts with Don Cherry, Louis Moholo and George Lewis to solo appearances as the leading pianist of European jazz in the Swiss temples of high culture, the Lucerne Culture and Congress Center and the Tonhalle Zurich. Again and again she fights for artistic freedom and autonomy.

*The Middle Ground* Margaret Drabble 2013-12-10 A “marvelous” novel about a woman’s psychological battle with the realities of midlife (The New York Times Book Review). Witty and endearingly neurotic, Kate Armstrong has hit a certain age—and the crisis that goes along with it. She has a career as a successful journalist, specializing in feminist issues, but she struggles to challenge herself at work. She’s a mother, but her children have all left the nest, and her marriage has ended in divorce. She has a lively circle of friends, but her relationships with them are complicated by years of history and failed affairs. She’s left one stage of life behind and has another stage ahead of her, but right now she’s stuck somewhere in the middle. With her “unfailing insight and intelligence,” Margaret Drabble shows us a woman

alone in London for the first time in years—slowly rediscovering herself in a city on the brink of great change (The New York Times).

**The Human Comedy (Complete Edition)** Honoré de Balzac 2023-12-10 The Human Comedy is the title of Honoré de Balzac's multi-volume collection of interlinked novels and stories depicting French society in the period of the Restoration (1815–1830) and the July Monarchy (1830–1848). Balzac organized his works into 3 groups: "Etudes de Moeurs au XIXe siècle" (Studies of Manners in the 19th Century) + "Etudes philosophiques" + "Etudes analytiques". Balzac wrote that the "Etudes de Moeurs" would

study the effects of society and touch on all genders, social classes, ages and professions of people. Meanwhile, the "Etudes philosophiques" would study the causes of these effects. Finally, the third "analytical" section would study the principles behind these phenomena. *Gender and Humor* Delia Chiaro 2014-05-09 In the mid-seventies, both gender studies and humor studies emerged as new disciplines, with scholars from various fields undertaking

research in these areas. The first publications that emerged in the field of gender studies came out of disciplines such as philosophy, history, and literature, while early works in the area of humor studies initially concentrated on language, linguistics, and psychology. Since then, both fields have flourished, but largely independently. This book draws together and focuses the work of scholars from diverse disciplines on intersections of gender and humor, giving voice to approaches in disciplines such as film, television, literature, linguistics, translation studies, and popular culture.

**Gallows Humor** Carolyn Elizabeth 2019-03-01 Corey Curtis is coasting. At thirty-three, she's in the best shape of her life and has a satisfying position at Jackson City Memorial Hospital. With a good paycheck, great friends, and occasional relationships with smart, beautiful women, she couldn't be happier. She thinks. Dr. Thayer Reynolds, whiling away some time before the start of her Emergency Department fellowship at JCMH and intrigued by the stories she's heard, crashes the morgue to get a look at Corey—the woman her young colleagues are whispering about. Totally spinning from her first interactions with Thayer, Corey throws herself into the post mortem exam of a construction worker who fell to his death, which isn't at all suspicious—until it is. With no support from her boss or the police, Corey investigates the death on her own. Making bad decisions with good intentions, she recklessly endangers her own life and Thayer's. Even worse—she potentially dooms any chance of a real relationship with Thayer before it even gets started.

*Lesbians Rock Volume 7* Ann Patterson 2013-12 Volume 7 includes the novella, "Life on Her Own Terms," the story of Phyllis, a professionally successful woman who eventually understands her romantic heart and decides to participate in the community of gays and lesbians in the earlier days of gays seeking rights in San Francisco. She faces the emptiness of her heart until the day her eyes meet Jeanne's and love fills their hearts for each other. Phyllis deals with her family seeking acceptance, deals with depression and grief, enjoys friends and is troubled by sad women who know but won't come out as lesbian because of fear. "Phyllis was almost speechless as Jeanne's eyes pierced hers and the radiant smile sent sunshine and shockwaves through her heart. Jeanne's low raspy voice was like a whisper gently brushing her ears. She shook her head momentarily to clear the cobwebs interfering with her ability to speak. "Jeanne,

what a sweet voice you have. So distinct and beautiful." She giggled. "I'm sorry; my mind's not working right now. I must sound foolish." Other stories in Volume 7, like in Lesbians Rock Volumes 1 - 6, are about women of all ages, in all walks of life finding the courage to speak their truth about their lesbian heart, meet other gay people, love and are love, and sometimes find themselves in unhappy or abusive relationships, finding the perfect woman who loves them, dealing with family and the ordinary concerns of life of women everywhere as they live their lives to be happy. "For their anniversary celebration, Donna and Stacy invited friends to join them for a Hawaiian luau with barbecued pork, plenty of fruit and Hawaiian punch, along with appropriate music and decorations on the patio. Most of the friends who joined them were lesbian and gay men as couples. The Chief Executive Officer and his wife attended. Having enjoyed every aspect of the Hawaiian evening, their friends left after midnight and the two wives celebrated the remainder of the evening with a final drink before going to bed. Stacy was making hot, spiced tea when Donna walked up behind her, put both arms around her then kissed her neck, just below her ear. "I love you so much, Sweetheart. You were captivating in your grass skirt. You danced the hula better tonight than you did in Hawaii; and that was marvelous." She laughed. Stacy giggled, turned in Donna's arms, and they shared a long, slow kiss. "You're just too much in love to have noticed the errors I made. I guess your eyes weren't on my hands." "You're right. I loved the way your lovely hips swayed Hawaiian style." Donna laughed, took her cup of tea and sat down to enjoy it. During the night, Stacy was awakened by sirens. When she sat up in bed, she smelled smoke. "Donna! Donna! Wake up. I smell smoke. The house is on fire!" Donna jumped to the floor, grabbed her robe and hurried to the door. "The doorknobs hot! I dare not open it." She ran to the window, opened it wider and knocked out the screen. "Climb out first, Honey. Fast." "She grinned then touched Beth's nose. "You've got

something black on your nose. It looks funny." "And, you've got flour on yours; so we both look funny," Beth said before she pulled Janice's lips to her own for a kiss. Two months later, the house was finished. Beth and Janice invited friends for a housewarming at their new home before they moved in. Friends joined them for a barbecue dinner to celebrate Beth's accomplishment and helped them move into the 'house that Beth built'. Everything changed the day before Christmas. Beth awoke, unable to turn over and look into her lover's eyes as she had done every day since they had lived as a 'married couple'. She couldn't make her body move; she tried to call out to Janice, but only garbled words escaped her lips. Janice heard the grunting, opened her eyes and realized Beth was having a stroke. "Oh, Honey, I love you. Please don't die. I know it's a stroke. I'll call 911 for help."

HILLS ROMANCE, BOOK #1 When a couch potato inherits a fitnesswear company in San Francisco, sparks fly with her arrogant, Olympic medalist vice president. The world of fitness apparel isn't ready for Beverly Lewis. She hates the gym, is nice to everybody, and shops at Ross Dress for Less. When she's not teaching preschool, she's wearing yoga pants . . . to nap in. So when she inherits her estranged grandfather's fitnesswear company in San Francisco, nobody expects her to keep it. Fite Fitness needs a heartless suit to save it from bankruptcy, not a thirty-year-old woman who cries when her students leave for kindergarten. Someone like Liam Johnson. A former Olympic swimmer, Liam is Fite's executive vice president. Unlike Bev, he's devoted his life to Fite's success. Managing one little preschool teacher—and his attraction to her—shouldn't be an issue. Right? But Bev's tired of being underpaid and underrated, and refuses to step aside as an obedient figurehead. To everyone's shock and horror, she moves up to San Francisco, sets up an office, and dives into the business. Nothing—not mockery, not exercise, not sabotage, not a disastrously hot night with her aggravating VP—is going to scare her away. As Liam realizes she's tougher than she looks, he discovers that losing Fite might not be nearly as bad as losing her . . . A story about the pursuit of love, happiness, and the perfect yoga pants, Love Handles will speak to anyone who's ever had to face what scares her most.
