Graphology - Ruth Gardner 1991-12
Learn to interpret the messages in your handwriting and open to a new dimension in self-understanding, with *The Truth About Graphology* by Ruth Gardner. Your handwriting consists of unusual configurations that can be decoded. *The Truth About Graphology* explains how to translate these tell-tale signs for accurate information about anyone's personality. You can determine the physical condition of your Uncle Bill by examining his baseline slants. Or measure

your child's vitality by the pressure she uses. Will you work well with that new employee? Look at her letter spacing. Distinguish a moody person from one with an even temper? from their handwriting alone. With *The Truth About Graphology* you'll:

- Learn instant handwriting analysis in less than two hours
- Recognize the personal traits revealed in your handwriting
- Awaken to personality characteristics you previously ignored
- Recognize areas of budding potential
- Gain keen insight into others' actions
- Design a signature that reflects your self-image
- Practice your handwriting analysis skill at work and social events
- Uncover hidden personality traits
- Use the tell-tale signs in anyone's handwriting for an accurate assessment of their character
- Learn to use graphology for professional gain and entertainment

The Truth About Graphology is filled with illustrations that will finally make handwriting analysis easy for you to learn and practice. You'll learn, through examples and clear explanations, the meanings of the different letter slants, zones, spacing, loops and more. Once you learn handwriting analysis, people will be asking you to tell them about themselves: what are their hidden potentials, abilities, and even fears? Here is a system that requires nothing more than a piece of paper and a pen, a technique that can be done anywhere. To find out more you must get *The Truth About Graphology*.

Your Love Stars - Jane Struthers 2022-03-31

In *Your Love Stars*, Jane Struthers unlocks the secrets to improving your relationships - from romantic to family, friendships to work, and even with your pets - with the help of astrology. Jane explains that understanding your astrological birth chart, which is a snapshot of the heavens at the moment of your birth, will give insight

into your own unique way of giving and receiving love. The book focuses on the zodiac signs occupied by the planets Venus and Mars when you were born, as they have the biggest influence on love and relationships. You don't have to be an expert astrologer to use *Your Love Stars* as Jane will guide you every step of the way. You can identify your own Venus and Mars signs with the help of a series of easy-to-follow tables and then you're ready to discover how you respond to relationships. *Your Love Stars* will take you on a fascinating journey as you learn whether you're best suited to close and intense relationships, easy-going and freedom-loving connections, or something in between. The deeper you dive into your birth chart, the more you'll understand how you relate to others, and you'll be on your way to deeper, more fulfilling relationships in no time.
