Covenant and Calling - Robert Song

2014-09-24

No other issue in recent times has proved as potentially divisive for the churches as that of same-sex relationships. At the same time as many countries have been moving towards legal recognition of civil partnerships or same-sex marriage, Christian responses have tended towards either finding alliances with proponents of conservative social mores, or providing what amounts to theological endorsement of secular liberal values.

Introducing the Bible: The Old Testament and intertestamental literature . 2. The New Testament - John Brunt 1997

God Loves Sex - Dan B. Allender 2014-10-28

We live in a sexually mad world where God's gift of sex has been distorted through pornography, promiscuity, prostitution, abuse, trafficking, and rape. The church's position on sexual matters has been made clear throughout history: all sexual activity outside the boundaries of Christian marriage is sin. But rarely has the church honestly addressed the true needs of Christians who are struggling with sexual desires they believe to be counter to the Bible. So we hide our struggles and pretend to live above the erotic fray, or else we cozy up to the culture's redefinition of which sins are acceptable. But what does the Bible really say about sexual desire and sexual intimacy? *God Loves Sex* offers a truly liberating, godly view of holy sensuality by recovering the clear meaning of the Song of Songs as God-sanctioned eroticism. Then it uses that lens to answer questions posed by a fictional new Christian struggling with expectations of sexual purity. It asks provocative questions, such as What does it mean to be both holy and filled with rich sexual desire? and How can our sexual struggles take us deeper into the purposes of God? Pairing

psychological insight with sound biblical scholarship, Allender and Longman bring it all out into the open, allowing Christians of any age and any marital status to discover sex the way God meant it to be.

God, Desire, and a Theology of Human Sexuality - David H. Jensen 2013-01-01

This work of constructive theology examines human sexuality in light of Christian faith and doctrine. Jensen moves beyond the hot-button social debates about sexual orientation and sexual practices to look for healing. The seven chapters consider Scripture and sex; the connections between the triune, covenantal God and human sexuality; Christ's incarnation and resurrection as affirming the beauty of flesh; eschatology and sexual identity; the ramifications of the Lord's Supper for human sexuality; vocation and Christian callings to marriage, celibacy, and singleness; and sexual ethics.

The Randy Rabbit of Israel - Ivan Secret 2012-01-05

The Randy Rabbit of Israel explores the issue of erotic sexual love as revealed in the Bible, in particular as found in the book of 'The Song of Solomon'. Many would say the Bible is 'silent' on these issues, yet if we take a careful look at the real meaning of the words given to us, then we find that not too much is left to the imagination. The commentary is more than a passage on the history of one of Israel's kings, and looks into the passionate love King Solomon has for one of the girls he meets, as he is about his business of being the king. The book is actually a love story preserved for us so we might learn to be a better lover with our own married partner. Through the trials we might face as a married couple, God has provided for us the means of having a bit of fun through sex, not only in the missionary position, but also other ways as well. Many of us may have wondered whether certain positions

*Downloaded from
legacy.opendemocracy.net on
2022-02-06 by guest*

are OK, or whether too much fun may somehow not be allowed. As we follow the pathway our two lovers take in the Song of Solomon, we may end up being quite surprised at the level of freedom we actually have. So come on the journey with King Solomon and the young girl he has fallen in love with, and discover for yourself the many ways we can pleasure our married partner in those special times.

Sexual Ethics - Todd A. Salzman 2012-05-18

Two principles capture the essence of the Catholic tradition on sexual ethics: that each and every marriage act must remain open to the transmission of life, and that any human genital act must occur within the framework of marriage. In the Catholic tradition, moral sexual activity is institutionalized within the confines of marriage and procreation, and sexual morality is marital morality. But theologians Todd Salzman and Michael Lawler contend that there is a disconnect between many of the Church's absolute sexual norms and other theological and intellectual developments explicitly recognized and endorsed in the Catholic tradition, especially since the Second Vatican Council. These developments include the shift from a primary static worldview to a historically conscious worldview, one that recognizes reality as dynamic, evolving, changing, and particular. By employing such a historically conscious worldview, alternative claims about the moral legitimacy of controversial topics such as contraception, artificial reproduction, and homosexual marriage can faithfully emerge within a Catholic context. Convinced of the central role that love, desire, and fertility play in a human life, and also in the life of Christian discipleship, the authors propose an understanding of sexuality that leads to the enhancement of human sexual relationships and flourishing. This comprehensive introduction to Catholic sexual ethics -- complete with thought-provoking study questions at the end of each chapter -- will be sure to stimulate dialogue about sexual morality between Catholic laity, theologians, and the hierarchy. Anyone seeking a credible and informed Catholic sexual ethic will welcome this potentially revolutionary book.

Bible Teacher's Commentary - Larry Richards

2002

In this outstanding Christian Education

resource, the entire Bible Genesis 1 to Revelation 22 is divided into teachable units. There are many link-to-life ideas to help teach each unity to any age group.

The Book of Romance - Tommy Nelson
1998-10-11

The Bible is well-known for its wisdom on spiritual concerns and righteous living. But did you know it can also guide you in matters of dating, courtship, and marriage? Wise and engaging, *The Book of Romance* digs deep into the Song of Solomon and what it says about the Bible's most passionate lovers. As you learn about their relationship, you'll discover how you, too, can experience the deep emotional, sexual, and spiritual satisfaction that God created to be enjoyed in marriage.

Our Bodies Tell God's Story - Christopher West
2020-01-21

In response to a world awash in sexual chaos and gender confusion, this book offers a bold and thoroughly biblical look at the meaning of the body, sex, gender, and marriage. Bestselling author, cultural commentator, and popular theologian Christopher West is one of the world's most recognized teachers of John Paul II's Theology of the Body. He specializes in making this teaching accessible to all Christians, with particular attention to evangelicals. As West explains, from beginning to end the Bible tells a story of marriage. It begins with the marriage of man and woman in an earthly paradise and ends with the marriage of Christ and the church in an eternal paradise. In our post-sexual-revolution world, we need to remember that our bodies tell a divine story and proclaim the gospel itself. As male and female and in the call to become "one flesh," our bodies reveal a "great mystery" that mirrors Christ's love for the church (Eph. 5:31-32). This book provides a redemptive rather than repressive approach to sexual purity, explores the true meaning of sex and marriage, and offers a compelling vision of what it means to be created male and female. Foreword by Eric Metaxas.

Song of Love - Helmut Gollwitzer 1979

What the Bible Says about Love Marriage & Sex - Dr. David Jeremiah 2012-04-10

With roughly a third of all marriages ending in divorce, there's never been a better time for this

refresher course in the true meaning of a successful union. As New York Times bestselling author Dr. David Jeremiah reminds us, it's a biblical truth: Sex and passionate, romantic love are God's ideas! Nothing rivals the beauty of the writing in the Song of Solomon -- and nothing rivals the wisdom of Solomon on matters of love, romance, marriage, and sexual intimacy. Dr. Jeremiah's thoughtful interpretation of Solomon and Shulamith's relationship provides all of us -- whether married or single -- with valuable lessons for a better, happier, more fulfilling life and a long, loving marriage.

What the Bible Says about Love, Marriage and Sex - David Jeremiah 2010

With roughly a third of all marriages ending in divorce, there's never been a better time for this refresher course in the true meaning of a successful union. As New York Times bestselling author Dr. David Jeremiah reminds us, it's a biblical truth: sex and passionate, romantic love are God's ideas.

The Complete Literary Guide to the Bible - Leland Ryken 2010-08-10

A Complete Literary Guide to the Bible is consideration of the Bible from a literary perspective, reflecting contemporary interest in the academic world of the Bible as literature. This collection of essays addresses both specific books of the Bible and general topics dealing with the Bible. The four main sections of the book are; The Bible as Literature, The Literature of the Old Testament, The Literature of the New Testament, and The Literary Influence of the Bible. The editors for A Complete Literary Guide to the Bible are Leland Ryken and Tremper Longman III. Contributors include: Fredrick Buechner, Novelist John Sailhamer, Trinity Evangelical Divinity School Wilson G. Baroody, Arizona State University William F. Gentrup, Arizona State University Kenneth R.R. Gros, Louis Indiana University Willard Van Antwerpen, Indiana University Nancy Tischler, The Pennsylvania State University Michael Hagan, North American Baptist Seminary Richard L. Pratt, Jr., Reformed Theological Seminary Douglas Green, Yale University Wilma McClarty, Southern College Jerry A. Gladson, First Christian Church, Garden Grove, California Raymond C. Newman, Palm Beach Atlantic College William G. Doty, The University of Alabama/Tuscaloosa Chaim Potak, Novelist Gene Warren Doty, University of Missouri-Rolla Sidney Greidanus, Calvin Theological Seminary XXXXXXX

The One Love - Rear Admiral Joseph H. Miller 2010-03

The One Love refers to a husband and wife who have become one and their One love which is to the other. This book is based on the thoughts from Solomon, the wisest man who ever lived. He had 700 wives and 12,000 horses, but he had only one love. An alternate interpretation of the Biblical book, Song of Solomon, (a story of sexual love) suggests that Solomon's experience answers the question, "Is it better to have loved and lost or better to have never loved at all? Solomon had wondered away from God. He was led by his wives to worship pagan gods. When he lost his only true love, the impact caused him to return to the only true God in his old age. This book is a reference book for all young people who are contemplating marriage or are already married. It lists the 13 subjects that are necessary to have a "Broad Mentality" in life. It lists the 11 factors for a "Broad Mentality" needed for a successful marriage. It asks 25 questions to be reviewed before marriage that lead to thoughts for a life-long or permanent marriage. It is very practical in producing a technique that guarantees communication for young married people. It lists many "Code Names for Love", with instructions as to how young couples can develop their own. It clearly reveals that sex outside of marriage is a sin. It takes one on a tour through the Bible showing that homosexuality is a sin and one who is persistent in that sin (as with many other sins) will not be in the Kingdom of Heaven. The course involves a study of Five Chapters concerning True Love. An Addendum, (with 86 questions) that outlines the course discusses: Falling in Love, (25 Questions before Marriage),

Marriage, and Staying Married.

A Biblical Guide to Love, Sex and Marriage - Derek Thomas 2007

This book is about marriage and its relationships, based on the Song of Solomon. Interpreting this book of the Bible has been a controversial issue for many years. First, it is a book about love, marriage and sex. It is thoroughly immersed in the goodness of the created order. Second, in teaching us about intimate relationships in marriage, it helps us understand how marital union reflects Christ's relationship to the church corporately, and the believer individually. Thirdly, the Song of Solomon is God's inerrant Word. It is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness that the man of God may be adequate, equipped for every good work (2 Tim. 3: 16-17). We cannot keep this issue buried beneath the surface but hovering over everything we understand of the Song. Being persuaded of its divine authorship and sanctifying intent should keep us from embarrassment on the one hand and sentimentality on the other. The Holy Spirit thought it necessary that we be given these love poems to teach and exhort us to love more deeply the one he has provided to share our lives with. It is only right, therefore, that we reciprocate with gratitude for this gift.

[The Erotic Word : Sexuality, Spirituality, and the Bible](#) - NY David M. Carr Professor of Old Testament Union Theological Seminary 2002-12-19

Historically, the Bible has been used to drive a wedge between the spirit and the body. In this provocative book, David Carr argues that it can--and should--do just the opposite. Sexuality and spirituality, Carr contends, are intricately interwoven: when one is impoverished, the other is warped. As a result, the journey toward God and the life-long engagement with our own sexual embodiment are inseparable. Humans, the Bible tells us, both male and female, were created in God's image, and eros--a fundamental longing for connection that finds abstract good in the pleasure we derive from the stimulation of

the senses--is a central component of that image. The Bible, particularly the Hebrew Bible, affirms erotic passion, both eros between humans and eros between God and humans. In a sweeping examination of the sexual rules of the Bible, Carr asserts that Biblical "family values" are a far cry from anything promoted as such in contemporary politics. He concludes that passionate love--our preoccupation therewith and pursuit thereof--is the primary human vocation, that eros is in fact the flavoring of life.

The Concept of Sexual Pleasure in the Catholic Moral Tradition - Shaji George Kochuthara 2007

The Mingling of Souls - Matt Chandler 2015-01-01

The Song of Solomon offers strikingly candid—and timeless—insights on romance, dating, marriage, and sex. We need it. Because emotions rise and fall with a single glance, touch, kiss, or word. And we are inundated with songs, movies, and advice that contradicts God's design for love and intimacy. Matt Chandler helps navigate these issues for both singles and marrieds by revealing the process Solomon himself followed: Attraction, Courtship, Marriage ... even Arguing. The Mingling of Souls will forever change how you view and approach love.

The Song of Solomon - Jeffrey Allen Johnson 2007-08

In this unique treatment of the Song of Solomon, Pastor Johnson unearths the mysteries of love, sex and marriage as the Creator intended them to be understood and enjoyed."--Tony Evans, senior pastor of Oak Cliff Bible Fellowship. (Practical Life)

What the Bible Says about Love, Marriage & Sex - David Jeremiah 2014-08-20

With roughly a third of all marriages ending in divorce, there's never been a better time for this refresher course in the true meaning of a successful union. As New York Times bestselling author Dr. David Jeremiah reminds us, it's a biblical truth: sex and passionate, romantic love are God's ideas.
