Tantric Sex for Couples Eva Grey 2020-01-20 Enhance your sexual abilities with Tantra. Tantric sex is a unique experience, a philosophy of life, a doctrine that has little to do with the sexual positions of the Kamasutra. It is a practice born in India around 400 BC. and his goal has always been self-knowledge and self-maturity. At the time, sexuality was in fact used to join the other and to ignite the spark of a person's nature. Unlike traditional sex, in tantric sex it is essential to leave out the anxiety of orgasm, performance, result and instead you must learn to enjoy eroticism in its entirety, from sounds to breaths, up to movements. Tantra applied to sex: what is it in practice? More in a nutshell, what does "having tantric sex" mean? Practicing tantric sex means learning to move together with your partner, or in any case being able to find your own rhythm that adapts and tunes to that of the other. Tantra allows couples to find a lost harmony. Everything starts from breathing: learning to breathe correctly, among the countless benefits, allows you to get in touch more easily with our physical sensations and those of your partner. After learning the correct breathing, you move on to "unlocking" the pelvis through targeted exercises: you lie down with your back on the ground and your legs bent, you raise your pelvis inhaling, and you let yourself fall exhaling noisily. Discover this and many important techniques with this book.

The Complete Idiot's Guide to Tantric Sex Judith Kuriansky 2004 In this updated, fully illustrated second edition, the author uncovers every aspect of this ancient practice, and introduces the principles, techniques, and rituals of Tantra.

Tantra for Couples Richard Jakes 2020-04-08 Filled with various sex positions, a more profound sense of connection, and sure way to get repeated orgasms, Tantra for couples will change your sex life forever. Tantra for couples is a book that explores the tantric sex positions. It brings a slower yet effective way of making love to the ones we adore. It beats the regular quickies and fast sex styles that many are used to. In this book, you will be able to not only experience sex on a new dimension, but you will also learn how to reduce your stress levels to enable you to enjoy the experience. Here, you will be experiencing a god-like feeling to your experience because the book will engage the use of every sense of your body as well as every method to heighten the experience. It will not only build a deeper connection between you and your partner, but it will also heal you of past hurts, pain, and anger. Moreover, you are getting access to unlock some exciting parts of yourself. While many people would have recommended that you open your souls to the new reality by visiting the deepest parts of the forests, cutting your hair, and avoiding human connection, this book will guide you on how to use sex to have the experience. It uses the human relationships to get a quicker result than the insight many would have gained from going the ways of monks. This book covers the following topics: - What is Tantra? - The best tantric sex position that you'll need to learn to improve your sexual compatibility - The single most important rule to take your intimacy to the next level - Sacred sex positions that you should try at least on time in your life - Preparing your mind for sex - Secret mind sex games - Tantric exercises which can make you perform better in bed - Tantric massages and yoga - How to connect with your partner's sexual needs and fulfill their sexual desires You have here just the right tool for a great sex experience that was always the method of royalties and lords, which has always kept them satisfied with themselves and others.

Tantric Sex Pamela Red 2019-11-13 If you want to connect totally with your partner and achieve sexual satisfaction then keep reading... Many of the things you learn through Tantra are things you already know and do. It is just that from the Tantric perspective, they are tied together in some new and fun ways that you may not have understood or thought about. So what we are actually talking about here is a spiritual journey. This is not a spiritual journey about religion, or deities, but rather about the basic question: "what is your relationship with yourself and with the world or Universe around you? It is about becoming more aware of how you feel about yourself, life, living and learning how to better align with the life you truly want. What Tantra is really about is learning how to be more in the present (rather than the past or future); learning how to manage our bodies and our energy to maximize our potential for health, well-being and creative expression; learning how to manage our minds to stay present and align with our intentions for our lives; and learning how to manage our emotions and moods to elevate our consciousness so that we are more often centered and better able to meet whatever life brings from a higher perspective and clearer responsibility. In Tantric Sex you're going to discover: Tips and techniques to engage in the magic of Tantra. 20 Sacred Sexual Secrets, that will assist you in receiving the most benefits from Tantric sex. Tantric Sex Lauren RICHARDSON 2020-04-23 Are you looking for a guide to start practicing tantric sex? Then keep reading... A typical fantasy sex scene is conjured up in the mind. The setting is perfect; soft lighting, light aromas. A man may be muscle-bound, physically strong, tall and handsome, incredibly romantic, and a woman may be aesthetically beautiful, slim with perky breasts, smooth skin, and soft hair, wet and waiting. The sex itself is spontaneous and powerful. He bursts through the door and she is waiting for him in nothing but one of his work shirts. He gingerly picks her up by the waist and she wraps her legs around him as he carries her to the bedroom to make love to her for hours, but they are so impassioned that they don't make it -- and wind up ripping into each other on the staircase on the way up. A typical run-of-the-mill sex scenario between a long-term married couple may be that one partner is stressed from a long day at work and wants to get some sexual release before heading to bed, while the other would rather just read their book in peace, go to sleep unbothered and worry about sex some other time when they are in the mood. In order to avoid conflict and disappointment, one partner gives in to the others desires and the same old sex takes place in the same old bed underneath the same old covers in the same old boring positions; eyes closed and lights off... boring! When sex becomes too boring and too routine, rather than being aroused and looking forward to pleasing and being pleased, people "give up". They wonder how much longer they have to engage in foreplay before it is okay to get to the orgasm. Sometimes people also take issues from outside the bedroom into it, maybe thinking "I'm still mad at him/her from earlier, why on Earth would I give sexual pleasure right now"? Sometimes other insecurities and issues can come into play as well. Maybe there is a problem with premature ejaculation so the other partner rarely reaches their peak, and the focus is just on "getting the job done" so they can move on to other more interesting and engaging activities (like sleep)! Either way, if the sex exists at all, it is brief, goal (orgasm) oriented and is over as quickly as possible. You will find some of the tips on Tantric Sex in the chapters of this book that include: Understanding what tantric philosophy is Meaning of love and sex for Tantra philosophy - intimacy Divine sex in Hinduism Advantages and differences with traditional sex How best to prepare your mind and body for tantric sex using techniques for foreplay, massage, and masturbation Tantra exercises and massages for sexual fulfillment of couples Emotional and cultural consent: what it is and why it matters Reaching ecstasy and the importance of orgasm Desires Positions And Techniques Improve Tantric Sex With These Tips Considerations and facts about tantric sex you should know about As there is no goal of orgasm, there is no pressure or pushing to reach the end of the session -- only the goal of creating intensity and pleasure together. Kiss of the Yogini David Gordon White 2006-07-07 For those who wonder what relation actual Tantric practices bear to the "Tantric sex" currently being marketed so successfully in the West, David Gordon White has a simple answer: there is none. Sweeping away centuries of misunderstandings and misrepresentations, White returns to original texts, images, and ritual practices to reconstruct the history of South Asian Tantra from the medieval period to the present day. Kiss of the Yogini focuses on what White identifies as the sole truly distinctive feature of South Asian Tantra: sexualized ritual practices, especially as expressed in the medieval Kaula rites. Such practices centered on the exchange of powerful, transformative sexual fluids between male practitioners and wild female bird and animal spirits known as Yoginis. It was only by "drinking" the sexual fluids of the Yoginis that men could enter the family of the supreme godhead and thereby obtain supernatural powers and transform themselves into gods. By focusing on sexual rituals, White resituates South Asian Tantra, in its precolonial form, at the center of religious, social, and political life, arguing that Tantra was the mainstream, and that in many ways it continues to influence contemporary Hinduism, even if reformist misunderstandings relegate it to a marginal position. Kiss of the Yogini contains White's own translations from over a dozen Tantras that have never before been translated into any European language. It will prove to be the definitive work for persons seeking to understand Tantra and the crucial role it has played in South Asian history, society, culture, and religion.

Tantric Sex Grace Mason 2017-01-08 Off late, do you feel that you and your partner feel disconnected? Do you feel that your sex life has become monotonous? Do you feel like adding some spice back into your sex life and breaking free of the routine? Do you feel that there's something that is stopping you from forming a strong bond with your partner? Tantric Sex and Menopause Diana Richardson 2018-04-10 A tantric guide to discovering the hidden gifts of menopause • Explains why Tantra works for menopausal women and how their bodies are naturally entering a more tantric phase focused on creative, spiritual energy • Details tantric practices and tools to connect with the body's inner intuitive wisdom, remove the "performance pressure" of conventional sex, and set the stage for passion and pleasure to thrive both in the bedroom and beyond • Explores what to expect physically, emotionally, and spiritually, and in relationships As women, we live so closely to the body--through menstruation, pregnancy, birthing, motherhood, and then menopause. Each of these transitions changes a woman in a multitude of ways, most of which are celebrated. Yet menopause often causes women to feel despondent, as if our bodies are broken or deficient, especially when it comes to sex and intimacy. However, as tantric teachers Diana Richardson and Janet McGeever show, menopause has many hidden gifts to offer if we learn to embrace rather than suppress the changes this natural transition brings. Shining the light of tantric intelligence on menopause, the authors reveal how to explore and experience menopause in a radically positive fashion, suffused with a sense of vital awakening and "re-wilding" of a woman's sexuality, creativity, and spirituality. Explaining what to expect physically, emotionally, and spiritually, as well as what it means for relationships, they detail tantric practices and tools to connect with the body's inner intuitive wisdom and heart energies, remove the "performance pressure" of conventional sex, and set the stage for passion and pleasure to thrive both in the bedroom and beyond. They explain why Tantra works for menopausal women and how their bodies are naturally entering a more tantric phase focused on creative, spiritual energy. They explore how, in Tantra, sex is practiced not for the sake of sex itself but as an instrument for going "beyond" sex, for better health, improved relationships, enhanced self-control and emotional balance, and even higher states of consciousness. They also offer many self-help practices, exercises, and meditations to reinforce a positive attitude toward menopause and overcome many of the physical and sexual problems, such as pain, dryness, loss of interest, and loss of libido. Providing a guide for women who are approaching, experiencing, or have gone through menopause, the authors show how a more informed, tantric approach to menopause allows each woman to deepen her trust in the perfect functioning of the female body, embrace her natural sexual response, and reconnect with her inner self.

Understanding Tantric Sex

Before you embark on your journey to find Tantric Sex online, it's essential to grasp the concept of Tantric Sex eBook formats. Tantric Sex come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

Different Tantric Sex eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Tantric Sex eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.
