Percy Jackson and the Singer of Apollo - Rick

Riordan 2018-06-28

When the god Apollo asks for a favour, it's never going to be straightforward. Percy Jackson is celebrating Grover's birthday when Apollo turns up. He's due to perform in front of the other gods on Mount Olympus but one of his four beautiful celedon singers is missing. Percy sets off to bring her back, but the rogue celedon has sniffed her shot at a solo career and is holding up Broadway. With the bright lights of Times Square in the background, it's a showdown to remember for Percy - can he find a way to capture her and return her to Apollo in time?

The Shipping News - Annie Proulx 2008-01-01

Winner of the Pulitzer Prize,
Annie Proulx's The Shipping

News is a vigorous, darkly comic, and at times magical portrait of the contemporary North American family. Quoyle, a third-rate newspaper hack, with a "head shaped like a crenshaw, no neck, reddish hair...features as bunched as kissed fingertips," is wrenched violently out of his workaday life when his two-timing wife meets her just desserts. An aunt convinces Quoyle and his two emotionally disturbed daughters to return with her to the starkly beautiful coastal landscape of their ancestral home in Newfoundland. Here, on desolate Quoyle's Point, in a house empty except for a few mementos of the family's unsavory past, the battered members of three generations try to cobble up new lives. Newfoundland is a country of coast and cove where the

mercury rarely rises above seventy degrees, the local culinary delicacy is cod cheeks, and it's easier to travel by boat and snowmobile than on anything with wheels. In this harsh place of cruel storms, a collapsing fishery, and chronic unemployment, the aunt sets up as a yacht upholsterer in nearby Killick-Claw, and Quoye finds a job reporting the shipping news for the local weekly, the Gammy Bird (a paper that specializes in sexual-abuse stories and grisly photos of car accidents). As the long winter closes its jaws of ice, each of the Quoyles confronts private demons, reels from catastrophe to minor triumph—in the company of the obsequious Mavis Bangs; Diddy Shovel the strongman; drowned Herald Prowse; cane-twirling Beety; Nutbeem, who steals foreign news from the radio; a demented cousin the aunt refuses to recognize; the much-zippered Alvin Yark; silent Wavey; and old Billy Pretty, with his bag of secrets. By the time of the spring storms Quoye has learned how

to gut cod, to escape from a pickle jar, and to tie a true lover's knot.

'Salem's Lot - Stephen King
2008-12-11

With a stunning new cover look, King's chilling classic of a small new England town about to be engulfed in terror. Turn off the television - in fact, why don't you turn off all the lights except for the one over your favourite chair? - and we'll talk about vampires here in the dim. I think I can make you believe in them. Stephen King, from the Introduction. 'Salem's Lot is a small New England town with the usual quota of gossips, drinkers, weirdos and respectable folk. Of course there are tales of strange happenings - but not more than in any other town its size. Ben Mears, a moderately successful writer, returns to the Lot to write a novel based on his early years, and to exorcise the terrors that have haunted him since childhood. The event he witnessed in the house now rented by a new resident. A newcomer with a strange allure. A man who causes Ben

some unease as things start to happen: a child disappears, a dog is brutally killed - nothing unusual, except the list starts to grow. Soon surprise will turn to bewilderment, bewilderment to confusion and finally to terror . . .

But fate has other plans when Veronica thwarts her own attempted abduction with the help of an enigmatic German baron, who offers her sanctuary in the care of his friend Stoker, a reclusive and

bad-tempered natural historian. But before the baron can reveal what he knows of the plot against her, he is found murdered—leaving Veronica and Stoker on the run from an elusive assailant as wary partners in search of the villainous truth.

The 48 Laws of Power - Robert Greene 2000-09-01
Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or

defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The Uninvited - Tim J. Kelly

Scarred Regrets - Adelaide Forrest 2021-12-26

Broken men don't fall in love. We linger in the darkness, consumed by the sins that define us. Irina is the sole reason my heart beats. She's everything that matters in a world filled with evil that a woman so good and pure should never have to see. She'll add another scar to my collection - this one engraved on my heart. When she's taken by our enemy to use for his vengeance. Even knowing she can never be mine, I'll stop at nothing to see her safe. The Irina I rescue isn't the same feisty woman they stole. Her soul is broken. Her heart is hollow like mine, because of the things she's seen. She needs me in a way I've never

known. And I will destroy the man who shattered what's mine. Scarred Regrets is a full-length standalone romance, but the series presents a better reading experience when following the suggested order. This series contains dark elements, including over-the-top antiheroes who do as they please. Read at your own discretion.

Blindsight - Peter Watts
2006-10-03

Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions

with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Lincoln Highway - Amor Towles 2021-10-05

#1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best

Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times Book Review "A classic that we will read for years to come." —Jenna Bush Hager, Read with Jenna book club "Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope." —Bill Gates "A real joyride . . . elegantly constructed and compulsively readable." —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-

year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. “Once again, I was wowed by Towles’s writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero’s journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry*

Finn, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel.” – Bill Gates

[All the Ugly and Wonderful Things](#) - Bryn Greenwood
2019-11-17

As the daughter of a drug dealer, Wavy knows not to trust people, not even her own parents. It's safer to keep her mouth shut and stay out of sight. Struggling to raise her little brother, Donal, eight-year-old Wavy is the only responsible adult around. Obsessed with the constellations, she finds peace in the starry night sky above the fields behind her house, until one night her star gazing causes an accident. After witnessing his motorcycle wreck, she forms an unusual friendship with one of her father's thugs, Kellen, a tattooed ex-con with a heart of gold. By the time Wavy is a teenager, her relationship with

Kellen is the only tender thing in a brutal world of addicts and debauchery. When tragedy rips Wavy's family apart, a well-meaning aunt steps in, and what is beautiful to Wavy looks ugly under the scrutiny of the outside world. Kellen may not be innocent, but he is the fixed point in Wavy and Donal's chaotic universe. Instead of playing it safe, Wavy has to learn to fight for Kellen, for her brother, and for herself. About the Author Bryn Greenwood is a fourth-generation Kansan, one of seven sisters, and the daughter of a mostly reformed drug dealer. She earned a MA in Creative Writing from Kansas State University. It moved me to tears' Reese Witherspoon 'Beautifully written, completely charming, and extremely wise on the subject of adolescence and influence' Nick Hornby Everyone in Shaker Heights was talking about it that summer: how Isabelle, the last of the Richardson children, had finally gone around the bend and burned the house down. In Shaker Heights, a placid, progressive suburb of Cleveland, everything is meticulously planned - from the layout of the winding roads, to the colours of the houses, to the successful lives its residents will go on to lead. And no one embodies this spirit more than Elena Richardson, whose guiding principle is playing by the rules. Enter Mia Warren - an enigmatic artist and single mother- who arrives in this idyllic bubble with her teenage daughter Pearl, and rents a house from the Richardsons. Soon Mia and Pearl become more than just tenants: all four Richardson

children are drawn to the mother-daughter pair. But Mia carries with her a mysterious past, and a disregard for the rules that threatens to upend this carefully ordered community. When old family friends attempt to adopt a Chinese-American baby, a custody battle erupts that dramatically divides the town - and puts Mia and Elena on opposing sides. Suspicious of Mia and her motives, Elena is determined to uncover the secrets in Mia's past. But her obsession will come at an unexpected and devastating cost . . .

The Last Painting of Sara de Vos - Dominic Smith

2017-01-01

Longlisted for the 2017 Walter Scott Prize for Historical Fiction In the 1600s Sara de Vos loses her young daughter suddenly to illness. In her grief, she secretly begins painting a dark landscape of a girl watching a group of ice skaters from the edge of a wood. In 1950s New York, Martijn de

Groot has At the Edge of a Wood hanging above his bed. Though it is a dark, peculiar painting, he holds it dear and when it is stolen, he is bereft. In Brooklyn, struggling art student Ellie Shipley accepts a commission to paint an intricate forgery of the painting, not realising that her decision will come to haunt her successful academic career. Gorgeously written, brilliantly conceived and executed, filled with tension and revelation, The Last Painting of Sara de Vos is one of those rare books that stops time as you read it. This is a novel you will want to revisit for the sheer pleasure of watching a master at work.
