Delightful Hands - Andrew Pace 2014-08-31

SECRETS TO AN EXHILARATING SEX LIFE Andrew Pace reveals that the first secret for consistently powerful orgasms is knowing how best to stimulate all, not just one or two, of a woman's sexually sensitive places on her body (her erotic zones). The second secret is realizing that for most men, it is all about his hands, not what's between his legs, that will empower him to fully satisfy her. Pace has observed that what works sexually for one woman quite often does not for another. Consequently he offers a wide range of orgasm techniques (over thirty) to insure that each reader can fully satisfy his partner. As a bonus, he recommends several methods that women can adopt to maximize their own sexual responses. Using these techniques, a man can reliably and consistently please his woman to orgasm and often multiple orgasms with sensations so powerful and engrossing as to produce a trancelike state of mind. Couples will relish and appreciate this delightful experience which keeps their sex life lively, fresh and exhilarating.

This book will help any man bothered by the size of his penis to identify and correct any distorted beliefs he may have regarding his penis. Much of the distorted ways of thinking about sexuality stem from the fact that many of the men who have this problem have exposed themselves to a lot of pornography. One of the many problems related to pornography is that it misrepresent what human sexuality is about; replacing intimacy and love with simple and raw sex. We recommend that men who watch a lot of porn and who suspect that they may be suffering in part because of this would definitely benefit from this book on adult sex education. It will help them gain a better perspective on what normal sexuality is actually about.
