[Second Summer of War](#) - Cheryl Cooper 2014-01-20
Harrowing, humorous, and heart-warming, *Second Summer of War* is a tale of life on the sea in the summer of 1813, through England's stodgy salons and horrific prison hulks, and into the bloody battles between the British and the Americans on the storm-tossed Atlantic.

Cottonwood Wind - Teresa van Bryce 2021-08-29

When Vancouver journalist Johanna Ross learns of her grandfather's death, she's devastated. But her devastation turns to confusion when she discovers he's left his Alberta horse ranch to her in his will. Although she spent summers at the Double R as a girl, Johanna hasn't visited for over twenty years or been on a horse since that time. On the heels of a less-than-ideal proposal of marriage from her boyfriend, Johanna travels to Alberta to arrange for the dispersal of her inheritance. As she sorts through her grandfather's finances and belongings, she rediscovers her childhood love of the ranch and its residents, and becomes torn between her west coast life and her grandfather's wish for her to keep the Double R. Her father wants her to sell the ranch and

share in the proceeds, her boyfriend wants her to marry him and move to Toronto, the ranch hand and his wife want to keep the only home they've known for forty years, and the hostile horse trainer with the nice face wants nothing more than to have Johanna out of his sight. But what does Johanna want? A Heartland meets The Horse Whisperer story of one woman's search for her own map and compass.

Choose Love - Margot

Schulman 2019-07-15

This is the book for you if you feel stuck in old, unhealthy patterns in your close relationships. It offers simple, practical tools to permanently shift your relationship with your self as well as your loved ones.

SPLIT 1 - Renata W. Müller

2018-06-30

"I once read the sentence: Destiny takes care of who enters your life, but you can decide who stays...That's stupid! I definitely feel like destiny has been playing an evil game with me since my childhood. When the Hailey-twins burst into my life, they turned it completely upside down. They lifted me up to heaven, only to then throw me into the deepest chasm. While River is an adorable, sexy anthropologist, and a born-charmer, Jamie is a computer-genius with Asperger-syndrome, eccentric, and difficulty blending into society. There are no two men more different than they are, but

they're still my fate. They are the source of euphoria and despondency, of happiness and sadness in me. I'm Hannah Logan. The girl who has loved twice in her life and who stands in front of an unsolvable dilemma. Split is a modern, passionate, erotic romance novel, the third book from Renata W. Müller
