

The Fantasy Fallacy Exposing The Deeper Meaning Behind Sexual Thoughts

Pornland - Gail Dines 2010-08-06

Professor Gail Dines has written about and researched the porn industry for over two decades. She attends industry conferences, interviews producers and performers, and speaks to hundreds of men and women each year about their experience with porn. Students and educators describe her work as “life changing.” In *Pornland*—the culmination of her life’s work—Dines takes an unflinching look at porn and its affect on our lives. Astonishingly, the average age of first viewing porn is now 11.5 years for boys, and with the advent of the Internet, it’s no surprise that young people are consuming more porn than ever. But, as Dines shows, today’s porn is strikingly different from yesterday’s *Playboy*. As porn culture has become absorbed into pop culture, a new wave of entrepreneurs are creating porn that is even more hard-core, violent, sexist, and racist. To differentiate their products in a glutted market, producers have created profitable niche products—like teen sex, torture porn, and gonzo—in order to entice a generation of desensitized users. Going from the backstreets to Wall Street, Dines traces the extensive money trail behind this multibillion-dollar industry—one that reaps more profits than the film and music industries combined. Like *Big Tobacco*—with its powerful lobbying groups and sophisticated business practices—porn companies don’t simply sell products. Rather they influence legislators, partner with mainstream media, and develop new technologies like streaming video for cell phones. Proving that this assembly line of content is actually limiting our sexual freedom, Dines argues that porn’s omnipresence has become a public health concern we can no longer ignore.

The Fantasy Fallacy - Shannon Ethridge 2012

Sexual and emotional fantasies tend to reveal certain areas of trauma, brokenness, and disillusionment that are yet to be healed. Many people, including Christians, look to their sexual and emotional fantasies as a road map to where they can find the fulfillment they long for. However these fantasies aren't a reliable road map into the future, they are actually a rocky road map from the past. Shannon Ethridge, best-selling Christian author, certified life coach, and advocate for healthy sexuality offers fascinating insights into common sexual thoughts such as: dating a much older man or much younger woman connecting with strangers via cyberspace gay and lesbian fantasies fascination with pleasure, pain, and power Introduced in Genesis, God's design for sex, beyond procreation, is to offer connection and pleasure for marriage partners. But also in Genesis is an outline of seven sexual fallacies that bring discord, pain, and brokenness. *The Fantasy Fallacy* helps explain the basis for these fallacies and offers insights to help expose not only the meaning behind them, but ways to face them, heal from them, and find physical, emotional, and spiritual freedom.

The Sexuality of Christ in Renaissance Art and in Modern Oblivion - Leo Steinberg 2014-12-10

Originally published in 1983, Leo Steinberg's classic work has changed the viewing habits of a generation. After centuries of repression and censorship, the sexual component in thousands of revered icons of Christ is restored to visibility. Steinberg's evidence resides in the imagery of the overtly sexed Christ, in Infancy and again after death. Steinberg argues that the artists regarded the deliberate exposure of Christ's genitalia as an affirmation of kinship with the human condition. Christ's lifelong virginity, understood as potency under check, and the first offer of blood in the circumcision, both required acknowledgment of the genital organ. More than exercises in realism, these unabashed images underscore the crucial theological import of the Incarnation. This revised and greatly expanded edition not only adduces new visual evidence, but deepens the theological argument and engages the controversy aroused by the book's first publication.

The Quran and the Secular Mind - Shabbir Akhtar 2007-10-31

This book is concerned with the rationality and plausibility of the Muslim faith and the Qur'an, and in particular how they can be interrogated and understood through Western analytical philosophy. It also explores how Islam can successfully engage with the challenges posed by secular thinking. *The Quran and the Secular Mind* will be of interest to students and scholars of Islamic philosophy, philosophy of religion, Middle East

studies, and political Islam.

Power, Voice and Subjectivity in Literature for Young Readers - Maria Nikolajeva 2009-09-10

This book considers one of the most controversial aspects of children’s and young adult literature: its use as an instrument of power. Children in contemporary Western society are oppressed and powerless, yet they are allowed, in fiction written by adults for the enlightenment and enjoyment of children, to become strong, brave, rich, powerful, and independent -- on certain conditions and for a limited time. Though the best children’s literature offers readers the potential to challenge the authority of adults, many authors use artistic means such as the narrative voice and the subject position to manipulate the child reader. Looking at key works from the eighteenth century to the present, Nikolajeva explores topics such as genre, gender, crossvocalization, species, and picturebook images. Contemporary power theories including social and cultural studies, carnival theory, feminism, postcolonial and queer studies, and narratology are also considered, in order to demonstrate how a balance is maintained between the two opposite inherent goals of children’s literature: to empower and to educate the child.

Every Woman's Marriage - Shannon Ethridge 2009-02-19

Set Your Husband's Heart Ablaze Are you a “desperate housewife,” committed to marriage yet longing for a deeper, more intimate connection with your husband? Believe it or not, you can have the marriage you long for—if you’re willing to take desperate measures. If you’re ready to stop the blame game and pursue the marriage of your dreams, let authors Shannon and Greg Ethridge show you how to reignite your relationship with spiritual, emotional, and physical passion. Drawing on real-life stories from both men and women, as well as lessons from their own less-than-satisfying early years of marriage, they offer penetrating insights about what it takes to nurture a dynamic marriage, including... ·what makes a husband’s heart grow cold—and how you can fan the embers into flame ·the difference between being “right” and being “righteous” ·how to fight fair ·how to guard your heart against unhealthy comparisons ·the dynamic power of getting spiritually and emotionally naked ·what your husband really wants most (It’s not what you think!) *Every Woman’s Marriage* will give you practical tools and wise biblical counsel for transforming a listless marriage into a vibrant, exciting relationship. Get ready to set your husband’s heart ablaze!

The Black Book of Communism - Stéphane Courtois 1999

This international bestseller plumbs recently opened archives in the former Soviet bloc to reveal the accomplishments of communism around the world. The book is the first attempt to catalogue and analyse the crimes of communism over 70 years.

From Witchcraft to Christ - Doreen Irvine 2006

From poverty, drugs to prostitution to a life of joy and freedom, this story charts one woman's entanglement with the occult and her eventual dramatic release. Doreen's experience may be extreme, yet it still offers hope, especially to those who believe they are too far gone to be forgiven.

Magic Toyshop B - Angela Carter 2006-10

In this, her second novel, (awarded the 1967 John Llewellyn Rhys Prize) Angela Carter's brilliant imagination and starting intensity of style explore and extend the nature and boundaries of love.

Unthought - N. Katherine Hayles 2017-04-05

N. Katherine Hayles is known for breaking new ground at the intersection of the sciences and the humanities. In *Unthought*, she once again bridges disciplines by revealing how we think without thinking—how we use cognitive processes that are inaccessible to consciousness yet necessary for it to function. Marshalling fresh insights from neuroscience, cognitive science, cognitive biology, and literature, Hayles expands our understanding of cognition and demonstrates that it involves more than consciousness alone. Cognition, as Hayles defines it, is applicable not only to nonconscious processes in humans but to all forms of life, including unicellular organisms and plants. Startlingly, she also shows that cognition operates in the sophisticated information-processing abilities of technical systems: when humans and cognitive technical systems interact, they form “cognitive assemblages”—as found

in urban traffic control, drones, and the trading algorithms of finance capital, for instance—and these assemblages are transforming life on earth. The result is what Hayles calls a “planetary cognitive ecology,” which includes both human and technical actors and which poses urgent questions to humanists and social scientists alike. At a time when scientific and technological advances are bringing far-reaching aspects of cognition into the public eye, *Unthought* reflects deeply on our contemporary situation and moves us toward a more sustainable and flourishing environment for all beings.

[Feminism Is for Everybody](#) - bell hooks 2014-10-10

What is feminism? In this short, accessible primer, bell hooks explores the nature of feminism and its positive promise to eliminate sexism, sexist exploitation, and oppression. With her characteristic clarity and directness, hooks encourages readers to see how feminism can touch and change their lives—to see that feminism is for everybody.

To Love, Honor, and Vacuum - Sheila Wray Gregoire 2014

"Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in *To Love, Honor, and Vacuum*, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

[Every Woman's Battle](#) - Shannon Ethridge 2014-06-25

When does an affair begin? Not with the first forbidden touch...but with the first forbidden thought. Unexpectedly, you find yourself enjoying a powerful emotional bond with another man. You feel like you matter to someone again. And the door you thought was locked so firmly--the door to sexual infidelity--is suddenly ajar. The only way women can survive the intense struggle for sexual integrity is by guarding not just your body, but your mind and heart as well. *Every Woman's Battle* can help you learn to do that. Using real-life stories and examples from her own struggle, Shannon Ethridge helps women like you--whether married, engaged, or planning to marry someday.

The Invention of Heterosexuality - Jonathan Ned Katz 2014-12-10

"Heterosexuality," assumed to denote a universal sexual and cultural norm, has been largely exempt from critical scrutiny. In this boldly original work, Jonathan Ned Katz challenges the common notion that the distinction between heterosexuality and homosexuality has been a timeless one. Building on the history of medical terminology, he reveals that as late as 1923, the term "heterosexuality" referred to a "morbid sexual passion," and that its current usage emerged to legitimate men and women having sex for pleasure. Drawing on the works of Sigmund Freud, James Baldwin, Betty Friedan, and Michel Foucault, *The Invention of Heterosexuality* considers the effects of heterosexuality's recently forged primacy on both scientific literature and popular culture. "Lively and provocative."—Carol Tavis, *New York Times Book Review* "A valuable primer . . . misses no significant twists in sexual politics."—Gary Indiana, *Village Voice Literary Supplement* "One of the most important—if not outright subversive—works to emerge from gay and lesbian studies in years."—Mark Thompson, *The Advocate*

[Every Young Woman's Battle](#) - Shannon Ethridge 2009-08-18

Guys Aren't the Only Ones Fighting a Battle for Purity The world you live in promotes sex as the answer to just about everything. The pressure to go along with the crowd is greater than ever before, and it's easy to compromise in little ways that are a lot more harmful than they seem. You and your friends may become caught up in destructive relationships or sexual activities without even knowing how you got there. You just want to be normal—to fit in, to be liked, to look attractive to the opposite sex. But are you paying too high a price? This counterpart to the award-

winning *Every Young Man's Battle* can help you: · learn how the sexual battle begins in your heart and mind · understand your hunger for attention from guys · recognize and avoid the potential pitfalls awaiting young women on the journey toward adulthood and possibly marriage · find out how the media, novels, fashion, internet chat rooms, and body and beauty obsessions influence your sexual choices—and what you can do about it · guard your mind, heart, and body against sexual and emotional compromise · develop a deeper, more satisfying level of intimacy with God Whether you have so far protected yourself emotionally and sexually, feel that you've been robbed of your purity, or have given in to temptation in some way, this book can help you achieve or reclaim sexual integrity. It can also guide you through the temptations and pressures of young adulthood while demonstrating how you can live your life to the fullest—without regrets. Includes a comprehensive workbook for individual or group study.

[Plugged In](#) - Patti M. Valkenburg 2017-04-25

An illuminating study of the complex relationship between children and media in the digital age Now, as never before, young people are surrounded by media—thanks to the sophistication and portability of the technology that puts it literally in the palms of their hands. Drawing on data and empirical research that cross many fields and continents, authors Valkenburg and Piotrowski examine the role of media in the lives of children from birth through adolescence, addressing the complex issues of how media affect the young and what adults can do to encourage responsible use in an age of selfies, Twitter, Facebook, and Instagram. This important study looks at both the sunny and the dark side of media use by today's youth, including why and how their preferences change throughout childhood, whether digital gaming is harmful or helpful, the effects of placing tablets and smartphones in the hands of toddlers, the susceptibility of young people to online advertising, the legitimacy of parental concerns about media multitasking, and more.

[Epistemologies of the South](#) - Boaventura de Sousa Santos 2015-11-17

This book explores the concept of 'cognitive injustice': the failure to recognise the different ways of knowing by which people across the globe run their lives and provide meaning to their existence. Boaventura de Sousa Santos shows why global social justice is not possible without global cognitive justice. Santos argues that Western domination has profoundly marginalised knowledge and wisdom that had been in existence in the global South. She contends that today it is imperative to recover and valorize the epistemological diversity of the world. *Epistemologies of the South* outlines a new kind of bottom-up cosmopolitanism, in which conviviality, solidarity and life triumph against the logic of market-ridden greed and individualism.

The Sexually Confident Wife - Shannon Ethridge 2009-09-08

Maximize the sexual and emotional potential in your marriage! With down-to-earth wisdom based on the experiences of the thousands of women she's counseled, Shannon Ethridge—author of the million-plus-selling *Every Woman's Battle* series—shows women how to create the healthy, exhilarating sex lives they (and their husbands) desire. Every woman deserves to enjoy great sex with her husband, without inhibition or shame. But many wives live with the burden of self-doubt or feel mystified about what men really want in bed. Others wrestle with memories of sexual abuse or neglect, guilt over past intimate relationships, or negative feelings about their own bodies. Maybe you've been thinking you were alone in your struggle to discover sexual fulfillment. Think again: only 8 percent of married women consider their sex life "very hot" 21 percent call their sex life "routine and boring" Another 21 percent ask, "What sex life?" These sorry statistics don't have to be your case, as Shannon Ethridge readily explains with arresting warmth and honesty. Brimming with confidence-boosting techniques and inspiring personal stories of rejuvenated relationships, *The Sexually Confident Wife* opens a new world of passion for every couple, helping women to connect with their men on every level—physical, mental, emotional, and spiritual—enabling them to fully enjoy the ultimate, enduring union that marriage can be.

[In Cold Blood](#) - Truman Capote 2001-10-09

NATIONAL BESTSELLER • The most famous true crime novel of all time "chills the blood and exercises the intelligence" (*The New York Review of Books*)—and haunted its author long after he finished writing it. On November 15, 1959, in the small town of Holcomb, Kansas, four members of the Clutter family were savagely murdered by blasts from a shotgun held a few inches from their faces. There was no apparent motive for the crime, and there were almost no clues. In one of the first non-fiction novels ever written, Truman Capote reconstructs the murder

and the investigation that led to the capture, trial, and execution of the killers, generating both mesmerizing suspense and astonishing empathy. In *Cold Blood* is a work that transcends its moment, yielding poignant insights into the nature of American violence.

Dirty Girls Come Clean - Crystal Renaud 2011-04-01

You are not alone. The sexual addictions of pornography and masturbation are not just men's issues. They're women's issues, too. Research shows that 25% of Christian women are addicted to pornography. But 70% of these women will never admit their struggle. In *Dirty Girls Come Clean*, Crystal Renaud aims to change these statistics and help you gain freedom from sexual addiction. Why This Book? So often, ministries and tools for overcoming these sexual addictions are more accessible to men than they are to women. Even if these ministries and tools were accessible to women, they may not be as effective in giving freedom because women turn to pornography for different reasons than men do. Women need a resource crafted specifically for them. A Trusted Source Crystal, founder of Dirty Girls Ministries and AACC certified counselor, comes clean first. Her story of addiction to pornography began when she was 10 years old and continued and intensified for eight years. During this time of sexual addiction, Crystal deceived and withdrew. She came to know shame intimately, and she thought she was alone in her struggle. After coming clean about her sexual addiction, Crystal also includes stories of other women who have come clean about theirs. A Plan for Freedom Crystal is determined to help women come clean and, by God's grace and power, get free. Addressing both the sexual addictions themselves as well as underlying issues that cause them, Crystal provides a plan for freedom using the acronym SCARS. S—Surrender: Trusting the Healer C—Confession: Out of the Darkness A—Accountability: Restoring Our Character R—Responsibility: Owning My Part of the Story S—Sharing: God Never Wastes an Experience In addition to her plan for freedom from sexual addiction, Crystal provides other resources such as: personal inventories, the twelve steps of sexaholics anonymous, online accountability programs, other books, and links to recovery groups. Join Crystal and many others who have claimed freedom from sexual addiction. Now is

your time to come clean and be free. "With the recent release of Crystal's book *Dirty Girls Come Clean* women now have the tools they need to fight a battle that many assume only ensnares men. I can only imagine what kind of hope and encouragement this book is going to offer women who have believed for years, decades, that they were the only ones struggling and there was no hope for them." -Book review by Marsha Fisher on pornpurity.com An Excerpt from the First Chapter: This book is for you, the woman who feels alone in addiction to pornography. I don't believe in coincidences. This book is in your hands because God wants to speak some truth to you, and, for whatever reason, He's chosen to use this book to do so. The dark cloud of this addiction is far-reaching. Pornography addiction knows no path other than one of destruction, isolation, and suffocation. Pornography addiction knows no creed. Pornography addiction knows no gender. We are all sexual beings. If not, you and I would not be living on this earth. So to believe that pornography can only be a man's problem is not only false, but it is an ignorant lie that comes from the enemy. The enemy, Satan, deceived Even in the garden of Eden by convincing her that if she ate the forbidden fruit, she would be like God. She in turn offered Adam the fruit, he took some, and as a result of their disobedience, they were expelled from the beautiful garden where they had enjoyed perfect fellowship with God. Satan's goal was to destroy. And the enemy has been trying to destroy women ever since. From the first bite of forbidden fruit to pornography addiction, the enemy will use whatever he can to deceive us and keep us ineffective for use in the kingdom of God. May you find comfort in knowing that not only are you not alone in your struggle, but there is hope for breaking the stronghold of this addiction. And that hope comes from Jesus. I write this book from a Christian point of view because it is my personal belief that Jesus is the reason I stand free from pornography today. But as I said, pornography addiction knows no creed. Pornography affects everyone. So it is my hope that the steps provided throughout this book will be beneficial to all women, from all walks of life. You were created for so much more than this life you've been living. Life is to be lived abundantly. It is time to come on out from behind the bushes. Life is waiting.
