

## Things To Say To Your Teenage Crush

**One Last Kiss** A. S. Kelly 2021-08-20 Rian Allow me to introduce myself. My name is Rian Kerry, and I'm in huge trouble. This is how it happened: I had a crush. You know those teenage crushes, which I'm sure you've all experienced, too. It was that kind of crush that makes your knees tremble, that makes you blush violently and stammer when you're with that person. One of those crushes that you assume you'll just grow out of, the way the seasons change. The problem is that my crush didn't go anywhere. Actually, it only got worse, transforming into something absurd and unbearable, which no one could seem to understand. Especially not him. Because he's off-limits. He's barricaded himself within his walls, from a sense of fear and guilt. He's locked up his heart forever, and seems to have no intention of letting anyone in ever again. My friends, Jordan, Anya, and Holly, say that he just needs a little push. They say that he needs to learn to believe again. But I don't think he'll ever be ready, because he simply doesn't want to be. He doesn't want to believe. Not in something like us. Parker Allow me to introduce myself. My name is Parker Hayes, and I'm an idiot. Yep, you heard me right. I'm a real idiot. And, I swear, that's putting it lightly. But I'm a lot of other things, too. I'm a fireman, and a single father to two cheeky, hyperactive six-year-old twins. I'm a brother to Tyler, another fireman - and another idiot - who always seems to stick his nose into my business. I'm a kind-of friend to Niall, yet another idiot with nothing to do but barge into my life, uninvited. Let's get back to the point, here: the reason I'm an idiot. Well, it's pretty simple. I've lost my mind. Literally. It happened again. I fell for it. With my head, with my body, and with the heart I was sure I'd never be able to piece back together after another inevitable disaster. The problem is that she's not like the others. She bakes cakes with my daughters, laughs with them, and shows them her magic bag. They're crazy about her. And so am I. And now she knows it, and I know it, and everyone around us knows it. But I can't take that step. I can't let everything go to start over. I can't live through this again - because this time, I won't be left standing. Not if she's the one to break my heart. Each book in the Love At Last Series is standalone: - Last Call - About Last Night - One Last Kiss - The Last One Keywords: rom-com, romantic comedy, romance, humour, contemporary romance, humorous fiction, women's fiction, single dad, age gap romance.

**Love Her Well** Kari Kampakis 2020-08-18 Now an ECPA Best Seller—Kari Kampakis's Love Her Well gives moms ten practical tips for how to build strong and lasting relationships with their daughters. For many women, having a baby girl is a dream come true. But as girls grow up, the narrative of innocence and joy changes to one of dread as moms are told, "Just wait until she's a teenager!" and handed a disheartening and too-often-true script about a daughter's teenage season of life. Author, blogger, and mom to four daughters Kari Kampakis thinks it's time to change the narrative and mind-set that leads moms to parent teen girls with a spirit of defeat instead of strength. Love Her Well isn't a guide to help mothers "fix" their daughters or make them behave. It's about a mom's journey, doing the heart-work necessary to love a teenager while still being a steady, supportive parent. Kari offers wisdom about how moms can: Choose their words and timing carefully. Listen and empathize with her teen's world. See the good, and love her for who she is. Take care of themselves and find a support system in the process. By working on the foundation, habits, and dynamics of the relationship; mothers can connect with their teen daughters and earn a voice in their lives that allows moms to offer guidance, love, wisdom, and emotional support. Kari gives mothers hope, wisdom, and a reminder that all things are possible through God, who is the source of the guidance and clarity they need in order to grow strong relationships with their daughters at every age—especially during the critical teen years.

**The Guyde** Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
