Sugar Daddies - Jade West 2016-07-12

A sugar daddy website doesn't seem a sound

basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about... Two hot guys seeking their Little Miss Right. Someone who can entertain them, amuse them, fit in with their corporate schedule. And sex. They want sex. Lots of sex. Bonus, right? One major dose of epic win. Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all. Hell, I can live with that. And there are no skeletons in their designer closet, none that I can find. Just two hot sugar daddies, with particular tastes, nothing to worry about. Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance. Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you. But I'm already in way too deep for that.

Troy, Achilles, and Patroclus that's as sinful as it is sweet.* In Olympus, you either have the power to rule...or you are ruled. Achilles Kallis may have been born with nothing, but as a child he vowed he would claw his way into the poisonous city's inner circle. Now that a coveted role has opened to anyone with the strength to claim it, he and his partner, Patroclus Fotos, plan to compete and double their odds of winning. Neither expect infamous beauty Helen Kasios to be part of the prize...or for the complicated fire that burns the moment she looks their way. Zeus may have decided Helen is his to give to away, but she has her own plans. She enters into the competition as a middle finger to the meddling Thirteen rulers, effectively vying for her own hand in marriage. Unfortunately, there are those who would rather see her dead than lead the city. The only people she can trust are the ones she can't keep her hands off—Achilles and Patroclus. But can she really believe they have her best interests at heart when every stolen kiss is a battlefield? Dirty Therapy (a MFM Ménage Romance) - Tara Crescent 2019-02-14

My O is missing. Two therapists are going to help me find it. A standalone romance with an HEA ending and no cliffhangers. Two hours after Dennis proposes, I find my fiancé with his you-know-what buried in Tiffany Slater's hoohah, and he has the nerve to suggest it's my fault. Because I'm frigid. Sure, I've never had an orgasm with him, or with anyone for that matter, but relationships are about more than good nookie. (Not that it was ever good. Adequate is more like it. Okay, who am I kidding? Dennis couldn't find his way down there with a flashlight and a map.) Now I'm determined to find my missing O with the help of two of the hottest men I've ever set eyes on. Therapists Benjamin Long and Landon West. If these two men can't make me come, then no one can. I shouldn't sleep with them. I shouldn't succumb to their panty-melting

smiles. I shouldn't listen when their firm voices promise me all the pleasure I can handle. I can't get enough. But when a bitter rival finds out about our forbidden relationship, everything will come crashing down.

Best Bisexual Erotica - Bill Brent 2002

These erotic tales of bisexuality really run the gamut -- from Samurai-era Japan to an 18th century French nunnery; from a shape-shifting college dude to a lap-dance stripper to a man cross-living as a woman on the Canadian prairie in the early 1900s. Plenty of three-way affairs and encounters, a moderate dose of bondage and S/M, and three great stories incorporating sex in the restroom! Despite all of this delightful romping, the tone of the book is more serious overall and somewhat darker than in the first volume, with well-developed plots featuring characters dealing (and in some cases, Not dealing) with complex issues. Stories tackle the intricacies of polyfidelity, coming out, and forging a positive bisexual identity. There is a Lot for readers to sink their teeth into, and the range of contributions demonstrates a maturing of the bisexual erotic voice.
