[Amelia Island's Golden Years, Silver Tears](#) - Maggie Carter-de Vries 2014-05-14

The story takes up where "Amelia's Secrets" left off; after the murder trial held in Jacksonville, Florida where the accused, great-great-grandson of President Thomas Jefferson, T. J. Eppes murderer of one of his best friends and father of six children walks out of the courtroom a free man. He returns to Amelia Island there to carry on life as usual with his beautiful young bride Katie, expecting their first child, only to find life for her to be a daily trial by a jury of her peers; an impossible situation in the end. Our protagonist John Whitner describes in detail not only their lives culminating in the great hurricane of 1898, which nearly devastates the island but through the lives of the Carnegies of Cumberland Island, Mrs. Leddy owner and operator of the Florida House Hotel and her only child Grace from age eight through her progression to adulthood, marriage, babies and widowhood at the young age of twenty one. John, himself reveals his journey through all this, his relationship with Pauline; it's ups and downs, a new woman in his life (or women) as well as his passion for photography in the many places he visits, Jekyl Island, Charleston, S. C. during the earthquake of 1886 and Chicago's World's fair of 1893. Meticulous research and beautiful descriptions bring nineteenth century Amelia Island to life. With creative flair, Ms. Carter-de Vries uses the first person narrative of her storyteller, John Whitner, to recreate the turbulence of natural disasters and society's mores and make the past inhabitants of Amelia Island walk off the pages. Whether you're a visitor to the island or a life-long resident, you will find much to enjoy in Carter-de Vries' Golden Years, Silver Tears. Anita Loos Rediscovered - Anita Loos 2003-11-10

"I adored Anita, as did the entire fashion and literary world. She was four feet nine inches of lithe, slender, dramatic chic."—Carol Channing "This book celebrates a character as memorable as any Anita Loos created in her writing. She was an indomitable, wise-cracking prodigy who not only helped create Hollywood, but managed to survive it."—John Sayles "If we can't have the wonderful Anita Loos-smart, witty, literate and fun-writing today's Hollywood movies, at least we can get reacquainted with her and her work through this delightful book. Filled with previously unpublished material, it shows that while gentlemen may have preferred blondes, everyone else in town wisely preferred the irresistible Ms. Loos."—Kenneth Turan, film critic for the Los Angeles Times "This is a wonderful book about a talented, fascinating, and

groundbreaking woman. Her life epitomizes a certain era in show business and describes a Hollywood in which few women were allowed to rise to the top. Anita Loos did and we were all the beneficiaries. I loved the book!"—Peter Duchin "Not only is it valuable to have these delightful Anita Loos pieces, but the biographical chapters are fascinating too."—Kevin Brownlow, author of David Lean: A Biography [The Renegade Success Plan](#) - Terri Selting David 2021-07-15

Crucifax - Ray Garton 2022-08-15

Something has come to the San Fernando Valley ... something horrible. But this horror is not confined to only the dark hours. It walks in daylight with impunity, grinning, smirking. This horror can not be stopped with a crucifix; it wears one ... a very unusual one. It has no heart, so a wooden stake is useless. It has many names, many faces, has always been and will never die. It was born of evil and is nurtured by ignorance. It can enter your life at any time ... if it hasn't already. In its wake it leaves only death and despair. It soils everything it touches. This horror is very, very real.

Cheer Up Love - Susan Calman 2016-05-05

'DEEPLY HONEST, SURPRISINGLY HILARIOUS AND UPLIFTING' The Pool 'HEART-WARMING: UNMISSABLE' Damian Barr, Metro Susan Calman is a much-loved comedian and writer who has appeared on countless radio and television programmes from The News Quiz and Just a Minute to Armchair Detectives and Secret Scotland. She's hosted the podcast Mrs Brightside and stole the nation's hearts in

Strictly Come Dancing. Her breakout solo stand up show, *Susan Calman is Convicted*, dealt with subjects like the death penalty, appearance and depression. It was the overwhelming and positive reaction to the show she wrote about mental health that made Susan want to write a more detailed account of surviving depression when you're the world's most negative and anxious person. *The Crab of Hate* is the personification of Calman's depression and her version of the notorious Black Dog. A constant companion

all her life, the Crab has provided her with the best, and very worst of times. This is a very personal and affecting memoir of how, after many years and with a lot of help and talking, Susan has embraced her dark side and realised that she can be the most joyous sad person you'll ever meet. CHEER UP LOVE IS FUNNY, POIGNANT AND (HOPEFULLY) INFORMATIVE. IT'S ALWAYS GOOD TO TALK AND TO REALISE YOU ARE NOT ALONE. *If you loved *Cheer Up Love*, try *Sunny Side Up*, Susan's *Calmanifesto of Happiness**
