21st Century Guide to Casual Sex - Josh Davis 2012-06-08

21st Century Guide to Casual sex is the true story of Josh Davis, a.k.a. Big Josh Stud, a twenty-something American male from a broken home learning to deal with relationships with the opposite sex the only way he knows how, by not having them. His non-existent relationship with his mother, absentee father and disconnect with his older brother taught him to do to women what they had been doing to him his whole life: fuck em. Phrases like "The best way to get over one woman is to get under another" would become his mantra. Experience is the best teacher and this would be the only way he would learn his lesson. Time and again the vicious cycle of attachment and detachment would be what made him a genius with sex and a failure with love. His innovation and machination to bypass dating, circumnavigate emotional mine fields and (literally) charm the pants off women would be revolutionary to everyone he would ever come in contact with. He learned to take the human element out of something very much human, sex, and in so doing alienate himself from the one thing he needed most, love. Through it all the man himself, Big Josh Stud, along with his best friend Brian, his instigator Twin and his countless other cronies, soldiers, and sailors along the way would embark on a self-indulgent carousal through several states, every branch of the military, and innumerable women only to learn that the only person he ever really played was himself. And maybe the only true lesson in life is that there isn't one.

After all, they seem to go out of their way to avoid the nice, decent guys like the plague and then fall head over heels for the predictable shtick of the bad boys every time. All the time complaining that they get treated badly and end up with a no good cheat of a

man. Doesn't make a whole heap of sense, does it? Well, not if you are thinking like a man, that's for sure. To get women, you have to understand how they feel, what they find attractive and what they really desire in a man. This is the book all decent guys have been waiting for. It is the blueprint for the female mind. This book will teach you how to be the man that women are lusting after. More importantly, it will highlight all the things you are currently doing that are just flat out unattractive to women. When it comes to attraction, men are a switch, but women are a dial. There are a thousand shades of grey in between on and off. Their state of desire is fluid, and if you know how, you can easily attract women who you previously would have considered 'out of your league'. This is not a pick-up guide; it's a comprehensive personal development program to show you how to love the man you are and to project that confidence outward. Anything else is just window dressing and women of value can smell a guy who is faking it a mile off. If you are serious about getting the woman of your dreams or learning how to attract women wherever you go, this is the book may be the most important discovery of your life. You are about to discover: The psychology of attraction. How the female mind works and what they find attractive. Loving the man you are and living with confidence. Men Are Stupid - Richard D. Wright, Jr. 2019-10-22

If you've lost your ex, not all hope is lost! In fact, you have every chance in the world to get your former partner back. And this book is one of the essential keys to doing it. You may have been advised to follow your heart if you wish to have the person you love back at your side. While that's certainly good advice, it is not all you should do. At the end of the day, you need to think of reconciliation as a goal. If you have a goal, then the next thing you need is a plan and a strategy. That means planning, considering the pros and cons, and carefully weighing your options. However, with this book you're in the best position to get your ex back - and it starts the very moment you start reading and implementing what I teach you. This book will explain some very simple tactics that can give your ex a completely different view of the person you are and get her to fall in love with you all over again. But more importantly, I will help you determine exactly why you lost her in the first place, how to shift your focus from her onto you to break the energy attachment, and show you how to keep her this time by actually becoming a better man and being her best option. While it may seem completely counter-intuitive but focusing on yourself is the critical first step in getting your ex back and keeping her. This book will start from square one and lead you through all the steps to getting the woman you've been after, whether it's your ex or someone even better. We cover the essentials to developing yourself so that you are attractive to women. How to determine what type of woman is best for you. How to pull off the romance she so desperately wants. And most importantly to your success, how to build your own self-confidence so that you are comfortable doing anything. If you master the techniques presented in this book, you will have all of the tools necessary to make women find you irresistible. I titled the book "Men Are Stupid" because so many men spend so much time and energy trying to play games and manipulate women all in an effort to "trick" her and get her into bed. I said men are stupid because they fail to realize that women are incredible creatures and are just as, if not more, sexual and sensual than men. They want sex just as much as we do. You don't need to play games or tricks. You just simply need to understand that women get turned on from the inside out. You must seduce her mind first, then everything else will open. The best way to find and maintain a relationship with a woman is to first understand how she operates, what turns her on, and how to keep her interested. Once you understand these key points you will unlock the secrets of seducing a woman. The first thing to do is to get inside her mind, and determine her inner workings. Once you truly understand how she works, everything else will fall into place. Good Luck in your journey!

How To Get Laid: A Guy's Practical Guide to Getting the Woman of His Dreams -

You Don't Need A Man! - Lana Otoyá 2019-09-24

Are You Single? Good! Professional dating coach and dating advice blogger, Lana Otoyá knows that you don't need a man. Your life is perfectly fine just the way it is. You have good friends. You have a good job. You're successful. And most importantly... You don't want a relationship just for the sake of having one. As a modern woman, you need a relationship for more than just the ability to get a credit card. You need a strong man who knows how to take the lead. To have someone take care of you rather than you always taking care of everyone else. But finding a man isn't really a problem for you. There are a lot of men who want to date you. Lots of messages from men on Tinder or Match.com. Weird men talking to you at the bar or hitting on you at the gym. They're everywhere! The problem isn't that you have trouble finding somebody... It's.. That you're having trouble finding somebody good. Somebody who is worth your time. You want a man who is serious. A good communicator. A man who asks you out on a date, arranges the time and place and actually meets you there. And if you can't find him, who cares! You've got a good life going

anyway... ..but it would be nice... So what's so hard about finding him? Well.... Swiping on the apps is frustrating and disappointing. It takes up too much time and is emotionally draining. You feel your eyes drooping after reading bad profile after bad profile. Shallow texting conversations take all the humanity and romance out of dating. You've come to expect the last-minute date cancellations and ghosting but when it happens, it still hurts. You've pretty much given up and left your love life to destiny or chance. If this sounds familiar, you'll be happy to know that - I've been in the professional dating scene for years and it has taught me something very interesting. There really is an easier way. A faster way to get out of the dating scene and into a healthy relationship with a high-quality man. The method takes a little work, it's not magic wand, but with a minimal effort, you'll find the man who checks off all your boxes. In my book you will discover: Science based facts that will make online dating easier and more fun Why staying single is the best thing to do for your romantic relationships. How to read a man's personality so you can divorce-proof your future marriage. The final answer to the question: "Am I being too picky?" What compatibility really means and how to know if you have it with your new man The reason you're overthinking and questioning everything when it comes to men The personality traits that have made you successful in life but unsuccessful at dating The one statistic that will give you the motivation you need to keep swiping The science based reason why men ghost you I am not interested in just hooking you up with some man. I never want you to settle. There IS a man out there who checks off all your boxes, but he's a needle in the haystack. And if you're looking for a needle in a haystack, it doesn't hurt to get better at looking. So, if you're satisfied with your current life but think it would be nice to add a good man to the picture, go ahead and hit the "add to cart" button. You won't be disappointed!
