**Guidebook** - Deborah C. Neel  
2007-02

Everyone wants a passionate love relationship with their mate that becomes a powerful force for connecting and meeting deep intimacy needs. This guidebook can be a catalyst because. SEXUAL CHEMISTRY AND PASSIONATE LOVEMAKING DON'T JUST HAPPEN! Great marriages take two people who like each other and have taken the time and initiative to create an intimate companionship and become loving grown-ups.

Falling in and out of love is a process and... A Passionate Sex Life = An Intimate Marriage + Mature Lovers + Time + Energy In life it isn't how hard you try but how smart you try. A Couple's Guidebook to

Passionate Intimacy helps husbands and wives effectively take the time and energy to ask those critical questions and guide the process of falling deeper in love and making love with passion. Questions and suggestions like: Write down some ideas on how you might like to be pursued. Practice with your mate. Do you consider yourself a great lover- why or why not? What are the 'risks' you are willing to make to rejuvenate your love life? When was the last time you made love for over 60 minutes? Write out a specific prayer for your sex life. WHY BE JUST ROOMMATES, WHEN YOU CAN BECOME PASSIONATE LOVERS? Stale, boring, unskilled or shut down commonly describe a couple's love life. Working through this Guidebook can make a startling difference on your journey towards becoming great sexual lovers. The Sex-Starved Wife - Michele Weiner Davis 2008-01-01  
In 2003, bestselling author and relationship expert Michele Weiner Davis' groundbreaking book, The Sex-Starved Marriage described the problems that occur in marriage when one spouse is vastly more interested in sex than the other and more importantly, what the couple could do to fix things. The book created quite a stir, but no one expected what happened next. Weiner Davis was flooded with e-mails, letters, and phone calls from women, not with "headaches" and other predictable excuses for avoiding sex, but from women who were desperately unhappy because their husbands weren't the least bit interested

in sex. Nothing these women said or did got their men to understand the pain and isolation that comes from a sexual void, and despite heartfelt pleas, they were unable to convince their husbands to seek professional help. Add to this the unspoken taboo about discussing low libido in men, and these women were left to believe that they were the only ones dealing with this problem. If this sounds like your situation, Weiner Davis wants to tell you that you are not alone, and it is not your fault: there is a whole host of reasons why your husband might be experiencing low desire. Although Weiner Davis explains reasons men lose interest in sex--biological issues, personal troubles, and relationship problems--she's convinced that understanding the cause of a problem won't make your sex life any juicier; doing something about it will. The Sex-Starved Wife gives you the tools you need to present the information in the book so that your husband will not become defensive. You'll even

learn methods for overcoming sexual dysfunctions such as performance anxiety, premature ejaculation, and effective ways for dealing with pornography or infidelity. If you and your spouse need additional support, Weiner Davis offers concrete advice on how to get your man to visit his doctor or seek other professional help. When it comes to marriage, Weiner Davis has seen it all. She knows how important loving, satisfying sex is to a healthy marriage. The straightforward, psychobabble-free advice in this book will help you create the intimacy and connection for which you've been longing.

*What Wives Wish their Husbands Knew about Sex* - Richard Rupp 2007-04-01

It's an unfortunate reality that many men grow up in churches that suppress their God-given sexual urges. As a result, many Christian men, single and married, are frustrated with their love lives and their sex lives. The authors of this book claim that Christian men

should be the greatest lovers in the world and then work to show men how to do it. They help men: -learn what the Bible says about a healthy sex life - discover how to relate to women as men instead of as boys -address psychological and spiritual issues that interfere with healthy sexuality -learn specific techniques that create a strong relationship, great foreplay, and passionate sex Solidly based in Scripture and informed by the experiences of the authors, all respected sex therapists, *What Wives Wish Their Husbands Knew about Sex* dispels the myths that keep good Christian men from experiencing sex as God meant it to be. Perfect for any man, it is also a great book for counselors and pastors who work with men.

*Do Her Your Way* - Do Her Your Way 2017-02-16

Did you know that the total annual sales for the most popular erectile dysfunction treatment pills is around 4 billion dollars a year? It is shocking that such a large amount of money is spent on

the stimulation of a function, which should arise and manifest itself naturally, without any pharmaceutical "miracles". I want to open your eyes - you do not have any erectile problems! The real problem is that you're doing things that do not DEEPLY arouse you or that CONFLICT with your UNIQUE NATURAL SEXUALITY thus leading to the absence of an erection! Most of your sexual problems (erectile dysfunction, low libido, porn addiction, boring sex, etc.) can be quickly solved without any pills or wise woman herbal mixtures! As you already know, all pills only ease symptoms. The real reasons remain unresolved! Consequently, even though users of such stimulation may feel like real men for a particular period of time, in reality they are "artificial" men, who can perform only with another dose of drugs, which by the way, have a huge list of negative side effects and can seriously damage your health. Educate yourself about the risks and benefits of a drug before taking

it, even if it is a very popular one! The ignorant perpetual guzzlers of pills are wanted by the pharmaceutical industry, not women. Besides, very often men find that the drugs become less effective over time, leaving them mystified and frustrated about what to do. I would like to offer you to become a real, natural man. A man, who knows what he wants and who ultimately gets what he wants, including in bed. To become such a man, you have to be able to overcome your Ego and admit that the problem lies in you - in your accustomed (or more precisely - your socially trained) behavior and ignorance of the things that have distorted your sexuality and led to the wide range of complications in your current sexual life. STOP searching for the best drugs, best herbs, best cures, best treatments, best foods, best techniques or any other kind of external "miracle" (yes, I have done it all too). Instead, START to communicate and have sex with women according to your own UNIQUE sexuality, and

every problem, which has ruined your sexual life for years, will disappear. When I decided to share my EXCLUSIVE and REAL-LIFE TESTED knowledge and make this website and book, I wanted to name them "FUCK HER YOUR WAY", but such a title would create promotion problems. Even though the current title is much softer, the essence and content correspond to the original idea. In my book and on my website I will reveal to you how to - release and enjoy your true and unique (deepest) sexual instincts; make ordinary, good girls "bad" and experience things with you that even within the adult industry are considered as advanced; get rid of erection problems; get rid of excessive porn addiction; find the sexual partner/-s, who best suit you; make woman wet, almost instantly; and much more. \* I'm from a non-English-speaking European country, therefore please forgive me if my English grammar is not perfect. However, this book is prepared

with the help of professional translators.

*Mind The Gap* - Dr Karen Gurney 2020-03-05

'This book taught me so much about female desire. A must read!' Cherry Healey Did you know that there is an orgasm gap of around 30% between heterosexual couples when they have sex? In *Mind The Gap*, Dr Karen Gurney, a clinical psychologist and certified psychosexologist, explores not just this gap, but the gaps in our knowledge of so much of the most important new science around sex and desire. In this book, you will learn that nearly everything that you've been led to believe about female sexuality isn't actually true. And that, despite what you might think, it is possible to simultaneously feel little to no spontaneous desire and have a happy and mutually satisfying sex life long term. Exploring the mismatch between ideas about sex in our society and what the science tells us, *Mind The Gap* also explains how this disconnect lies at the root of many of our

sexual problems. Combining science with case studies, practical exercises and tips, this is a book for anyone who wants to better understand the mechanics of desire and futureproof their sex life, for life.

**Great Sex** - Sheila Wray

Gregoire 2012-03-06

Candid and contemporary, this book gives you a Christian place to turn for answers to your most intimate--and embarrassing--questions.

Billions of people have had sex. Far fewer have made love. In The Good Girl's Guide to Great Sex, author Sheila Wray Gregoire helps women see how sexual intimacy was designed to be physically stupendous but also incredibly intimate.

Whether you're about to walk down the aisle, newly married, or you've been married for decades, The Good Girl's Guide

to Great Sex will lead you on a wonderful journey of discovery toward the amazing sex life God designed you for. With humor, research, and lots of anecdotes, author Sheila Wray Gregoire helps women see how our culture's version of sex, which concentrates on the physical above all else, makes sex shallow. God, on the other hand, intended sex to unite us physically, emotionally, and spiritually. Gregoire walks through these three aspects of sex, showing how to make each amazing, and how to overcome the roadblocks in each area we often encounter. Drawing on survey results from over 2,000 people, she also includes lots of voices from other Good Girls, giving insight into how other women have learned to truly enjoy sex in marriage.

The fairer sex really isn't as difficult to understand as you might think, but one thing is for certain: you've probably been going about it all wrong. I've been a relationship expert for a couple of decades now and mainly deal with women. As a counselor, they trust me with their hearts and souls. They share everything with me; things they wouldn't tell anyone else, not even their closest friend. Over the years I gathered a lot of information from these ladies and discovered why it's so hard for guys to pick them up and hang on to them. In this book I'll share everything they revealed to me about attracting women, flirting, creating sexual tension, and more.

*The Lady's Viagra: The Book Guide on the Little Pink Pill That Works, Made Specially for the Ladys - Dr Charlie Fucks*

2018-10-24

Imagine, you always had a sex drive that could be used for a sex scene in a porn movie (no pun intended), but recently, you've found it hard, very hard trying to reawaken your sexual desire. You are not alone, there are other women suffering from the same problem. HSDD is also known as the female sexual interest-arousal disorder (FSAID) or female sexual dysfunction (FSD). Some even called it the "little pink pill" just to make it similar to Viagra's nickname - "the little blue pill." However, there is no basis for comparison between the two, each of them functions differently. Viagra works in men by pumping blood to the penis for them to achieve an erection after stimulation, whereas, Flibanserin works by boosting your desire for sex. The way the female Viagra works is what you will learn in this short guide. This Little Pink Pill is Here and it works! Only recently approved by the FDA, the magical little pink pill (pink Viagra) or female Viagra has been proven to increase

The women Viagra (brand name Addyi (Flibanserin)), is a non-hormonal prescription medication that is used to treat hypoactive sexual desire disorder (HSDD) in women who have not gone through menopause. But then, it isn't Relief from Hot Flashes - Gary Ray Elkins 2014-06-05

Based upon a decade of research conducted by the author, Relief from Hot Flashes is the first book to offer a step-by-step guide to reduce hot flashes, improve sleep, and ease stress through hypnotic relaxation therapy. Hypnotic relaxation is a mind-body therapy involving individualized mental imagery and suggestion in a deeply relaxed state. This 5 week program has been shown to reduce hot flashes by 80% on average.

When Sex Isn't Good - Sue W. Goldstein 2007

When Sex Isn't Good, written so readers will learn from the experiences of others, portrays a variety of women's sexual health issues. It includes the science and a reference section

to be used as a resource to educate and empower you to discuss your sexual dysfunction with your partner and your healthcare provider. Dr. John Bancroft, retired director of the Kinsey Institute and world-renowned researcher says: "Women have problems in their sexual lives for a whole host of reasons. Sometimes the problems need and benefit from medical help. This book tells the stories of a number of women who benefited from such help." Dr. Elizabeth Stewart, expert in vulvovaginal care and sexual pain, author of The V Book, states: "Women with a sexual problem long to know if others have dealt with their unmentionable struggles! In the poignant stories of this book you are sure to find company and comfort." Dr. Aline Zoldbrod, sex therapist and author of Sex Talk, claims: "Sex is much too delicious to give up without a fight! If your sexual problem might have a physical cause, When Sex Isn't Good will be an inspiration and a treasured companion on your quest to feel sexual pleasure."
