**Witnessing Through Your Relationships Leader's Guide** Jack Smith 1994-06-01

*Witnessing An Incredible Hidden Treasure* Rosa Pearl Johnson 2012-03-27 God's last word in human affairs is not about the Cross, but about the Resurrection. Jesus is the resurrection and the life no man comes to the Father but by Him. He tells us to "go". "All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost. Teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always, even unto the end of the world". (Matthew 28:18-20). Evangelism involves communicating the good news of salvation through relationships. It will require a strong effort on your part to witness to the lost. Christ must be highly demonstrated in love, compassion, and adoration. You must develop sensitivity to the spiritual condition of people. President Obama alluded to empathy, looking at others through your eyes, or walking in others footsteps. I encourage compassion, looking at others through the eyes of Jesus. This book will inform, empower, inspire, and instructed you in the right way. It gives examples of building spiritual relationships with believers, nonbelievers, neighbors, unknown, business associates, asking God for wisdom of their needs and understanding, and attitudes. From Genesis to Revelation God raised up inspirers, demonstrator, prophets and prophetess, those that had a godly heart to rescue the lost, and to recapture His people. He used men and women for instruments of His love. Those who would endure hardness as a good soldier of Jesus Christ. God always takes the initiative to come to His people. Without Him we would all go our own way, and lack understanding. For there is a way that seems right unto men but it is the way of destruction. This

book makes it clear that it is not about defeat, but all about Victory. Therefore, our responsibility as His children is to convince the world through witnessing that the best is yet to come. Luke 12:48 says, "But he that knew not, and did commit things worthy of stripes, shall be beaten with few stripes. For unto whomsoever much is given, of him shall be much required, and to whom men have committed much, of him they will ask the more". Isaiah 11:9 says, "For the earth shall be full of knowledge of the Lord, as the waters cover the sea". Our hope for a non-violent world is by spreading the message of God's love, forgiveness, and prosperity. The true knowledge of God, Jesus His Son, and why the Holy Spirit was sent is conveyed by our true witness. This is why witnessing is so incredible, and a hidden treasure. It is the Spirit working. And we know very little about the Holy Spirit and His works. It is like a wind! In according to Isaiah Chapter One; "The ox knows his owner, the ass his master's crib, but my people do not know me, says the Lord". This is a hard saying, but if God said it, it is true and appropriate. Now when a hard saying is given it is to convince the hearers of their status and merit with God. You can neglect or ignore many things, but not God's word. It is a mandate for living. The Lord requires that we live justly and glorify Him as the Lord God Almighty. The above scripture was given to the children of God for a warning. It was given for conviction of sin, directions, and duty, and for consolation in trouble and danger of being lost. It was given to scare them straight. God's word is given to build and plant, or pluck up and pull down for a change in heart. Everything that proceeds out of the mouth of God is for our benefit, because it will come to pass exactly as it was foretold, sooner or later. In this prophesy everything looks bad, very bad, with Judah and Jerusalem. The prophet Isaiah is speaking for God, he is blowing God's triumph, reminding the people what bad shape they were in. Isaiah in speaking for God calls the people of God "stupid" senseless people. You have had plenty of time to get it right, I

## **A Biblical View on Relationships** Angelo Shamoon 2022-06-07

We live in a world today amongst brothers and sisters who are hurting. The result of depression in singleness, broken relationships, unhappy marriages, and lacking intimacy with children. Why does it have to be this way? The keyword here is relationships; lack of Christ-centered relationships to be exact! As a people, we have failed to live by the practical steps provided in Scripture and have opted for something else. We have opted to do things our way and not God's way. It's no news now that we have failed with our flawed system, therefore, the sensible thing to do now embraces what the Bible offers. How to build true, supportive, personal, faith-building, and selfless relationships between men and women. This is what I desire to do for you through this book using God's Word as our ultimate authority -- the Bible. The Bible is ultimately about relationships because that is who God is and so it is what we are made for. Relationships are the living breath of life by the Holy Spirit. We are not just to show love but have relationships of love in our marriages, in our single lives, and in every other relationship we have. God is calling us to possess a special kind of Gospel empowered relationship with those around us that we cannot accomplish apart from His Holy Spirit. These kinds of relationships can be learned from and through the relationships we witness throughout Scripture and the advice we are taught around the good and the bad. This book provides a gentle walk-through the richness of Scripture in light of singleness, courtship and marriage. I pray that this book will help you unlock godly principals in your life so you can begin building on them to enjoy Gospel empowered relationships in all forms of relationship God provides for you. May God give us the desire and the ability to minister the types of relationships that adorn the Gospel and bring Glory to Him. Take a look at what others have said about this book: Cynthia Says: "As a Christian, I found this book heartwarming and informative. I know from

experience that all relationships need God. This book provides scripture and great advice. Very well done. I think it would make a great addition to church libraries." David PhD says: "A healing and heartwarming guide" Daniel says: "This is an excellent survey and introduction to the biblical theme of relationships. It covers singleness, courtship and marriage in depth yet always connects back to the core message of the Gospel and the dignity of each person as an image-bearer of God. Early on, special attention is paid to formative relationships between romantic partners in the Old Testament which lays a strong foundation for the Christological vision laid out in later chapters. Each chapter is also expertly organized with a helpful discussion questions, a conclusion, and even a section for notes. Although a great range of content is discuss, the writing is crisp and lucid, always engaging the audience and challenging them to dig into further. Readers of all backgrounds will find this a very helpful introduction to Biblical teachings on relationships." Jack says: "Very insightful!" Kate says "Great timeless advice on this topic" Matthew Says: "A must read. This book really opened my eyes & mind to biblical marriage."

Chosen to Witness His Greatness Janice Eman-Henshaw

2019-08-26 Chosen to witness His Greatness is about gaining a greater understanding of the truth that God wanted you for Himself before your existence. The book highlights the needed sacrifice of Jesus Christ as God's overall intended plan to birth a generation of sons and daughters from His Spirit. The acceptance of God's wisdom by receiving the final work of His son Jesus, grants any human being the right to live on this earth under His protection. The book highlights the importance of studying God's word with the mindset that the scriptures are meant to reveal the evidence of His love and the enemy's plan to distract and detour believers by using emotions, shame, guilt and even loved ones to cause Christians to question the righteousness that is given free in Christ Jesus graciously.

***The Expert Witness in Construction*** Robert Horne 2013-08-26 The role of the expert witness has long been important in the resolution of construction disputes. The specialist opinion brought by the expert can aid understanding and interpretation of the facts of the dispute, and may be influential in deciding the outcome. The variety of dispute resolution procedures and the requirement for the expert witness to be independent places a heavy burden on the parties to identify and instruct an appropriate expert, and on the expert to ensure they discharge their duty in the correct manner. *The Expert Witness in Construction* explains, in practical terms, the way in which experts work with particular reference to the construction industry. Within this book the Expert's role is explained in legal

and practical terms as a progression from understanding the basic principles by which Experts can be identified, through appointment, to giving evidence before a tribunal. At every stage commentary is given to: help and guide professionals new to the arena of expert evidence; act as a resource for those already acting as Experts; assist party representatives looking for best practice guidance on the instruction of Experts; and provide parties to disputes information on what they should expect from the Expert they appoint to explain the issues in the case. Covering all the implications of identifying, appointing, instructing and relying on experts, it will help the reader to understand why experts are instructed in the way they are, how to identify the expert that is right for a particular case and how evidence should be presented. Written by a practicing lawyer and a consultant with extensive experience of acting as an expert witness, the requirements of both the lawyer and expert are discussed. As such, it will help both parties to understand each other resulting in a closer, more productive working relationship.

To teach an approach to communicate love, respect and honor to everyone in your circle and those on the edges of our community and to the world. Why not! I started with the idea of just communicating love ,respect and honor to everyone. I have traveled extensively globally during my thirty-year career. One day after retiring, it occurred to me that I never talk about God or religion to anyone—anywhere. I can talk to people at my place of worship with no problems, but I rarely speak of my faith elsewhere. I wondered why. The purpose of this book is to engage quickly and spread the ideas of love and Jesus. If a new conversion experience happens, there is a path to maturity, growth, and a newfound faith in God. A complete and thorough approach of introducing someone to Jesus and a Christian lifestyle. Then mentoring them to a life long Christian journey.

*To Bare Witness to the Truth* Scott Dalton Myers 2021-03-16 If God does exist, why is there so much evil in the world? Why do bad things happen to good people? Why do we suffer so many trials and tribulations in our lives? These difficult questions that nonbelievers often use to deny God's existence are addressed in this book with the biblical and religious references and answers. Proof and evidence of God's existence surround us everywhere we go if we simply open our eyes and our minds to the truth. The miracles and incredible balance in nature, the wonder of the human body, the intricate structure of our eyes and ears, cellular complexity, molecular genetics, DNA, the wonders of the Earth and our universe all point to intelligent design. It is beyond belief and comprehension that all of these things could have simply evolved from some freak accident of "nature." The watchmaker's analogy for intelligent design is a good one and is certainly applicable to the creationism versus the evolution and randomness arguments discussed in this book. Jesus performed many miracles that were seen by a multitude of people and recorded by eyewitnesses. But there are also records of modern-day medical miracles that non-Christian doctors cannot explain. Additionally, thousands of people have chosen to share their near-death experiences with a research foundation, and virtually all of them reported that they came back with a profound understanding of God's love. In an interesting 1982 blind prayer study conducted by the San Francisco Medical Center, data suggests that the intercessory prayer to the Judeo-Christian God had a beneficial therapeutic effect in patients who were admitted to a critical care unit. Although there are many biblical and religious documents that recorded events in Jesus's life, there are

well over ten independent accounts from outside the biblical record that identify over sixty life events and beliefs about Jesus's life. Finally, we must look to human nature itself for evidence of the existence of God and his son, Jesus Christ. Many Christians, including Jesus, and all but one of his disciples were persecuted, horribly tortured, and died excruciating deaths because of their belief in God. Many people throughout history have been willing to die for what they truly believed in, but no one willingly dies for what they know to be a lie. Finally, how do you approach a nonbeliever and talk with them about faith? This is difficult for most people, as they feel that they must have some specialized training in order to do so. One does not need a special gift to evangelize. The mandate to be a witness applies to every follower of Christ. This book can help you be a true witness!

Designed for churches and small groups to study together, it also includes reflections on the case studies and questions to help readers put their thinking into practice.

*Priests in Love with God and Eager to Witness to the Gospel*

Alfred Hughes 2021-09-26 "Rooted in the lessons of history and the saints and woven together with prayer, Archbishop Emeritus Hughes calls present and future ministers of the Church back to the transformative basics of the priesthood." —From the foreword by Bishop Robert Barron Clerical sexual abuse, COVID-19, declining parishes, and racial unrest—these are some of the many challenges facing Catholic priests and bishops today. Where can they find the wisdom they need to address these and other daunting difficulties? Archbishop Emeritus Hughes draws on the some of the greatest spiritual guides the Church has ever known to offer a vision for contemporary priestly life—Ignatius of Antioch, Augustine, Gregory the Great, and beyond. He also turns to the timeless advice found in great conciliar documents. What emerges from his survey of the past is the understanding that the Catholic priesthood has overcome many trials throughout its history and the confidence that it will do so in our own day by rediscovering the timeless sources of renewal. This book is intended to serve a double purpose. It can be used as a text for seminarians, together with a reader drawn from the cited classics, or as a rich source of spiritual reading for priests and bishops.

**You Are a Witness!** Lamont Walker 2012-09-24 Your handicap does not disqualify you from being an ambassador for Jesus

Christ. If you are a Christian who struggles to witness because of your condition, then this inspiring book is a must read! I want you to understand even though you have a disability God has given you a ministry to preach the gospel of Jesus Christ! You are called to proclaim the word of reconciliation through the grace of God on your life. Since you are born-again, God wants to work through you to bring others into His kingdom! The Bible says, Therefore if any man be in Christ, he is a new creature: old things are passed away; behold all things are become new. And all things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation. To wit, that God was in Christ, reconciling the world unto himself, not imputing their trespasses unto them; and HATH COMMITTED UNTO US THE WORD OF RECONCILIATION 2 Corinthians 5:17-18 KJV

Character Witness Christine Wood 2003-01-01 If necessary, use words. When you think about evangelism, you probably think about what you need to say to an unbeliever. You imagine memorizing a five-point outline or a three-point plan. Christine Wood acknowledges that it is important to be able to express the truth of Christ. But in Character Witness she emphasizes that it is just as important to live a life that expresses who Christ is. St. Francis of Assisi put it this way: "Preach the gospel at all times; if necessary, use words." Character Witness is about personal integrity in evangelism. It will help you develop qualities like graciousness, purity, wisdom and patience. And it will show you how to extend yourself to others in ways that express the fullness of the grace of Christ. Wood's message is simple, but revolutionary: Your character is your most valuable evangelism resource.

**Our Witness** Brandon J. Robertson 2018-03-27 The stories of LGBT+ Christians are not untold, but have often been unheard by faith leaders and communities. While so much of the conversation about LGBT+ inclusion has focused on theology and ideology, few have actually interacted with the raw, real stories and experiences of LGBT+ Christians. In this volume, LGBT+ Christian activist and theologian Brandon Robertson has brought together stories of LGBT+ Christians from around the world combined with his theological insights to create a powerful book that will challenge, convict, and inspire readers from all theological backgrounds to examine their posture and message toward the LGBT+ community and embrace the revival that the Holy Spirit is igniting among queer Christians around the world.

**Enter the Witness** Michael Hurd 2017-06-21 From the very start, 'Enter the Witness' draws you into a state of virtual communication with beings beyond your planetary experience. They've come to assist you in the realization of your current circumstances, and with an offer of certain rescue. Ever felt as if you didn't quite belong here? Ever wondered if there was more to this life? You're ready to begin! On a deeper level, 'Enter the Witness' presents thematically, with an emphasis upon the concept of the Witness, as valued and described in traditions such as Hinduism and Buddhism. Easily accessible in language and perspective, this book draws the reader into a virtual dialogue with personalities who suggest the nature of human existence as being one of illusion. These personalities also arrive in the form of new psychological archetypes, enabling reader connections on a symbolic level. Through means direct and indirect, the reader gradually moves into a deeper understanding of this important concept.

Calling: Witness the Grace of God So many relationships today—both within the church and within homes—are faltering due to the failure of covenant love. Covenant love is a forgiving love; an enduring love. It is the key to vitality and the foundation of strong, healthy relationships—and the key to joyful worship is living in right relationship with God and with others. Witness His Grace is a gentle guide to help you develop a strong fellowship with other believers through the realness of grace expressed within your relationships. God's grace is expressed in our forgiveness through Christ, and we express grace when we forgive others of their transgressions against us. Relationships falter whenever realness of love and grace are absent. Without fulfilling God's command to witness His grace and demonstrate His love, both churches and relationships fail. The Rev. J. Glenn Linthicum draws from 42 years of experience in pastoral roles and shares stories that clearly illustrate the impact of expressing genuine grace—and how this draws others to Christ. He also explores the failure of grace and the fruits of an unforgiving heart. Witness His Grace includes recommendations to both new pastors and those considering a new pastorate, and readers will find suggestions for their own churches to help maintain strong and healthy covenant relationships.
