**Intercourse** - Andrea Dworkin 2008-08-01

Andrea Dworkin, once called "Feminism's Malcolm X," has been worshipped, reviled, criticized, and analyzed-but never ignored. The power of her writing, the passion of her ideals, and the ferocity of her intellect have spurred the arguments and activism of two generations of feminists. Now the book that she's best known for-in which she provoked the argument that ultimately split apart the feminist movement-is being reissued for the young women and men of the twenty-first century. Intercourse enraged as many readers as it inspired when it was first published in 1987. In it, Dworkin argues that in a male supremacist society, sex between men and women constitutes a central part of women's subordination to men. (This argument was quickly-and falsely-simplified to "all sex is rape" in the public arena, adding fire to Dworkin's already radical persona.) In her introduction to this twentieth-anniversary edition of Intercourse, Ariel Levy, the author of Female Chauvinist Pigs, discusses the circumstances of Dworkin's untimely death in the spring of 2005, and the enormous impact of her life and work. Dworkin's argument, she points out, is the stickiest question of feminism: Can a woman fight the power when he shares her bed?

**What Men Really Want In Bed** - Cynthia W. Gentry 2010-04-01

What do men wish women knew about sex? The answer's not as simple as you think! In What Men Really Want in Bed, 200 men from all backgrounds and walks of life reveal frank, surprising truths about sex and what really turns them on (and off), including: The most exciting thing a lover has ever done to them in bed; What kinds of things their partners do that make them feel special and appreciated; How they really feel about oral sex; What they wish their wives and girlfriends knew about seduction, foreplay, masturbation, intercourse, sexual positions, body image, and more.

**Sexless in the City** - Kat Harris 2021-04-20

Discover a renewed biblical vision for sex, singleness, and relationships, and transform into an empowered woman of faith equipped to navigate today's dating culture with vision, clarity, and freedom. Let's face it: being single in today's culture as a woman of faith can be a STRUGGLE FEST. But it doesn't have to be. With real talk and straight wisdom, speaker, podcaster, and founder of The Refined Woman Kat Harris says it's time for a new conversation about singleness, sex, and desire.

Growing up at the height of the purity movement, Kat knew this much: good Christians don't have sex until marriage. But approaching 30 and thrust into the New York City dating scene, she found a set of rules was not a compelling enough reason to keep her clothes on. Caught between purity culture's rules and popular culture's do what feels good, Kat began a multi-year journey searching for answers to the biggest questions about sexuality and faith: What does the Bible really say about sex? Why does almost everyone deal with some sort of sexual shame? But really--what's a single girl to do with her sexual desire? What if we never get married . . . then what? It turns out Kat was asking questions that countless women were dying to ask but didn't know they had the permission to do so. Hungry for clarity, she researched, wrestled, and discovered a God who wasn't afraid or ashamed of sex and desire as she thought He might be. In actuality, God created sex and desire within humanity and called it very good. Now she believes God desires to restore a generation disillusioned with purity culture and Christian

dating, discouraged about their singleness, ashamed of their sexual desire, and uncertain how to practically walk this season out well. Join Kat on her messy, sometimes painful, and always honest journey to discovering God's heart for sexuality, desire, singleness, and our purpose within it all.

**A Woman Who Defends All the Persons of Her Sex** - Gabrielle Suchon 2010-05-15

During the oppressive reign of Louis XIV, Gabrielle Suchon (1632-1703) was the most forceful female voice in France, advocating women's freedom and self-determination, access to knowledge, and assertion of authority. This volume collects Suchon's writing from two works—Treatise on Ethics and Politics (1693) and On the Celibate Life Freely Chosen; or, Life without Commitments (1700)—and demonstrates her to be an original philosophical and moral thinker and writer. Suchon argues that both women and men have inherently similar intellectual, corporeal, and spiritual capacities, which entitle them equally to essentially human prerogatives, and she displays her breadth of knowledge as she harnesses evidence from biblical, classical, patristic, and contemporary secular sources to bolster her claim. Forgotten over the centuries, these writings have been gaining increasing attention from feminist historians, students of philosophy, and scholars of seventeenth-century French literature and culture. This translation, from Domna C. Stanton and Rebecca M. Wilkin, marks the first time these works will appear in English.

**Sexual Politics** - Kate Millett 2016-02-16

A sensation upon its publication in 1970, Sexual Politics documents the subjugation of women in great literature and art. Kate Millett's analysis targets four revered authors—D. H. Lawrence, Henry Miller, Norman Mailer, and Jean Genet—and builds a damning profile of literature's patriarchal myths and their extension into psychology, philosophy, and politics. Her eloquence and popular examples taught a generation to recognize inequities masquerading as nature and proved the value of feminist critique in all facets of life. This new edition features the scholar Catharine A. MacKinnon and the New Yorker correspondent Rebecca Mead on the importance of Millett's work to challenging the complacency that sidelines feminism.

**The Second Sex** - Simone de Beauvoir 1997

Of all the writing that emerged from the existentialist movement, Simone de Beauvoir's groundbreaking study of women will probably have the most extensive and enduring impact. It is at once a work of anthropology and sociology, of biology and psychoanalysis, from the pen of a writer and novelist of penetrating imaginative power. THE SECOND SEX stands, five decades after its first appearance, as the first landmark in the modern feminist upsurge that has transformed perceptions of the social relationship of man and womankind in our time

**Cybersexism** - Laurie Penny 2013-08-22

'The Internet was supposed to be for everyone... Millions found their voices in this brave new online world; it gave unheard masses the space to speak to each other without limits, across borders, both physical and social. It was supposed to liberate us from gender. But as more and more of our daily lives migrated on line, it seemed it did matter if you were a boy or a girl.' It's a tough time to be a woman on the internet. Over the past two generations, the political map of human relations has been

redrawn by feminism and by changes in technology. Together they pose questions about the nature and organisation of society that are deeply challenging to those in power, and in both cases, the backlash is on. In this brave new world, old-style sexism is making itself felt in new and frightening ways. In *Cybersexism*, Laurie Penny goes to the dark heart of the matter and asks why threats of rape and violence are being used to try to silence female voices, analyses the structure of online misogyny, and makes a case for real freedom of speech - for everyone. Laurie Penny's forthcoming book, *Unspeakable Things: Sex, Lies and Revolution*, will be published in 2014.

[The Right to Sex](#) - Amia Srinivasan 2021-08-19

A SUNDAY TIMES BESTSELLER BLACKWELL'S BOOK OF THE YEAR 2021 SHORTLISTED FOR THE ORWELL PRIZE 2022 Essential lessons on the world we live in, from one of our greatest young thinkers - a guide to what everybody is talking about today 'Unparalleled and extraordinary . . . A bracing revivification of a crucial lineage in feminist writing' JIA TOLENTINO 'I believe Amia Srinivasan's work will change the world' KATHERINE RUNDELL 'Rigorously researched, but written with such spark and verve. The best non-fiction book I have read this year' PANDORA SYKES ----- How should we talk about sex? It is a thing we have and also a thing we do; a supposedly private act laden with public meaning; a personal preference shaped by outside forces; a place where pleasure and ethics can pull wildly apart. Since #MeToo many have fixed on consent as the key framework for achieving sexual justice. Yet consent is a blunt tool. To grasp sex in all its complexity - its deep ambivalences, its relationship to gender, class, race and power - we need to move beyond 'yes and no', wanted and unwanted. We need to interrogate the fraught relationships between discrimination and preference, pornography and freedom, rape and racial injustice, punishment and accountability, pleasure and power, capitalism and liberation. We need to rethink sex as a political phenomenon. Searching, trenchant and extraordinarily original, *The Right to Sex* is a landmark examination of the politics and ethics of sex in this world, animated by the hope of a different one.

**Woman** - William J. Robinson 2015-05

*Woman: Her Sex and Love Life* is a classic women's health volume by William J. Robinson. In the first chapter of this book I have shown, I believe convincingly, why sex knowledge is even more important for women than it is for men. I have examined carefully the books that have been written for girls and women, and I know that it is not bias, nor carping criticism, but strict honesty that forces me to say that I have not found one satisfactory girl's or woman's sex book. There are some excellent books for girls and women on general hygiene; but on sex hygiene, on the general manifestations of the sex instinct, on sex ethics--none.

**Just F\*ck Me! - What Women Want Men to Know about Taking Control in the Bedroom - Revised Edition W/ Censored Cover** - Eve Kingsley 2013-07

THIS IS A NEWLY UPDATED VERSION OF THE UNDERGROUND CLASSIC! "You're the Man... Act Like One!" Look, I know you're not a mind reader, so I'm going to be blunt... The majority of women like to be fucked. And I mean really fucked. Yes, the media has lied to you. Sure, there are some women who want to lie on their backs, look into your eyes, and gently rock back and forth, but most of us want you to channel the power of the Sun through your penis and give us a good, solid pounding. Act like you want it, for God's sake! In this book, I'm going to

lay out exactly what the majority of women want and show you exactly how to give it to them. I've got a section just for you and one for your female partner, so you can feel 100% comfortable letting loose on her vagina in the way she's secretly craving. Some of the topics we'll cover... The Alpha Male - It's more than just being an ex-fratboy douchebag, who thinks he's still on the high school football team. I'll clue you in. Dirty Talk - Trust me, she wants it. If she didn't, she'd fuck a mime. Speaking of, did you know Marcel Marceau was divorced three times? Enough said. Role Playing - How she really feels about pretending to be the babysitter, a whore, and a student looking for a little "extra credit." I'll take you through her top Alpha Male fantasies...including one so controversial, I can't even mention it here. The Art of Being Assertive - Sack up and take control! What to do...and what not to do. Sexual Communication - Both you and your partner have needs and good communication, both verbal and non-verbal, is crucial when it comes to getting them on the table. I'll show you how to communicate "Alpha Male Style." You'll learn what to say...and how to say it. Now that I've got you all hyped up and extremely aware of the need to please your woman, let's make that happen! What are you waiting for? Buy the book already! Eve Kingsley is a feminist writer based in San Francisco. She teaches couples how to push the boundaries of their sexual relationships to create new levels of honesty, intimacy, and trust.

*Woman Against Her Sex* - Georges Tarabishi 1988

A critique of the work of Egyptian feminist, Nawal el-Saadawi. This work argues that the feminists of her novels, far from being shining examples of liberated womanhood, have unconsciously absorbed a male ideology that actually works against the interests of women.

**The Purity Myth** - Jessica Valenti 2009-03-24

From the bestselling author of *Sex Object*, a searing investigation into American culture's obsession with virginity, and the argument for creating a future where women and girls are valued for more than sexuality The United States is obsessed with virginity--from the media to schools to government agencies. In *The Purity Myth*, Jessica Valenti argues that the country's intense focus on chastity is damaging to young women. Through in-depth cultural and social analysis, Valenti reveals that powerful messaging on both extremes--ranging from abstinence-only curriculum to "Girls Gone Wild" infomercials--place a young woman's worth entirely on her sexuality. Morals are therefore linked purely to sexual behavior, rather than values like honesty, kindness, and altruism. Valenti sheds light on the value--and hypocrisy--around the notion that girls remain virgins until they're married by putting into context the historical question of purity, modern abstinence-only education, pornography, and public punishments for those who dare to have sex. *The Purity Myth* presents a revolutionary argument that girls and women are overly valued for their sexuality, as well as solutions for a future without a damaging emphasis on virginity.

Sex without Consent - Merrill D. Smith 2002-02-01

A group of men rape an intoxicated fifteen year old girl to "make a woman of her." An immigrant woman is raped after accepting a ride from a stranger. A young mother is accosted after a neighbor escorts her home. In another case, a college frat party is the scene of the crime. Although these incidents appear similar to accounts one can read in the newspapers almost any day in the United States, only the last one occurred in this century. Each, however, involved a woman or girl compelled to have sex against her will. *Sex without Consent* explores the experience, prosecution, and meaning of rape in American history from the time of the early contact between Europeans and Native Americans to the present. By exploring what rape meant in particular times and places in American history, from interracial encounters due to colonization and slavery to rape on contemporary college campuses, the contributors add to our understanding of crime and punishment, as well as to gender relations, gender roles, and sexual politics.

*Woman against her sex* - Elisabeth Orsini 1988

*Against Our Will* - Susan Brownmiller 2013-09-24

Susan Brownmiller's groundbreaking bestseller uncovers the culture of violence against women with a devastating exploration of the history of rape—now with a new preface by the author exposing the undercurrents of rape still present today. Rape, as author Susan Brownmiller proves in her startling and important book, is not about sex but about power, fear, and subjugation. For thousands of years, it has

been viewed as an acceptable "spoil of war," used as a weapon by invading armies to crush the will of the conquered. The act of rape against women has long been cloaked in lies and false justifications. It is ignored, tolerated, even encouraged by governments and military leaders, misunderstood by police and security organizations, freely employed by domineering husbands and lovers, downplayed by medical and legal professionals more inclined to "blame the victim," and, perhaps most shockingly, accepted in supposedly civilized societies worldwide, including the United States. *Against Our Will* is a classic work that has been widely credited with changing prevailing attitudes about violence against women by awakening the public to the true and continuing tragedy of rape around the globe and throughout the ages. Selected by the New York Times Book Review as an Outstanding Book of the Year and included among the New York Public Library's Books of the Century, *Against Our Will* remains an essential work of sociological and historical importance.

**Woman: Her Sex and Love Life** - William Josephus Robinson 1938

*The Female Man* - Joanna Russ 2010-11-11

A landmark book in the fields of science fiction and feminism. Four women living in parallel worlds, each with a different gender landscape. When they begin to travel to each other's worlds each woman's preconceptions on gender and what it means to be a woman are challenged. Acclaimed as one of the essential works of science fiction and an influence on William Gibson, *THE FEMALE MAN* takes a look at gender roles in society and remains a work of great power. Winner of the James Tiptree, Jr. Award for best novel, retrospectively
