

Asking A Woman To Dinner

The Mental Load - Emma 2018-12-18

A new voice in comics is incisive, funny, and fiercely feminist. "The mental load. It's incessant, gnawing, exhausting, and disproportionately falls to women. You know the scene--you're making dinner, calling the plumber/doctor/mechanic, checking homework and answering work emails--at the same time. All the while, you are being peppered with questions by your nearest and dearest 'where are my shoes?', 'do we have any cheese?...'" --Australian Broadcasting Corp on Emma's comic In her first book of comic strips, Emma reflects on social and feminist issues by means of simple line drawings, dissecting the mental load, ie all that invisible and unpaid organizing, list-making and planning women do to manage their lives, and the lives of their family members. Most of us carry some form of mental load--about our work, household responsibilities, financial obligations and personal life; but what makes up that burden and how it's distributed within households and understood in offices is not always equal or fair. In her strips Emma deals with themes ranging from maternity leave (it is not a vacation!), domestic violence, the clitoris, the violence of the medical world on women during childbirth, and other feminist issues, and she does so in a straightforward way that is both hilarious and deadly serious.. If you're not laughing, you're probably crying in recognition. Emma's comics also address the everyday outrages and absurdities of immigrant rights, income equality, and police violence. Emma has over 300,000 followers on Facebook, her comics have been shared 215,000 times, and have elicited comments from 21,000 internet users. An article about her in the French magazine L'Express drew 1.8 million views--a record since the site was created. And her comic has just been picked up by The Guardian. Many women will recognize themselves in THE MENTAL LOAD, which is sure to stir a wide ranging, important debate on what it really means to be a woman today.

The Dinner - Herman Koch 2017-01-17

Menu: Minuman pembuka: Pink champagne dengan salam hangat pertemuan. Hidangan pembuka: Lobster saus tarragon dan jamur, dihidangkan bersama sepotong tanya tentang kabar. Hidangan utama: Filet ayam guinea, dengan hidangan samping sekerat keju ricotta, dan seiris kasus pembunuhan. Hidangan penutup: Parfait cokelat dengan berry pilihan dan sebuah kejutan penuh darah. Ketika Paul dan Claire menerima undangan makan malam dari Serge dan Barquette, perjumpaan mereka yang menyenangkan perlahan berubah menyeramkan. Semua bermula ketika kedua anak mereka terlibat dalam kasus pembunuhan. Di antara denting garpu dan pisau, mereka mencari cara untuk mengubur kasus tersebut dalam-dalam. Akan tetapi, alih-alih menemukan solusi, mereka justru menyingkap konflik keluarga, membongkar rahasia masa lalu, dan menguak aib busuk di balik topeng mereka sebagai manusia yang beradab. Sekarang, yang ada di benak mereka adalah mencari cara untuk menyelamatkan diri masing-masing. Lantas, sejauh mana mereka akan berbuat untuk melindungi orang-orang yang mereka sayangi? [Mizan, Bentang Pustaka, Novel, Romance, Indonesia]

Models - Mark Manson 2017-09-11

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving a F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post

The Dinner Party - Joshua Ferris 2017-06-29

'He reflected in future retrospect on the evening and foretold every gesture, every word. "I can't do it," he said. "I can predict everything that will happen from the moment they arrive to the little kiss on the cheek goodbye and I just can't goddamn do it.'" *The Dinner Party* immerses us in the comic and strange realities of modern life, as we journey through the lives of the unlovable, the unloved, and those who love too much: Jack, who nervously tries to befriend the surly removal man by buying him a latte and a croissant; Sarah, who endlessly imagines how her evening would have been better had she only chosen a different restaurant; Joe, who spends a night alone at the office and surreptitiously starts to rearrange his colleagues' belongings. These are stories about the infinite possibilities of a person's life, from an agonizingly funny and original writer.

Zero to Five - Tracy Cutchlow 2015-04-21

When you're a new parent, the miracle of life might not always feel so miraculous. Maybe your latest 2:00 a.m., 2:45 a.m., and 3:30 a.m. wake-up calls have left you wondering how “sleep like a baby” ever became a figure of speech—and what the options are for restoring your sanity. Or your child just left bite marks on someone, and you're wondering how to handle it. First-time mom Tracy Cutchlow knows what you're going through. In *Zero to Five: 70 Essential Parenting Tips Based on Science (and What I've Learned So Far)*, she takes dozens of parenting tips based on scientific research and distills them into something you can easily digest during one of your two-minute-long breaks in the day. The pages are beautifully illustrated by award-

winning photojournalist Betty Udesen. Combining the warmth of a best friend with a straightforward style, Tracy addresses questions such as: Should I talk to my pregnant belly / newborn? Is that going to feel weird? (Yes, and absolutely.) How do I help baby sleep well? (Start with the 45-minute rule.) How can I instill a love of learning in my child? (By using specific types of praise and criticism.) What will boost my child's success in school? (Play that requires self-control, like make-believe.) My baby loves videos and cell-phone games. That's cool, right? (If you play, too.) What tamps down temper tantrums? (Naming emotions out loud.) My sweet baby just hit a playmate / lied to me about un-potting the plant / talked back. Now what? (Choose one of three logical consequences.) How do I get through an entire day of this? (With help. Lots of help.) Who knew babies were so funny? (They are!) Whether you read the book front to back or skip around, Zero to Five will help you make the best of the tantrums (yours and baby's), moments of pure joy, and other surprises along the totally-worth-it journey of parenting.

Rejection Proof - Jia Jiang 2015-04-14

An entertaining and inspiring account of conquering the fear of rejection, offering a completely new perspective on how to turn a no into a yes. Jia Jiang came to the United States with the dream of being the next Bill Gates. But despite early success in the corporate world, his first attempt to pursue his entrepreneurial dream ended in rejection. Jia was crushed, and spiraled into a period of deep self doubt. But he realized that his fear of rejection was a bigger obstacle than any single rejection would ever be, and he needed to find a way to cope with being told no without letting it destroy him. Thus was born his "100 days of rejection" experiment, during which he willfully sought rejection on a daily basis--from requesting a lesson in sales from a car salesman (no) to asking a flight attendant if he could make an announcement on the loud speaker (yes) to his famous request to get Krispy Kreme doughnuts in the shape of Olympic rings (yes, with a viral video to prove it). Jia learned that even the most preposterous wish may be granted if you ask in the right way, and shares the secret of successful asking, how to pick targets, and how to tell when an initial no can be converted into something positive. But more important, he learned techniques for steeling himself against rejection and ways to develop his own confidence--a plan that can't be derailed by a single setback. Filled with great stories and valuable insight, Rejection Proof is a fun and thoughtful examination of how to overcome fear and dare to live more boldly.

White Women - Regina Jackson 2022-11-01

A no-holds-barred guidebook aimed at white women who want to stop being nice and start dismantling white supremacy. It's no secret that white women are conditioned to be "nice," but did you know that the desire to be perfect and to avoid conflict at all costs are characteristics of white supremacy culture? As the founders of Race2Dinner, an organization which facilitates conversations between white women about racism and white supremacy, Regina Jackson and Saira Rao have noticed white women's tendency to maintain a veneer of niceness, and strive for perfection, even at the expense of anti-racism work. In this book, Jackson and Rao pose these urgent questions: how has being "nice" helped Black women, Indigenous women and other women of color? How has being "nice" helped you in your quest to end sexism? Has being "nice" earned you economic parity with white men? Beginning with freeing white women from this oppressive need to be nice, they deconstruct and analyze nine aspects of traditional white woman behavior--from tone-policing to weaponizing tears--that uphold white supremacy society, and hurt all of us who are trying to live a freer, more equitable life. White Women is a call to action to those of you who are looking to take the next steps in dismantling white supremacy. Your white supremacy. If you are in fact doing real anti-racism work, you will find few reasons to be nice, as other white people want to limit your membership in the club. If you are not ticking white people off on a regular basis, you are not doing it right.

Remaking Manhood - Mark C. Greene 2016-04-19

Remaking Manhood is a collection of Good Men Project Executive Editor Mark Greene's most popular articles on American culture, relationships, family and fatherhood. It is a timely and balanced look at the life affirming changes emerging from within the modern men's movement. "This is writing that unites men rather than dividing or exploiting them. It speaks to the very best part of men and asks them to bring that part to the fore--as fathers, as sons, as brothers, as husbands, as friends, as lovers, and as citizens of life." - Michael Rowe, author of Other Men's Sons "Read this book, but don't mistake it as a defense of men. Remaking Manhood is going to be considered a go-to piece of literature on the new "Male Revolution."" -

Jason Grant, CityDadsGroup.com "Mark interweaves his own deeply personal stories with a salient and powerful deconstruction of manhood in America." - Lisa Hickey, CEO, Good Men Project

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

How to Be Interesting - Jessica Hagy 2013-03-19

An inspiring visual guide to a richer life. "If there's a thinker to steal from, it's Jessica Hagy."—Austin Kleon, author of Steal Like an Artist and Newspaper Blackout How to Be Interesting is passionate, positive, down-to-earth, and irrepressibly upbeat, combining fresh and pithy life lessons, often just a sentence or two, with deceptively simple diagrams and graphs. Each of the book's more than 100 spreads will nudge readers a little bit further out of their comfort zones and into a place where suddenly everything is possible. It's about taking chance—but also about taking daily vacations. About being childlike, not childish. It's about ideas, creativity, risk. It's about trusting your talents and doing only what you want—but having the courage to get lost and see where the path leads. Because it's what you don't know that's interesting.

Who Cooked Adam Smith's Dinner? - Katrine Marçal 2015-03-05

Adam Smith, the founder of modern economics, believed that our actions stem from self-interest and the world turns because of financial gain. But every night Adam Smith's mother served him his dinner, not out of self-interest but out of love. Today, economics focuses on self-interest and excludes our other motivations. It disregards the unpaid work of mothering, caring, cleaning and cooking and its influence has spread from the market to how we shop, think and date. In this engaging takedown of the economics that has failed us, Katrine Maral journeys from Adam Smith's dinner table to the recent financial crisis and shows us how different, how much better, things could be.

The Art of Asking - Amanda Palmer 2014-11-11

Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress, she wordlessly asked thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for—as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of The Art of Asking. Part manifesto, part revelation, this is the story of an artist struggling with the new rules of exchange in the twenty-first century, both on and off the Internet. The Art of Asking will inspire readers to rethink their own ideas about asking, giving, art, and love.
