Being One - Steven Harrison

The cave of the recluse won't make us happy; the household won't make us happy. The mind cannot stay

happy. That's Harrison's recipe for the start of a realistic look at relationships from the standpoint of mythfree living and a more "brainless" understanding of the companions we seek for a better life.

Being a Happy Single Woman - How to Love Yourself and Enjoy Your Freedom - Phoenix Henry 2015-07-13

So many women believe that their happiness is tied to being in a relationship. I used to be one of those women and I felt like a complete failure each time a relationship ended and I found myself being single... again! The failure to find happiness on our own is deeply-rooted. We're thought from childhood that we need a husband and a family. Women that don't achieve those two and women that aren't interested in being married are often perceived as unhappy and certainly unsuccessful. These numerous expectations burden girls heavily. They search for the ideal relationship, jumping from partner to partner and hoping each time that it would last forever. Some are so afraid of being single that they'd agree to just about any partner in order to avoid the loneliness and the social stigma (yes, it's real - especially past a certain age). The aim of this book is to teach ladies how to find excitement and joy in being single. A single woman can travel, she can date numerous fun men, she can go wild and invest in the relationships she has with herself, her family and her friends. If you're a single girl who's experiencing doubt, this book is the right one for you. It will show you that being on your own is fun and it can lead to increased self-awareness and better understanding about what you want from a relationship.

Rewriting the Rules - Meg John Barker 2018-04-09

We live in a time of uncertainty about relationships. We search for The One but find ourselves staying single because nobody measures up. We long for a happily-ever-after but break-up after break-up leave us bruised and confused. *Rewriting the Rules: An Anti Self-Help Guide to Love, Sex and Relationships* is a friendly guide through the complicated - and often contradictory - advice that's given about sex and gender, monogamy and conflict, break-up and commitment. It asks questions about the rules of love, such as which to choose from all the rules on offer? Do we stick to the old rules we learnt growing up, or do we try something new and risk being out on our own? And what about the times when the rules we love by seem to make things worse, rather than better? This new edition, updated throughout, considers how the rules are being 'rewritten' in various ways - for example in monogamish and polyamorous relationships, different ways of understanding sex and gender, and new ideas for managing commitment and break-up where economics, communities, or child-care make complete separation impossible. This book considers how the rules are being 'rewritten' in various ways, giving you the power to find an approach that best fits your situation.

Forthcoming Books - Rose Arny 1999-04

Unveiling Destiny - Dr. Jennifer Sherine

Becoming the One - Sheleana Aiyana 2022-06-14

Spiritual writer and founder of Rising Woman, Sheleana Aiyana takes you on a transformational inner-work journey to heal life-long relationship patterns and reclaim power over your life. Romantic relationships have the ability to infuse our lives with the magic of intimacy and connection. But for many of us, that magic is fleeting-over and over, our relationships don't last, or if they do, they fail to make us happy. We find ourselves chasing unavailable love, sublimating our needs in service to others, or trying to save our partners from themselves, all the while abandoning the one who needs us most-ourselves. If you find yourself struggling to let go after a relationship ends, or you keep hitting the same wall in dating and relationships with emotionally unavailable people, this is not a sign that you are broken. It is a sign that somewhere along the way, you learned to sacrifice yourself in order to be loved. In *Becoming the One*, spiritual leader and visionary founder of the Rising Woman community Sheleana Aiyana offers a roadmap for transforming your relationship patterns to end the cycle of self-abandonment and move into the light of self-discovery. You'll learn to: • build a secure, loving relationship with yourself. • connect with your inner child. • challenge your core beliefs about love. • set self-affirming boundaries. • discover and celebrate

your true desires. • recognize red and green flags. Sheleana's revolutionary lessons, based on wisdom from the traumas of her past and years of guiding thousands of women around the world in her internationally acclaimed "Becoming the One" program of spiritual and therapeutic healing practices, teach you to embody the qualities you are seeking in others so that you can become "the one" for yourself. You'll learn how to trust your body, make peace with your past, and clear the path for healthy, conscious love—one that returns the authority to you to choose how to live and whom to love. The desire for love is wired into the very fibers of our being, but before you can create rewarding bonds with others, first you must stand wholeheartedly in self-acceptance. Becoming the One is an invitation to find your way home to yourself.

Ascension and Romantic Relationships - Joshua David Stone 2000-02-01

Inspired by Djwhal Khul, Dr. Joshua David Stone has written a unique book about relationships from the perspective of the soul and monad rather than just the personality. This presents a broader picture of the problems and common traps of romantic relationship and offers much deeper and spiritually sound guidance and advice. Drawing on his experience as a psychotherapist and licensed marriage, family, and child counselor, Dr. Stone has written an excellent manual for initiates, disciples, and ascended beings.

Being One - Steven Harrison 2003-08

Demonstrates that the clutter of solutions to relationship problems only adds to the turmoil, and sheds welcome light on the meaning of our quest for love.

The Steward Leader - R. Scott Rodin 2013-11-14

Coach. Entrepreneur. Mentor. Executive. Servant. Visionary. Everyone has a different idea of what a leader should be. How can any one person be everything? Scott Rodin brings unity and clarity to this confusing, demanding picture of leadership. He offers a comprehensive model that brings together a biblical understanding of holistic stewardship with the best in leadership studies. Whether in churches, not-for-profit ministries or in business the need for sound leadership is readily apparent. Drawing on his years of experience in development and fundraising and his extensive theological training, Scott Rodin offers a new paradigm--a transformational approach to leadership that is biblically sound, theologically rich and practically compelling.

Is He The One? Finding and Keeping Your Soulmate - Kelly Wallace 2021-06-12

As a professional psychic counselor for over 20 years who specializes in love and life issues, I see how hard it is for my clients to find true love. For most people, it might not be difficult to get dates or be in short-term relationships, but it's incredibly hard to find "the one." First dates may go along wonderfully but never turn into anything long-term or new relationships that seemed to have so much hope simply crash and burn, joining the wreckage of our past. Others find it almost impossible to even attract potential dates and spend months, years, even decades being alone, hoping and praying that their soulmate will find them at long last. Still, others have completely given up on ever finding true love and have simply decided to stay in a cold or dysfunctional relationship or remain alone. Obviously, there's no shortage of people on the planet, so why is it so hard to find true love? This is why I wrote *Is He The One? Finding and Keeping Your Soulmate*. It covers the many pitfalls and obstacles we face while on the path to finding our soulmate, and ways you can overcome anything and everything that's stopping you from enjoying the relationship you've always dreamed of. I'll show you how to blast through your barriers and ultimately find and keep your Mr. Right.

Passionate Marriage - David Schnarch, Ph.D. 1998-05-15

The greatest sexual pleasure in a person's lifetime is possible in one's middle and later years, asserts Dr. David Schnarch, when a mature sense of self has been achieved and genuine intimacy is possible with another person. At his Family Health Center in Colorado Dr. Schnarch works with couples in long-term committed relationships who want to get emotionally and sexually closer. In *Passionate Marriage* Dr. Schnarch shares what he has learned about how couples can--and must--simultaneously break through the sexual and the emotional blocks that hold them back from total satisfaction. He counsels that every sexual exchange, from kissing to daring erotic behaviors, is a picture of an entire relationship--a reflection of how you and your partner feel about yourselves and each other outside the bedroom. This respectful, erotic, uplifting, and spiritual guide to sexual and emotional fulfillment makes a passionate marriage within the reach of every couple.

Virtue and the Voice of God - Daniel J. Treier 2006

Theology's longest tradition is as a course of study that leads to wisdom. With the growth of the academy, however, theology fell into a fixation with the objective results of science. In this illuminating study Daniel Treier retrieves the older, deeper understanding of theology and connects wisdom in theological education to the theological interpretation of scripture, giving rise to a renewed understanding of the role of virtue in each. Dialoguing with a number of prominent proponents of theological interpretation of scripture, Treier builds on a biblical theology of wisdom that involves the daily lives of all God's people. Ultimately, Treier connects educational discussions of theology and hermeneutical discussions through a trinitarian understanding of wisdom. As a result, the increasingly diverse forms and social locations of theology can be integrated into the mainstream of theological reflection. Filled with interdisciplinary wisdom, *Virtue and the Voice of God* is a timely recovery of the essential conversation between theological education, virtue, and scriptural interpretation.

Finding Healing - Adessa Holden 2017-02-10

This can be your turning point. God can take the hardest places in your life - the things you never thought you'd overcome - and heal you and set you free so you can use your story to help other people discover their own abundant life. The message of this book is simple: You can be healed and overcome. You can walk in freedom. Through the power of the Holy Spirit and the work that Jesus did at the cross, you don't have to stay trapped in your pain and heartache. No person is doomed to repeat the cycles of the past. You can choose, as I did so many years ago, to start your own journey to healing and freedom and start really living the abundant life Jesus has for you. Are you ready? Let's get started.

Becoming the One - Sheleana Aiyana 2022-06-16

Old Ideas, New Practices: When Religion Is for Relationships - Bernard Lawrence Potvin 2021-03-15

This book is an upstream solution to the problems, issues, and questions young people struggle with downstream—alienation, boredom, and mistrust of religion. It includes over a hundred teaching strategies, tactics, logistics, and relationship builders that teachers in homes, schools, and churches can use. This book is a treasure chest of old ideas cast into new and proven teaching practices, each to be mined for the gem in it. Potvin's interest in writing this book, however, is not to focus on what is broken and ineffective in

Christian religious education (and a lot of education is broken and ineffective) but on what he has learned to be proven to be effective. He has drawn from his PhD studies, parenting with its perturbations and insights, and over forty years of teaching in universities, public, and faith-based schools. Jesus gave us our program of studies, with much to think about and practice what could work—to bring us to our true self, friendship with the Creator, love for others, and justice for all. And given the unprecedented trend towards home education and online teaching, designed for and led by parents, new practices based on old ideas may be just what the doctor ordered.

Self and Identity Through the Life Course in Cross-Cultural Perspective - Timothy J Owens 2000

This volume represents a new name and a new focus for its predecessor, *Current Perspectives on Aging and the Life Cycle* (volumes 1-4). We begin our new series, now titled *Advances in Life Course Research*, with volume 5. Its statement of purpose is the publication of theoretical analyses, reviews, policy analyses and positions, and theory-based empirical papers on issues involving all aspects of the human life course. It adopts a broad conception of the life course, and invites and welcomes contributions from all disciplines and fields of study interested in understanding, describing, and predicting the antecedents of and consequences for the course that human lives take from birth to death, within and across time and cultures (construed in its broadest sense), regardless of methodology, theoretical orientation, or disciplinary affiliation.
