[Unrequited Love - Deema August 2023-01-21](#)

UNDERSTANDING UNREQUITED LOVE: THE EMOTIONAL IMPACT Unrequited love is a feeling of deep affection and attraction towards someone who does not reciprocate those feelings. This can be a difficult and painful experience, one that can leave us feeling confused, hurt, and disappointed. It's important to understand that unrequited love is a common experience and one that is not unique to you. One of the most challenging aspects of unrequited love is the emotional impact it can have on us. When someone we care about doesn't feel the same way about us, it can be difficult to come to terms with the rejection. This can lead to feelings of sadness, low self-esteem,

and even depression. It's important to remember that these feelings are normal and that it's okay to grieve the loss of the relationship. Another emotional impact of unrequited love is the feeling of longing and desire for the other person. This can be especially difficult when the person is someone we see regularly, such as a colleague or friend. It can be difficult to see them and not be able to have them in the way we want. This can lead to feelings of longing and sadness, and may even cause us to avoid the person or distance ourselves from them. Additionally, unrequited love can also lead to feelings of anger and resentment. This is especially true if the person we care about is in a relationship with someone else. It can be difficult to understand why they don't see the potential in us and may lead to feelings of anger and frustration. It's important to remember that these feelings are normal and that they will pass with time. The key is to be kind to yourself during this difficult time and to allow yourself to feel the emotions that come with unrequited love. It's also important to take care of yourself and to seek support from friends and family. It's also important to understand that unrequited love is not a one-time experience, it can happen multiple times in our life. Therefore, learning from these experiences and to use them as opportunities for growth and self-discovery is crucial. It's important to understand that unrequited love is not a reflection of our worth as a person and that it doesn't define us.
[How to Handle Rejection - Bimbo Odukoya 2007-04](#)

So many today are walking around embittered and battered by the painful experiences of the past without a way out. Many are trapped in their minds, locked in negative and inhibiting

emotions because of the rejections of the past. How To Handle Rejection uses biblical and modern day examples to help you recognize and overcome rejection's many roots and guises. In this book, you will find out that the new birth, depending on the Holy Spirit, resisting unforgiveness, uncensored self-examination and making right choices are effective weapons in tackling rejection. You will also discover how to value fellowship -value your identity and heritage in Christ -conquer an unhealthy need for acceptance -enjoy a full life - beyond the experiences of rejection. Pastor (Mrs) Bimbo Odukoya was the co-pastor of The Fountain of Life Church, situated in Lagos, Nigeria. The wife of Pastor Taiwo Odukoya, the founding and senior pastor of the church, their marriage is blessed with three wonderful children. She was the president of Single & Married ministry and host of the international weekly television programme Single & Married. Pastor Bimbo, as she was fondly called, was also the chairperson of Discovery for Women, a ministry dedicated to challenging, motivating and empowering women in their various roles as wives, mothers and leaders. Over five thousand women attended her quarterly Discovery for Women rallies. A highly-sought-after conference speaker both nationally and internationally, she ministered practically on every university and polytechnic campus in Nigeria before her call to glory. A prolific writer, author and columnist, she had regular columns in various national and international newspapers and magazines. She was also the author of the book *How To Choose A Life Partner: 165 Questions To Ask*. During her lifetime, Pastor Bimbo received more than sixty awards from both Christian and secular organizations as a testimony of her exemplary life and teachings.

Rejection Proof - Jia Jiang 2015-04-14

An entertaining and inspiring account of conquering the fear of rejection, offering a completely new perspective on how to turn a no into a yes. Jia Jiang came to the United States with the dream of being the next Bill Gates. But despite early success in the corporate world, his first attempt to pursue his entrepreneurial dream ended in rejection. Jia was crushed, and spiraled into a period of deep self doubt. But he realized that his fear of rejection was a bigger obstacle than any single rejection would ever be,

and he needed to find a way to cope with being told no without letting it destroy him. Thus was born his "100 days of rejection" experiment, during which he willfully sought rejection on a daily basis--from requesting a lesson in sales from a car salesman (no) to asking a flight attendant if he could make an announcement on the loud speaker (yes) to his famous request to get Krispy Kreme doughnuts in the shape of Olympic rings (yes, with a viral video to prove it). Jia learned that even the most preposterous wish may be granted if you ask in the right way, and shares the secret of successful asking, how to pick targets, and how to tell when an initial no can be converted into something positive. But more important, he learned techniques for steeling himself against rejection and ways to develop his own confidence--a plan that can't be derailed by a single setback. Filled with great stories and valuable insight, *Rejection Proof* is a fun and thoughtful examination of how to overcome fear and dare to live more boldly.

Thank You for Rejecting Me - Kait Warman 2021-02-16

Our stories are riddled with the sting of rejection. It's feeling like a failure or being heartbroken. It's being left out or misunderstood. It's the parent who neglected us or the person who betrayed our trust. It's even in the way we think or talk about ourselves and question our relationship with God. Whether it happened in grade school or last week, rejection can leave deep scars that affect our relationships, our self-worth, and our identities for years to come. And while we can't control when rejection appears, we can control how we react when it does. In *Thank You for Rejecting Me*, popular relationship coach and podcaster Kait Warman shows you how to turn pain into purpose and fight for yourself when rejection comes your way. With chapters that focus on some of life's biggest rejections--being betrayed, abused, misunderstood, heartbroken, sexually shamed, and many more--this book offers practical tools to heal from the past, take back your power, and walk in strength, victory, and love in the future.

Don't Take It Personally - Elayne Savage 2016-04-19

Who hasn't felt the sting of rejection? It doesn't take much for your feelings to get hurt—a look

or a tone of voice or certain words can set you ruminating for hours on what that person meant. An unreturned phone call or a disappointing setback can really throw you off your center. It's all too easy to take disappointment and rejection personally. You can learn to handle these feelings and create positive options for yourself. *Don't Take It Personally!* explores all forms of rejection, where it comes from, and how to overcome the fear of it. Most of all, you'll learn some terrific tools for stepping back from those overwhelming feelings. You'll be able to allow space to make choices about how you respond. —Understand the effect that anxiety, frustration, hurt, and anger have on your interactions with others. —De-personalize your responses and establish safe personal boundaries that protect you from getting hurt. —Practice making choices about the thoughts you think and the ways you respond to stressful situations. —Understand and overcome fear of rejection in personal and work relationships. Elayne Savage explores with remarkable sensitivity the myriad of rejection experiences we experience with friends, co-workers, lovers, and family. Because her original ideas have inspired readers around the world, *Don't Take It Personally!* has been published in six languages.

Overcoming Parental Rejection and Hurts

(School Edition) - Earl Middleton 2011-09-01

As families become more fractured and distant, and children become more pathologically impacted by this alienation, the question begs an answer, "how do we help the millions beset by parental rejection to acquire what they have missed from their parents, heal their brokenness, and achieve their God ordained destiny?" I wrote this book as a cathartic response to that question.

Exposing the Rejection Mindset - Mark DeJesus 2018-01-26

Break free by exposing the lies of a rejection mindset. Everyone experiences rejection in their life, but few are equipped to overthrow a rejection mindset. Meanwhile, masses of hearts are held back from experiencing the fullness of love in their relationships while being held under the limitation of spiritual slavery. Rejection is a deeply rooted mindset that seeks to steal your ability to experience love, see the power of your identity and experience fruitful relationships. It keeps your heart from experiencing a healthy and fruitful life as a loved child of God. Many people never experience the fullness that is possible because a rejection mindset held them back. Through his work as a transformational consultant, Mark has witnessed the effects of a rejection mindset first-hand. Through his own personal freedom journey and helping many to break from personal limitations, Mark will expose this sinister mindset and give you practical tools to live free. Throughout this book, you will learn to see how this root system of rejection seeks to get itself into every facet of relationships. You will be able to: - Get to the bottom of what causes most of our relationship struggles. - See why so many believers feel far from God and struggle to connect to His love. - Uncover why many of the same cycles of limitation keep occurring. - Face personal insecurities and get an identity upgrade. - Develop a healthier lens in how you approach relationships. - Break out of places where you feel stuck and get a fresh start. It's time to take back who you are and what you were made for. Expose the rejection mindset in your life and walk into your freedom.

Struggle With Feelings Of Rejection - Geraldo Verrue 2021-07-22

Mr. Unavailable and the Fallback Girl - Natalie Lue 2011

Are you the Fallback Girl? If you've ever found yourself in a relationship that feels and seemingly looks like one but you're struggling with commitment or you've been in the ambiguous territory of a 'casual relationship', you've likely tried to change them, wondered what you 'did' to cause this, what you can do to win their love and commitment, or even whether you're going crazy. Mr Unavailable and the Fallback Girl is the definitive guide to understanding the relationship between emotionally unavailable men and the women that love them. From explaining how and why they blow hot and cold, to where that future they promised went to, how you've ended up being a booty call, why you've been together for a gazillion years but aren't going anywhere, and more importantly how and why you're involved with them in the first place, all of the answers are here. You know you're dealing with unavailability when you ask stuff like What happened to that 'great guy' from the beginning? Why won't he break up or stay away if he doesn't want to commit? What the hell did I do to make him disappear? Is he going to leave 'her' for me? It's because he's shy/busy/scared of his feelings isn't it? Inspired by the real life adventures in unavailability of Natalie Lue and the readers of her site BaggageReclaim.com, Mr Unavailable and the Fallback Girl is an empowering, entertaining and inspiring read that will wise you up to pitfalls such as men who aren't over their exes, Future Fakers, guys that have more baggage than a Heathrow terminal and reappearing childhood 'sweethearts'. If you want to understand your own availability, and why commitment in a healthy relationship is eluding you, Mr Unavailable and the Fallback Girl is your guide to being available and attracted to healthy, available partners. Note - the book is in British English not US English.

Why Am I Afraid to Love? - John Powell 1999

Tradition has it that God's second commandment

is that we should love one another. Why is it so hard? The capacity to love is in everyone. Yet so often it remains trapped and waiting to be released. In John Powell's best-selling *Why Am I Afraid to Love*, he carefully and sensitively confronts the barriers that restrain. He looks at the fear of rejection, the motives for love, how to truly understand the inner self and what true love looks like. He then considers the true test of love: can self be forgotten in loving others?

Based on the original best-selling edition, this new book has been completely re-designed. A fitting companion to *Why Am I Afraid to Tell You Who I Am?*, it is one of the most original and popular self help books on the market. It sits comfortably alongside other classics like *I'm OK, You're OK*. *Why Am I Afraid to Love* has sold over 100,000 copies in its original edition.

[Interpersonal Rejection](#) - Mark R. Leary
2006-08-24

Interpersonal rejection ranks among the most potent and distressing events that people experience. Romantic rejection, ostracism, stigmatization, job termination, and other kinds of rejections have the power to compromise the quality of people's lives. As a result, people are highly motivated to avoid social rejection, and, indeed, much of human behavior appears to be designed to avoid such experiences. Yet, despite

the widespread effects of real, anticipated, and even imagined rejections, psychologists have devoted only passing attention to the topic, and the research on rejection has been scattered throughout a number of psychological subspecialties (e.g., social, clinical, developmental, personality). In the past few years, however, we have seen a surge of interest in the effects of interpersonal rejection on behavior and emotion. The goal of this book is to pull together the contributions of several scholars whose work is on the cutting edge of rejection research, providing a scholarly yet readable overview of recent advances in the area. In doing so, it not only provides a look at the current state of the area but also helps to establish the topic of rejection as an identifiable area for future research. Topics covered in the book include: ostracism, unrequited love, betrayal, stigmatization, rejection sensitivity, rejection and self-esteem, peer rejection in childhood, emotional responses to rejection, and personality moderators of reactions to rejection.

Bouncing Back from Rejection - Leslie Becker-Phelps 2019-12-01

Go beyond your fear of rejection to develop confidence, compassionate self-awareness, and resilience! Do you have a fear of rejection? If so, you aren't alone. But if you have difficulty bouncing back after rejection, experience intense pain as a result, or if the fear of rejection is so crippling that it interferes with your everyday life, it's time to make a change. This groundbreaking guide can help. With this book, you'll learn why you fear rejection by gaining an understanding of your unique attachment style. Secure attachment is defined as a feeling of being protected and well-cared for. People who experience secure attachment as young children are more likely to be happy, healthy, and resilient adults. On the other hand, insecurely attached people are less likely to cope well with rejection, and may have trouble "bouncing back" after difficult experiences. Once you understand how your attachment style has informed your fears, you can begin the work needed to overcome them! Using the theory of attachment, and the five domains of awareness: Sensations, Thoughts, Emotions, Actions, and Mentalizing (STEAM), you'll learn to relate to yourself and to others in more positive ways, even when difficult

situations arise. So, whether you experience rejection in a romantic relationship, at work, or with friends, you'll have the resilience needed to recover quickly and focus on what makes you special and unique. This isn't a book that promises to protect you from future rejection. Unfortunately, rejection happens to everyone and is a normal part of life. But you will learn skills to handle this rejection and come to see it as less scary. With this view, you'll gain confidence, self-awareness, and the resilience needed to bounce back, even when life throws you a curveball.
