Wild at Heart John Eldredge 2011-03-22 John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free.

Walking the Sacred Path Dan Schutte 2009 Those familiar with the music of Dan Schutte are in for a great treat here. As in his music, he deals with themes of longing and desire for God, the hungers of the human heart, unfulfilled human hopes and dreams, and the profound happiness of finding ones home in God. The exercises here are loosely based on the Spiritual Exercises of St. Ignatius of Loyola, and the goal is the same for both: to draw readers into a personal, living, growing relationship with Jesus Christ.

MEN MENTORING MEN, AGAIN Daryl G. Donovan 2000-06 "And Jesus came up and spoke to them, saying, '... Go therefore and make disciples....'" "The need for mentoring has never been greater in our society. Men Mentoring Men Again helps meet that need by effectively challenging and equipping men to take their roles as spiritual "fathers" and "brothers" in Christ seriously. Bill McCartney Founder and President, Promise Keepers This guide goes beyond Men Mentoring Men to consider pressing issues men face. How does a man overcome habitual sins? How do men cope with the busyness of life? What's a godly man's role in the workplace? Men using this resource will develop a spiritual growth plan, as well as learning to wage spiritual warfare, to fast and pray, and to walk in obedience. Best of all, Dr. Donovan's teachings are presented in terms that any man can understand and apply. Men Mentoring Men Again is a resource designed to assist Christian men in fulfilling Christ's commission. It is not merely information -- it is an action-oriented guide which requires relationship and mutual accountability. Each session will challenge men to share their victories and their struggles ... to maintain a daily journal as well as being committed to regular Bible reading. Daryl G. Donovan has served in pastoral ministry for over 25 years. Currently the senior pastor of First Christian Church in Blackwell, Oklahoma, he serves on the Leadership Presbytery of Christ's Church Fellowship International as Western Overseer and Director of the Men's Task Force. He is also the founder and president of Mentoring Ministries, Inc., a nonprofit ministry promoting mentoring relationships. Donovan received his Doctor of Ministry degree from San Francisco Theological Seminary. Other books by Donovan include Able To Stand, Men Mentoring Men, Mentoring For Marriage, and The Inheritance (a mentoring course for children). Committed to the strengthening of Christian families, Dr. Donovan is a devoted husband and father who along with his wife Elaine finds great joy in mentoring their four children. Praise for Men Mentoring Men: How grateful I am that Daryl Donovan has invested his energy and skills in developing the Men Mentoring Men discipleship course. The need for men to grow daily in fellowship and accountability to one another is at a desperate level in our culture. This course will serve as a timely and very practical tool in building responsible disciples. Steve Chapman Christian Recording Artist and Family Conference Speaker Scholars are one thing, students another, but a disciple is best of all. In Daryl Donovan's discipleship course you are taken beyond the facts of doing into the realm of being -- being a "real man," that is. To learn to be a "real man" is to learn to be like Jesus. Manhood and Christlikeness are synonymous. The entire purpose of the teaching of Dr. Donovan is to take you step by step into the stature of really mature manhood. Ed Cole, Founder and President Christian Men's Network

But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Visiting the Saints of India with Sri Daya Mata Mrinalini Mata 2017-09 In this book, Sri Mrinalini Mata, president of Self-Realization Fellowship / Yogoda Satsanga Society of India, recounts her experiences of traveling with Sri Daya Mata during a trip to India in 1961. Sri Mrinalini Mata's experiences in India were truly remarkable, for she not only came in contact with two of India's most revered twentieth-century saints Sri Anandamoyi Ma and Sri Sitaramdas Omkarnath but she also was night and day in the presence of Daya Mata, who today is widely revered as a saint herself. There are more than 40 color and sepia tone images in this beautifully presented book. Many of the photos were taken by Sri Ananda Mata, sister of Sri Daya Mata, and also by Mrinalini Mata herself. As 2017 marks the centennial of Paramahansa Yogananda's work in India, it is a fitting occasion to bring out this inspiring account for the first time in book form.

A World in Transition Yogananda (Paramahansa) 1999 Paramahansa Yogananda and some of his foremost disciples provide heart-satisfying explanations for our most challenging questions -- shedding a clarifying light on personal and global concerns. Each chapter offers understanding, reassurance, and guidance for the turbulent times in which we live. With acute insight, A World in Transition shows how we can use the power of meditation and prayer for world peace, and effect lasting spiritual transformation for ourselves, our communities, and our planet. By identifying the universal principles and world cycles that influence the evolution of civilizations and individuals, the authors help us develop those life skills we will need to chart our course in the times ahead.

Do Love Andrew Rankin 2013-03-13 We're all love hacks ... but it doesn't have to be this way. Jesus gave a new teaching on the eve of His crucifixion: “Love one another as I have loved you.” He said that His followers would be known for their love. Yet few have experienced His love. Fewer still actually love like Him. As a recovering love hack, Rankin knows firsthand the struggles of moving beyond feelings and good intentions into the reality of loving others through actions. For love to become a way of life, we need to follow Jesus down a clear path. Do Love is a fresh call to establish love as the distinctive Christlike trait in our lives.

Call No One on Earth Your Father Henry Bardsley 2018-01-12 This book is for those not satisfied with their relationship with their Heavenly Father. For years I knew about Him through Bible study, morning quiet times, and a concerted effort to live a Christian life. I knew about Him, but did not know Him in relationship. I viewed my Heavenly Father as a set of attributes, but His love, and how He expressed it, eluded me. This book is about how I entered into a father-son relationship with my Heavenly Father. I wanted to hear Him call me "son." Jesus' command to "call no one on earth your father" fell on my deaf ears. I called my earthly father "my father" and did not see my Heavenly Father as my ONLY Father. I did not enter into what Jesus did: made it possible for me to be re-united, restored as a son to my Heavenly Father. I did not recognize that the image I had of my Heavenly Father mirrored the one I had of my earthly father. Unknowingly I projected my earthly father's likeness onto my Heavenly Father. I saw my Heavenly Father as remote, silent, judgmental, and impersonal. Satan deceived me as to who my Heavenly Father is to prevent me from knowing Him as my Father. Many lies planted by the father of lies took root in my heart that needed to be exposed and cast out. To be in relationship with my Heavenly Father I had to hear His voice and see Him in the Spirit just like Jesus did. Jesus knew our Heavenly Father and experienced the reality of our Father's love. He demonstrated what relationship with our Father is like and made every provision for us to have it too. The consequence of not hearing my Heavenly Father's voice was a failed Christian life. I knew about truth, but did not know the one who is Truth. I knew about the way, but did not know the One who is the Way. I knew about life, but did not know the One who is Life. I thought that listening to Scripture was basically the same as listening to my Heavenly Father, but it is not. There was little difference between me and the Pharisees who had knowledge of Scripture but had no relationship with the Lord. Hearing God was the foundation for developing a relationship with Father God. Beliefs and believing are not the same. I had beliefs in my mind, but a closed, unbelieving heart. I had Biblical knowledge and Christian principles stored in my mind, but there was no life in stored knowledge. I had knowledge in my mind of what Jesus said and did, but that knowledge did not give me life. I had an over-fed mind and an anemic heart; an over-stimulated mind and an under-engaged heart; a dominant mind and a quenched heart. I had a mind that stockpiled Scripture verses, but a heart that did not know the One to whom Scripture pointed. I knew about the Lord in my mind. But knowing Him relationally had to occur in my heart because that is where my Heavenly Father and Christ reside. The Spirit must be actively flowing from my heart for me to experience relationship with my Heavenly Father. Instead of growing in Christ, I was growing in knowledge about Him. I was learning how to imitate Him. I built up a false sufficiency in myself, with a veneer of Christ-like behaviors. All my laments about my pathetic Christian life illustrated my failure to go to the cross-to die to my will. My stated desire to know God, to be in relationship with Him, mattered little because I resisted suffering. Instead of enduring suffering, my efforts were on trying to eliminate it, not overcome in it. My beliefs and self-efforts were not saving me and were useless religious activity which deceived me into thinking I was a follower of Christ. To know my Heavenly Father and His love required me to embrace and endure His discipline. This book describes how my heart was opened such that I could see and hear Him-the foundation for a relationship with my Heavenly Father.

Sacred Pathways Gary Thomas 2020-09-08 Sacred Pathways reveals nine distinct spiritual temperaments--and their strengths, weaknesses, and tendencies--to help you improve your spiritual life and deepen your personal walk with God. It's time to strip away the frustration of a one-size-fits-all spirituality and discover a path of worship that frees you to be you. Experienced spiritual directors, pastors, and church leaders recognize that all of us engage with God differently, and it's about time we do too. In this updated and expanded edition of Sacred Pathways, Gary Thomas details nine spiritual temperaments and--like the Enneagram and other tools do with personality--encourages you to investigate the ways you most naturally express yourself in your relationship with God. He encourages you to dig into the traits, strengths, and pitfalls in your devotional approach so you can

eliminate the barriers that keep you locked into rigid methods of worship and praise. Plus, as you begin to identify and understand your own temperament, you'll soon learn about the temperaments that aren't necessarily "you" but that may help you understand the spiritual tendencies of friends, family, and others around you. Whatever temperament or blend of temperaments best describes you, rest assured it's not by accident. It's by the design of a Creator who knew what he was doing when he made you according to his own unique intentions. If your spiritual walk is not what you'd like it to be, you can change that, starting here. Sacred Pathways will show you the route you were made to travel, marked by growth and filled with the riches of a close walk with God.
