Not knowing how to talk to women. For many men, dating just sucks. But it doesn't have to. There's a simple, yet powerful, way to gain instant confidence and attract a great girlfriend: Be authentic. How to Be a Pickup Artist - Kent Lamarc

Many men have tried to spend time with me to learn what makes me special with women. They

can't see it because it's not obvious from how I behave or dress. It's not even obvious by how I talk. And this can be puzzling. In other words, I'm basically impossible to copy. So what makes women so attracted to me? I'm not well-build and full of muscles, I'm not tall and blond; I just don't have anything in me or in my behavior that can make me look like a potential threat to other men. And yet they perceive me as one. But they only perceive me as one, once they see all the girls moving towards my side, leaning on me, and hooking on me. Like a Ninja, I am impossible to detect until the job is done. And that, I believe, increases the level of mystery in what regards my personality and my social magnetism. Now, before all that happens, there are certainly things I have in me and my capacity to observe that makes me fast and efficient at picking up the best women. And in this book I will explain to you how you can develop the same type of qualities. The qualities presented here emerge from a peculiar attitude to life, one that emanates a vibe women can feel and are unable to resist. And it's much more than what shows in confidence; but you'll have to read more to find the big secrets that even most PUAs don't know.

I'm a loner, and it seems I always will be. It's safer that way. My last girl up and left because things got too dangerous. Not that I blame her. It'd be better if I could stay away from love for good, but the pretty single mom who dances at my club has my attention, then my body, and now my heart. The world is crumbling around

me, with villains gunning for my MC left and right, and the only thing that saves me is her. Scarily enough, she's trying to save herself. An abusive relationship and a little one to deal with have her struggling to keep her head above water. Time to step in and save her. I have to. No matter what. Why? She's the one that pulls my black soul up from the darkness and forces me to breathe again with her warmth. I just can't help but wonder how she'll feel when she realizes that I'm no different from the evil that's after us. I'm more of what she doesn't need. I wish I was a good guy and could walk away, but I'm in too deep. I've gone too far. No matter what or who comes our way, I'll be ready to protect what is mine. Cause that's what bad boys do.

You’ll benefit from (and laugh at) stories of real things Steve has done in relationships with women as well as of women turning the tables on him when he least expected it. The book also includes a question-and-answer section, in which Steve explores some of the toughest dating issues. Find out how much more fun dating can be when you get the upper hand on Bad Boys . . . for good.

Jesus, Jacinto, and Granny's Bottom - Brenda Duncan Johns 2013-04

When I was fifteen years old, I married the boy

that I had fallen in love with when I was just thirteen. Gerald was the only boy I ever truly loved, and after we married, we had to leave our little "ghost town" of Jacinto and move to Kenosha, Wisconsin, to make a living. I had never been more than twenty-five miles from home until then. My parents raised me in the Methodist religion, but after moving to Kenosha, I quit church completely and went deep into sin. The nightlife in the juke joints really got a hold of me, and I was lured into a life I never thought I'd live. I found out that that kind of life only leads to despair and heartbreak, and I began to wonder if God was real. Would He help a poor sinner like me? What life had in store for me proved that God is real and that He gave his only son, Jesus, so that I could have everlasting life. On my journey to find this truth, I've seen the good, the bad, and the ugly in religion. I've seen false prophets, cults, and self-loving preachers. Come walk with me on my journey. I think in the end, you will have to agree with an old Baptist preacher who once said, "I do believe that old gal is real for God!"
