Love Stories That Touched My Heart - Ravinder Singh

2012-12-15

Love—only a four letter word, yet it's so powerful that it can conquer anything in this world! We've all experienced the first flush of love and remember the lingering fragrance of it. For ages Love has remained one of the most cherished experiences that everyone wishes to live through at least once.

Humanity, time and again, has coined many definitions to describe this beautiful emotion, but this small word is a feeling that can't simply be defined. It has to be narrated . . . in the form of stories—love stories.

Love Stories That Touched My Heart is a collection of such stories from readers who have a tale to tell, shortlisted from over 2000 entries that were submitted in a competition conducted by Penguin India. Selected and edited by

Ravinder Singh, this anthology—made up of the stories that touched Ravin's heart the most—will make you believe that someone, somewhere, is made for you.

Super Thinking - Gabriel Weinberg 2019-06-18
A WALL STREET JOURNAL BESTSELLER! "You can't really know anything if you just remember isolated facts. If the facts don't hang together on a latticework of theory, you don't have them in a usable form. You've got to have models in your head." - Charlie Munger, investor, vice chairman of Berkshire Hathaway The world's greatest problem-solvers, forecasters, and decision-makers all rely on a set of frameworks and shortcuts that help them cut through complexity and separate good ideas from bad ones. They're called mental

models, and you can find them in dense textbooks on psychology, physics, economics, and more. Or, you can just read *Super Thinking*, a fun, illustrated guide to every mental model you could possibly need. How can mental models help you? Well, here are just a few examples... • If you've ever been overwhelmed by a to-do list that's grown too long, maybe you need the Eisenhower Decision Matrix to help you prioritize. • Use the 5 Whys model to better understand people's motivations or get to the root cause of a problem. • Before concluding that your colleague who messes up your projects is out to sabotage you, consider Hanlon's Razor for an alternative explanation. • Ever sat through a bad movie just because you paid a lot for the ticket? You might be falling prey to Sunk Cost Fallacy. • Set up Forcing Functions, like standing meeting or deadlines, to help grease the wheels for changes you want to occur. So, the next time you find yourself faced with a difficult decision

Rajesh Khanna - Yasser Usman

2014-12-05

The untold story of Hindi cinema's first superstar Obsessed female fans routinely sent him love letters written in blood. Hysterical crowds camped outside his house to catch a glimpse of the superstar. And the frenzy unleashed by his public appearances was enough to give law-enforcers a nightmare. In the 1970s, Rajesh Khanna achieved the kind of fame that no film star had ever experienced before—or has since. But

having climbed to the pinnacle of success, he then saw it all vanish. And through it all, he remained a fighter till the very end. In this riveting biography, journalist Yasser Usman examines Rajesh Khanna's dramatic, colourful life in its entirety: from little-known facts about his childhood to the low-down on his relationships and rivalries, from his ambitious hopes to his deep-seated insecurities. What emerges is a tantalizingly written, meticulously researched chronicle of a fascinating and mercurial man—one who was both loved and feared by those closest to him. It is a story that encapsulates the glittering, seductive, cut-throat world of Bollywood at its best and its worst.

Anatomy of a Poet - C. J.

Heck 2013-04

Poetry can be daunting and hard to understand, but it doesn't have to be. I feel a poet has an obligation to write in a way that everyone can understand. Poems should flow

softly through a poet's words, their meanings gently caressing the heart and mind of its reader. If a poem comes from the heart, it will reach other hearts, and this is what I've tried to do with the poetry in "Anatomy of a Poet." CJ Heck "Like a rose with many petals and sharing its sweet aroma, this is how I see and feel about the love of my life, CJ Heck. She is my electric blue-eyed girl. She can be both a little girl, or a strong woman, whenever and wherever the situation calls for it. She is both sensuous and exciting, and soft and affectionate. Tragedy struck her life early with the death of her husband in Vietnam. This experience laid open the very core of her heart and soul and opened the channel to a well of compassion and sensitivity that waited deep within. Her pain was the fertilizer that helped her bloom as a writer. CJ's poetry is not a surface observation, but a soulful interpretation of the events and people that inspired her. She writes both eloquently and

simply of things that touch her heart, things she wants to share. She is gifted at painting a picture with words on the heart and imagination of others, thereby communicating not just an image, but a life experience. I feel very honored to have been asked to write this introduction and share my feelings about CJ Heck. She is the water for my soil, the sunlight for my petals and the nurturer of my growth. Sit back, open your heart and enjoy the journey as revealed through her words, images and emotions. You are blessed by this opportunity to know her in words, as I know her in life." Robert S. Cosmar, Author "This is my kind of poetry. Direct, beautifully expressed and without a hint of pretension." Allison Cassidy "CJ is predominately viewed as a writer of works for children, but CJ now carries over her approach to more adult themes. In doing so, she presents a profound world that is deeply sad, incredibly humorous and sometimes very intimate." Joseph Daly "I love

learning new words, especially when they are explained with such diaphanous clarity. Whether she talks of love, children, life, or any other subject, CJ's words are always clear and harmonious. She makes us forget that easy to read is hard to write." Marc Mimouni (London, United Kingdom) "CJ Heck is a very talented author. Her words are enlightening and charismatic to people of all ages. It is a privilege and honor to read her prolific pen." Janet Caldwell (Managing Editor, Inner Child Magazine

A befitting tribute to the poet who once described himself as 'collyrium for men's eyes', freely offering to make their vision cleaner.

Smokes And Whiskey -
Tejaswini Divya Naik
2019-08-03

The book is a collection of 42 poems on relationships, the ups and downs that come along with it, falling apart like rubble, but then finding oneself, gathering that strength back and building yourself up, back from that same rubble. This book would make everyone feel what poet felt while writing it, and that love is a universal thing, and her story is not unique. And the hope that this makes them see that there is a beyond and that they can come out happy and clean. And, that this makes them braver than they already are, and gives them that little

extra push and strength that they probably need.

The Driveway Rules - Marc Sander 2020-01-28

The Driveway Rules is my book of memoirs. It focuses on my struggles when it comes to dating but also has fun entries about various adventures in my life. I am introspective and have learned a lot about my struggles through the years. The point of our struggles is to use them as an opportunity for growth and perhaps to help others later in life. This book is poignant, philosophical and humorous. Next to penicillin laughter is the best medicine.

couplets, ghazals and poems on a range of topics and social issues such as the status of women in society, he gained an unmatched status in the world of poetry as his work resonates with each and every generation. As an ode to him, we are happy to be part of a tribute dedicated to him and his exceptional work. This initiative gives upcoming artists a chance to showcase their talent on a national platform through their compositions based on Rahat

ji's work. All the nine artists are extremely talented and it is an absolute pleasure to present their songs to all the avid music admirers. Also, just like Rahat ji's words weaved our imagination with hope, laughter and love; it's also equally marveling to see artists reimagining the lyrics and transforming his words into vivid paintings. This collaboration is our bid to memorialize him and his work for our listeners that cherish him and his legacy. - Sunil Kumaran (Big FM)
