

# Great Books For Girls More Than 600 Books To Inspire Today's Girls And Tomorrow's Women

Out of this World - Holly Virginia Blackford 2004-04-30

The author analyzes the way the girls discuss pleasure in becoming "the eye" of the reader, use film to decode the genres of literature, master forms such as fantasy and Gothic, describe the differences between reading and viewing films, and identify only with animal rather than human characters. Blackford intertwines the vivid voices of her girl respondents with her own story of moving beyond her feminist and multicultural assumptions of how children are shaped by the stories we tell in literature. This breakthrough text presents surprising findings about how girls appreciate literature and what they enjoy about reading.

**Her Next Chapter** - Lori Day 2014-05-01

Mother-daughter book clubs are a great way to encourage reading, bonding, and socializing among mothers, daughters, and their friends. But these clubs can do more than that, suggests educational psychologist and parenting coach Lori Day. They can create a safe and empowering haven where girls can freely discuss and navigate issues surrounding girlhood. In Her Next Chapter, Day draws from experiences in her own club and her expertise as an educator to offer a timely and inspiring take on mother-daughter book clubs. She provides overviews of eight of the biggest challenges facing girls today, such as negative

body image, bullying, gender stereotypes, media sexualization, unhealthy relationships, and more, while weaving in carefully chosen book, movie, and media recommendations; thoughtful discussion questions; and group activities and outings that extend and enrich conversations and make clubs fun. Her Next Chapter outlines how mothers can use the magic of books to build girls' confidence and sense of possibility as leaders, allies, and agents of change. A list of further resources and reflections and observations from Day's now-adult daughter, Charlotte, round out this indispensable resource for anyone who cares about, teaches, or works with girls.
