How does this story of sex in groups sound to you? My Gangbang with Carrie (Nine or Ten Guys and My Best Friend!) A Rough Group Sex Erotica Story by Karla Sweet Karla and

I were right on the verge of huge business success but we needed some financing to make it work. When the banks refused to help, we scrambled to find private investors. Our only luck came with Arthur, a really wealthy trust fund heir. There was only one catch... He had a condition, and that condition was that one of us would have to sleep with all of his friends at a party. Carrie and I drew straws and I lost! Suddenly, I was the center of attention in a big gangbang and the craziest thing of all was that Carrie joined in! That's just one of the stories you'll find in this collection

where one hole filled is never enough. Click to get it on your Kindle device and it will be there in seconds! Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, group sex, double team sex, double penetration, first anal sex, and more. Only mature adults who won't find that offensive should read this collection. These are the rest of the group sex stories: 2. Cynthia's Double Penetration A Wife Swap Erotica Story by Carolyne Cox It all happened so suddenly, and I never would have expected any of it. I noticed how attractive Tom's bulge was, and then his wife noticed me noticing. I thought she was going to be ticked off but instead she started something that turned into a wild time. I fucked her husband. She fucked my husband. Things just got crazy, and before long I was watching both men take her at the same time... with double penetration and everything! 3. Getting the Promotion (And Using Every Hole to Do It!) An Office

Gangbang Erotica Story by Skyler French I was usually so adamant about not using my body to get ahead at work but it became apparent if I wanted the promotion there were things expected of me. Sure, I felt a bit slutty for doing it but the raise and the benefits were enough of an incentive. So, I prepared myself for whatever the management team wanted. I had no idea that what they wanted was my untouched ass! Well, they took that and they took my throat and they took... let's just say every single hole was filled and it was horribly intense and wonderful all at the same time. 4. Taking on the Team A Gangbang Short by Tanya Tung Tami is tired of her college basketball team's losing streak. She comes up with a little motivation: if they win their last game of the season, they win her. That's right. She'll take on all of them all at once, even the bench. She's only been with one man before, and they'll be able to have her any way they want her. With motivation like that, they can't lose, and Tami is going to make

sure they all score. She didn't really know what she was getting into, though, until her throat and pussy and ass were all filled at once in a rough gangbang that even involves the bench! 5. Welcomed to the Dorm with a Gangbang (Rough Sex, Bondage, and Double Penetration on Campus) A Group Sex Erotica Story by Sarah Blitz I'd only just arrived on campus when my mouth got me in trouble and when it became apparent I was too far along to back out, I just went with things. Before I knew it, I was taking on a bunch of guys, and they weren't gentle. Well, my mouth got me in trouble but the boys took a hell of a lot more than just my mouth! They took my throat and my ass and... well, I had my first anal sex, double penetration, and an experience I could blame on my mouth but wasn't really all that unhappy about.

Agree to a Gangbang! (Not that Tammy Gave Me a Choice) A Rough and Reluctant Group Sex Erotica Story by Karla Sweet My friend Tammy and I were call girls, so it wasn't strange for us to be naked and waiting for clients. I didn't have all the information. I thought we would both be taking on a few men but one at a time! Instead, I discovered all the men were going to take us at the same time! Before I knew it, I was in the middle of a gangbang filled with really rough depththroat, my first anal sex ever, and even double penetration! It was the scariest thing that ever happened to me! Otherwise, I was pretty likely to back out after waiting for a week while his friends were in town and we got no privacy. A Group Sex Erotica Story with Double Penetration by Karla Sweet Diane was tired of the way I'd moped around for so long after I caught my asshole of an ex cheating on me. It had been months and she decided that if I weren't going to get started on a new life, she'd get started for me. That's why she invited a few guys over, and I had no idea what was happening when she kissed me. It took me a while to figure out what she planned. Two guys and Diane. After all, they were braggarts but they were also brilliant salespeople. I don't know what came over me but I made a bet. Of course I lost. The stakes? Me. Anything goes. It was a humiliating situation but I was determined to get it done as quickly as possible, deal with the humiliation, and start polishing off my resume. When it came time to pay up, it was so much more than I'd thought it would be. This bet cost me my ass! It was my first anal sex while I was already filled up! Personality Variables in Social Behavior - Thomas Blass
2015-06-19

Originally published in 1977, the aim of this volume was to demonstrate in a concrete way the relevance of some of the most important individual variables for various domains of social behaviour. Eminent researchers at the time contributed original chapters that provided an up-to-date perspective on theory and research on important and widely used personality constructs. This volume should serve as a text for advanced level students seeking a historical introduction to specific personality variables and a survey of theory and research on the most widely used personality dimensions of the time.

~~Erotica Story with Double Penetration by Francine Forthright~~
Teeth Tell Tales - Hayley L. Mickleburgh 2008-12
Similar to the osteological study of prehistoric human remains, the study of human dental wear has been proven to afford a wealth of information on human cultural practices. This study is aimed at recording and understanding the dental wear patterns in human dentitions from the Caribbean archaeological sites of Anse la Gourde, located on the most eastern point of Guadeloupe, and Tutu located on the small island of St. Thomas, U.S. Virgin Islands. The premise of this research is the assumption that dental wear patterns are informative of a great many aspects of human health and lifestyle. The use of the mouth and teeth in both masticatory and non-masticatory activities is assumed to leave traces which can be studied post-mortem to infer the lifestyle linked to such activities. In order to build a complete picture of these

activities and the lifestyle linked to the dental wear patterns, other lines of evidence are also followed here, such as ethnohistoric and ethnographical accounts, and evidence from modern dentistry. Using this combination of different lines of evidence, it has been possible to characterize the diet and a range of cultural practices of the inhabitants at each site. The individuals selected in this sample very actively engaged their teeth in many non-masticatory, culturally defined activities, which put their dentitions under a great deal of stress. It seems these people's use of their mouths and teeth in this way was a very conscious decision, characterized by their cultural background.

Race, Gender and Violence on the Transatlantic Extreme Right, 1969-2009 -

Simon A. Purdue 2022-10-20
This book explores the central role that gender has historically played in violent far-right movements and groups, in a time of increasing

political polarisation and rising extremism. The author examines the way neo-Nazis and white supremacists have constructed gender, and how this has impacted on the practical role of men and women on the global extreme right between 1969 and 2009, giving valuable insight into the inner workings of the extremist fringe today. In the context of rising violent ultra-nationalism in the UK, Eastern Europe, the USA, India and Russia, this transnational history of racist extremist movements offers a very necessary glimpse into the intimate, personal politics of organised hate, and into the ideological and organisational roots of our current moment. In order to fully understand the extreme right, it is essential to develop an awareness of the deep social foundations that underlie it. By exposing the gendered basis of racist extremism in the USA and UK, this book makes a necessary intervention in the field of far-right studies, shedding new light on the shadowy corners of the political spectrum and

ultimately opening new avenues for countering hate on the personal, political and academic level. The book seeks to explain the intricate relationship between organised racist extremism and ideological misogyny, and explores the fundamental contradictions and inconsistencies that underlie women's far-right activism. Offering historical context to the current social and political moment in which white supremacist and far-right terror presents an immediate threat to security and stability in both the USA and the UK, this book provides useful insights for those researching the history of fascism and the far-right, violent social movements and political activism, as well as women's history and gender studies.
