

Hittin It A Hitman Romance Marked For Love Book 2

Widow's Web - Jennifer Estep 2012-08-21

The seventh book in the hugely popular Elemental Assassin series by New York Times and USA TODAY bestselling author Jennifer Estep—Gin Blanco is back and ready for action. I used to murder people for money, but lately it's become more of a survival technique. Once an assassin, always an assassin. So much for being plain old Gin Blanco. With every lowlife in Ashland gunning for me, I don't need another problem, but a new one has come to town anyway. Salina might seem like a sweet Southern belle, but she's really a dangerous enemy whose water elemental magic can go head-to-head with my own Ice and Stone power. Salina also has an intimate history with my lover, Owen Grayson, and now that she's back, she thinks he's hers for the taking. Salina's playing a mysterious game that involves a shady local casino owner with a surprising connection to Owen. But they call me the Spider for a reason. I'm going to untangle her deadly scheme, even if it leaves my love affair hanging by a thread.

The Way Of Shadows - Brent Weeks 2009-06-11

The razor-sharp first novel in the Night Angel trilogy, from international bestseller Brent Weeks The perfect killer has no friends. Only targets. For Durzo Blint, assassination is an art. And he is the city's most accomplished artist, his talents required from alleyway to courtly boudoir. For Azoth, survival is precarious. Something you never take for granted. As a guild rat, he's grown up in the slums, and learned the hard way to judge people quickly - and to take risks. Risks like apprenticing himself to Durzo Blint. But to be accepted, Azoth must turn his back on his old life and embrace a new identity and name. As Kylar Stern, he must learn to navigate the assassins' world of dangerous politics and strange magics - and cultivate a flair for death. She's terrified of me. She should be. I'm no saint, but apparently even killers have limits. When the Bratva hired me as security for the night, I didn't know it was a flesh trade. I could have kept my cool, done my job, but then I saw her. Pure as a lily, dressed in skimpy lingerie, and being auctioned off to the foulest men in Brighton Beach. I'm not used to this white knight sh*t, but I did what I had to do. I outbid those pieces of trash and bought myself a bride. What the hell do I do with a sweet, subservient woman who's been trained to obey her husband? I can think of some things my baser instincts want me to do... But when she submits to me, I'm going to be the man that deserves it, not just the one she owes it to. So I'm going to make her life better. I'm going to make her want me just as bad as I want her. And at night, when my new princess is slumbering, I'm going to make every one of those pimps pay in blood. I will protect her... and our unborn baby. Tangled Threads - Jennifer Estep 2011-04-26

The fourth book in the "outstanding" (Romantic Times) Elemental Assassin fantasy series featuring Gin Blaco, who by day is a waitress at a Tennessee BBQ joint, and by night is a tough female assassin. I'd rather face a dozen lethal assassins any night than deal with something as tricky, convoluted, and fragile as my feelings. But here I am. Gin Blanco, the semi-retired assassin known as the Spider. Hovering outside sexy businessman Owen Grayson's front door like a nervous teenage girl. One thing I like about Owen: he doesn't shy away from my past—or my present. And right now I have a bull's-eye on my forehead. Cold-blooded Fire elemental Mab Monroe has hired one of the smartest assassins in the business to trap me. Elektra LaFleur is skilled and efficient, with deadly electrical elemental magic as potent as my own Ice and Stone powers. Which means there's a fifty-fifty chance one of us won't survive this battle. I intend to kill LaFleur—or die trying—because Mab wants the assassin to take out my baby sister, Detective Bria Coolidge, too. The only problem is, Bria has no idea I'm her long-lost sibling . . . or that I'm the murderer she's been chasing through Ashland for weeks. And what Bria doesn't know just might get us both dead. . . .

Death Angel - Linda Fairstein 2013-07-30

'Maybe she blessed the waters a century ago, but now she's a magnet for murder. She's an angel all right,' Mike said, staring at the beautiful sunlit figure that towered over us. 'A death angel.' In New York's Central Park, Assistant DA Alexandra Cooper and Detective Mike Chapman race to track down a serial killer before yet another young woman is found dead. The enormous urban park, a sanctuary in the middle of the city for thousands of New Yorkers and tourists who fill it every day, may very well become a hunting ground at night for a killer with a twisted mind . . . Once again, Linda Fairstein thrills with an explosive page-turner filled with a shocking realism that only she can deliver.

Web of Lies - Jennifer Estep 2010-05-25

Curiosity is definitely going to get me dead one of these days. Probably real soon. I'm Gin Blanco. You might know me as the Spider, the most feared assassin in the South. I'm retired now, but trouble still has a way of finding me. Like the other day when two punks tried to rob my popular barbecue joint, the Pork Pit. Then there was the barrage of gunfire on the restaurant. Only, for once, those kill shots weren't aimed at me. They were meant for Violet Fox. Ever since I agreed to help Violet and her grandfather protect their property from an evil coalmining tycoon, I'm

beginning to wonder if I'm really retired. So is Detective Donovan Caine. The only honest cop in Ashland is having a real hard time reconciling his attraction to me with his Boy Scout mentality. And I can barely keep my hands off his sexy body. What can I say? I'm a Stone elemental with a little Ice magic thrown in, but my heart isn't made of solid rock. Luckily, Gin Blanco always gets her man . . . dead or alive.

Belonging to the Hitman: Men of Ruthless Corp. - Frankie Love

Yes, I'm ruthless. I have to be. I kill for a living. Since I began working for the man who's like a father to me, I've been able to separate myself from my job. Then I meet Fiona O'Grady. She's bright, beautiful, and takes my breath away. Suddenly the gig is personal. Very f*cking personal. This girl belongs to me, heart and soul, and the last thing I want to do is break her. But someone has to die, and it sure as hell's not gonna be me. This June, meet 22 heroes who are downright dangerous. These alphas do nothing half-way. They may have blood on their hands, but they have love in their hearts. Some romances were written in the stars — but these hitmen must fight heaven and earth for the women they love.

Tish Page isn't afraid to use a little good, old-fashioned blackmail to get what she wants. She'll do anything to protect her family. Hitlist - Lawrence Block 2010-07-22

Sequel to Block's previous work, Hit Man, a gripping insight into the life of a paid assassin who finds his way on to someone else's hit list. Superficially, John Keller - the urban lonely guy of assassins - leads a normal life despite his profession. He has an office manager, the breezily efficient Dot, who organises his "jobs" and reassures his grumbling conscience. He is an obsessive stamp collector. In a blackly comic twist, he even gets called for jury service. Laid back, couldn't care less, morally distanced from his vocation, Keller is an intriguing character. A visit to an astrologer tells him, and us, that he is a gentle man who is simply surrounded by violence rather than being a perpetrator of it. His professional satisfaction, we learn, comes from "solving a problem". Taking lives causes him no real anxiety. And then Keller's jobs start to go wrong. Targets die before he can get to them. Gradually he realises that he is being stalked. Another hitman is trying to weed out the competition and kill him. Keller and Dot try to turn the tables but how many innocents will get caught in the crossfire before Keller is truly safe?

Last Hit - Jessica Clare 2014-10-07

From two bestselling authors—the first in a deliciously bold new series that takes readers to the most dangerous edge of desire . . . Nikolai: I have been a contract killer since I was a boy. For years I savored the fear caused by my name, the trembling at the sight of my tattoos. The stars on my knees, the marks on my fingers, the dagger in my neck, all spoke of danger. If you saw my eyes, it was the last vision you'd have. I have ever been the hunter, never the prey. With her, I am the mark and I am ready to lie down and let her capture me. Opening my small, scarred heart to her brings out my enemies. I will carry out one last hit, but if they hurt her, I will bring the world down around their ears. Daisy: I've been sheltered from the outside world all my life. Home-schooled and farm-raised, I'm so naive that my best friend calls me Pollyanna. I like to believe the best about people. Nikolai is part of this new life, and he's terrifying to me. Not because his eyes are cold or my friend warns me away from him, but because he's the only man who has ever seen the real me beneath the awkwardness. With him, my heart is at risk . . . and also, my life.

Hands On - Amie Stuart 2007
