**The Art of the Hook Up** - Georgie Wolf 2019-09-14

Hook-up culture is bigger than ever, but few of us are getting exactly what we want. In this straightforward guide, Aussie escort Georgie Wolf offers practical strategies for casual sex and online dating. She shows how communication, consent, and connection can put you ahead of the competition at every stage of the hook-up process.

*Lost in Transition* - Christian Smith 2011-09

In *Lost in Transition*, Christian Smith and his collaborators draw on 230 in-depth interviews with a broad cross-section of emerging adults (ages 18-23) to investigate the difficulties young people face today, the underlying causes of those difficulties, and the consequences both for individuals and for American society as a whole. --From publisher description.

**Girl Boner** - August McLaughlin 2018-08-07

In a culture where female empowerment is used to sell everything from sex toys to soap, most sex education continues to bypass pleasure. The results are stark; we've grown accustomed to slut- and prude-shaming and allowed others to dictate how a "good girl" is meant to feel, act, and look. In *Girl Boner: The Good Girl's Guide to Sexual Empowerment*, August McLaughlin offers an inclusive, unfiltered blend of personal narrative and practical tips on relationships, solo play, journaling, gender issues, and more. From the perks of "jilling off" to the 7 types of 'gasm, *Girl Boner* will "empower you to own your sexual self and enjoy ... your whole life a great deal more."

*Sex* - Nikol Hasler 2010-06

Discusses all aspects of sexuality and sexual behavior, including sexual orientation, masturbation, birth control, and sexually transmitted diseases, and answers teenagers' questions on sex in a straightforward and in-depth manner.

**Hooking Up** - Kathleen A. Bogle 2008

A closer look into the new sexual culture on college campuses It happens every weekend: In a haze of hormones and alcohol, groups of male and female college students meet at a frat party, a bar, or hanging out in a dorm room, and then hook up for an evening of sex first, questions later. As casually as the sexual encounter begins, so it often ends with no strings attached; after all, it was "just a hook up." While a hook up might mean anything from kissing to oral sex to going all the way, the lack of commitment is paramount. *Hooking Up* is an intimate look at how and why college students get together, what hooking up means to them, and why it has replaced dating on college campuses. In surprisingly frank interviews, students reveal the circumstances that have led to the rise of the booty call and the death of dinner-and-a-movie. Whether it is an expression of postfeminist independence or a form of youthful rebellion, hooking up has become the only game in town on many campuses. In *Hooking Up*, Kathleen A. Bogle argues that college life itself promotes casual relationships among students on campus. The book sheds light on everything from the differences in what young men and women want from a hook up to why freshmen girls are more likely to hook up than their upper-class sisters and the effects this period has on the sexual and romantic relationships of both men and women after college.

Importantly, she shows us that the standards for young men and women are not as different as they used to be, as women talk about "friends with benefits" and "one and done" hook ups. Breaking through many misconceptions about casual sex on college campuses, *Hooking Up* is the first book to understand the new sexual culture on its own terms, with vivid real-life stories of young men and women as they navigate the newest sexual revolution.

*Hooking Up or Holding Out* - Jamie Callan 2006-11

"Enlightening and empowering, if not your mother's dating book, *Hooking Up* is highly recommended." *Library Journal* *Hooking up* is cool, but holding out can be even better. Many women don't feel great about hooking up before they're really ready, but they're not sure how to go about holding out and still keep the guy interested. Most books that recommend holding out prescribe tired old retro games--not picking up the phone or pretending to have a date already. This straight-talking guide is new, different and smart. You can have a great time with men, hold plenty of power and just be yourself! *Hooking Up or Holding Out* shows you how to: Decide when the time is right and when it's just impulse sex Settle for nothing less than the very best sex life Hold off unwanted advances and play the field Make friends with lots of men and go on plenty of great dates Create a romance that's artful and full of passion Hook up with truly great men Have more fun in love than ever before

*Totally God's* - Megan Clinton 2008-09-01

Society's expectations for a teen girl's beauty, achievements, and attraction cause great stress and struggle. "Our hearts are truly on the line," says Megan Clinton, high school senior and coauthor with her father, counselor Tim Clinton. This father and daughter duo reveal to today's teens how their deepest longings are met when they rest in being God's girl. Using teen-speak, comments of peers, Megan's diary entries, as well as solid, biblical teachings, Megan and Tim show every girl how to upgrade uncertainties of fitting in with the certainty of belonging to God impure sexual behavior with body confidence and self-worth relationship, school, and family life drama with God's control This engaging resource reveals the freeing truths every girl needs to know—and the truths that all parents, teachers, and mentors need to uphold as the standard for how they treat and inspire God's girls.

*High School Prom* - Ann Anderson 2012-08-16

The prom has been a fixture in the life of American teenagers for as long as high schools have existed. Both encapsulating and magnifying the drama of adolescence, proms have been transformed from modest tea dances to costly extravaganzas supporting apparel and cosmetic makers, limousine services, hotels, magazine publishers, and hair salons. Focusing on social and economic trends, this volume examines the evolution of the prom, the development of the billion-dollar prom industry, and the event's place in popular culture, including its portrayal in film, television, and literature. Using the prom as a lens through which to view many aspects of American culture—money, sex, fashion, dance, music, television, transportation, communication, and even war—this work offers a fresh perspective on the history of American youth. Instructors considering this book for use in a course may request an examination copy here.

Getting It - Allison Moon 2020-12-29

An empowering guide to casual sex and hooking up from sex educator and *Girl Sex 101* author Allison Moon. A comprehensive and fun-to-read guidebook for people of all sexual identities and experience levels, *Getting It* covers all the bases of hook-up culture from first moves and sex etiquette to navigating nonmonogamy and sexual health. In an era of endless crossed signals and heightened awareness of consent and respect, award-winning author and sex educator Allison Moon shows you how to achieve safe and enjoyable encounters by practicing clear communication and consideration of all parties involved--yourself included. *Getting It* helps you understand what casual sex means for you and offers an instructive and empowering deep dive into how to get it, do it well, and feel great about it every step of the way. And since we're all imperfect, Moon offers guidance for how to gracefully recover when you screw up--or get screwed over. Refreshingly intersectional and respectful, *Getting It* is an honest guide to understanding the basics of hook-up culture and how to partake.

**The Publishers Weekly** - 2009

**Hooking Up** - Amber Madison 2009-12-02

As captivating as a novel and as fun as a slumber party, "Hooking Up" is an educational book about sex with a down-to-earth style. All medical information has been reviewed and endorsed by physicians. Illustrations.

Talking Sex With Your Kids - Amber Madison 2010-02-18

Forget feeling embarrassed about having "the talk" with your kids.

Research shows you're the one they want to hear from when it comes to sex ed. Now you have a unique advantage to getting through to your child as Amber Madison lets you in on what your kids are really thinking. As a twenty-six-year-old award-winning author and lecturer, she's taught thousands of parents how to approach kids so they'll really listen. Inside this helpful guide, you learn: How to get comfortable enough to be open with your children Everything you need to know about sexually transmitted diseases and contraception The best way to talk to girls The most successful way to get through to boys How to deal with the unexpected And most importantly, yes, your kids will listen to you With insider advice on how to speak frankly without giving TMI (too much information), *Talking Sex with Your Kids* will encourage you to teach them to be safe and smart when it comes to sex.

**The North Carolina Historical Review** - 2008

**Adolescence** - 2007

Feel Sexy Again - Erica Lemke-Pembroke 2020-07-07

A women's guide to getting that sexy back in the bedroom and living the life you desire no matter what state your relationship is in. It's hard to feel desirable when you're worried about the survival of your marriage. Do thoughts of divorce dance in your head? Do you feel that sex hasn't been on the priority list for you or your spouse? Add in these thoughts along with raising teenagers, demanding work schedules, financial insecurities, and other stressors, and it all becomes too much. All in all, though, you crave connection and being seen. Certified life coach, licensed specialty-certified New Life Story® wellness coach, and sexual confidence coach, Erica Lemke-Pembroke is on a mission to help women feel sexy again and reclaim their sexual confidence. She created the *Sexy Again Method* based on her own experiences, which she uses to empower women in rediscovering this for themselves. In *Feel Sexy Again*, women learn how to: Own their "sexy story" and create healthy narratives that support their vision Let go of expectations of their partner Reconnect

with themselves in an empowered and powerful way Explore their values, beliefs, and ideals to find what truly lights them up Develop strategies to get the most out of their current relationships—both with their partner and themselves

Sex Guide For Men - More Sex More Fun Book Club 2020-11-26

Do you know what makes you stand out from all other guys? If you can give her multiple screaming orgasms. Sometimes girls joke with each other about how bad guys are in bed, and the reason is simple: men don't fully understand how to satisfy a woman. If YOU learn how to satisfy your girlfriend, wife, or hook-up sexually, well, all she will be thinking about is YOU. How would it feel to be super confident in your abilities to take your women on a sexual ride from sensual massage to full-blown squirting orgasms? In this book, you'll learn: The important history of female sexuality How to improve romance today Why foreplay is so important Understanding women sexuality And much more..! Are you ready to take her on a ride?

Sexuality Education [4 volumes] - Elizabeth Schroeder 2009-04-30

An exemplary team of professionals provides a comprehensive look at sex education, the heated debate over federal controls, current research and practice, programs, politics, legislation, and cultural and religious issues related to sex and sexuality education. In the groundbreaking *Sexuality Education: Past, Present, and Future*, the history, practices, and politics of sexuality education are explained. Respected educators, counselors, and therapists marshal both research and educated opinion to offer insights into exactly what is meant by "sex education," what the various approaches are, what "age appropriate" lessons are supported by most professionals, and the impact of government policies. Noting that the need for sexuality education has expanded to adults, from new parents to senior citizens, this unique work also takes readers into classrooms and makes them privy to conversations representing everyone from elementary school students to nursing home residents. These comments reveal the range of unanswered questions about sex—questions that are important for psychological, as well as physical health. In addition, the contributors explore ongoing issues in sexuality education, such as how to present "culturally competent" lessons that include consideration of race, ethnicity, gender, religion, and sexual orientation. The experts also examine sexuality education in other countries, the challenges those countries face, and their victories over unplanned pregnancy and STDs in the global effort to preserve sexual health.

**Supergirls Speak Out** - Liz Funk 2009-03-03

Some girls seem to have it all... The top grades The best clothes A great body A cute boyfriend But they may also have... Exhaustion Anxiety Eating disorders Crippling insecurity From grammar school girls to working women, the pressure to be perfect is spreading like a disease. These Supergirls feel the unrelenting need to succeed -- sometimes at the cost of their own happiness and sanity. A recovering Supergirl herself, Liz Funk exposes the dangerous consequences that can come from striving for perfection. By closely following five girls and interviewing nearly one hundred more, she takes us inside the Supergirl psyche, explaining the causes of this phenomenon and showing how Supergirls can let their (sleek and shiny) hair down and find some time to relax and enjoy life! With practical advice, biting humor, and the sensitivity of someone who's been through it all, Funk's *Supergirls Speak Out* is the absolutely necessary companion for any girl who thinks 100 percent just isn't enough.

The Conscious Parent's Guide to Raising Girls - Erika V Shearin Karres 2017

Your ticket to relaxing puzzle fun!
