**Love Letters in a Box** - E. W. Boening 2018-08-09

Love Letters in a Box By: E. W. Boening For author E. W. Boening, a simple gathering one day at a friend's house ended up turning into something much more than simple. While talking and enjoying each

other's company, her host jumped up, left the room, and, when she returned, she brought a box of letters to Boening. These letters took Boening's breath away, as they were filled with such beautiful words of love, which she felt had to be shared with the world. Do you want to get her with a proven yet easy 3-step method? 5. Do you want to get her in the next 30 days or less? If your answer is yes, grab this copy and do a favour to your manhood. Once you completed reading and implementing the things that I told in this book, you will have your dream girl as your girlfriend by the end of next 30 days. You will also learn the following: 1. How to give a girl that same feeling of "I have to have him" that she gets from a guy who is rich, famous, or good looking without being any of those things yourself. 2. How to avoid mistakes almost all guys do while trying to keep a girl interested that "actually repels her twice as fast". 3. A proven exercise to develop a stone cold, unshakable inner confidence that allows you to approach a girl "in any situation without getting nervousness/fear". 4. How to avoid the deadly mistake many guys make while trying to get a girlfriend that guarantees they end up in "the friend zone". 5. What you must do if you want to keep a girl interested in you forever (the key to having a long-term relationship with a dream girl-conversation 2.0.). 6. How to use "unpredictability" and "excitement" to give a girl that addictive rush of adrenaline that keeps her coming back for more (learn

these, you will never have to worry about her losing interest in you... leaving you for another guy).7. You know that "nervous" feeling you get in your stomach when you see a beautiful girl you want to meet. You will find specific exercises to use that instantly eliminate all feelings of nervousness and charge yourself with confidence right there on the spot.8. Best ways to "tease" a girl that builds up a "powerful sexual tension" that gives her no choice but to make an aggressive sexual advance towards you.9. Most men are not very good at reading female body language. I will show you how to use and read eye contact & body language that most men don't even know that exist.10. How to create an irresistible attraction without being rich and handsome that draws pretty girls like a magnet to you and much more...and much more. It has taken me a long time to figure out all of the things--that you are about to learn in this book. I have spent years to understand this stuff. I have been there and I will show you the path to get there that too in the next 30 days or less. For the rest of your single life this much is for sure: You are going to see girls that you want to meet. Or you are going to talk to a girl somewhere, think that she is attractive and want to get her phone number so you can meet her again. Or you are going to be out with a girl and want to get physical with her. The big question is...Are you going to let each of these opportunities slip by and never know what might have happened? Or are you going to know exactly what to say and do to succeed? If you want to get your dream girl as your girlfriend, grab this copy... by the end of the next 30 days or less, you will see amazing results with girls you have always wanted!

*Beware the Masher* - Kerry Segrave 2014-02-07

This book examines the history of sexual harassment in America's public places, such as on the streets and on public transit vehicles, in the period 1880 to 1930. Such behavior was referred to then as mashing with the harasser most commonly being called a masher. It began around 1880 as a response to the women's movement as females in America increased

their efforts to gain more freedom of movement and greater independence. Women going out and about on their own, or only with other women, threatened male dominance and control of society. One response by men was to turn to the sexual harassment of those women when they were alone in public places. This book looks at the extent of the problem, editorial opinions on the subject, the tendency to blame the victim, and the responses of women in the streets to the harassment. As well, the actions and reactions of the courts and the actions and reactions of the police are studied. Much of the sexual harassment of this period took place in the daytime hours, in busy areas of cities.
