Kiss Me with Lies S.M. Soto 2019-12-03 Two sisters. One unsolved murder. A sickening plot for revenge. When Mackenzie Wright attends her first real high school party, held somewhere deep in the woods of her small California town, no one expects to wake up the next morning to news of a gruesome murder. Especially not her own sister's. No suspects. No motive. No convictions. Just one unsolved murder and whatever's left of the now deserted town. Mackenzie has spent years with her sister's death weighing heavily on her shoulders, but it isn't until she stumbles across a photograph that changes everything for her. The memories, everything from that night, come flashing back in high-speed technicolor and Mackenzie soon finds herself obsessed with the truth. Determined to find out what really happened to her sister, Mackenzie relies on that one photograph to give her the answers she needs by embedding herself into the lives of five of the wealthiest men in Los Angeles. Consumed by her need for revenge, Mackenzie infiltrates the world of the rich and elite, only to come face-to-face with an alluring complication in the form an elusive playboy. When enemy lines are drawn, Mackenzie has to choose between her loyalty to her sister and the man who has stolen her heart.

Kiss Me Not Emma Hart 2019-08-27 What do you do when you're the reigning kissing booth champion but the only person you want to kiss is your best friend's brother? Let me make this clear right here, right now: I, Halley Dawson, do not care that Preston Wright is kissing other women. Not a lick. Not at all. Nuh-uh-freakin'-uh. I do care that he's doing it six feet away from me behind a gaudy velvet curtain--making him my competition in this year's kissing contest. Why do I care, you ask? Because I've had an unfortunate crush on the insufferable idiot since I was sixteen years old, but I also know it's never going to happen. He's the Creek Falls bachelor to die for, and I'm the Creek Falls racoon lady who puts peanut butter sandwiches out for them every night. I'm not going to let him break my four-year-long reign--no matter how many times he breaks the rules and slides the curtain across to do the one thing he's not allowed to: Kiss me.
