Training Your Girlfriend to Submit and Obey Ryan Hale 2016-10-17 Making a girlfriend obey has several benefits. Training her can be a long road when your desired outcome is the perfect girl who does as she's told, who worships you with all of her love, and who would never cheat on you or think of doing anything that displeases you. Please don't think this book is a book for misogynistic male archetypes who seek only to control their universe and who have mommy issues. This book is for the 'real' man who knows his place, his girlfriend's place, and who wants the world to be playground. A true man showers his girlfriend with love when she obeys and submits to him and punishes her when she disobeys and gets out of line. There has to be law and order in every relationship. There has to be someone who is in control, who has the upper-hand, and, let me suggest, if it's not you (the man in the relationship), then it is probably her. You must learn to dominate and this means teaching her to submit. If you don't, you'll never have a truly satisfying relationship that is tighter than glue. This book is going to teach you techniques for making her obey and submit to you. It is going to provide you with a lot of sound practical advice and help you along this wonderful journey of training her to obey and submit. I want you to get excited, because a girl who obeys and does as she's told is a happy girl, one who loves you, one who truly cares about you and your happiness. This is what makes her happiest. If you have gone through a lot of relationships, had little luck with girls, then this book will be eye-opening and refreshing for you because you'll finally learn what you've been doing wrong and how to correct it. You will be correcting yourself by learning how to correct her. A girl who obeys you and who is submissive is the perfect girlfriend, isn't she (?), since a girl who doesn't is bitchy and controlling and constantly a problem for you. I welcome you. It's sad, but I'm glad it happened... My heart is heavy to share this story-it's embarrassing and I don't want you to laugh yet. Listen, if I count how many times I have been friend-zoned, you'll feel depressed on my behalf. The last one was many years ago when I was studying in Singapore. The next day, after my heartbreak, my roommate, Michael, called me and said, "Barack Obama is around. He's at Orchard to meet with Lee Kuan Yew-come, come, come." Michael didn't know what I was going through. He was at Orchard having fun, but I was at home feeling heartbroken and Obama wasn't the solution I needed at that moment-I needed a relationship expert. Luckily, I have become that person I needed and I'll guide you through the ups and downs of how women work, how to get any woman without being friend-zoned and many more things acclaimed dating gurus won't tell you. I was the one killing myself-just the same way you're mentally sabotaging yourself without knowing. I wish someone had told me all the things I discovered throughout my struggles in understanding women-it would've saved me time and energy. Imagine the shame and pains you feel emotionally, but you have no one to run to for help except Google, yet there are too many inaccurate info by "acclaimed gurus" trying to fill your brain with pickup lines. **The Guyde** Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll

learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

*How to Get a Girlfriend* Calvin Dale 2022-09-30 How does one acquire a girlfriend? I won't bother going up and asking any questions. It's really awkward. Yes, after about third grade, approaching someone and asking them to be your girlfriend no longer works. You don't "get" a girlfriend. Someone chooses to become your girlfriend. So, why might she choose to be your girlfriend? Think about the other side: What leads you to decide that you want a girlfriend? I'm going to guess something along the lines of, "You're attracted to her, you enjoy her company, you feel cushy, romantic, or sexy feelings toward her, etc." Therefore, it stands to reason that that is what would entice someone to become your girlfriend. When a woman is attracted to you, likes you, enjoys your company, has romantic feelings for you, etc., she may want to be your girlfriend. So, the question is, how do you evoke those feelings? That is a significant inquiry. Most of the time, a person's first attraction is based on their looks and charm. Develop your social skills while looking your best. You can attract a little bit more serious interest by interacting with enough people to demonstrate that you are interesting to them and compatible with them. In this book you're going to learn all tips and tricks to attract and keep the lady of your dream. Scroll up to get yours now!

**Approach and Talk to a Girl** J. Covey 2019-09-24 Nervous to Approach and Talk to Women 1-on-1? Wipe Your Tears - The Final Solution is Here... [Currently, buy the Paperback and get the Kindle eBook included for free. Soon, it won't be free] If anyone had told me I'd be amazing and confident in getting women some years ago, I wouldn't believe. I have been through what you're going through. I was scared to approach and talk to the women I liked. After so much frustration, I decided enough was enough-just the same way you have finally decided and ended up here, which is the best place to discover all the things dating gurus will never tell you about approaching beautiful women the right way. In Chapter 1, WWWW, we gave a list of words that'll appear as we learn the craft of approaching a woman. We discussed the only two types of ways to woo her which are ID (In-Direct opener) and DO (Direct Opener), and how they're applied with examples. We looked into nervousness. We looked into the Five WWWWs of starting a conversation with a woman which are: Where, When, Why, What, & Which. And we finally added extra examples of DO and ID. In Chapter 2, Operation Rejection, shortened as ORej. We talked on approaching women while having rejection as your most important outcome. If you're not rejected, it's a failure. Being rejected is a success. We looked into 7 different "How Tos" which are: how to woo a seated girl (in any settings); how to woo in class, school, gym centers,

gatherings, events and parties; how to woo at the workplace or in an office; how to woo a girl who makes you nervous; how to woo a stubborn girl; how to woo a girl at the market or mall, and how to woo a girl on the queue (any queue) with some examples for each. In Chapter 3, ON/OFF, we discussed how Push and Pull (PP) works with some examples. We talked on the types of push and pull. We also looked into things you'll have or be that'll make you never to be nervous around girls. We gave an example on building rapport with Sad Anchor and other explanations. In Chapter 4, look inside to see what it's all about. In Chapter 5, Accidental Accusation, we talked on how to accuse a girl to start a conversation. This technique gets a woman hooked with curiosity. We looked into psychological compliments and humor with some examples of how they work. We briefly discussed how to treat a woman and how to book a date. I told some personal stories and gave some examples. We also discussed one of the keys to dating. We talked about flaking and how to handle women's insult and convert them to compliments. In Chapter 6, Legends' Magic. This is one of the most important chapters, because we gave some brief explanations on other things and finally looked into the magic formula to come up with your personal conversations. We discussed the mighty EARTH formulas. The three types and gave an example of each. We have iEarth, EARTH, and EARTHics. In Chapter 7, Kidding, we gave a list of childish and stupid pick-up lines which will not make sense to men, but women will laugh when they hear some of them. We gave an example on iSHY wooing/chatting technique. In Chapter 8, Mindset. We talked on how you should not start a conversation from the beginning, but always from the middle. We talked on how to woo a lady you haven't seen before. We equally discussed how to use arrogance and humor to woo a lady. We discussed a good-bad boy and a typical bad boy and much more. Finally, we revealed something that'll FOREVER change your life in the dating game and stay ahead of other men with picture illustrations. A secret you can't find anywhere online or offline. How to Attract Women Zac Miller 2020-03-08 Can I Ask You a Question? What would life be like if you knew exactly how to attract women? If you could get the girls you've always wanted? If you could be a man women were sexually drawn to... would that change your life? Hi, my name is Zac Miller. In my many years here on earth I've had my share of experiences with women. And like most men, I wasn't born knowing what attracts women or what they want, but there came a point in my life where I was fed up and did something about it. Many men just say "women are crazy," and they leave it at that, not trying to understand them. I couldn't have that... While women are in fact crazy, I have put together a book which explains what they want, what attracts them to men, and how you can start attracting women. It's taken me many, many years, and many, many sleepless nights, but after all was said and done, I believe I have made the best book available when it comes teaching men everything it takes to successfully attract women. Here's What You'll Learn in This Book Chapter 1: Appearance - While it's been this way for many years, the advent of website profiles and dating apps has made a masculine appearance much more important for men in this day and age. Here I share with you the many ways you can appear more attractive to women, as well the ideal body type women are looking for in a man (hint: it's not abs). Chapters 2 & 3: Attractive & Unattractive Qualities - Ever notice how women are attracted to jerks and "bad boys?" It's because they display many attractive qualities women desire. In these chapters, I share with you what exactly these qualities are, while also going over attributes you need to stay away from, which push women away. Chapter 4 & 5: Talking to Women - Next, we go over how to talk to women and connect with them, in turn attracting them to you. I show you how to approach girls, get their contact information, and how to conversant with them afterwards to secure a date. I go over the number one mistake most guys make during this process, as well as the one quality that will put you above all other men when talking to women (hint: it's not a lifted truck). Chapter 6: The Date - We then go over how to handle the date. I show you exactly how to ask for the date, where to go, and what to do during the date. This includes conversation topics that release dopamine (feel good) chemicals in a woman's brain, as well as techniques you can employ during the date to keep her attention. I then go over what to do after the date to keep her interested in you for the long run to make her your girlfriend. Chapter 7: The What If's? - What if she flakes on the date? What if she says maybe? What if she starts losing interest? All these questions and more are handled in this chapter, showing you the exact techniques to employ to handle each situation, which will keep a woman interested in you. Appendix - I provide 70 opening messages, original to this book, to use when texting girls. These are unique, funny messages, which will make you stand out from other men. As a FREE bonus, only to buyers of this book, I provide you with my special report, Subconscious Attraction: 3 Techniques that Will Attract Her Subconsciously. These are perfect to use during the first date! If you want to become more successful with women and start getting the girls you've always desired, you can't risk not knowing this information. Go to the "Buy now with 1-click" button at the top of this page, and pick up How to Attract Women RIGHT NOW!
