Friend Zoned - Jennifer Sucevic 2021-04-07
From USA Today bestselling author Jennifer Sucevic comes a sexy, new adult sports romance. Sam Harper, left tackle for the Barnett Bulldogs, is my best friend and has been since we were fourteen years old. Unfortunately, he sees himself as my unofficial big brother. Which is to say that the guy is a major cock block. I

swear he has a sixth sense when it comes to me getting laid. It's frustrating how I can be on the verge of sealing the deal when Sam will appear out of nowhere, and suddenly my night is going up in a big ball of sexually frustrated flames. I think the guy enjoys messing with me. Why else would he take such perverse pleasure in doing it? Exactly. I'm thinking he needs a girlfriend. Someone to preoccupy him. Maybe then he'd stop trying to get in my way all the time. Except...I'm starting to notice things about Sam that I definitely shouldn't be noticing. Like those piercing blue eyes that pin me in place. Or his short blond hair that I want to drag my fingers through. Not to mention those killer abs that I sometimes catch a fleeting glimpse of when he stretches next to me in class. The strange feelings that have sprung up in me are definitely starting to freak me out. I mean, we're friends. We've always been just friends. And I don't want that to change. I don't want to take a chance and lose Sam. Next to my grandparents, he's all I

have. What I need is for our relationship to slide back to the way it's always been. We have eight solid years of friendship behind us. That's not something I'm willing to throw away on a bit of sexual attraction that will eventually fizzle out. No matter how tempted I might be. --- "I absolutely loved this book! I rarely give a book five stars but this one turned out to be one of my favorites!" -Carla, GoodReads "Sam was definitely the hero of this book and is now one of my book boyfriends" -Nicole, GoodReads "Sam and Violet's friendship was rock solid and the way it turned into romantic feelings was so natural. Luke Drake wants to be anywhere but the Hamptons, and he certainly doesn't want to be interning at his dad's company. Luke's got a secret plan: make enough money to break away from his controlling father and strike out on his own. Then one night he sees a girl at a club and after an incredible night together, he discovers that the mystery girl is his childhood friend: Lacey Mason. He knows what he did to her when they were teenagers was wrong and is determined to spend the summer showing Lacey that he's changed...and that they belong together. However, family secrets, including the one that ended their friendship in

Fall in love with this hilarious and heartwarming USA Today bestselling romantic comedy that LJ Shen calls "an absolute treat." Kristen Peterson doesn't do drama, will fight to the death for her friends, and has no room in her life for guys who just don't get her. She's also keeping a big secret: facing a medically necessary procedure that will make it impossible for her to have children. Planning her best friend's wedding is bittersweet for Kristen -- especially when she meets the best man, Josh Copeland. He's funny, sexy, never offended by her mile-wide streak of sarcasm, and always one chicken enchilada ahead of her hangry. Even her dog, Stuntman Mike, adores him. The only catch: Josh wants a big family someday. Kristen knows he'd be better off with someone else, but as their attraction grows, it's harder and harder to keep

First we were friends. Then we were roommates. Now I want more... What can I say about Chess

Copper? The woman is capable of bringing me to my knees. I know this about five minutes after getting naked for her. No one is more surprised than me. But when I'm with her, all the regrets and darkness goes away. She makes life fun. I want to know Chess, be close to her. Which is a bad idea. Chess is looking for a relationship. I've never given a woman more than one night. But when fate leaves Chess without a home, I step up and offer her mine. We're roommates now. Friends without benefits. But it's getting harder to keep our hands off each other. And the longer we live together the more I realize she's becoming my everything. Trick is... Now that I've made her believe I'm a bad bet, how do I convince her to give this player a true shot at forever?

Dating Coach Rule Number 1: Don't fall for your client, especially if he's your best friend. Cole I don't suck at dating. I suck at getting over the girl who friend-zoned me back in college. But I have a plan: Let her set me up. Bomb the dates. Then she can be my dating coach and I can finally show her I'm the one for her and not that jerk boyfriend she's always crying on my shoulder about. Arianna I've had the same boyfriend for three years, which practically makes me a relationship expert. So when my famous best friend asks for my help, I know turning him into boyfriend material will be a piece of cake. I'll tell him to get a haircut, maybe open a few doors here and there and the guy will be golden. I mean, with all those muscles and jaw-dropping good looks, it really should be no problem. There's just one thing I didn't expect: to want him for myself.

controversial media phenomenon, No More Mr. Nice Guy! landed its author, a certified marriage and family therapist, on The O'Reilly Factor and the Rush Limbaugh radio show. Dr. Robert Glover has dubbed the "Nice Guy Syndrome" trying too hard to please others while neglecting one's own needs, thus causing unhappiness and resentment. It's no wonder that unfulfilled Nice Guys lash out in frustration at their loved ones, claims Dr. Glover. He explains how they can stop seeking approval and start getting what they want in life, by presenting the information and tools to help them ensure their needs are met, to express their emotions, to have a satisfying sex life, to embrace their masculinity and form meaningful relationships with other men, and to live up to their creative potential. Except when it comes to one

particular woman. The lovely Fiona Mackenzie might not care about his fame, but she's also never looked at him as anything more than one of her brother-in-law's best friends. That ends now. Fi doesn't know what to make of Dex. The bearded, tattooed, mountain of man-muscle looks more like a biker than a football player. Rumor has it he's a virgin, but she finds that hard to believe. Because from the moment he decides to turn his quiet intensity on her she's left weak at the knees and aching to see his famous control fully unleashed. Fi ought to guard her heart and walk away; they live vastly different lives in separate cities. And Dex is looking for a forever girl. But Dex has upped his game and is using all his considerable charm to convince Fi he's her forever man.
