Matchmaking a Billionaire Angela Denise 2022-04-25 He's everyone's dream man but hers. Bryn I used to believe in what we do at Mayberry Matchmakers, but now? Love is just another four-letter word. Too bad my grandmother hasn't gotten the memo. When tech billionaire Rory Byrne approaches us, wanting to develop the matchmaking app my sister and I dreamed up (and Nana shot down), she jumps at the chance. My grandmother is nothing if not opportunistic. Of course, there's a catch. She'll only do it if Rory lets us matchmake him the old-fashioned way. He's going to say no. Please God, let him say no. The last thing I want to do is matchmake an entitled rich jerk...especially one who looks like sin and talks a good game. *** Rory I've screwed up in love a few times, but I never screw up in business. Mayberry Matchmakers has the idea for something amazing, and I have the money and the experience to make it come to life. I should deny Nana Mayberry's condition. If I let them matchmake me, it'll be all over the news, and making headlines has never interested me...especially not after the personal betrayal that nearly broke me. But I'm having trouble caring about what I should do, because Bryn Mayberry is smart, snarky, and not the slightest bit impressed with me. Actually, this may be Mayberry Matchmakers' easiest job yet.

[Gathered Here Together](#) Garrett Socol 2011-12-05 Gathered here together are 22 of Garret Socol's finely-crafted stories, by turns darkly humorous and light and zany, and often both at once. The characters populating these stories march slightly out-of-step with the world around them: a housewife who finds her art and revives a faded marriage in the laundry room, a writer who publishes her own suicide handbook, a woman selling baked goods for electroshock therapy. In this collection, Socol brings his wry insight and sensitivity to bear on the madness of contemporary culture, the silliness of everyday life, and illustrates the many ways people, against all odds, keep themselves afloat.

Diva Delaney Mysteries: Bundle 2: Books 4 - 6 Anni Jayde This bundle contains books 4 - 6 of the Diva Delaney Mysteries. Revenge Is Sweet, But Kind Of Sticky: Diva Delaney has had a rough time lately, but things are about to get much worse. Her good friend, Nina Rivers, has a hunch that the psychic medium is in danger. While the witch only has moderate power, everyone in the magical community knows that her instincts are never wrong. Although she is aware that someone means her harm, Diva can't allow herself to hide away. She has a job to do, even if the work comes in the form of hunting for a missing cat. Thanks to Satan's unpredictable attacks, she doesn't particularly trust felines anymore. This isn't the most glamorous case that she's ever accepted, but she needs to pay her bills. It isn't easy to narrow down where the mysterious danger will be coming from. Another case comes up that will put her in jeopardy as she follows the trail of a thief. Then there's Gillian Farque, Haydn Creighton's fiancé. The witch is the jealous type and she has her sights set on Diva. Conjurers aren't allowed to cast magic on normals, but their feud is starting to spiral out of control. The only solution is for Diva to stay away from Haydn, which will be easier said than done since she still owes him so many favors. Karma Is In Dire Need Of Being Spanked: Diva Delaney is in no mood to deal with men after what happened between her and the sheriff. With her curse now finally lifted, she should be free to date, but of course nothing is that easy for her. She is beginning to doubt that she'll ever find a good man to settle down with. Her next cases will involve stealth, cunning and bravery, three things which the psychic medium lacks completely. Diva will have to force herself to step out of her comfort zone in order to help her clients. Both of her cases will take her out of town, so she won't have her ghostly sidekicks to assist her in their usual wacky manner. Frankly, that might not be such a bad thing. With the return of Wade and Wyatt Westmore, things are going to become interesting in Hollowood Grove, especially for her cousin, Courtney. Meanwhile, Diva's main nemesis is driving her to the edge. The wickedly handsome warlock knows how to push her buttons and is an expert at manipulating her into owing him yet more favors. This time, Haydn Creighton might find he's the one who will need to be rescued from danger. Appearances Can Be Annoyingly Deceiving: Diva Delaney and her grandmother are summoned to the Council of Conjurers headquarters in Boston. This isn't an invitation that can be denied no matter how much Diva wants to avoid it. Being tested by the councilmembers will drive her to the breaking point, but she won't be alone during her torment. She will make new friends and allies who will come to her defense. Even in Boston, Diva can't escape from Haydn Creighton. The warlock seems to be there every time she turns around, taunting her with his wickedly handsome looks and annoyingly smooth charm. Her insidious attraction to him seems to be growing by the day and there's nothing she can do to stop it. Being a normal living among a family of witches had been hard enough, yet things are even more difficult now that Diva has become a conjurer herself. Her life is becoming increasingly complicated in fact. It's about to get even worse when she learns the truth about what caused the feud between the Delaney and Creighton Covens. cozy paranormal mystery, cozy mystery, witches wizards warlocks, supernatural occult paranormal, female sleuth, spells magic, ghosts spirits phantoms poltergeist

I Was Born This Way, How about You? Doug Green 2010 In this book, Doug Green shares his seventy year search for identity, acceptance and legitimacy. Since before he took his first steps, inner commands compelled him to follow his nature, often not in synch with parental and societal expectations. Guidelines available in 1939 didn't cover people who were different. Exceptions were viewed as aberrations, as "queer". Life, for an effeminate child, then a gay adolescent and young adult, was filled with rejection, disapproval, hostility and derision. Posing as straight was a transparent lie and increased stress. There was no escape.

Exactly Where They'd Fall Laura Rae Amos 2012-07-20 Jodie and Amelia were almost sisters once, before college degrees, careers, and grown-up love entered their lives. Before Jodie's brother broke up with Amelia. After so many disappointments, Amelia is finally happy. Or something like it. She's given her love and trust to her best friend, Drew, who is sweet, sensitive, loyal, and everything she's always wanted. She's calculated the perfect path to inner peace and healing by surrounding herself with people who would never break her heart. Jodie hates that all her friends are pairing up to begin their futures. She hates dating, hates romance in general. She hates that she can't forget one night, a year ago, which Drew doesn't seem to remember the same way. Everyone is moving on without her, but that's fine, because she never needed anyone in her life. "Never" has a way of proving itself wrong. With vivid characters, generous doses of humor, and palpable emotion, *Exactly Where They'd Fall* is a story about three friends forced to explore the complicated and fragile bonds of friendship and love. Fans of heartfelt, witty literary fiction, and smart women's fiction will enjoy this charming and honest debut.

Sleeping in the Forest Sait Faik 2015-02-01 Sait Faik may well be named "the Turkish Chekhov." In Turkey, critics and readers regard him as their finest short story writer. Since his death in 1954 at the age of forty-eight, his stature has grown on the strength of his narrative art, which is both realistic and whimsical with a poetic touch. Süha Oguzertem, a premier authority on Turkish fiction, writes in his introduction to *Sleeping in the Forest* that "As an anti-bourgeois writer and fierce democrat, Sait Faik has always sided with the underdog" and that no characters remain " 'common' or 'ordinary' once they enter Sait Faik's stories; his piercing gaze and thoughtful vision transform them lovingly into unique beings." Sait Faik's fiction ranges from the realistic to the surrealistic, from the romantic to the modern, from the cynical to the compassionate. With virtuosic skill, he captures the spirit and the spleen of the city of Istanbul and its environs. In evoking the mystery of that great metropolis through such ordinary characters as Armenian fishermen, Greek Orthodox priests, and the disillusioned and disfranchised, he creates for us a marvelous microcosm of tragicomedy. Few writers, in Turkey or elsewhere, command Sait Faik's mastery of the ironic. *Sleeping in the Forest* features twenty-two stories, an excerpt from a novella, and fifteen poems rendered into English by some of the best-known translators of Turkish literature. Sait Faik's chiaroscuro world is brought into focus by an introductory essay on utopian poetics and lyrical stylistics of this great Turkish writer. The book is a stimulating exploration into Turkish mood and milieu.
