

How To Get Riot Girl Tristana 2020

Waiting For The General - Alex Preston

2014-01-30

"If one stopped to consider the vast network of coincidences that make up a life, he thinks, taking a packet of cigarettes from his jacket pocket, it would be enough to drive one mad." The Artist waits, and smokes, and dread builds. Alex Preston takes us behind the public facade of dictatorship and reveals a world of corruption, misadventure and compromise - and does it with all the clarity and precision of a portrait on a banknote...

Thorn of the Night Blossoms - J. C. Kang

2019-11-26

For an imperial assassin, assignment as a courtesan in the Floating World seems like a

waste of her talents... until killers target her clan sisters. In the legendary Floating World, wars are waged with wit, the strongest soldier can be bound with threads of silk, and flesh is the currency by which life, death, and freedom can all be purchased. Half-elf Jie doesn't mind her temporary assignment as a Night Blossom in the most sought-after house. It's perfect cover for her real work as an assassin in the emperor's service, and keeps her close to one who matters most. Her life belongs to her clan, but her heart lies with clan junior, Lilian. Lilian's talents trade stealth for sensuality, poison for poetry. With looks as sharp as any blade, she can coax information from any man, and still leave him paying for the pleasure. She's enthralled many a

noble, none more important than the warlord who can calm a brewing insurrection. Only her sweet whispers can secure his obedience to the throne. But now, his increasing abuse has Jie seeking a new assignment for Lilian--even if it means their separation. When killers target clan sisters, and the seeds of rebellion find fertile soil in the Floating World, Jie must choose between loyalty and love.***"Thorn of the Night Blossoms is a prequel, though it is a total standalone... This cover story blends right in with her actual ninja-like assassin job in a fantastic tale filled with intrigue, betrayal, friendship, love and truly incredible action."--Amazon Reviewer"Kang delivers once again. This thrilling tale gives valuable insight to a beloved favorite character's younger years and begins to fill in the gap that was left with questions after his epic Dragon Song Saga. Highly recommended. Fantastic read that was full of suspense, charm, and shocking moments that will leave you wanting more."-- Amazon Reviewer The Legends of Tivara

Includes: A Dragon's Guide to Hatching a Rebellion Scions of the Black Lotus Thorn of the Night Blossoms White Sheep of the Family Wretches of the Trench The Dragon Songs Saga Prelude to Insurrection Songs of Insurrection Orchestra of Treacheries Dances of Deception Symphony of Fates The Dragonstones Chronicles Masters of Deception Heirs of the Sundered Empire

Amputation in Literature and Film - Erik Grayson 2021-08-10

Amputation in Literature and Film: Artificial Limbs, Prosthetic Relations, and the Semiotics of "Loss" explores the many ways in which literature and film have engaged with the subject of amputation. The scholars featured in this volume draw upon a wide variety of texts, both lesser-known and canonical, across historical periods and language traditions to interrogate the intersections of disability studies with social, political, cultural, and philosophical concerns. Whether focusing on ancient texts by

Zhuangzi or Ovid, renaissance drama, folktales collected by the Brothers Grimm, novels or silent film, the chapters in this volume highlight the dialectics of “loss” and “gain” in narratives of amputation to encourage critical dialogue and forge an integrated, embodied understanding of experiences of impairment in which mind and body, metaphor and materiality, theory and politics are considered as interrelated and interacting aspects of disability and ability.

A Lake Story - Vincent Hernandez 2013-06-23

Rubin Hermis is a writer in Phoenix, Arizona. One summer he decides to relive childhood memories at his family's old camping spot. He remembers hearing about other camping grounds nearby and wants to see if the fishing is any good, but what he finds is beyond what he could have ever expected. This is his account of all the events that took place on that trip and his own journey into madness. One thing is for sure: he will never look at our speck in the universe the same way ever again.

A History of Knowledge - Charles Van Doren
1992-03-17

A one-volume reference to the history of ideas that is a compendium of everything that humankind has thought, invented, created, considered, and perfected from the beginning of civilization into the twenty-first century. Massive in its scope, and yet totally accessible, A HISTORY OF KNOWLEDGE covers not only all the great theories and discoveries of the human race, but also explores the social conditions, political climates, and individual men and women of genius that brought ideas to fruition throughout history. "Crystal clear and concise...Explains how humankind got to know what it knows." Clifton Fadiman Selected by the Book-of-the-Month Club and the History Book Club

Superstar Contest. Inside, you'll find the monster mage, who learns spells from defeated monsters, vestige hunters, who gain the powers of their fallen foes, and new backgrounds related to monster hunting. Finally, upgrade your game's crafting with monster parts using the extensive and flexible new subsystem that fits in seamlessly with the game's economy.

Writers - DK 2018-09-06

Explore the fascinating lives and loves of the greatest novelists, poets, and playwrights. From William Shakespeare and Jane Austen to Gabriel García Márquez and Toni Morrison, *Writers* explores more than 100 biographies of the world's greatest writers. Each featured novelist, playwright, or poet is introduced by a stunning portrait, followed by photography and illustrations of locations and artefacts important in their lives - along with pages from original manuscripts, first editions, and their correspondence. Trace the friendships, loves, and rivalries that inspired each individual and

affected their writing, revealing insights into the larger-than-life characters, plots, and evocative settings that they created. You will also uncover details each writer's most famous pieces and understand the times and cultures they lived in - see how the world influenced them and how their works influenced the world. *Writers* introduces key ideas, themes, and literary techniques of each figure, revealing the imaginations and personalities behind some of the world's greatest novels, short stories, poems, and plays. A diverse variety of authors are covered, from the Middle Ages to present day, providing a compelling glimpse into the lives of the people behind the page.

Runeterra in this first-ever collectible companion book, published to celebrate the game's tenth anniversary. Spanning the farthest reaches of this universe and venturing into uncharted territory, this encyclopedic compendium connects players to the rich storytelling that inspires all the action. Inside, you'll find: An expedition through eleven regions, chronicling conflicts, entrenched rivalries, and covert alliances Hundreds of illustrations, including never-before-seen maps and artwork Insights into the heroes, flora, fauna, architecture, politics, and technologies from all corners of this world Original narratives that bring the cultures of Runeterra to life League of Legends is an online game played by millions of people around the world, offering endless engagement with an expanding roster of champions, frequent updates, and a thriving esports scene. This volume is an essential reference for fans everywhere.

Goodbye Cinema, Hello Cinephilia - Jonathan

Rosenbaum 2010-10-15

The esteemed film critic Jonathan Rosenbaum has brought global cinema to American audiences for the last four decades. His incisive writings on individual filmmakers define film culture as a diverse and ever-evolving practice, unpredictable yet subject to analyses just as diversified as his own discriminating tastes. For Rosenbaum, there is no high or low cinema, only more interesting or less interesting films, and the pieces collected here, from an appreciation of Marilyn Monroe's intelligence to a classic discussion on and with Jean-Luc Godard, amply testify to his broad intellect and multi-faceted talent. Goodbye Cinema, Hello Cinephilia gathers together over fifty examples of Rosenbaum's criticism from the past four decades, each of which demonstrates his passion for the way we view movies, as well as how we write about them. Charting our changing concerns with the interconnected issues that surround video, DVDs, the Internet, and new

media, the writings collected here also highlight Rosenbaum's polemics concerning the digital age. From the rediscovery and recirculation of classic films, to the social and aesthetic impact of technological changes, Rosenbaum doesn't disappoint in assembling a magisterial cast of little-known filmmakers as well as the familiar faces and iconic names that have helped to define our era. As we move into this new decade of moviegoing—one in which Hollywood will continue to feel the shockwaves of the digital age—Jonathan Rosenbaum remains a valuable guide. *Goodbye Cinema, Hello Cinephilia* is a consummate collection of his work, not simply for fans of this seminal critic, but for all those open to the wide variety of films he embraces and helps us to elucidate.

Achtung-Panzer! - Heinz Guderian 1995

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly

responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The enthusiast's essential handy reference to who directed what, with each entry providing a concise summary of the director's career.

Beneath Cruel Fathoms - Anela Deen 2019-04-29

After a violent storm destroys her ship, Isaura Johansdottir knows better than to hope she'll be

rescued from Eisland's vast Failock Sea. Adrift and alone, her plans to start over lost, it's a tragic conclusion after the disastrous end of her marriage--until she's saved by Leonel, one of the merfolk, a creature long believed extinct. In repayment for her life, Leonel enlists her help to investigate the Failock's mysterious and deadly plague of squalls. When Isaura discovers Eisland's ruthless new Lord commands the storms, her life will be in more danger on land than it ever was at sea. As guardian of the Fathoms, Leonel must find the cause of unnatural storms ravaging the tidal currents and destroying the sea life. There are rumors of dark magic stirring in the Orom Abyss, the resting place of old, vanquished gods who tried to submerge the land millennia ago. Yet without proof, no one in King Ægir's court will listen to him. And if it's discovered he broke the Blue Laws to save a shipwrecked landweller, he might not survive the consequences. As storms spread, Leonel and Isaura uncover secrets as forbidden

From Little Tokyo, with Love - Sarah Kuhn
2021-05-11

One of PEOPLE Magazine's Best Books of Summer! "I absolutely adored this funny, fierce, big-hearted book." —Morgan Matson, New York Times bestselling author of *Save the Date*
Celebrated author Sarah Kuhn reinvents the modern fairy tale in this intensely personal yet hilarious novel of a girl whose search for a storybook ending takes her to unexpected places in both her beloved LA neighborhood and her

own guarded heart. If Rika's life seems like the beginning of a familiar fairy tale—being an orphan with two bossy cousins and working away in her aunts' business—she would be the first to reject that foolish notion. After all, she loves her family (even if her cousins were named after Disney characters), and with her biracial background, amazing judo skills and red-hot temper, she doesn't quite fit the princess mold. All that changes the instant she locks eyes with Grace Kimura, America's reigning rom-com sweetheart, during the Nikkei Week Festival. From there, Rika embarks on a madcap adventure of hope and happiness—searching for clues that Grace is her long-lost mother, exploring Little Tokyo's hidden treasures with cute actor Hank Chen, and maybe . . . finally finding a sense of belonging. But fairy tales are fiction and the real world isn't so kind. Rika knows she's setting herself up for disappointment, because happy endings don't happen to girls like her. Should she walk away
