How To Attract Women With Humor - Leonard Bustos 2013-09-16

I'm going to show you how fun and exciting it is to approach practically any woman, practically anywhere, and have an immediate humorous connection with her. Women are actively looking for those men who have the ability to unlock the code to their natural instinctive desires, and your going to learn how to develop those "Attractor Factors" that tap into a woman's primal needs and desires. I'm going to let you in on a little secret. Real men want to have sex with

as many beautiful women as they possibly can. I know you're probably shocked at this astonishing revelation, but don't be alarmed. It's not your fault, and it's nothing to hide or be ashamed of. In fact, if your ancestors didn't feel the same way, you wouldn't be here. It's important to add that most honorable men in a relationship generally restrain themselves from acting on this primal desire mostly because of love and respect and to avoid hurting their partners. However, that doesn't mean this powerful urge still doesn't exist. To this day learning to control this instinctive impulse tends to be the ultimate male dilemma. Guess what? Women desire and crave sex too. The problem is, too many guys are either too passive and conceal their sexual interest in women, or they act like aggressive idiots and drive them away. There is a very cool and natural way to approach and attract women so they become interested in you first, and I'm going to show you how to do it. There's no doubt that women want to be sexually attractive and wanted by men. They are actively looking for those men who have the ability to unlock the code to their natural instinctive desires. This book is going to teach you how to develop those traits and skills that tap into a woman's primal needs and desires. You will become in so many words - simply irresistible. Attraction is not a choice. These are natural biological reactions embedded in our DNA developed over tens of thousands of years. Just as men have these responses to attractive women, so do women have similar reactions when they observe men with certain masculine traits. We often think of the male as competing with other males for the prize of mating with the female, but women, of course, also compete for the opportunity to mate with the male who has the most desirable traits. I'm going to teach you what those masculine traits are and how you can develop and use them so that you become more attractive and irresistible to women. I'm happy to report that some of you guys will be very relieved to know that looks aren't at the top of the list of attraction for women. I'm just saying..... If you want to experience life's ultimate pleasure of falling in love and being in love - with all of the benefits that come with it - like incredible sex, great companionship, having someone to laugh with, someone to be there for

you through good times and bad - and just having a partner to share and experience life with; then I promise to show you how to connect with her if you are willing to take the necessary steps I'm about to share. I can't think of a more important decision in life that you will ever make regarding your happiness than with whom you choose to share your life. Finding a quality woman all begins with meeting her, and in order to meet her, you'll need to know how to approach and cause her to be attracted and interested in you.

How to Pick Up French Girls - Amy Schrauf
2012-02-24

ABOUT THE BOOK French girls have a reputation of being some of the most beautiful girls in Western Europe. They have charm, looks, and killer style. Any man would be thrilled to pick up a French girl, but this is where things can get tricky. Even if one knows the French language, so many considerations come into play. Does one use the familiar version of 'you' or the formal? Should one be forward or more discrete in their come on? This book will tell you everything you need to know and more on the art of picking up French women. First and foremost, you need to know which form of 'you' to be using when talking to a French girl. A lot can be interpreted from a conversation based on which version a person is using. In today's modern world, the rule of thumb is to use the 'tu' form when talking to (or flirting with) a girl who is around your age. The 'vous' form is considered too formal for such a situation. MEET THE AUTHOR Amy studied International Studies and French at Miami University and graduated in May 2011. She has been writing since she could hold a pen. Amy loves French history, the banjo, and her dog Jacob. You can find out more about her by visiting www.amyschrauf.com. EXCERPT FROM THE BOOK So you've made it past the awkward picking-her-up conversation as well as the first date, where to go from here? It should be pretty apparent whether or not you want to carry on a relationship with this French girl by this point, so it's down to you. If you're pretty into her and decide you do indeed want to carry on this trans-cultural relationship, I would recommend reading on to the next section so you can avoid any potentially embarrassing future 'faux pas' in the future. About the Book The information provided is for men (and maybe women) who need just a little help getting and/or keeping a girlfriend or just to entertain people. This book is not intended to create "Players". Player is such an ugly word; I prefer Ladies' Man, Casa Nova, Don Juan, Romeo. From picking up girls at the mall to morning routines to keep yourself looking your best, the guide goes through basic and advanced techniques and preparation skills on how to get girls. No one should be too ashamed or too proud to read this book. Once anyone reads "The Playa's Guide on Getting (and Keeping) The Girl", they should have a better understanding on how to obtain and maintain a significant other in a healthy, happy relationship.
