Cultural Differences and the Practice of Sexual Medicine - David L. Rowland 2020-01-27

The aim of this book is twofold: to promote an awareness of cultural differences in connection with sexual medicine among health care providers, and to demonstrate how such differences are relevant to the care and treatment of patients with sexual issues. Individual sexuality represents the cumulative effects of biological, psychological, and cultural influences. Yet much of the study of sexuality—including issues ranging from sexual identity to sexual response—has been conducted through a Western lens. Although a substantial body of work in anthropology has taken up the study of human sexuality from a cross-cultural perspective, two points are notable. First, this work seldom crosses the desks of medical and psychological health practitioners, and second, the relevance of specific cultural differences is rarely apparent to the typical sexual health practitioner. To address this situation, this book adopts a global perspective, focusing on how cultural practices and values can impact health care, treatment, and outcomes. In this regard, it covers three broad domains: Sexual Identity and Orientation; Sexual Response and Dysfunction; and Sexual Diversity. Each chapter consists of two parts: a general description of the relevant issues, and a discussion of how these issues can be relevant to clinical practice. The book offers a valuable, practical tool for specialists in sexual medicine and sexual psychology, for sexual healthcare givers, and for sexological researchers who want to better serve their patients by developing an awareness of and sensitivity to cultural differences, and by providing a framework for dealing with issues of sexuality and sexual health that takes cultural values into consideration, while adhering to best practices in patient care.

She has a truly deep and delightful perspective on life, well-being, sex, - and men. I don't know how she does it, but she really understands what it's like to be male. Bravo to that! Dr Erika Thost's Daily Cialis book belongs on your bedside table as a must-read." - James Herriot, Ph.D. "Good to see a woman of passion looking to enhance the lives of men as we age. Pleasure has been disdained by most religious traditions even while they admit God created pleasure. So acknowledging pleasure and passion that does not have to end with the tick of the clock is returning to the oldest truth: God said it was Good." - Art Andrews, Priest "I think what Dr. Erika Thost is doing for midlife and older men is amazing! Her work for prostate problems is great. Her new book on Daily Cialis for men will help so many men, women, and couples!" - Barbara Keesling, Ph.D. Author of Men in Bed and Sexual Healing "A powerful book that will truly change your life! About this crucial topic for men: Everything you need to know is in this book!" - Thomas Reaper MD "Daily Cialis allows a more spontaneous and natural expression of desire and passion. "S.B., MD" This book is a wonderful resource! It combines up-to-date medical information, the expertise of an experienced doctor in her field, and a sex positive and fun perspective on Men's Sexual Health in midlife and beyond. "Michaela Boehm, Intimacy Teacher and Author of Wild Woman's Way" "Since I am a somatic sex educator, Daily Cialis caught my attention. At first I was skeptical, but then astonished and grateful when Dr. Thost's information about Daily Cialis helped me to reclaim my senior citizen sex life." - Joseph Kramer, Ph.D. "Dr. Erika's book combines honesty and systemic thinking with the medical practice of sexuality - A rare treat. "Russell Haber Ph.D. "In my practice I constantly see how erectile dysfunction is such a devastating problem for so many men and their partners. Here, finally, is a solution that is scientific, safe, and easy to do! I'm thrilled we now have a pathway to their finding sexual satisfaction." - Patti Britton, PhD, Clinical Sexologist, Co-Founder of SexCoachU.c

**Get Real About Sex** - Alldred, Pam 2007-07-01

â€œUp-to-date and accessible, this book manages to be both theoretically subtle and attuned to the realities of classroom practice.â€ Dr Rachel Thomson, The Open University "[This] book is a great success and provides a wealth of insights into the realities of teaching and being taught about sex and relationships." Michael Reiss, Institute of Education What are the different values and perspectives on sex and relationship education within a single secondary school? How do young people think sex education should be taught? What are the challenges facing the provision of good sex and relationship education at the classroom level and at the political level? Young people often receive mixed messages about gender and sexual relationships. When providing sex education lessons, schools should take into account different ideas and values, including the general British embarrassment over intimate matters and differing political and personal views about sex education. This book combines young peopleâ€™s views of sex education, schooling and parenthood, with those of teachers, school nurses and head-teachers. It brings together these varied perspectives and considers how they reveal different values, aims and agendas. The authors highlight the potential conflict between approaches to education and health, and reveal the complexity of dealing with sexuality and gender in real-life situations. Focusing on young peopleâ€™s identities in the classroom, contemporary theoretical approaches in the social sciences are employed to explore how gender is enacted and experienced by individuals, and how social pressures and government agendas operate at the level of the individual. This book contains original, first-hand empirical material from a detailed study of all the schools in one English city, and offers a critical analysis of broader political and cultural ideas and values. **Get Real About Sex** is key reading for students and professionals in education, health and the sociology of gender and sexuality.

*Tantric Sex 2022* - Evelyn Jaymes 2022-02-06

Did you know that tantric sex is NOT all about sex? Or that it could be a path to healing several other areas of your life? What if you could experience full-body orgasms that lasted for hours? Doesn't that sound incredible? The truth is, the strength of your relationship is not forged during the dates you have or how much time you spend together as a couple. A strong, loving bond that can withstand the test of time is built during the most precious and intimate moments you share with your partner. It is built during sex. Having sex should be more than just satisfying your hormonal lust or desires. Sex should be a time when you connect with your partner in a way so deep, you're both brought to the brink of ultimate bliss. Originating in India sometime between 300 and 400 of the Common Era (CE), the concept of tantra can be detected dating back to 2000 BC. Ancient civilizations have long been harnessing the power of this remarkable practice, and the modern world we live in is only now waking up all the glorious possibilities tantric sex can bring. Tantric sex is not a religion. It is a practice and a way of life. It doesn't just teach you the various sex methods you could use for greater pleasure alone. It teaches you how to give and receive the loving energy between a pair of lovers. It teaches you about awakening the internal spirit, the energy of life that flows within us all to connect with your spiritual side, and restore meaning to your life. It reminds us that our bodies are a temple and that within every man and woman, there resides a God and Goddess. Tantric sex is about connecting with your partner so

deeply that in that union, you feel like you may have found your soul mate at last. You Will Learn: Tantra's emotional and cultural origins Why tantric sex is better than regular sex How to bring out your partner's sensual side Overcoming the myths to discover the truth How to awaken your body and free your mind The true power of breath and what it can do for your sexual experience How to harness the power of your sexual energy How to transform your sexual energy using your chakras How to manipulate the senses for greater intimacy What the erotic awakening massage can do for you Understanding the universal hum The best tantric sex positions to try today There's more to tantra than meets the sexual eye, and this book aims to help you understand why it should be seen as a way to connect meaningfully with your partner rather than seeing it as nothing more than a way for you to have an orgasm.

Embrace tantra fully, and you'll live your life with freedom and passion you never knew before. Tantra doesn't just teach you how to connect with your partner. It teaches you how to connect with your world. Tantra is a practice that benefits both men and women, and we'll provide step-by-step guides about how you can work together with your partner the way you are supposed to. This book is not going to tell you how to do it. It's going to show you how to do it. Are You Ready to Change Your Sexual Experience for the Better? Do you know what your spouse desires in bed, and can they tell what turns them on? Read on to know more... This book is designed for you to read and practice. The instructions will guide you step by step in practicing the different positions. This is good news! The hope is that this book will give you the tools you need to keep your sex life fresh and continually changing, introducing you to the world of the Kama Sutra. You may have tried some of the Kama Sutra positions in the past and need help to learn more. Maybe you are new to sex and want to study different positions for beginners. Perhaps you've tried all the classics and are looking to get into something completely new and adventurous. This book covers the following topics: What is Kamasutra; The History of Kama Sutra; Benefits of the Kama Sutra: Practicing Love Making for a Healthy Body and Mind; Erogenous Zones; Kama Sutra Positions for Male Orgasm. And much more! Use every experience as a learning opportunity and allow it to guide you as you move forward. If you find that you're losing confidence using certain words and sentences, by all means, stop right there and never use them again - you've found your comfort limits. There's no need to break through them if you don't want to. Practice those dirty words in front of the mirror or build up to them slowly over time by aiming for some softer fantasy role-play first. Over time, you will begin to build a sexual repertoire that you never dreamed you'd be capable of. Your dirty talk has unlocked the door to all sorts of experiences you didn't know how to ask for, and you'll enjoy some a lot more than others. What a pleasure it would be to have sex in the same places over and over again and never make the most of your orgasm! If you haven't already, try some of the things you learned from reading this book, and I assure you that your sex life will be much better. Click to buy now!

**Sexual Violence** - Elizabeth L. Jeglic 2018-06-23

The purpose of this edited volume is to examine the disconnect in the sexual violence prevention field between legislation, research and practice. The work is focused primarily on United States policies and initiatives, with key case studies internationally. Contributions show that current policies are mainly based on repeat offenders: residence restrictions, registration and notification statutes, and post-sentence initiatives. While these initiatives address public fears, they are not evidence-based and do not necessarily reduce offending. Research shows that post-sentence policies may destabilize offenders and limit their ability to reintegrate with society at a critical period, therefore increasing the chances of recidivism. Furthermore, the majority of sex crimes (95%) are committed by first time offenders. This innovative book is divided into two parts juxtaposing what is currently being done legislatively with what the research evidence suggests would be best practice.

**Listen to Yourself** - Kirsten Ahlburg 2017-04-28

Listen to Yourself is a sympathetic little book about all the near things. It is mainly about energy, about being in harmony with the people and the things surrounding us. When we are in touch with our sixth sense, we are able to feel what to do to get a good life. We often ignore our inner voice. Some people do so almost all the time, others practice listening while others still constantly realise that they forgot to listen and are therefore taken by surprise or failing to obtain what is most important to them. Listening to oneself is not important in matters of love only, but in all aspects of life. By listening to ourselves we grow happier, and more harmonious and tolerant - and reading this straightforward little book you will soon find that perhaps it is not all that difficult. Listen to Yourself is easily understood and full of common sense, wisdom, good advice and exercises that may help you practice listening to your inner voice. Kirsten Ahlburg has been a psychotherapist in private practice for 15 years, specialising in couplehood and sexuality. In addition she has contributed to a number of newspapers and magazines as a letters editor and adviser on psychology and couplehood, and appeared in numerous television and radio programmes on these subjects. Her books *Entering Couplehood...and Taking Leave of It*, *How to Get a Loving Couplehood* and *When Sex Life Becomes Deadlock* are a trilogy on couplehood.
