**How to Attract Women If You're Not That Attractive** - Enrique Voltaire 2017-04-13  
What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. How to Attract Women if You're Not That Attractive

answers everything you need to know about attracting women if you do not look like Prince Charming.

[How to Be a 3% Man, Winning the Heart of the Woman of Your Dreams](#) - Corey Wayne 2017-06-22

This book teaches men how to completely understand women in the dating world and long term relationships so they can meet and date the woman of their dreams. It teaches men how to approach and date the women of their dreams all the while remaining who they truly are inside. The book teaches you strategies to still be yourself and be the type of man women are

naturally attracted to. By applying the simple strategies for success you can overcome any insecurities and doubts you have about yourself even when you are dating a woman that totally intimidates you. It takes the reader step by step from getting clear about the type of woman they want to attract to maintaining the magic after twenty years of marriage. The book was written for men that are single and searching as well as for men that are already involved with their dream woman. It teaches men how to completely win the heart of the woman of their dreams and keep her head over heels in love with them for life. Order now!

*Pondering Soul* - gareema rajju & ameena saif  
2021-07-04

As the title suggests this anthology delineate the souls of the authors. They poured and spilled their souls out on love, desire, friendship, diligence. This is a debut book of 60 budding

authors. The best part of this book is that it depicts the beauty of love in various perspectives. Most of our Co-authors are from various places in Tamil Nadu and their works are amazingly penned in English and Tamil languages. This book is a kickoff start for most of the co author's and their first book to be broadcasted. *Shades of Souls* is compiled by Miss. Ramya Saravanan and presented by Miss. Danica Rayen. This anthology is curated and compiled with much love and care for your reading. Hope you enjoy it.

*No Not Again* - Shubham Tripathi 2019-02-10  
"I have to study, I want to be in IIT Bombay. 6th April is 20 days away." Rohit said as he closed his eyes forever. His mother never knew what IIT was before that, she knows now although meaningless.

*You Say More Than You Think* - Janine Driver 2011-01-04

Now You're Talking! Do you want to be bulletproof at work, secure in your relationship, and content in your own skin? If so, it's more important than ever to be aware of what your body is saying to the outside world.

Unfortunately, most of what you've heard from other body language experts is wrong, and, as a result, your actions may be hurting, not helping, you. With sass and a keen eye, media favorite Janine Driver teaches you the skills she used every day to stay alive during her fifteen years as a body-language expert at the ATF. Janine's 7-day plan and her 7-second solutions teach you dozens of body language fixes to turn any

interpersonal situation to your advantage. She reveals methods here that other experts refuse to share with the public, and she debunks major myths other experts swear are fact: Giving more eye contact is key when you're trying to impress someone. Not necessarily true. It's actually more important where you point your belly button.

This small body shift communicates true interest more powerfully than constant eye contact. The "steeple" hand gesture will give you the upper hand during negotiations and business meetings. Wrong. Driver has seen this overbearing gesture backfire more often than not. Instead, she suggests two new steeples that give you power without making you seem overly aggressive: the Basketball Steeple and the A-OK Two-Fingered Steeple. Happy people command power and attention by smiling just before they meet new people. Studies have shown that people who do this are viewed as Beta Leaders. Alpha leaders smile once they shake your hand and hear your name. At a time when every advantage

counts—and first impressions matter more than ever—this is the book to help you really get your message across.

**The Driveway Rules** - Marc Sander 2020-01-28  
The Driveway Rules is my book of memoirs. It focuses on my struggles when it comes to dating but also has fun entries about various adventures in my life. I am introspective and have learned a lot about my struggles through the years. The point of our struggles is to use them as an opportunity for growth and perhaps to help others later in life. This book is poignant, philosophical and humorous. Next to penicillin laughter is the best medicine.

Ugly Love - Colleen Hoover 2014-08-05

From Colleen Hoover, the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.
