How to Date Like a Grown-Up - Lisa Daily 2009-01-01

"Witty and smart, this is a must-read for any woman ready to find Mr. Right. Or at least Mr. Right Now."

Christopher Hopkins, Oprah's Makeover Guy and author of *Staging Your Comeback: A Complete Beauty Revival for Women Over 45* By the time you hit forty, you have a pretty good idea of what you want when it comes to dating, love, and romance. But how do you get it? **HOW TO DATE LIKE A GROWN-UP** will tell you everything you need to know to

find the love you're looking for (even after a long marriage or other dating hiatus), how to get married (if that's what you're after), or how to just get lucky. Dating expert, bestselling author, and TV personality Lisa Daily (Daytime) uses her hilarious and compassionate voice to offer up realistic, counterintuitive advice that will help you finally find the relationship (and the guy) you deserve, including: Where (and how) to meet better men 5 easy tips to chat up any stranger What you may be doing to make yourself a magnet for losers How to deal with the pitfalls and fringe benefits of dating younger men Little-known secrets to dramatically improve your dating odds How to break it to your kids that you

have a better social life than they do A foolproof way to find the best dating site for you How to face getting naked in front of someone new for the first time How to accommodate changes in your body (and the little blue pill) The one simple thing you can do in the bedroom that will make a man speed up his marriage proposal Why men are rushing to the altar, and why you might just want to wait Dating: It's Not Just For Kids Anymore *Flirting With Intent To Marry* - Jae Morgan 2019-08-23

It's a known fact that single women's demand for single men has reached a critical supply turning point around the world. It's time to think outside the box. You will be delighted to have this book to reference if you're single trying to attract a good man or a married woman that started out without a plan of action, but must switch to new tactics to hold on to your husband. This book will help you to:
1. Stop feeling guilty about a lack of knowledge; and 2. Start making changes to win and

hold a good partner in a declining market. The sad truth, single women on the prowl are not finding it easy or hassle-free to find and flirt with men who are single, unspoken for or straight. As a result, you may be settling for lesser men, giving up good, available divorcés, widowers and mama's boys who are lonely, ready, willing and able to provide companionship and support. To win a good man, you need a total package of looks, mind, body and spirit.

Lessons for a Happy Marriage -

Paul Friedman 2009-06-01

Through his own family's experiences, Paul Friedman discovered how dangerous modern western psychology has been to relationships and

families. The current divorce rate (the same for psychologists and the general population) is a clear testimony to the fact that western psychologists' principles are simply incorrect. As a successful pragmatist, Paul decided to skip the psychobabble and self-serving excuses for poorly working marriages. He found scientific explanations that could be communicated in simple language for dealing directly with the root causes of failing relationships. Paul does not believe therapy is the answer for the vast majority of individuals in unhappy marriages. In fact, he believes all married couples need to know what thoughts and actions will cause what results and why. The behaviors and thinking that cause the trend of an unhappy marriage need to be stopped. Then, new and correct thinking and effort needs to be exercised to move the marriage in the beneficial direction of happiness. Lessons For A Happy Marriage explains the science of marriage. It is

written as a step by step format to guide each reader to guaranteed success and happiness. Paul thoroughly explains the steps so you can put them into practice with foundational knowledge instead of blind faith. He also prioritizes which things need to be done to turn your marriage around quickly. It is all common sense and immediately usable. Utilizing this book is no different than using a manual to get the most out of a computer program; it covers everything. Paul states, "An epiphany is the collapse of bad habits under the weight of accumulated wisdom." This book shares wisdom accumulated over 15 years of experience.

Want to Marry a Good Man? Here's How! - Alisa Goodwin
Snell 2007

many more dismiss one without a thought. Sadly, single women often cycle through this condition over and over again. and they don't understand why. Being single can cause many to doubt their personal skills, attractiveness, ability to love and be loved, or possibility of ever becoming happily married. Everyone has a bad day. Everyone has fears and doubts. However, if you take charge, you will be successful in your search for a good man. Being successful in dating depends upon many factors: You must believe you can and will be successful. You must believe the kind of man or woman you are looking for will appreciate, value, and love you. You must have accurate information about the opposite sex, their needs, feelings, and motivations in relationships. You must play an active role in the process. In *Want to Marry a Good Man*, Alisa Goodwin Snell provides an exceptional guide for single women, offering advice on everything from flirting to the first date to engagement and marriage.
