[Dance To My Ministry - Carl Petter Opsahl 2016-10-10](#)

Hip-hop is a deeply spiritual culture, a culture that since its beginnings has provided urban youth all over the world with a sense of place, being and direction, with knowledge of self and knowledge of cultural heritage. By examining a number of rap tunes and graffiti walls, Carl Petter Opsahl explores different spiritualities and religious traditions informing hip-hop culture, including, Christianity, Nation of Islam, Nation of Gods and Earths and indigenous spiritualities. By developing a theoretical framework of hybrid spirituality, Opsahl outlines spiritual strategies of survival and resistance in contexts of oppression and

struggle. He provides basic introductions to recent research on spirituality, to hip-hop culture and its aesthetic practices and to Islam in the USA and the teachings of Nation of Islam and Nation of Gods and Earths. Then follow in-depth analyzes of hip-hop cultural expressions. One chapter is devoted to the study of graffiti murals, exploring artworks by some of New York's finest writers such as TATS CRU, TRACY 168, TOO FLY and QUEEN ANDREA. Then follows a chapter on rap and Christianity, featuring explorations of Lauryn Hill, 2Pac and a number of Christian rappers including G.R.I.T.S. Another chapter explores Islamic influences on rap, with studies on Public Enemy, Wu-Tang Clan, Erykah Badu and Mos Def. Embedded in

rhythms, rhymes, colors and shapes, the exploration of hip hop spirituality expands the horizon of studies in spirituality.

Cry in the Sun - Allie Ituen 2015-10-08

A *Cry in the Sun* is about two young women, united to overcome the limitations of cultural conditioning. Hanatu Samson is twenty-two years old. Her Papa has given her chance of a university education to her younger brother, Tim, and attempts to force her into a polygamous marriage to a wealthy entrepreneur, Benson Abraham. When Hanatu defies her father's wishes, she discovers a deep need to, also, defy the culture of silence over sexual abuse - her ten-year-old cousin, Esther, sobs for justice. Following the sudden death of her mother, Hanatu goes job-hunting, where she meets Karl Abraham. There is something so magnetic between Hanatu and Karl. True love emerges. He shares her determination to find justice for Esther. Meanwhile, Teresa Etebio is already trapped in a loveless marriage. She suffers constant abuse at

the hands of her mother-in-law, Bimbo, from whom she has escaped FGM. However, Teresa is unable to save her step daughter, Lola, from the same ordeal, and when Teresa gives birth to a daughter, she must protect her infant from being mutilated. She leaves to find a new identity, and true love.

Short Stories and Novellas - Ismael Casiano Jr. 2010-07

"Short Stories and Novellas" is an experiment in form and structure that seeks to glean beauty and continuity out of the rhythms inherent in the patterns of our unique and individual experiences and methods of finding understanding in what we read. The short stories and novellas could be the lives of the lovers that the distinctive voice of what could be a narrator-- or not-- patterns into songlike rhythms or they could represent a hint as to how we are to understand this work of fiction and ultimately the varying experiences composing our own lives. Whether "Short Stories and Novellas" is Fiction, Memoir, Philosophy, or Religion seems to matter less than that it is a poetic effort. And as such we are at a point where we can either entirely dismiss such efforts at turning our worlds upside down or we can submit to the quest put forward of letting beauty finally speak for itself in the midst of chaos.

Sects, Love, and Rock & Roll - Joel Heng Hartse 2010-11-01

"If this book moves, I hope it moves in the way pop songs do. There will be a lot of talk about songs, but inasmuch as this is a book about listening to music, it's also about how listening to music makes us who we are, or at least about how it makes me who I am, and so it is an exploration, an idiosyncratic and opinionated and particular one, of a self shaped by the oddly intersecting forces of the American evangelical Protestant church and the American popular music scene. I don't mean for that to sound hoity-toity--if this were fifteen years ago, I would say that this book was about Christian music, and I would know exactly what I meant. My purpose now is not only to talk about "Christian music." I am not here to explicate Christian music, to explain why it exists and whether it is any good. Instead, think of what you're about to read as like an iPod playlist, a collection of essays and thoughts on listening to music and having faith and how they have made me, and a lot of people like me, and maybe you. Also, there will be some jokes about Stryper."

The Elephant In The Bed; What's Blocking Your Sex Life? - Johanna Sparrow 2014-06-22

Most, if not all, of my friends have heard of the old saying about the elephant in the room or even the pink elephant or white elephant in the room. But, did you know that they are all addressing a problem that no one wants to acknowledge, not even you? In relationships, the elephant in the room seems to be out of control. So, what do you do when the elephant leaves the room and climbs into your bed? I can surely tell you that when I had an elephant in my bed, it was awkward as hell, and my sex life was nonexistent. No matter what size bed you have, you will never have enough room to fit you and your significant other in comfortably. This book will help you to recognize what's blocking your sex life and affecting your relationship as a whole. Now that you've got your eyes on the elephant in your bed, I want you to walk its big ass right out your front door and out of your life forever.

I Don't Want Your Sex for Now - Miles McPherson 2001

Honest Talk to Teens About Abstinence God made sex for you. That's right. It's for you. And He wants you to enjoy it. The only problem is, you have to understand when it should happen...and why. Too many young people today think they can get away with sexual sin, that having "safe sex" is without consequences, or that their excuses will justify "just this once." They assume it doesn't matter. Well, it does matter...especially to God. Nationally known speaker Miles McPherson knows staying sexually pure till marriage is one of the hardest things you'll ever face. But here's the good news: *I Don't Want Your Sex for Now* gives you the motivation and the tools to do it! Miles even gives a concrete answer to the age-old question, "How far is too far?" This detailed book is a powerful weapon in the battle for your purity, and it holds everything you need to know to respect God's gift of sex.

Case Studies in Communication about Sex - Janet MacLennan 2020-05-15

This exciting new textbook is a compilation of communication case studies that identify the most salient issues regarding communication about sex in relationships. The text provides a basis for developing tangible communication skills, clearer understandings of how interpersonal concepts and theories play into practice, and an examination of ideas not often considered by students. Understanding interpersonal communication elements of sexual relationships is an indispensable component of any model of an overall

healthy human sexual development. Moreover, being able to transform such understandings into practice in relationships is a leap toward being able to have the kind of meaningful communication with sexual partners that can potentially improve relationships, encourage safer sex practices, highlight responsible family planning, and work against limits of gendered and cultured expectations related to sex and sexuality. Twenty-one case studies from leading researchers in sexuality from Communication Studies, Sex Science, English and Medicine focus on interpersonal communication, cultural aspects of sexuality, media influences, health, and dark side of communication while building communication skills about these difficult to discuss topics. Each chapter features a series of possible discussion questions and a reference list of the resources that were used as a knowledge-base for composing that case study.

The Revolving Door - Gordon P. Bois 2009-02

Although he is only a novice poet, Gordon Bois has written extensively for more than a decade but regrettably, being his own worst critic, he destroyed more than four hundred poems, the bulk of his work, in the fall of 2001. Encouraged by his professors and peers, Bois started to write once more during the winter months of 2002. Bois shares his collection of more than three hundred poems in The Revolving Door divided into five sections: The Light Side, where he discusses his loves gained and loves lost; Off The Cuff, which is full of many free flowing ideas; Short Shorts, filled with short descriptive sentences of key words; Fairy Tales, which is about wanting more in life and The Dark Side, that delves into withdrawal and tough times. Thankfully, Bois finds himself fueled once again to write, having made a promise to himself and others that he would resume writing more extensively and not be so critical of his work. This time, Bois wants to share his poetic style with others and be part of the writing culture, something he has denied himself for so long.
