Enjoy the hope, adventure, love, and laughter in your visit to Green Mountain. This is book 1 in the Coming Home for Christmas Series and can be read as a stand-alone. Ridge left six years ago in search of the Berkley degree that would allow him to be an architect in the bustling city of Boston. That was his dream, but the other part he looked forward to was coming back home to the family-run Crofton Inn. With his Dad and Mom retiring, he and his brother Roan are taking over the family business. He knew that Sunday would be there, but what he doesn't count on is that she is not right where he left her. Sunday has been at the Crofton Inn since she was an infant, meaning that she grew up with Ridge and Roan. The three amigos were the best of friends. Ridge and Sunday had a bond like no other, both finding love early, so how could he leave her behind without a second thought? He wanted more... That open-ended statement has been filled in a million times. When Ridge comes back home to run the Crofton Inn, he's definitely interested, but there is no way he could love her. Who leaves the girl he loves for six years without so much as a phone call shared during that time? The ideal love story should have made Ridge turn around and come back. He's back now, determined to show Sunday how much he cares, but will he be six years too late? It's pure agony to have her near and not be able to be with her. Ridge was an immature fool once blinded by selfish dreams and unable to see what a mess he left behind. Has he learned his lesson?
